

Chapter 823

Against everyone's expectations, Chuck won! He actually won!

No one would have anticipated this outcome!

Hubert, who was so powerful, lost to Chuck, an inexperienced nobody!

The entire arena was completely silent for a minute!

"Who would have expected that he would win this year's freshmen competition! How can this be? He didn't look the part! How?" Miss Scarlett muttered to herself. She also had not seen this coming.

However, she suddenly thought of an incident. Previously when Chuck had sought her out, he seemed to have mentioned that he was someone's son.

Who was it again?

For a moment, Miss Scarlett's beautiful eyes were glowing with interest.

"Chuck? He actually won!"

Liliana's eyes were wide open in disbelief!

Chuck, whom she did not think highly of, had veritably won the competition this time!

It was hard to express what she felt. It felt almost like a dream!

Gaige had a vicious look in his eyes. "He hid his skills ever so secretively! Could it be him who had knocked me out previously?"

He had thought it was Hubert!

But now that Chuck had defeated Hubert, it was more likely that Chuck was the person who had knocked him out that night.

"Gaige, did you see that? Chuck won. He's one of our students. The glory is ours now!" Liliana smiled gently.

In that split second, she no longer felt that Chuck was annoying.

"Tessa, did you see that? Chuck defeated Hubert!"

The girls were in a state of shock!

Tessa was momentarily dazed. "Is he... is he really the person who had saved me?"

And the girls began to exchange glances!

"He definitely has the capability to save you. But why did he run away

when he saw Miss Liliana in danger?"

"Perhaps there is a conflict between Chuck and Miss Liliana, therefore he did not save her?"

"Oh, it's possible! Tessa, Chuck is really strong. It might really be him who sacrificed himself to lure the bears away from you!"

Tessa blinked and thought, "Was he really the one who had saved me?"
Chuck?!

"Is there anyone who wants to challenge me? Come on up!" Chuck's voice rang loud and clear.

It resounded in every one of those freshmen's ears.

No one dared to rise to the challenge. Even their breathing seemed to have come to a standstill.

It was because the battle earlier had left them completely shaken!

"No one?" Chuck shrugged.

No one answered!

No one dared to answer!

They realized that the person who had defeated Hubert possessed an overwhelming strength.

"Miss Scarlett! Looks like you can officially announce the result now," Chuck said.

"Hm? Ahh, yes, of course!"

Miss Scarlett was stunned, but she came back to her senses and announced loudly, "Hubert is defeated! The champion of this freshman competition is Chuck Cannon, a student under Miss Liliana! "

Woohoo!

The crowd began to cheer loudly!

Yes, Chuck deserved the title of champion!

Chuck shrugged and said, "Then can I make a request?"

"Since you're the champion, of course, you can!"

"He's my student!" Liliana's name was mentioned by Miss Scarlett.

She was so excited to receive such an honourable mention!

"Miss Liliana is truly an outstanding coach! She trained such a talented student!" Other coaches praised her in admiration.

"Alas, why can't I have such a strong student under my tutelage! I'm so jealous of her!"

Liliana's heart was buoyant with pride!

It had been a long time since something like this had occurred!

Her combat talents were ordinary. The reason why she was able to be appointed a Wolfen Sect coach was because the Wolfen Sect appreciated her diligence.

She had always been unknown in the Wolfen Sect, but finally, Chuck had made her proud!

For the first time, she was the subject of others' envy!

It was the first time that she was the focus of everyone's attention!

This glory was given to her by Chuck!

The more Liliana looked at Chuck, the more she found him extremely pleasing to behold!

"Well, Coach Liliana, since you're Chuck's coach, you should come up to the ring too! You can also make a request!" Miss Scarlett said.

And so, Liliana could not wait to dash up the ring!

"Chuck, congratulations on winning first place! You deserve it!" Liliana smiled brightly.

But, Chuck merely shrugged.

"As your coach, I sincerely hope you will get better and stronger! Worry not, I'll continue to coach you in a stricter manner!"

Chuck still continued shrugging.

"Of course, I'm not that unreasonable. Now that you've won the first place, I'll give you three days of break. You're free to do whatever you want in the next three days," Liliana said with a faint smile.

Again, Chuck merely shrugged and smiled. 

Liliana finally felt relieved, and realized that Chuck was actually easy to get along with.

In future, she should be stricter with him. However, she could not be too overboard with it either. It would be better to employ an on-and-off approach.

In Liliana's heart, she had already devised the training courses for Chuck.

