

## Chapter 261

"Lil Li, is this the most expensive car in your store?" Duane asked.

"Yes, Mr. Lin." Xiao Li nodded with a smile.

"By the way, Lil Li, I saw that you were a little unhappy just now. What's wrong?" Duane asked.

"It's... It's nothing." Xiao Li forced a smile.

"It doesn't matter. Tell me about it. Pretend to spit out the unpleasantness in your heart." Seeing her expression, Duane was sure that she had something on her mind.

Xiao Li said, "Actually, it's not a big deal. I was the one who received the two customers at the beginning, but Kohen said I'm new here. He said I didn't treat them well, so he asked me to go aside and he came to greet them."

"Is Kohen the man who just sold your products? That is to say, he bullied you as a new customer, so he robbed your customers, right?" Duane said.

"Mm." Xiao Li nodded.

"This male salesman is really shameless." Duane smiled coldly.

Duane had just come up with the idea of

being a male salesman. He just thought that the two people were big clients, so he could earn a lot of money if he grabbed them. He thought that Duane couldn't afford a car, so he handed himself over to Lil Li.

"Lil Li, it's a blessing in disguise. You've lost those two clients, but you got my client." Duane smiled.

Xiao Li nodded vigorously. "Mmhm, Mr. Lin, I'm really sorry. I've already adjusted my condition. I'll continue to take your car."

"You don't have to look at it. I want this Phaeton." Duane pointed to the Phaeton on the stage.

"Mr. Lin, you said... you want this Phaeton?" Lil Li covered her mouth with her hand and looked surprised.

"Yes, I want it. It's 8 million yuan. Let's use the card." Duane directly took out the card and handed it to Xiao Li.

"Mr. Lin, you... you're not joking, are you? You didn't listen to my detailed introduction to this car, and you didn't ask if I could give you a discount. You... you want it?" Xiao Li looked incredulous.

Xiao Li knew very well that for most customers, buying a car was a very important thing. If they compared it over and over again, they

would know about the comprehensive quality of the car's composition, performance, as well as the advantages and disadvantages.

Even more so, the price had to be cut off.

How could it be like Duane, who just took a look at it and didn't even try to sit for a moment and asked to buy it?

Duane smiled and said, "A discount? If I need a discount, wouldn't that be slapping my face?"

Duane continued, "As for the introduction of this car, it's unnecessary. I just bought it for temporary use. It doesn't matter."

Xiao Li couldn't help but swallow her saliva.

This was a car worth 1.88 million yuan. Was it just bought for temporary use? She listened to Duane's tone as if she didn't care at all, as if she were buying a toy car!

"Lil Li, why are you still in a daze? Go and check the card for me. 8 million, full payment." Duane handed the card to Lil Li.

"Oh, good, good!"

Xiao Li nodded in confusion, then quickly took the card and ran to the manager's office.

Three minutes later, Xiao Li came back with a big-bellied manager.

The manager had a bright smile on his face.

"Mr. Lin, I am the manager of this store. This is your card, which has been paid successfully. We are going through the formalities for you. Please go to the VIP lounge and wait for you."

The manager handed the bank card back to Duane with both hands and showed his respect.

"Are you kidding? A car worth 8 million yuan must be by no means an ordinary person!"

"There's no need for that. I'll just sit here."

Duane directly turned around and sat down on the sofa next to him.

"Li, how much can you get from this order?" Duane asked.

"Mister Lin, because there is no discount, the points I can raise are also a bit higher. If I can raise three points, I can get more than fifty thousand!" Xiao Li revealed a happy smile.

For the new company Xiaoli, this was definitely a huge sum of money!

...

The news that someone had bought the Phaeton at full cost instantly spread throughout the 4S shop.

In front of the watchmen's car.

The male saleswoman who had received Duane before, was still here with the sunglasses

man and the woman in blue.

At this time, a man with a shaved head came running over.

"Kohen, someone has bought the Phaeton at full price!" The fair-haired salesman said.

