

## Chapter 752

The man who came in turned out to be Chuck! He blew the door open with the bomb!

Sophia, whose eyes were bloodshot, was stunned. In an instant, her face was covered with tears.

Chuck really came!

Sophia couldn't believe it, but he really showed up!

Sophia felt like she was dreaming.

However, it was a real dream!

The strong explosion made Loomis furious. In just a flash, he saw the door blown open and dust flying everywhere. Soon after, he could clearly see that the person who walked in was Chuck!

In that moment, Loomis had a sinister smile on his face.

He didn't care about how Chuck got in, or why he was here!

He was not interested in that at all.

The only interesting thing was that Chuck appeared!

It was perfect timing!

Chuck glanced around the room and found that it was quite big. There stood Loomis and many bodyguards.

And... Sophia, who had been tied up and tortured beyond recognition. For a moment, Chuck was shocked. What about Elise?

Was she dead?

Chuck looked at Sophia and saw the grief in her eyes. Chuck understood and was fuming.

He could only imagine what Loomis had just done. Sophia was tortured badly!

"Oh, not bad. Did you come here alone?" Loomis gave a faint smile. It was a ferocious sight!

Clatter!

Loomis snapped his fingers.

Loomis said, "You guys, go to the gate and see how many people are coming!"

"Yes, Master!"

Ten people left the room.

Bang!

Loomis pressed some buttons. The people outside could see that the entrance was sealed by a thick iron wall. No one could get in!

Chuck strode forward step by step, not being affected in any way by Loomis' bodyguards' watchful eyes.

After a while, the people who had left earlier returned to the room.

"Master, he's the only one here!"

"Did your mother give up on you? Or did she trust you too much? Why did she let you come here alone?" Loomis said with a smile.

Even if Karen was there, he wouldn't be afraid!

Loomis had become the head of the family. His security was also greatly enhanced.

"Nothing to say? I know what Karen means by this. Oh, you're doing this separately, aren't you? You come here and let Karen go to my house? It's really in line with her character. Doesn't she like to do sneak attacks at night? But I've known it all along, so I've made preparations and set a trap for Karen. Of course, rest assured that she's alive because I plan to torture her first!" Loomis said with a crooked smile.

When he left, he had already set up a trap in the Yeager family. No matter how powerful Karen was, she would definitely not be able to escape from the trap!

Chuck was taken aback. A trap? Wouldn't that mean that Karen was in great danger?

"Are you afraid? You have done nothing wrong in your life. The only thing that you have done wrong is offend me. I am a person you should never offend in your lifetime!" Loomis laughed.

He walked up to Sophia and grinned. "I just asked her to call you to make you come over, but she didn't agree. She didn't want to call you, and Elise didn't want to either. So when I was going to torture Elise, she bit her tongue and committed suicide. What a pity! Her body is really my type!"

Chuck clearly understood what had happened. He suddenly felt sorry for Elise. She was strong-willed and would definitely not let herself be insulted by Loomis.

Thus, she chose to end her own life!

But she was less than twenty!

She was so young, and lost her future because of Loomis!

"Tell me. You're interested in Sophia, aren't you? Otherwise, why would she protect you?" Loomis teased.

"What will it take for you to let her go!" Chuck was fearless as he approached Loomis step by step.

"Let her go? Of course I can!" Loomis was ferocious.

"Chuck, run, run..." Sophia was despaired. She just lost Elise. How could she lose Chuck too?

She knew she couldn't live any longer, so she wanted Chuck to live!

"I'm sorry, I got you into trouble," Chuck sighed.

Yes, it was his fault.

If they were not in a relationship, Loomis would not have used their relationship to threaten him. She wouldn't have been caught by Loomis either.

All because of him, Sophia was captured and Elise was killed.

"No, it's not your fault." Sophia shook her head, tears streaming down her face.

No, it was not like that! Chuck didn't get her into trouble.

Even if she didn't have anything to do with Chuck, she would still have been insulted when Loomis asked her for the bomb previously!

What did that have to do with Chuck?