"Miss Liliana, as his coach, you can make the request first!" Miss Scarlett reminded Liliana.

"I..." Liliana had never thought about this!

Because she did not expect that Chuck, whom she did not hold in high

regard, would actually win.

"Could you give me some time to think about it? Chuck, you can go ahead with your request first!" Liliana smiled slightly.

"Are you sure?" Chuck asked with a smile.

"Of course, I have not decided yet," Liliana said.

Chuck then continued unabashedly, "Well, Miss Scarlett, I can request anything, right?"

"Yes, you can request for anything that is within the capability of the Wolfen Sect!" Miss Scarlett said.

This had been the rule of the Wolfen Sect for many years.

"For example, Karen Lee, one of the strongest freshmen in the Wolfen Sect's history, had proposed a request that was within the Wolfen Sect's capability. I'm sure you have not heard of her name before..." Miss Scarlett recalled.

"What... what request did she make?" Chuck wanted to know. At that time, what request had his mother made when she had been a freshman?

"However, it seems that her request is still unused until this day."

"Her request is still unused?" Chuck was stunned. Her request from 20 years ago was still unused?

"Indeed. Karen's request was that, whenever she needed it, all personnel from the Wolfen Sect should help her, at least once!" Miss Scarlett explained, but also seemed very puzzled.

This request had been issued 20 years ago, but Karen still had not used it until this day! 

The higher management of the Wolfen Sect assumed that Karen had no need for this request anymore!

Chuck was stunned. His mother had suggested such a request?

At this moment, Chuck truly admired Karen's intelligence. Twenty years ago, she had already been so foresighted!

Chuck was enlightened now. Karen's twenty years of development had resulted in the woman she was today. She really was foresighted!

Karen had achieved all she had at present clearly because of her strategic foresight!

"You can also make similar requests. But of course, it's just a suggestion."

"It's alright, my mot..." Chuck stopped and shrugged. Since Karen had already requested it, what was the point of repeating it again?

"Okay. So, what is your request?"

Liliana's eyes flashed with interest. What kind of request would Chuck put forth?

"Could it be that he would request for me to be his coach forever?" she wondered.

Liliana was very excited, and her mind began to churn up unfounded speculations.

"I..." Chuck shrugged. "I want you to be my coach!"

Chapter 824

"Chuck, what are you talking about? I'm your coach, why are you saying this to Miss Scarlett?"

In that moment, Liliana was angry, her face flushed from embarrassment!

She was extremely mortified!

She thought that Chuck would propose for her to continue being his coach, but he requested for Miss Scarlett instead?

Miss Scarlett was astonished!

She did not expect that Chuck would actually request for this!

Why did he want her to be his coach?

"I think you've made a mistake. My mother has suggested that I enter into the Wolfen Sect and learn combat skills from Miss Scarlett," Chuck said bluntly.

Liliana was furious. "Chuck, you're such a jerk. You're burning your bridges!"

"So what? I have no intention of using that 'bridge' again. Mind you, you did not teach me how to combat!" Chuck questioned coldly.

"I... I..." Liliana felt as if something was lodged in her throat and she stomped her feet. "Chuck, don't regret what you said today!"

"I won't! Ever!"

Liliana's face was beet red from the embarrassment and humiliation.

The coaches below the ring laughed mockingly at her. Even the group of freshmen ridiculed her.

Liliana's anger had reached its boiling point. This d*mned Chuck had a well-thought-out plan all along!

To humiliate her in public!

Liliana would sear this mortifying moment into her memory!

"Alright! You said it!" Liliana said coldly!

"Yes, I said it!" Chuck stopped looking at Liliana. "Miss Scarlett, this is my request!"

"You mentioned your mother just now. Who is she?" Miss Scarlett was curious.

He could defeat Hubert at such a young age!

His talents must be inherited!

"The explanation can wait. Anyway, this is my request."

Miss Scarlett hesitated for a few seconds. "I don't usually accept any students, but since you have requested it, then be my guest."

"Alright, thank you." Chuck shrugged.

Liliana was utterly dissatisfied. She could never redeem her dignity again!

"Chuck! I, Liliana Lowe, have found you pleasing to the eye and I wanted to coach you properly. But right now, you have very well incurred my wrath!" Liliana cursed inwardly.

"Go and get ready. Go to my mountain and you will stay with me there as my student!"

"Got it!"

Chuck stepped down from the ring.

The freshmen were filled with envy and jealousy.

He had become a student who was privileged enough to stay together with the most beautiful coach in the Wolfen Sect. They would sleep and eat in the same space!