"What? Full stationary?" The male salesman was very surprised.

"By the way, Kohen, it's not only full-Driven, but also 1.78 million. I heard that the car seller said that giving a discount is a slap in his face, so there is no need to give a discount!" The man with flat-top haircut said with great enthusiasm.

"Don't give me a discount? I didn't expect such a person to be here! He's really rich!" The male salesman exclaimed.

Even if a lot of people who had bought luxurious cars whose price was at one million dollars, they would still choose to be in the qualifying line. The fact that they could buy all the cars directly was already pretty impressive. They did not even need a discount at all, which was simply too amazing.

"Yes, I'm going to see the real face of this tycoon!" The saleswoman with flat-top haircut said.

The male salesman stopped him and asked, "Which salesperson has such good luck to get such a

big customer?"

"It's the new Little Li. He's earned quite a bit this time!" The flat-haired saleswoman said.

"Kohen, I'm going to watch the fun."

After the fair-haired salesman finished speaking, he ran to the Phaeton Stage.

"Xiaoli? Didn't Xiaoli go to greet that guy?" The male saleswoman murmured in confusion.

Following that, the male salesman was startled, "Could it be... could it be that the person who bought the Phaeton is that kid? Impossible! Impossible! How could that kid's appearance afford the Phaeton!"

The male saleswoman didn't want to believe it, so he decided to take a look in person.

"A full-stimulants Phaeton? It seems that the Phaeton costs more than one million yuan, doesn't it? Don't you want the discount. Who is so generous?" The man with sunglasses said in surprise.

"Dear, let's go and have a look." The woman in blue played with the man's arm and played with it. Obviously, she wanted to see the show.

Therefore, the man showed them a pair of sunglasses and the woman in blue. They walked to the Phaeton display platform together.

In front of the Phaeton.

A lot of people had gathered here to watch the fun.

The male salesman, the man in sunglasses, and the woman in blue all walked over here.

When the flat-haired salesman saw the male sales, he quickly said, "Kohen, you're here too. Look, the person sitting on the sofa is the rich man who bought the Phaeton all the time!"

The male salesman quickly looked up.

The person he saw was Duane!

Xiao Li and the sales manager were all with Duane at this time.

"It's really him!"

Upon seeing Duane, the face of the male saleswoman changed dramatically.

God, this was originally his customer, but in order to grab Xiaoli's customer, he lost Duane, a big customer?

That was to say, the tremendous commission of this car belonged to him!

The moment the salesman thought up to this point, everything before his eyes went black and he passed out.

"Kohen! Kohen, what's wrong with you?"

The short-collar salesman quickly held the male salesman.

"It's him!"

"Why is it him!"

After seeing Duane, the sunglasses man and the lady in blue stared at him with their eyes wide open, showing an expression that they couldn't grasp the key points!

They had never dreamed that the local tyrant who bought the Phaeton with all his money turned out to be the one who had been ridiculed by them before!

"Husband, we... we seem to have offended a big shot!" The blue-clad woman's face was pale and her face was full of horror.

The man in the sunglasses swallowed his saliva, and when he looked at Duane, his eyes were full of fear.

They were not fools. Anyone who could buy a luxury car whose price was 266 million yuan at will was definitely not an ordinary person!

The man with sunglasses suddenly thought that what Duane said before, "A company's security supervisor could be so arrogant and buy a road view of 200,000 yuan, but he could also be like this."

Now, he realized that Duane was not bragging at all!

"Dear, he said that he just met Director Jing in your company today. I'm afraid that he... he didn't brag. If he really knows the president of your company, then... I'm afraid that what he said could make you dismiss!" The woman in blue worried.

Hearing what he said, the face of the man in the sunglasses suddenly turned gray.

Both of them knew that anyone who could buy a carriage worth 8 million was definitely a big shot. In front of such a big shot, they were just like ants!

Pa!

"It's all because of you, you bitch. I was just talking nonsense! You're the one who bought the Phaeton with all the money. What kind of woman do you want? Do you think I'll take advantage of you?"