When Sophia was caught...

She had never thought of it, even when she was tortured.

She even thanked Chuck for looking for her when Loomis searched for her previously. If it weren't for Chuck, she would have been dead!

Chuck let out a sigh. Seeing that Sophia had been tortured, Chuck's heart ached for her!

How good the woman was to him was indescribable.

She didn't ask for anything in return.

Chuck felt guilty for her.

"Loomis, what do you want before you'll release her? I'll do anything!" Chuck did not wait any longer.

Chuck didn't want Sophia to stay in that place a second longer!

Only when she leaves could Chuck start to act.

Otherwise, Chuck would only be under Loomis' control.

"Why should I let her go? Well, let me think about it first. I

haven't thought about it yet!" Loomis smiled.

"No, you have to leave now..." Sophia closed her eyes.

She was so panicked that she couldn't continue to watch, it would break her heart.

"I will take you out, trust me!" Chuck said.

Sophia couldn't say a word. Tears flowed down her cheeks. She believed him, but she only wanted Chuck to stay alive!

"Oh, you're really optimistic. You want to take her away from here? I've thought about it. You're asking me to let her go, right? I can do that. But I want to see you get beaten up. It shouldn't it be a problem, right?" Loomis asked with a smile.

Chuck didn't answer.

"Oh, are you willing?"

"Can you let her go once I'm beaten up?"

"It depends on my mood. Anyway, now I want to see you get beaten up by my people. I don't suppose you have any objections to that, do you? If you have any objections, just say so. It's not like I won't listen to you." Loomis laughed.

"Okay." Chuck agreed.

Sophia shook her head, and more tears were streaming down her face.

"You three, beat him well. By the way, don't kill him. Else, there's no fun for me! Go!" Loomis laughed.

"Yes, Master!" Three people stepped forward and walked over to Chuck.

Loomis showed a ferocious look and expected what was going to happen next would be very interesting. He would not miss a second of it.

Chuck clenched his fists. Facing the three bodyguards, he decided to loosen his grip. Sophia's life was more important!

## Chapter 753

Bang!

Bang!

Bang!

The three men hit Chuck heavily with their fists!

They were combat masters of the Yeager family.

Their moves were astonishing!

Chuck flew backward!

He landed on the ground three meters away from where he originally was.

But he didn't fall down, he stood firm!

Blood flowed from Chuck's mouth. Three punches! Chuck was beaten until he was bleeding.

Sophia's voice was hoarse as she screamed. Chuck walked back step by step.

"Not bad! He is quite tough!"

Loomis felt very satisfied. He thought of the pain he felt when he was beaten by Chuck. He would make him suffer ten times more pain before he died!

"Continue! Beat him until I'm satisfied!" Loomis said lazily.

Bang!

The three people continued punching and kicking Chuck!

Chuck was kicked into the air and fell to the ground. He was in a terrible state!

However, he still got up.

He walked ahead closer, step by step.

The three men sneered and thought Chuck was really

stubborn.

Suddenly!

The three of them kicked him at the same time!

Once again, Chuck was sent flying!

He fell to the ground and spat out a mouthful of blood!

Blood splattered everywhere.

"Chuck is such trash. He spat out blood so quickly?

No! Come on, get up!" Loomis laughed out loud.

Chuck lay on the ground and could not get up.

"Chuck..." Sophia was in utter despair. How could this be?

.....

Bang!

In a luxurious room, Adriana slapped her bodyguard.

Nelson's face turned red, and he knelt down in horror!

Feeling fear and unease!

"What? What did you say?" When Adriana heard Nelson's report, she found out that Chuck went to see Loomis alone!

How could that be?

"Chuck...went to see Loomis." Nelson was terrified.

It was the first time he was slapped by Adriana.

At that moment, he was under the impression that Adriana would kill him immediately.

It was horrifying!

It was as if he was facing the Emperor!

"Do you want to die? Chuck went to find Loomis alone. Will he survive?" Adriana was furious.

The more she could not get Chuck, the more worried she was.

