

I Want a Lifetime with You

Chapter 168

It was windy outside and Shi Nuan's clothes were a bit thin. Hearing Fu Xicheng's words floating in the wind, Shi Nuan almost thought she had heard it wrongly, "Looking for me?"

Nodding his head, Fu Xicheng looked at her. He felt that she seemed to be thinner than he remembered. He could not help but felt a little worried, "You, have lost a lot of weight!"

Shi Nuan frowned when she heard Fu Xicheng, "Just tell me what's the matter!" She looked around, a little impatient, "It's working hours."

Fu Xicheng's face was slightly stiff and his face was a little unnatural. "Nuan, do we have to be like this now?"

"What does my brother-in-law mean?" Shi Nuan squinted and smiled coldly, "If there is nothing important then I will go up first."

"Nuan!" Fu Xicheng stopped Shi Nuan and sighed slightly, "I know you are still pissed at us but it had already happened." Fu Xicheng felt regretful but he also understood that they could not get back together. "Wei said the other day that her mother told you about a marriage proposal for you... are you happy with it?"

Shi Nuan snorted coldly then said, "If you're here for this, then I think it is necessary for you to know that you may be married to my sister, however, my affairs is none of your business!" Shi Nuan was getting very impatient. "Are you done?"

“I heard from mum that you were working for Shengyuan so I came here.” Fu Xicheng looked at Shi Nuan, “I was thinking about what you would do after you left Fucheng!”

“Are you saying that I am not capable? I can’t live without a job after leaving Fucheng?” Shi Nuan sneered, her eyes which were looking at Fu Xicheng were completely cold now. “Is there anything else?”

“One more thing!” Shi Nuan’s attitude towards him made him feel uncomfortable. Fu Xicheng took out an invitation card from his pocket and passed it to her. “Your sister’s birthday is in a few days. This year is our first wedding anniversary and she wants to host a birthday party, so...”

“Haha!” Shi Nuan took the invitation card from Fu Xicheng. She opened it and saw pictures of Shi Wei and Fu Xicheng printed on it. Shi Nuan patted the invitation card in her hand without much care. “My sister and brother-in-law are really heartfelt. It’s not uncommon to have a birthday banquet on your birthday. It’s just the first time I see someone turn a birthday banquet into a wedding invitation. Why is that so? Is it possible that my sister and brother-in-law are planning to get married for the second time?”

As soon as Shi Nuan finished, Fu Xicheng’s face changed color and he frowned. He took the invitation card from Shi Nuan and saw that there were photos of their wedding inside. “This...” That was impossible. There was no photos on the card when Shi Wei printed them.

Twitching her lips, she reassured him, “Don’t worry, my brother-in-law. She is my only sister so as her younger sister, I will certainly attend the party. Is that all you want to talk about? If there’s nothing else, then I’ll leave.”

Shi Nuan took the invitation card from Fu Xicheng’s and walked away without looking back.

He called for her but she did not look back. Looking at her back, he felt that something seemed to have been slipped from his life and it was too late to reach out and grab it.

As soon as she entered the elevator, Shi Nuan received a call from Fu Chengyan. "Come upstairs!"

Shi Nuan was taken aback for a moment but she noticed Fu Chengyan's voice sounded off so she asked, "What's wrong?" Shi Nuan smiled, "How did you know I was back to the company?", before adding, "You saw me?"

Fu Chengyan narrowed his eyebrows and pinched them in the center and said, "You arrived at Shengyuan's door with great fanfare, did you think that I would not notice?"

Shi Nuan pursed her lips, "Don't give me that crap." She could tell that Fu Chengyan was angry, "You know I have nothing to do with him anymore. He just came over to send me invitations."

"Invitation?" Fu Chengyan frowned, "What invitation? What happy occasion are they hosting recently? Are they getting married again?" His tone was unhappy and disdainful.

Shi Nuan knew that if it was not for her, Fu Chengyan would probably look at Fu Xicheng because they were not worth mentioning.

However, she could not help but laugh out loud when Shi Nuan heard him saying that. She was still holding the invitation, "You have really guessed it." Shi Wei gave this to her and asked Fu Xicheng to deliver it personally. Was she just trying to remind her that she was already married to Fu Xicheng?

However, Shi Wei was really problematic person. She had to remind Shi Nuan over and over again and even had to come up with such ideas! She must be nervous about the relationship she had with Fu Xicheng! "Just now, Fu Xicheng came and gave me an invitation. The wedding photo of him and Shi Wei was

printed on it. If this isn't another marriage, what else could it be! You didn't see it but Fu Xicheng's face was stiff just now."

"Are you planning to go?"