The man in sunglasses slapped the woman in blue in the face.

Because of fear, the lady in blue didn't dare to retort.

"Let's go! Come with me to apologize to this man!"

As the man wearing sunglasses spoke, he

pulled the woman in blue and walked toward Duane.

The man with sunglasses was afraid that Duane and Director Jing would really know each other. He was afraid that Director Jing would really fire Duane, so he chose to apologize to Duane.

Seeing the two of them coming to him, Duane could not help sneering and said, "What are you doing here? Do you want to continue to make trouble for me?"

@vamp20w0111

## Chapter 262

The man with the sunglasses said with a hollow laugh, "Master... We dare not do that. We are here to apologize to you. It was totally a misunderstanding before."

The woman in blue also hurriedly said, "Sir, I know I was wrong. Please forgive us."

Duane picked up his cup and drank tea, and said lightly, "I'm sorry, apologize to me. You two nonentities are not qualified."

The facial expressions of the man in sunglasses and the woman in blue changed.

After putting down the teacup, Duane turned to look at the manager and said lightly, "Manager, why are there two dogs in your store? I'm upset. Can you drive these two dogs out for me? Is there any problem?"

"Yes, yes, yes!"

The manager nodded quickly.

Duane didn't bargain when he bought the car, and it was an all-service. The 4S shop's profit from selling this Phaeton was equal to the profit made from selling a lot of roads. The manager certainly knew how to choose and choose.

When the sunglasses man and the lady in blue heard Duane's words, their faces became very ugly, but they did not dare to refute anything.

Then, the manager asked several salesmen around to throw the sunglasses man and the woman in blue out.

...

Because Duane was an honored guest, the 4S shop was very efficient in doing business for Duane. In less than two hours, all the formalities of the car had been handled for Duane.

Then, under the respectful farewell of Xiao Li, the manager, and all the other staff in the store, the Volkswagen Phaeton was driven away from the 4S store.

...

Five o'clock in the afternoon.

Duane and John were sitting in the Phaeton in a Internet company, waiting for Zhu Jing to get off work.

In fact, buying a Volkswagen Phaeton was also good. The appearance was low-key and the performance was also good enough. At least it could be used to watch and follow. It would not be easily discovered. If he drove a super sports car to follow, he was afraid that it could be easily discovered by others.

"Duane, he is coming out!" John patted Duane on the shoulder.

When Duane took a look, Zhu Jing had already walked out of the company's gate, and then she got into a Maserati.

"John, follow!"

Duane, sitting in the co-pilot's seat, said.

John nodded, and then he activated the Phaeton, following behind.

John had once served in the Dragon's Special Forces, and his skills of tracking and counter tracking were very powerful.

Half an hour later, Zhu Jing parked her Maserati outside a western restaurant. Zhu Jing got out of the car and walked into the restaurant.

"Duane, look!"

John patted Duane on the shoulder.

Duane looked out and saw a white Porsche.

"That's Liu Yuanhai's Porsche! I can't believe he's here too!" Duane said, looking a little surprised.

"What is he here for? Don't tell me he's sharing the same thoughts as everyone else?" John said.

"No matter what he wants to do, let's wait and

see," Duane said.

At this time, Liu Yuanhai had already got out of the car and also went to the store.

After Liu Yuanhai entered the western restaurant.

"Let's go in." Duane opened the door.

Then, Duane took John into the western restaurant.

There were a total of more than a dozen diners in the western restaurant.

After entering the western restaurant, under the guidance of the waiter, Duane sat in a relatively hidden seat and then ordered two portions of food optionally.

Liu Yuanhai had been keeping a close eye on Zhu Jing, so he did not notice Duane entering. Zhu Jing was looking down at the menu and did not notice Duane and Liu Yuanhai either.

At Liu Yuanhai's table, he was secretly spying on Zhu Jing.

"Zhu Jing, this lass of yours is pretty good looking. Today, I've subdued you, heh heh!" Liu Yuanhai laughed evilly.