Was this any different from staying under the same roof?

"It must be Chuck that night!" Gage was furious.

Chuck's request had obviously revealed it!

It was Chuck who had gone up to the mountain with Gage that day. Since Gage had been discovered by Chuck, the latter had then rendered him unconscious!

Miss Scarlett then asked Liliana, "Coach Liliana, what is your request?"

"I..." Liliana was overflowing with resentment towards Miss Scarlett. "I want Chuck to leave the Wolfen Sect. Is it possible?"

Miss Scarlett frowned and said, "Your request ought not include other people!"

"I will keep this request of mine in my head!" Liliana snorted and said.

Then, she stormed away in anger.

She left behind a group of envious students!

Hubert, who was critically injured, clambered out of the ruins. He stared at Chuck begrudgingly. "Chuck, I'm not through with you yet!"

"..."

"Chuck! You want to leave, but have you gone through me?" Liliana chased him to his dormitory!

Chuck began to pack his things. He had been in the Wolfen Sect for five days already. He must seize the time!

Not carrying a mobile phone with him, he did not know what had been going on outside.

He also wanted to find out how Yolanda and the others were doing.

Therefore, Chuck did not want to waste any more time.

"Why should I go through you?" Chuck asked coldly.

"Chuck! You b*stard! You made me look like a fool just now!" Liliana's eyes were full of resentment. The freshmen's mockery were still vivid in Liliana's mind!

"So? Do you want to fight me?" Chuck asked, his tone impassive as he approached Liliana step by step!

Liliana was startled!

Chuck was so powerful that she did not have the confidence to say yes!

"I'll tell you what, one must have self-awareness. You are incapable of teaching me anything!"

"Who said that? Who was the one who allowed you to enter into Wolfen Sect? You would not be able to enter without me!" Liliana was enraged at Chuck's ungratefulness!

"Yes, I can!"

"Are you dreaming? Without me, you wouldn't even get into Wolfen Sect at all! How could you treat me like this?!" Liliana was bristling at the thought of it!

"I think I have been kind enough to you. Last time in the hospital, I could have crippled you and Gaige, but I let you go!" Chuck had been consumed by anger that day.

Extremely, indescribably angry!

"You...!" Liliana fumed.

"Hmph, Chuck, you're really full of yourself. Do you even have the strength to cripple the two of us?" Gaige stepped forward!

He closed the dormitory door and locked it.

"Gaige!" Liliana's confidence rose.

"Tell me, did you knock me out that day in the forest?" Gaige asked Chuck as he approached him slowly.

"I did! So what? Do you want me to knock you out again?" Chuck smiled.

Gaige was incandescent. "You're really looking for death!"

BOOM!

It was Gaige's angry punch!

He was prepared this time. He would not allow himself to be knocked out cold again like last time!

"Do you know that your punch is awfully poor?"

Chuck shook his head in disappointment and returned Gaige's punch!

Baam!

Chuck hit Gaige's cheek in the same position!

"Argh!"

Gaige screamed and flopped to the ground like a piece of garbage being tossed out. Before he fainted, he finally realized that he was far below Chuck in terms of combat skills!

All said and done, he was defeated by Chuck in a single punch!

Liliana was extremely shocked!

Gaige was knocked out again!

"Chuck, did you just hit my brother?" Liliana rushed forward, maddened.

She threw her punch!

However!

Chuck remained unmoved!

Slap!

He grabbed her fist strongly!

It was that effortless!

Liliana was stumped. She was defeated instantly!

Her face was in pain!

"Don't you know that your skill is very poor? With your current ability, you still have the nerve to teach me? Talk about thick-skinned!" Chuck shrugged his shoulders.

"Chuck, how dare you criticize me?"

Liliana was furious, and a gust of wind blew across her face!

It was a slap!

He was going to slap her on her face!

"Ah! Don't!"

Liliana screamed!

She closed her eyes. However, she did not feel any pain. She trembled and opened her eyes to see Chuck's hand on her cheek.

"What are you doing?" Liliana's lips shivered.

If he had slapped her, how could she face others?

"Examining how thick-skinned you are!" Chuck pinched her cheek.

Liliana was extremely angry. "Sc*mbag!"

"You may be thick-skinned, but it's still tender to the touch! Forget it!"

Chuck threw her away casually.

Liliana fell to the ground.

She was incandescent. As a coach, how could she be pinched in the face by a student like Chuck?

She was really angry, but she was no match for Chuck!

"You don't want to be my coach anymore, right?"