She had been in a bad mood and was feeling unhappy in recent days. She felt she was not in the mood to do anything.

"I..." Nelson couldn't do anything. He had just received the news.

"Go prepare a plane for me! I'm going to see Loomis right now. If he dares to kill my Chuck, I'll kill him! Go, now!" Adriana was fuming.

The moment he saw Adriana's cold gaze, he became frightened.

Nelson got up and ran out quickly.

A minute later, he walked in.

"Miss Adriana, the plane is ready."

Adriana always changed her mind, so the plane was always ready for her.

Adriana strode out.

She boarded the plane.

Nelson had arranged for someone to fly the plane.

"Where's Sabina? Where did she go?" Adriana asked suddenly.

It has been a few days. Did Sabina go missing?

She was surprised.

"She... she... is still being located for the time being. I'm sure we'll find her soon. Since Sabina is seriously injured because of my shot earlier, she must be hiding and healing herself. Furthermore, Loomis is still hunting her down. She is most likely hiding somewhere because of her severe injury," Nelson said cautiously because Adriana had really scared him earlier.

He also knew that Chuck was important in Adriana's heart.

There was no point in being jealous. After the slap earlier, he decided that he could no longer afford to have any thoughts about Chuck. If he was just a little careless, he would die!

Adriana snorted. "Don't underestimate Sabina. She's definitely not as simple as you think!"

Yes, even Adriana regarded her as a rival. What did that mean?

It meant that Sabina's was very capable! She was a close match for Adriana.

"Don't worry, Miss Adriana. I won't underestimate her. I will send more people to locate her!" Nelson said in a hurry.

"Suddenly missing? Sabina, what are you doing? Are you really looking for a place to recover? I don't think so. If it was me, I'd have other ideas... Would you think the same way as I do? If you really just went to find a place to hide, then I'll be very disappointed..." Adriana's beautiful eyes were shining.

All of a sudden, she smiled, which made Nelson a little confused.

Why was she smiling?

Nelson didn't understand. He couldn't read Adriana anymore.

"..."

"Karen actually sent Chuck to see Loomis alone? What's her plan? I know, she should be at the Yeager family now, acting separately. But it's too dangerous for Chuck. How can Chuck take such a big risk?" Adriana said coldly.

She was very angry and thought Karen was too much.

"Yes, Karen was wrong this time," Nelson agreed.

"Humph! If Chuck is in trouble this time, I won't let Karen go! Get them to get there faster!" Adriana urged.

"Yes, Miss Adriana!" Nelson went to arrange for it.

"Chuck, I'm really good to you. Don't you have even the slightest feelings for me? You must see how good I am to you," Adriana said with her beautiful eyes glistening.

.....

Bang!

Three men's fists struck out!

Chuck spat out a mouthful of blood and looked as if he couldn't get up anymore.

Sophia couldn't cry anymore. "Chuck, Chuck... " She had been muttering with her hoarse voice...

"Master, he seems like he can't hold on any longer," one of the three men said.

The three of them had never stopped punching and kicking. If it had been anyone else, that person would have already been beaten to death.

Chuck was the only one who could still hold on like that.

In fact, they were shocked!

The guy was too resistant to beating!

Was his body made of iron?

"I can see that!" Loomis felt great.

Chuck spat out a mouthful of blood and looked drained.

He did not miss a second to take a good look at them.

"Chuck, you can't get up? We haven't really started yet. How can you be so useless?" Loomis laughed hideously.

"Let her go..." Chuck said with difficulty.

"Have you ever thought about this day? Have you thought about the consequences of offending me? Do

you regret it now?"

Chuck tried to get up, "Let her go!!"

He roared.

"Do you know what you look like now? A dog! For now, you are a dog. You have to do whatever I want you to do. Not to mention that you are half dead..." Loomis said, "I can let her go, but will you meet my request? Cut off one of your hands! If you cut it off, I'll let her go!"

Chuck was silent. One of his hands?

"Don't, don't!" Sophia cried hoarsely.

Chuck didn't say a word and he clenched his fists.