He was sure that his plan with Liu Heng could capture Zhu Jing's heart.

At this time, the door of the western

restaurant was pushed open and three strong men came in.

"Sirs, this way please." The waiter went forward to welcome them.

When the three people passed Zhu Jing's table, they stopped.

"Beauty, how lonely you are sitting here alone. How about we sit with you?" The three of them looked at Zhu Jing with evil smiles on their faces.

"I'm sorry. Please go to other places to do it." Zhu Jing opened her mouth to refuse.

"Then we must sit here, hey hey!" The three big men snickered.

"Sirs, you'd better not disturb this lady. I'll take you to other positions." The waiter said.

"It's none of your business. Get out of my way!"

One of the pockmark men glared at the waiter and showed a spring knife in his pocket.

The waiter was so scared that his face changed, and he didn't dare to say more.

Immediately after, the three burly men directly sat on Zhu Jing's table.

"Beauty, we'll accompany you for today's meal!"

The pockmark man said as he flipped Zhu Jing's hair, and then he put his hand on Zhu Jing's shoulder.

The other two big men also had evil smiles on their faces.

"Get rid of your dirty hands. If you don't leave now, I'll call the police!"

Zhu Jing snorted and shook off the burly pockmark man's hand.

"Yo, a beautiful woman has quite a character. I like a pepper like you more, hehe!" The burly pockmark man said with a smirk.

After seeing this scene, the guests in the restaurant did not stand out to scold, because everyone wanted to sweep through the snow in front of the door, and no one wanted to make trouble for themselves.

At the place where Liu Yuanhai was.

"This must be the person who was arranged by Uncle Liu Heng, right? It's just... Didn't Uncle Liu Heng say to arrange four people? Why are there three of them?" Liu Yuanhai muttered to himself.

"The missing person must have been temporarily delayed by something, so there's one less person. Anyway, it's the same. Next, it should be my hero saving the beauty. It's time to perform, hehe!"

Liu Yuanhai chuckled before he stood up.  
On the other side.

"Zhu Jing seems to be in trouble. Let's go.  
How can we help her?"

Just as Duane was about to stand up, he saw  
Liu Yuanhai walking over.

"Hmm? Is Liu Yuanhai actually gone? As far  
as I know, Liu Yuanhai is a pampered man who  
eats, drinks, whores, and gambling, and his body  
has been hollowed out. Does he dare to meddle?"  
Duane asked in surprise.

"Duane, what are we going to do?" John  
asked.

"Since he has already appeared, it's not good  
for us to go there again. Let's just wait and see,"  
Duane said as he sat down again.

On the other side.

"Beauty, don't be so shy. We are all masters. I  
promise to make you comfortable!" The Mahjong  
man said as he reached out and wanted to grab  
Zhu Jing's hand.

"Stop!" A berating voice suddenly rang out.

When the three burly men turned around to  
look, they saw Liu Yuanhai.

"Liu Yuanhai? Why are you here?" Zhu Jing  
was a little surprised.

"Of course I'm here for dinner. Looks like we're fated to meet here," Liu Yuanhai said.

After a pause, Liu Yuanhai held his head high and continued, "Zhu Jing, don't worry. I will never let you be bullied by these three little thieves. Today, I will protect you!"

"Brat, do you want to meddle in other people's business? You'd better get out of my way!"

The three burly men all stood up, as they stared venomously at Liu Yuanhai while they rubbed their palms together.

"Three thieves! How dare you do this in broad daylight! I'll get rid of the bad guys for the people today!"

As Liu Yuanhai spoke, he raised his fist and punched the burly pockmark man.

Peng!

All of Liu Yuanhai's attacks landed on the burly pockmark man's body, but the burly pockmark man did not move an inch.

"You... "

This was different from the script. According to the script, wasn't it his duty to knock down someone with one punch? Did these people pretend that they couldn't beat him and get beaten up by him?

Liu Yuanhai quickly winked at the pockmark man and motioned for the pockmark man to quickly pretend to be hit in pain.