Liliana blushed and snarled, "Leave!"

"You said it yourself," Chuck said as he left with his luggage.

"Gaige, Gaige, wake up!" Liliana shook the unconscious Gaige.

It was impossible for Gaige to wake up so quickly. Liliana was furious.

"Chuck, I'm not done with you yet!"

Chapter 825

"Chuck, are you going to the mountain where Miss Scarlett is at?" Tessa asked Chuck.

"Yeah, what's the matter?" Chuck shrugged.

"Nothing. By the way, were you the one who saved me that day?" Tessa asked nervously.

When she returned, she had already figured out the situation. The more she thought about it, the more she felt that Chuck was her saviour!

It was just that he had not revealed himself that time.

"No, how could I be? You said it yourself, I only know how to launch a sneak attack on you!" Chuck hauled his luggage and went up the mountain.

"Chuck, stop. Hey..."

Tessa stamped her feet anxiously!

However, Chuck left without looking back.

"Tessa, was it him?"

"I think it was him! I'm sure it was him who saved me that day!" Tessa was convinced.

Chuck was obviously being sarcastic. Tessa thought to herself, 'Isn't it obvious that he was the one who had saved me?'

"But why did he save you? Ah, I know! Maybe because he finds you beautiful, so he saved you discreetly?"

Tessa blushed. "That's not true!"

"I beg to differ. Well, I did not expect Chuck to have a crush on you!"

Blushing, Tessa shook her head. "Don't talk nonsense. He just happened to pass by at that time, therefore he saved me."

"What about Coach Liliana? He also saw that she was in danger. Why didn't he save her?"

"How... how would I know?" Tessa looked at Chuck who had left for the mountain.

'What feeling did he have at that time when he saved me?'

"Goodness, Chuck is really great at fighting. We have misunderstood him!"

"You're right. I suddenly found Chuck to be much more pleasing to the eye!"

"Count me in!"

The girls talked about Chuck.

"..."

Chuck headed for the mountain with his luggage.

There was someone watching him from the foot of the mountain!

"Mr. Hubert, this man caused such a mess on you, let me teach him a lesson!" A man who stood next to Hubert said.

"Hmph, how could this guy surpass me in fighting?"

That day, Hubert was humiliated. Even though he had been hiding his identity as a wealthy heir, he was extremely furious!

Being defeated by Chuck in public had infuriated him!

"I've seen his attack. He's indeed quick, accurate, and ruthless!"

"Investigate all of his information!" Hubert ordered coldly!

"By the looks of it, he is the kind of person without a special background."

Hubert snorted and said impassively, "Even if he has a powerful background, do you think I will be afraid of him?"

"Of course not! Mr. Hubert, you have nothing to be afraid of. I will investigate all of his information!"

"Guard the Wolfen Sect for me. The next time he leaves, he will be a limp man!" Hubert said insidiously.

This kind of tremendous humiliation must be washed away with Chuck's blood!

"Yes, Mr. Hubert. Don't worry! I'll investigate right away. I will not let him come out alive!"

Hubert's eyes were an icy veil. "Chuck, you should not have slapped me in public! Now, I'll have to kill you to make up for it."

"..."

Chuck had been at Miss Scarlett's house previously, but he had not managed to enter during the night.

Knock, knock!

"Come in!"

Chuck shrugged and went in. 

The house was the same as the dormitory, where there were many rooms. Miss Scarlett lived alone on the mountain in such a huge house. Wouldn't she be afraid?

"From today onwards and until you graduate from the Wolfen Sect, I will teach you everything I know!" Miss Scarlett said expressionless, the authority of a coach evident in her voice.

"Alright. Where should I sleep?"

"You can sleep in any room on the first floor. Without my permission, you are not allowed to go up to the second floor. If I find you there, I will kick you out of Wolfen Sect!" Miss Scarlett became indifferent.

Chuck shrugged his shoulders and agreed. Why would he go up to the second floor anyway? 1

Chuck was there to improve his combat skills!

"You can rest today. We will start our training tomorrow!"

"Okay!" Chuck's body was hurting, and he also wanted nothing more but to rest.

He entered a random room and took off his clothes. Fortunately, the clothes that Karen had given him was able to defend himself from Hubert's dagger. Otherwise, he would have bled to death.

Chuck fell asleep as soon as he laid down on the bed.

When Miss Scarlett heard the sound of Chuck's breathing, she went up to the second floor.

"..."

BOOM!!

Chuck took a step back and bumped into the wall!

He became excited!