"Definitely, why not!" Since Shi Wei had already done this, what should she be afraid of? In fact, she wanted to see what her sister would do on that day.

Having said that, Shi Wei's birthday banquet was very big this time. Basically, many rich kids from Jiang City came over. Everyone came from the same circle and were acquaintances. Even if they were not close to Shi Wei, they would not refuse either. Not to mention, Shi Wei was a celebrity and her husband Fu Xicheng was revealed a while back to be related to the Shengyuan Group. Everyone came here for these very reasons.

As the birthday girl tonight, Shi Wei naturally wanted to entertain everyone. However, Fu Xicheng would be late due to a last minute meeting. On the contrary, Su Su and Anna arrived very early since they were Shi Wei's best friends and they greeted the guests together.

Apart from the rich children, Shi Wei also invited several former classmates. Due to some animosity in the past, many of them rejected her invitation. Instead, those who were willing to come were closer friends of Shi Wei. Naturally, Shi Wei also invited Qin Yue over.

Anna's eyes flashed slightly when she saw Qin Yue and Shi Wei caught it. She took Anna's hand, "Don't tell me you are still missing him!"

Shaking her head, Anna said with some annoyance, "Why did you invite him over?"

When Shi Wei heard this, she knew that Anna was still brooding about what happened last time. She took Anna by her hand and said, "Since you don't have any feelings for him anymore, why don't you relax as I have invited you to watch a show today!"

“What show?” Anna felt tightness in her chest and then said again, “By the way, why hasn’t Shi Nuan arrive yet?”

Pursing her lips, Shi Wei replied, “She will definitely come over later, she is my only sister, my dearest sister! If she is not present, I will not be happy on my birthday!” Shi Wei said and patted Anna’s hand, “Don’t worry about what happened before, I will help you with it.”

Anna narrowed her eyes and sneered in her heart, hiding it behind a happy expression she shown on her face, “Wei, you’re the best. Okay, let me help you greet your guests!”

“Okay!” Seeing that Anna was helping to greet the guests, she glared at her coldly.

Su Su walked over, “Yun Shen is here too, are you sure you want to do this? If he pursues the matter, it won’t be easy!”

“What are you afraid of! I have already inquired clearly. Yun Shen’s status in the Yun family is not that high. There is a brother above him holding him down, and he can’t do anything. What’s more, I am helping him today.”

Shi Wei smiled and took Su Su’s hand, “You don’t have to do anything later, just look out for Yunsheng.”

“Mr. Yun, you are here!” When Shi Wei saw that Yun Shen had arrived, she went over to greet him. On the other hand, others who saw him quickly made way for him.

Those classmates of Shi Wei might not know Yun Shen, but most of the rich children know whom he was. Though he was young, he was a very popular in the circle.

Yun Shen curled his eyes and walked towards Shi Wei. His gleaming eyes seemed more coquettish than that of a woman’s. Smiling, he squinted his eyes,

and said, "Ms. Shi, it's been a long time." Yun Shen said as he took a glass of wine from the waiter next to it before rubbing his slender finger against the edge of the wine glass and lifted it slightly, "Happy birthday Ms. Shi!"

As he said, his other hand held Shi Wei's hand, planting a kiss on the back of it. Taking the opportunity, he came close to Shi Wei and chuckled in her ear, "Ms. Shi is so beautiful today."

Shi Wei trembled and stared at his eyes. She was somewhat unconsciously attracted to him.

Yun Shen curled his lip then let go of Shi Wei as kept a distance from her. Shaking the glass gently, he took a sip and teased her, "Ms. Shi's blushing look is really intoxicating!"

The people around sighed, they did not expect Yun Shen to flirt with a married women. It was then when Shi Wei suddenly recovered, her face flushed. Her hand which was kissed by him felt as though it was burning.

Looking around, she found that everyone looked at her in a different light and said hurriedly, "Mr. Yun's blessing is indeed unique." As she said, she subtly flashed the wedding ring on her finger.

Yun Shen smirked, "Of course, it's natural to treat a beauty like Ms. Shi in such a unique manner!"

Gasping fiercely, she wished to give him a slap on the face but she couldn't due to her status and the occasion of the day. She had to hold herself back. Furthermore, she was the one who invited Yun Shen over.

Shi Wei moved her hand behind her, clenching it tightly and then smiled, "The banquet hasn't started yet, Mr. Yun, please wait for a while. I have to greet other guests!"

Squinting his narrow eyes, he stared at Shiwei's face with amusement. Shi Wei felt more disturb by his action. She always felt that Yun Shen was like a ticking time bomb, so she left in a hurry.

However, Yun Shen narrowed his eyes and stared in the direction where Shi Wei had escaped. His eyes blazing with menace.
