Huang Yuming looked up with a start as if he had been struck by lightning.

His bloodshot eyes immediately started tearing up.

He could see Jiang Ning walking briskly towards him from afar.

“Big Boss!” Huang Yuming ran over and his voice was hoarse and low. He fell to his knees with a loud thud before Jiang Ning.

“I...I have been useless! I didn't manage to protect...”

Jiang Ning reached out to pull Huang Yuming back up.

“I know all about what happened, it's not your fault.”

Butler Zhao had updated Jiang Ning the minute he stepped back into Donghai.

They had been attacked suddenly by an extremely highly skilled martial artist, and he was way beyond what Donghai could handle. Perhaps only Jiang Ning could possibly stop this man.

Jiang Ning knew that this time round, someone had calculated this attack well.

It had caught Jiang Ning off guard, but it was still within his plan.

“Where's Gou and the rest?” asked Jiang Ning.

“Take a look at Yuzhen first? She...”

“I’ll go and see the wolves first.” Jiang Ning shook his head and didn’t go and see Lin Yuzhen first. He followed Huang Yuming to the adjacent guest rooms where several doctors were monitoring the wolves’ physical condition.

“Mr Jiang.”

Jiang Ning nodded and motioned to them not to speak.

He walked over to Brother Gou, took his pulse and observed for a while before moving on to the next person and doing the same thing. His slightly furrowed brows relaxed.

“They’re fine.”

“They’re fine?” Huang Yuming was stunned. They were all in a coma and Jiang Ning said they were fine?

“Yup, don’t worry, this is considered a blessing in disguise.” Jiang Ning relaxed and patted Huang Yuming’s shoulder. “Everything is still going according to plan.”

Huang Yuming didn’t understand, but since Jiang Ning said they were going to be fine, he could finally relax. He was on the verge of tears from worrying about them.

After that, Jiang Ning went to see Lin Yuzhen.

He could hear sobbing outside the room. It was

clear that the entire family had been plunged into darkness because of what happened to Lin Yuzhen.

“I’m back, it’s alright, you have me.”

Jiang Ning quickly consoled everyone, then walked into her room.

Lin Yuzhen was lying on the bed and her face was a little pale. Her unmoving state was completely different from how she was normally very lively and energetic.

“I won’t let anything happen to you,” said Jiang Ning gently as he held Lin Yuzhen’s hand.

“This poison is very strange,” came a voice from behind. Jiang Ning didn’t have to turn to know that it was Chen Huangtang.

“It seems to be very strong and fatal, but all it’s done is to seal off major channels in her body. Both mother and child are fine for now, but there’s a limit to how long this situation will last,” said Chen Huangtang. “It’s as if someone has purposely given you a time limit.”

A crazed and murderous glint flashed deep within Jiang Ning’s eyes.

“I know,” his voice remained calm. “Someone wants me to do something for him.”

“It looks like you can’t say no then,” said Chen Huangtang.

He knew that someone who could plan something like that and use Lin Yuzhen to threaten Jiang Ning must be someone truly vicious!

And he had seen how incredibly powerful that person was. He might not be weaker than Jiang Ning even.

“Why say no?” said Jiang Ning instead.

He carefully put Lin Yuzhen’s hand back under the blanket and tucked her in. His movements were so tender and delicate.

“Since he dared to hurt Yuzhen like this, I’ll make sure he pays the price. A really heavy one.”

Jiang Ning looked at Chen Huangtang and his gaze became so cold and ruthless that even Chen Huangtang felt his heart tremble. It was as if Jiang Ning was a wild animal that was eyeing its prey!

There wasn’t much change in expression on Jiang Ning’s face, but Chen Huangtang knew.

Jiang Ning was his scariest when he looked like this!

Chen Huangtang didn't say anything and just nodded before disappearing into the shadows again.

He knew that Jiang Ning would definitely fight back, and he was going to fight back aggressively.

And that was because this person had ruffled all of Jiang Ning's feathers!

The less reaction Jiang Ning seemed to have, the more it showed that Jiang Ning's heart was already in turmoil and he was ready for a massacre.

More than 300 famous doctors came into Donghai over the next two days, but nobody could diagnose exactly what poison was inside Lin Yuzhen's body.

Without a diagnosis, nobody could treat her either.

Jiang Ning remained expressionless and looked like he didn't know how to smile anymore.

He saw the last doctor out, then gently tucked Lin Yuzhen in.

"Rest well, ok? You're always so busy at work, and you must be really tired, right?" His voice remained as gentle as ever. Ye Qingwu stood to one side and tears immediately came to her eyes.

"Qingwu."

"Yeah."

“I’ll leave Yuzhen to you.”

“Of course, don’t worry.” Ye Qingwu nodded and didn’t say much.

Jiang Ning then walked out.

Just as he reached the door, his phone rang. It was an unknown number.

He knew someone was bound to contact him.

“What do you want?” Jiang Ning picked up the call.

“Once a person has a weakness, then he becomes very easy to manipulate, even if he’s a martial artist with an amazing gifting like yourself,” said a calm voice on the other end of the line. “Those who choose to walk this road should not start a family.

Jiang Ning didn’t say anything, but the murderous aura seeping from his face seemed to be solidifying the air.

If he could kill someone through a phone, the person on the other line would have been crushed to pieces by now.

“I’m not interested in the pages of the manual that you have, but I need you to do something for me.”

“Say it.” Jiang Ning didn’t want to beat around the bush. “But you must guarantee that my folks will be alright, otherwise...”

“You do not have a choice,” the voice remained calm, but it was clear that there was no room for negotiation.

He was the one with the upper hand, so he didn't care about what Jiang Ning said.

He hung up after saying that.

Jiang Ning looked up. Butler Zhao was standing not too far off and nodded in return.

“Got the signal. It came from Europe, from the Salo castle!”

Jiang Ning narrowed his eyes. He just knew it was the person hiding inside the Salo clan.

“The Salo clan.” Jiang Ning dialed another number. This time it was Fei's. “The Salo clan, you heard me?”

“Got it!” Fei's response was equally simple and was brimming with murder.

He had heard all about what happened in Donghai even though he was in the Middle East, and he knew that Jiang Ning was going to take action.

Anyone who dared to hurt Lin Yuzhen was basically pushing all of them over the edge!

Jiang Ning didn't say anything and just gave this order before leaving Donghai. Donghai and Lin Group started working hard to begin their aggressive counterattack!

Meanwhile.

In the Salo castle in Europe.

Reagan stood to one side and didn't dare to sit.

He was nothing but a tool to Mr Hei.

“We're going back to Mount Zhongnan, so once all this is over, all of Lin Group, Donghai and the entire Chinese market, will belong to the Salo clan,” Mr Hei glanced at Reagan. “That is your reward.”

“Thank you so much, Mr Hei!” said Reagan respectfully.

Mr Hei turned to look at Fang Yin.

“You've done a good job. You're really good with using poison.”

Fang Yin scoffed lightly and didn't care to answer him.

He had decided to obey Mr Hei, but it didn't mean that he was happy to do so. He just wanted to do what would benefit him the most at this point.

He was well aware of this, and so was Mr Hei. The two of them were just working together.