"Brat, what the hell are you doing? You dare to fight with me? See if I won't hit you!"

After the burly pockmark man finished speaking, he threw a punch at Liu Yuanhai's face.

Peng!

Liu Yuanhai was knocked down by a punch.

"Brothers, fight!"

The three burly men turned to Liu Yuanhai and gave him a good beating.

"Ah, ah! You... How can you take it seriously!"

Clenching his head, Liu Yuanhai cried out in pain.

Liu Yuanhai could not wrap his head around it. This was completely different from his script!

According to the script, he should beat these people hard to show his dignity in front of Zhu Jing, then he should act as a hero to rescue the beauty, and then capture Zhu Jingfang's heart!

As a result, he was beaten up in front of Zhu Jing.

"You... Are you out of your mind? You shouldn't be like this!" Liu Yuanhai roared.

"How dare you call us sick? Do you want to die?"

The three of them beat him even harder.

After a while, the three stopped fighting.

Liu Yuanhai had already been beaten into a pig's head, with bruises and bruises on his face. He was in so much pain that tears and snot came out of his nose. He was in a terrible state.

@vamp20w0111

## Chapter 263

"Humph, you dare to poke your nose into other people's business if you don't have the ability. You're really looking for death!" The strong men looked disdainful.

"Wait... wait and see!"

Finishing his words with a sob, Liu Yuanhai turned around and ran out of the restaurant.

The three burly men turned around to look at Zhu Jing.

"Girl, we don't want to talk nonsense with you anymore. Let's go!"

The Mahjong man took out the spring knife and put it against Zhu Jing's neck.

After all, Zhu Jing was a girl. After feeling the cold flick knife, her face had become pale, her eyes were full of fear, and her hands were slightly trembling.

Zhu Jing clearly knew that if she followed these three people, the consequences would be absolutely unimaginable. But now the knife was on her neck, so she couldn't make a choice at all.

In other words, no matter how Zhu Jing chose now, it was a hopeless situation!

"Stop it!"

A sharp reproach sounded all of a sudden.

Zhu Jing looked up and saw Duane.

"Hey, send the heroes who are not afraid of death to rescue the beauty? Then I will help you!"

The pockmark man said as he rushed to Duane and John, and the flick knife in his hand directly stabbed at them.

Peng!

John grabbed his wrist and twisted it hard.

"Ka Chak!"

"Ow, oww!"

A shrill scream rang throughout the restaurant. The hand of the pockmark man was directly twisted off by John!

When the other two big men saw this, they also rushed up.

"Bang bang!"

John kicked the two men with his legs, causing them to lie on the ground, hugging their stomachs. Their faces were deathly pale and it was hard for them to breathe. They couldn't even crawl back up.

These three people weren't even enough to give John a bite of his teeth!

"Stop it!"

A sharp reproach sounded all of a sudden.

Zhu Jing looked up and saw Duane.

The pockmark man said as he rushed to Duane and John, and the flick knife in his hand directly stabbed at them.

These three people weren't even enough to give John a bite of his teeth!

"Zhu Jing, are you alright?" Duane rushed to Zhu Jing.

"I... I..."

Her face was as pale as Zhu Jing's, and she was still in a state of shock. The knife had just landed on her neck, and she had been scared out of her wits.

"Don't be afraid. You are fine now." Duane held her up.

"Well, I'll send you back!"

Duane held Zhu Jing and went out.

...

On the other side.

After being beaten by Liu Yuanhai and walking out of the restaurant, he was so aggrieved that he was about to call Liu Heng and ask him what had happened. He had agreed to put on a show, but how did it become like this?

Right at this moment, four men hurriedly walked over from afar.

"Young Chairman Liu, why are you here?" The man in the lead asked.

"Who are you?" Liu Yuanhai looked at the four people.

"The four of us were invited by Director Liu

Heng to cooperate with the person you were acting. There was a traffic jam on the road just now, so we came a little late," the leader said.