Early the next morning, Miss Scarlett began to teach him fighting skills.

Her coaching was somewhat different from Willa's and Karen's.

However, Chuck knew that the skills taught to him was definitely useful!

"Your flaws are still too noticeable! You're too eager for a swift success, which results in unstable foundation! When did you start to learn how to fight?" Miss Scarlett asked.

"Me? More than half a year ago."

"Do you mean that you've only started training more than half a year ago?" Miss Scarlett's face was full of astonishment.

Only more than half a year of training, but he was already stronger than others who had been training for more than ten years. What kind of abnormal talent did he possess?

"Yeah, but it's almost a year now."

"How old are you this year?"

"Nearing 20."

Miss Scarlett stared at Chuck as she approached him. "Who was your coach?"

She was astounded!

Who could have trained him to reach such level in less than a year?

"I have a few coaches. The first coach taught me boxing, and the second taught me fighting skills!"

"Who was your second coach?" Miss Scarlett asked.

"Willa Logan."

Miss Scarlett was familiar with the name. She remembered at that time, she'd heard that there was a strong woman named Willa Logan in the Central City.

"You mean... Willa Logan from the Central City?"

"You heard that right."

"Why would she teach you?"

"Because she is my aunt!" Chuck replied. He was starting to miss her.

He did not know if Willa had returned to the country or not at this moment.

"I see.. you two were related." Miss Scarlett understood.

"Did you have a third coach?"

"Yup! It's my mother!" Chuck said proudly.

That pride of his was authentic, for he would not be who he was today without Karen!

Without Karen, he would still be lost and without a purpose!

"Your mother is also a combat expert?" Miss Scarlett asked in surprise.

"Uh huh, she is very skillful. Willa opened the door to fighting for me while my mother taught me the skills and methods of fighting!"

It was indeed the case.

Willa had trained him at that time. If Willa did not lay down a solid foundation for him, it would be impossible for him to acquire his

current combat skills.

Karen had been strict on him and she had taught him everything, which gave him the raise in his current fighting ability.

Besides that, his talents had also helped him!

It was really integral, because if he hadn't inherited Karen's combat talents, Chuck would not be able to achieve such a strong skills in such a short period of time.

"This belongs to my mother." Chuck took out the items that Betty had given him.

Miss Scarlett looked at it for a while. She did not understand and asked him, "Who is your mother?"

"You know her!"

"Me? Well, I don't." Miss Scarlett shook her head and denied it.

She had never seen Chuck before, how would she know who his mother was?

"Yes, you do. You mentioned her name yesterday." Chuck smiled.

"Me? I did not mention anything resembling your mother. Wait.. do you mean...?" Miss Scarlett suddenly thought of something and was surprised. She immediately asked in disbelief, "Are you Karen's son?" 3

"Yes, my mother's name is Karen Lee!" Chuck said proudly.

Chapter 826

Chuck disclosed that he was Karen's son, which undoubtedly shook Miss Scarlett to her core.

Karen was the first legend in the Wolfen Sect as a student!

Twenty years ago, she had successfully graduated after 15 days. It had brought unfathomable surprises to the Wolfen Sect at that time!

Until this day, no one had been able to break her record!

Very few people knew of her whereabouts!

The next time her presence was felt in Wolfen Sect was through her son?

Miss Scarlett shook her head. No matter how she looked at Chuck, he did not seem similar to Karen at all!

Though she had never seen Karen before, she had heard of her heroic stories from twenty years ago. But her son is... this man in front of her...

Miss Scarlett was nonplussed.

Since he was Karen's son, he must have inherited Karen's abnormal combat talent, but in terms of his appearance...

He was not so handsome, but he was not ugly either.

He had inherited Karen's talent, but the genes for her appearance had eluded him?

"Was it true everything that you've said?" Miss Scarlett asked carefully.

"Of course it's true." Chuck shrugged. "Why? You don't believe me?"

"I... "

Miss Scarlett shook her head and said, "It's not that I don't believe you. But since you are Karen's son, you can very well learn from her, which is much better than learning from me."

It stemmed not from Miss Scarlett's modesty, but because she knew the rift between Karen's skills and hers.

She knew that she could never break the record created by Karen. Wasn't the difference an obvious one then?

"My mother has something to attend to overseas. I came here and she asked me to learn from you. She said that you have been researching combat skills and I can learn a great deal of new things from you,"

Chuck said.

Karen intended to establish her business empire and train herself everyday. However, her career would always come before her training, and she did not have the extra energy and time to develop her combat skills.

Miss Scarlett was different.

