

Chapter 638

Qin Ming didn't get an immediate yes from Yang Xiaoxuan, and he wasn't in a hurry, he was in love with talent, had to soften it up more, and next time he would have to start with Sun Justice.

Qin Ming returned to school with a pile of collectibles, not knowing which one was real and which one was fake, a brain was put aside first.

When he saw Lin Yurou standing motionless, her eyes just stared at him, he asked, "What's wrong? If you have something to say, just say it, we should be very familiar with each other, right?"

Lin Yurou bit her lips and suddenly bowed deeply, saying, "Qin Ming, thank you."

Qin Ming smiled and said, "It's alright, I'm friends with your Lin family too. And you guys owe me money, if the Lin family doesn't

return to the top, they won't be able to pay back my tens of billions in loans, right? I'm earning interest."

Lin Yurou said, "But even so, there is no need for you to have to destroy that thing, if you want to stay and study the secrets of our Lin family's parasites, no one can say anything about you or do anything to help you."

Qin Ming laughed harshly, "I'm not afraid that you usually put worms in my diet?"

Lin Yurou blushed and said, "I... I wouldn't dare. When we first met that was because I was young and ignorant. Generally our Lin family's family rules do not allow the use of that kind of compulsion on ordinary, innocent people, it is punishable by retribution. You were kind enough to take me in, I just did my best to take care of your life and food, I didn't do anything small at all."

Qin Ming looked at Lin Yurou's nervous clarification with great sincerity, he silenced Lin Yurou's head of hair and said, "No need to

apologise, I was joking. If I didn't trust you, I wouldn't have eaten your cooking."

"As for helping your Lin family, it's a proof of our friendship, although I'm not a great person, but for friends, I'll help if I can. The "magic" I did with the Sun family before was all a trick, but without you, I don't seem so profound, right?"

Lin Yurou's heart was pleased, yet her mouth was unhappy, "Do you think you only see me as a friend when you get me? In the matter of liking you, I'm confident that I won't lose to anyone."

The corners of Qin Ming's mouth twitched, how did the question come back to this?

He cleared his throat and said, "Ahem, Lin Yurou, I have someone I like. You may be good too, but what about"

But Qin Ming wouldn't give up Nie Haitang and Mu Xiaoqiao for Lin Yurou.

Knock, knock, knock, but before Qin Ming could say anything, there was suddenly a knock on the door outside.

"Is Mr. Qin here?" A tiny voice was testing the waters.

Lin Yurou said, "This voice, it's my cousin, it should be grandpa and the others coming. Eh? It's not me, I didn't inform them that you were here."

Qin Ming narrowed his eyes and said, "You're not being disruptive, forget it, come in."

With Qin Ming's permission, the Lin family's litter of a dozen people all poured into the small, single dormitory room.

Lin Yundong got the chair, and the two rows of Lin family members stood behind him.

Lin Yurou did act like a hostess, helping to pour the tea and standing on Qin Ming's side.

Qin Ming said, "Master Lin, are your injuries alright?"

Lin Yundong smiled, "It doesn't matter, it's you who are injured, Master Qin, I'm very sorry. It was Yurou who didn't do a good job, Yurou, did you apologize to Master Qin?"

Qin Ming said, "Master Lin you should not chastise her, she protected me well."

Suddenly, Lin Yundong stood up and bowed deeply towards Qin Ming, including Sister Bai Ying and the other Lin's children who also bowed deeply to Qin Ming, saying with one voice, "Thank you Master Qin for helping us in a righteous manner and preserving the secrets of our Lin family."

Qin Ming was suddenly bowed to by so many people, so he also hurriedly went forward to help Lin Yundong and said, "You are very kind, old master, you and my master have been friends for many years, this is nothing."

Lin Yundong grabbed Qin Ming's hand and said, "Master Qin's great kindness to our Lin family is something our Lin family will never forget. In return, we, Yurou, are willing to give our bodies to each other, please grant it to Master Qin."

Qin Ming's face darkened as he said, "No."

"It's fine if you don't want the identity." Lin Yundong said brazenly.

Qin Ming drew his hand back and said, "You can't go on like this, old master. Speaking of which, she is now homeless, but you, how did you get rid of her? What a poor little woman, forced to jump into the river. It's true that I was forced to impersonate Zhao Zhengyan and have a conjugal relationship with her in the first place. But it was also you who made the little move in the first place, wasn't it? The survival of an entire family was handed over to a weak woman like her, and you guys have a problem with that."

Lin Yundong rubbed his old face in embarrassment.

Lin Yundong sighed and said, "Then Master Qin is saying no to everything?"

Qin Ming said, "Yes, indeed."

Lin Yundong could only say, "I had thought that Master Qin would look at Yurou's pity and take her in. After all, she did have a conjugal relationship with you, but Master Qin is so determined, and you are a great benefactor to our Lin family, so we cannot force you to do such a thing. Yurou, you'd better come back."

Lin Yurou bit her lip, but inwardly she was very reluctant, she had only had sex with Qin Ming, her reputation was still in disrepute because of that incident, onlookers still didn't know it was Qin Ming who did it, just these people in the Lin family knew, she had been reduced to a laughing stock in the circle of the gentry.

Of course, the most crucial thing is that she has become more and more fond of Qin Ming after spending time with him, so she is inwardly hoping that she can make things right with him and fulfill the idea of being married to one another.

Qin Ming said, "Look, Lin Yurou, your grandfather isn't that unreasonable."

Lin Yundong added, "Master Qin, tomorrow we will return to Xiangxi, so Yurou can stay and continue to take care of you today, after all, you have been kind to us and we can't repay you with anything at the moment."

Qin Ming said, "Master Lin is very kind, what repayment or no repayment? Shouldn't friends help each other? Who doesn't have a problem? In the future, if I am in trouble, I may have to come to you, right?"

Not only did Lin Yundong have face, but the children of the Lin family also felt honoured, they worshipped Qin Ming in their hearts, after all, Qin Ming was powerful, and since such a powerful Qin Ming gave them respect, they naturally appreciated him even more.

But the more grateful they were to Qin Ming, the harder it was for Lin Yundong and Bai Ying's sister-in-law to push Lin Yurou onto Qin Ming, let alone use the fact that Lin Yurou had lost her virginity to Qin Ming as an excuse.

Qin Ming's tactic was very offensive and completely killed the Lin family's heart.

It would be too humiliating to carry on like this and cause distress to his benefactor, so Lin Yundong also had to call out for Lin Yurou to come back.

After sending Lin Yundong away, Lin Yurou's expression was depressed. She knew that she would have to leave Qin Ming tomorrow, and when she saw him again in the future, there would be a gap that could not be crossed.

Qin Ming looked at her expression, although some heartache, but will not have any change.

He was already unclear with Sun Changxi because he couldn't control himself. The good thing was that Sun Changxi didn't have any claims on him and was relatively innocent, Qin Ming didn't want to hitch a ride with another Lin Yurou.

"Let's hope she'll think about it." Qin Ming shook his head, picked up his books and went to class.

Lin Yurou looked at Qin Ming's back and clenched her fist, thinking, "I have to do something or else"