"What?! You... you're the ones who're acting? Then... the people inside!" Liu Yuanhai's eyes widened as his voice sharpened.

Only now did he realize that the three men in the video were not acting with him, but for real?

Liu Yuanhai's heart raced as he thought of this. Wasn't this a joke?

"Young Chairman Liu, what's wrong with you? Do you want to continue acting?" The four of them asked.

"Stop acting. The four of you, come in and take your revenge with me!" Liu Yuanhai said angrily.

Liu Yuanhai thought for a moment. For now, he could only change his plan. He would bring these four people to deal with the three men inside. Firstly, he wanted to seek revenge for himself. Secondly, if he could save Zhu Jing, he would still be able to win Zhu Jing's favor.

"Young Chairman Liu, you don't have to worry about it. When you save Zhu Jing, the flowers will be cold!" A voice came from the restaurant.

Then, Duane supported Zhu Jing and came out.

"It's you! You... Why are you here?!"

When Liu Yuanhai saw Duane, he was stunned with his eyes wide open. He didn't know that Duane was also in the restaurant.

"Why? As long as you are here, I can't?" Duane said with a smile.

"You... you saved Zhu Jing!"

Liu Yuanhai's expression was rather ugly when he saw Duane supporting Zhu Jing. In fact, he was so enraged that he almost wanted to die. He was supposed to be the hero saving the damsel in distress and it was he who should support Zhu Jing!

As a result, he was beaten up. In the end, he became Duane's hero who rescued the beauty and held the beauty!

Liu Yuanhai was on the verge of exploding with rage at the thought of this.

"Liu Yuanhai, since you've been beaten up so badly and your face is so badly injured, let's hurry up and go to the hospital for treatment. We don't want to leave any scars on you, making you look even more ugly than before," Duane said indifferently.

After hearing Su Mo's words, Liu Yuanhai's face turned red, and his eyes flashed with uncontrollable anger.

"You... you are a bastard!"

The angry Liu Yuanhai raised his fist, wanting to hit Duane. However, as soon as he raised his fist, he felt a pain all over his body. He had been hit seriously before.

"Liu Yuanhai, you can stay here and be angry."

After Duane finished speaking, he supported Zhu Jing directly and walked to the open-air parking lot ahead.

"Bastard! Bastard! Duane, I'm not done with you! I'm not done!" Liu Yuanhai roared in anger.

...

Duane helped Zhu Jing to the Maserati.

"Mr. Duane, thank you so much for today. You can drop me off here. I will drive back by myself." Zhu Jing thanked Duane.

At this moment, Zhu Jing's face was still pale.

"You have just been frightened, and your mood is not stable. It is not suitable to drive now. The traffic of Gold Capital is busy. What if something happens? How about this, you call your boyfriend and let him come and pick you up," Duane said.

"I... I don't have a boyfriend." Zhu Jing said.

"You don't have a boyfriend?" Duane was

shocked.

"Well, I'll drive you back!" Duane said as he got into the driver's seat of Maserati.

"Well... All right then."

In the face of her lifesaver, Zhu Jing could not refuse. She went straight to the side of the co-pilot and sat in the co-pilot's seat of Maserati.

As for John, he naturally drove Duane's Volkswagen Phaeton and followed him.

"It's over... it's over..."

Liu Yuanhai looked at Duane, driving Zhu Jing's car. After Zhu Jing took him away, he suddenly collapsed on the ground.

Liu Yuanhai knew that Duane had rescued Zhu Jing and personally sent her home. Wouldn't that mean that Duane had captured Zhu Jing's heart?

Liu Yuanhai knew very well that in this way, there was a good chance that Zhu Jing would agree to send Duane to Gorgeous tripod enterprise Group!

In this way, his grandfather's task would be Duane's success!

If Duane succeeded, Duane would be promoted to the position of the deputy general manager of Gorgeous tripod enterprise!

As he thought of this, Liu Yuanhai's heart was filled with despair...

...

On the other side.

Maserati was driving on the road.

Inside the car.