She did not have a burden from her career. It could be considered that teaching others how to fight was her career.

She had accumulated such a vast teaching experience. She must have some developed some new fighting skills that even Karen did not expect.

Miss Scarlett was still stunned. "Karen said that about me?"

Was it considered a compliment?

Being praised by such a powerful senior, Miss Scarlett was somewhat amazed. Yes, it came as a pleasant surprise.

Miss Scarlett had revered Karen, who had kept her record until now, very much.

"She did. If you still don't believe me, you can pass me your phone. I'll call her and you can talk to her directly through a video call," Chuck said.

As soon as he'd entered the Wolfen Sect, his phone had been taken away.

"Alright, here you go." Miss Scarlett also wanted to see for herself how the Wolfen Sect legend looked like.

Chuck took her phone from her and called Karen. After explaining the situation, he passed the phone to Miss Scarlett.

Miss Scarlett was stunned as she reached for the phone.

On the screen, there was a woman with a smile on her face, a charismatic aura enveloping her.

As soon as Miss Scarlett saw this woman, she believed Chuck's words without a doubt!

This was what the legend of the Wolfen Sect should look like!

Given that Miss Scarlett was her junior, she was nervous when faced with Karen, whom she had almost worshipped.

"Hello, my son Chuck has told me about the situation. I hope you can teach him as soon as possible."

"Okay, no problem. Since you trusted me, I will teach him everything I know!"

She had already accepted Chuck as her student and would teach him properly. Furthermore, Chuck was Karen's son.

"I can't thank you enough!"

"No need for that. I actually admire you very much!"

Karen was caught off guard. "Uh..."

"It's true. You've created a record in the Wolfen Sect, and no one is able to break it until now."

"Let's see if my son is able to break it!" Karen bore high expectations for Chuck!

Twenty years ago, she was also the same age as Chuck. As her son, Chuck would emulate, or even surpass her in every aspect!

"Rest assured, I will give it my all!"

"He started his training quite late in the game. Please implement the most intensive training you have!"

"Okay, I understand."

Before Miss Scarlett gave the phone back to Chuck, she asked Karen a question, "May I ask you a question?"

"Sure, fire away."

"Your son, Chuck, has inherited your talent, but appearance wise... he seems to be lacking in it." Miss Scarlett said everything that was on her mind.

It was true. Chuck and Karen were alike in spirit. However, he did not inherit much of Karen's appearance. Otherwise, Chuck would have been a handsome man.

"Uh..." Karen did not know how to respond. As a mother, she had been concerned about Chuck's passionate love affairs.

If he was a modicum more good looking, his luck with women would have reached the heavens.

Karen was extremely anxious.

Because Karen had tried to instill conservative thoughts in Chuck, but...

His magnetism had only increased. Never mind that she had tried to deliver a stricter education, because it had been proven to be useless.

Maybe Chuck had not fully grown up yet!

"I hope you don't mind."

"No, I don't."

Miss Scarlett handed the phone back to Chuck.

"Mom..." Chuck shrugged.

"Chucky, now that you are in the Wolfen Sect, you'll have to work your butt off. If I managed to graduate within fifteen days, you have to do it too. You only have ten days now."

"I understand, Mom." Chuck's eyes shimmered as he gathered his confidence.

"Okay, I'll hang up now. If you have something to say, don't hold it in your heart." Karen was worried that Chuck would be under too much pressure.

Because it was already stressful enough for one to face a hidden family, not to mention he was contending with two hidden families at the same time!

The Yeager family!

And the Whitlock family!

Neither of them were easy to deal with!

"Mom, I understand."

"Don't blame me for nagging you, I..."

"It's fine, Mom. I'm hanging up now," Chuck said as he passed the phone back to Miss Scarlett.

Miss Scarlett saved Karen's number. It could come in handy in the future.

"Chuck, you have such a good mother. You should have chatted with her more. Why did you hang up on her call so soon?" Miss Scarlett was speechless. As an orphan, she was really envious of one having such a mother.

In terms of combat power, Karen was at the top, and she was also very rich.

She could also tell from the video that the environment where Karen stood at was very strategic.

"Well, it's not the last phone call between us. Why should we talk so much?" Chuck shrugged.

Besides, Karen would not mind. Chuck saved himself the need to inquire much about her ability and health.

Chuck felt that there was nothing more to say to Karen, a person who could even survive in the forest by herself.

"Don't say that. We will never know what the next second might bring. Cherish what is in front of you." Miss Scarlett was deeply emotional.