"Duane, thank you so much for today. If it weren't for you, I really can't imagine what the consequences would be. I, Zhu Jing, owe you a favor!" Zhu Jing sincerely expressed her gratitude.

"Are you feeling better now?" Duane asked while driving.

"Mm, it's much better! I really didn't think that something like this would happen." Zhu Jing nodded.

At this time, Zhu Jing's face was indeed much better.

"By the way, Duane, why are you also in the restaurant?" Zhu Jing asked with a curious look on her face.

"Uh, I don't like to lie. Just tell the truth. Although you refused to take you to Gorgeous tripod enterprise, I didn't intend to give up. So I quietly followed you to the restaurant and wanted to know your daily life. You don't blame me, do you?" Duane said.

"On account of the fact that you've helped me out and that you're so frank, I will not argue with you about the matter of following me." Zhu Jing lightly smiled.

"By the way, Zhu Jing, since you are such a beautiful girl, it is pretty dangerous for you to travel alone. Why don't you think about finding a boyfriend? Since you are such a talented girl, I guess there must be many people chasing after you, right?" Duane said.

Zhu Jing shook her head with a wry smile and said, "Indeed, there are a lot of them. But none of them is my cup of tea, especially those rich young masters from rich families. I hate them the most! I don't know if I can find a boyfriend in my life."

"By the way, don't you think that I am also the annoying playboy?" Duane said with a smile.

"I don't think so." Zhu Jing covered her mouth and secretly laughed.

Zhu Jing had read Duane's information.

"Okay, why don't we make friends? If there is any danger in the future, contact me." Duane smiled.

Zhu Jing turned to look at Duane. "You... You're making friends with me, aren't you? Are you trying to take me to Gorgeous tripod enterprise?"

"I don't want to tell lies. Some of them are for

18:34 

this reason, but most of the truth is that I really want to make friends with you." Duane said.

Then, Duane turned to Zhu Jing and asked, "Zhu Jing, since we have talked about this, I sincerely invite you again to join our Gorgeous tripod enterprise Group. The one billion reward remains unchanged. Consider it as a favor I owe you today. What do you think?"

@vamp20w0111

## Chapter 264

Zhu Jing pondered for a moment, then smiled slightly and said, "I can promise you to make friends with you, but for the matter of joining Gorgeous tripod enterprise, I can't promise you. Just like what I told you today in the company, there are some personal reasons that lead to me not being able to promise you."

"Well, I made a big mistake." Duane smiled helplessly.

Duane also knew that he was asking too urgently.

The main reason was that she was too impatient. For some things, she should not be too eager for quick success and instant benefits. She should first figure out the reason for Zhu Jing's private life.

"Duane, although I have rejected you, I believe that this matter will not have much of an impact on you. Although I do not agree with you, I will definitely not agree with Liu Yuanhai. Since you have not even finished your task, this round will be considered a draw." Zhu Jing said.

"I see." Duane nodded.

Since Zhu Jing had said so, Duane was not

afraid that he would lose to Liu Yuanhai.

But to be honest, Duane hoped to win this round's game with Liu Yuanhai.

After all, this was the first thing he did after arriving at the group headquarters. If he could win, he could let the executives know his own strength and suppress their opponents. These two were the key points.

"Zhu Jing, may I venture to ask you another question? If it's not convenient for you, you don't have to answer," Duane said.

"It's okay, you can ask." Zhu Jing looked at Duane.

"Can you tell me what your personal reason is?" Duane asked.

Although this was still a bit abrupt, Duane knew that he had to figure out Zhu Jing's personal reason before he could deal with it.

After Duane finished his words, he looked at Zhu Jing nervously. To tell the truth, Duane was afraid that Zhu Jing would refuse again.

Zhu Jing covered her mouth and smiled, then said, "Forget it, then I'll tell you, so that you can give up. It's like this, a good friend of mine in Harvard Business School, starting a business in capital recently. She asked me to go to her company to help her."

Zhu Jing continued, "In another ten days, my company's contract will expire. I will go to her company and start a business with her. I am a trustworthy person. Since I have promised her, I will never let her down."

"I see." Duane nodded.

Although Duane still wanted to continue to ask, considering that he had asked so many questions just now, if he continued to ask, Zhu Jing would feel disgusted. Then the loss would outweigh the gain, so Duane did not continue to ask.

So Duane chose to chat with Zhu Jing and asked her about her usual hobbies.

However, the answer she got made Duane a little surprised. It turned out that Zhu Jing's usual hobby was to do business. In addition, she had no other entertainment and hobbies at ordinary times.

That's right, for a top genius like her to be able to enter Harvard Business School, she would have to put all her thoughts into study to be able to enter Harvard Business School.

Soon, the car arrived at Zhu Jing's house.

Zhu Jing lived in a high-class residential area.

After driving the car to the gate of the community, Zhu Jing did not send Duane off. She

changed to the driver's seat and drove into the underground parking lot of the community on her own.

Watching Zhu Jing's car disappearing in his sight, Duane smiled and sighed.

"Duane, how's it going? Did she agree to join Gorgeous tripod enterprise?" John walked over quickly.

"No, she said that she had promised her friend to start a business with her friend. She can't let her friend down." Duane spread his hands helplessly.

"Then... then what should we do?" John asked worriedly.

"All in all, she has gained something today. At least her attitude towards me has changed. She has also told me the reason. This matter can only be done slowly," Duane said.

Then, Duane called Poison Teeth again and told him not to investigate Zhu Jing's detailed information. He wanted to find out about Zhu Jing's friends in Jindu, especially her alumni schoolmate Ha Fu.

Zhu Jing did not agree to Duane because she agreed to go to her good friend Hafu's company and start a business together.

Duane knew that if he wanted Zhu Jing to

change her mind, he would have to learn from her, a good friend who also graduated from the Hafe Business School, and come up with a solution.

Venomous Teeth said that he would investigate it clearly in about two days.

...

On the other side.

At Ren Ai hospital, Jindu.

This was a well-known and high-end private hospital in Jindu. It had a high level of medical treatment, a good environment, and good service services. Of course, it was also extraordinarily expensive, which could be said to be open to the rich.

In a ward.

"Nephew Yuan Hai, how's your injury?" Liu Heng asked as he hurried into the ward.

"Uncle Heng, my injury is not the point. The point is that Duane took away Zhu Jing! Maybe... maybe Zhu Jing has promised Duane because Duane saved his life!"

Liu Yuanhai was as anxious as an ant on a hot pan.

"Damn it! At this point, we can only wait for news from tomorrow. If he really succeeds, we'll definitely hold a meeting tomorrow to announce

it." Liu Heng's face also looked very unsightly.

Although the two of them were anxious, there was no other way up to this point.

...

The next day, in the morning.

Duane called his cousin, Lin Qing, and told her that he had already received the news from the capital. He asked how long it would take for Lin Qing to meet and have a meal with him.

Among the Lin family's relatives, only Lin Qing had a good relationship with Duane, and Lin Qing was starting his own business in Jindu.

Since Duane had arrived in Jindu, of course, he had to meet Lin Qing.

Originally, when Duane arrived in Jindu, he wanted to contact Lin Qing. But the matter of the boxing match and the recruitment of Zhu Jing made Duane have no time to contact him.

Hearing the news that Duane came to Jindu, Lin Qing was naturally happy. Because she had some work to do, she made an appointment with Duane that they would meet after work in the afternoon.

Duane said that after getting off work in the afternoon, he would drive to the company to pick up Lin Qing.

After contacting Lin Qing, Duane drove the Phaeton to Zhu Jing's Internet company.

In the hall.

"Miss, please inform Director Jing that I'm looking for her," Duane said to the front desk lady.

Duane had been here yesterday, so the lady at the front desk had already known Duane.

"Okay, Mr. Lin, please wait a moment."

The lady at the front desk began to make a phone call after she finished speaking.

It didn't take long for the receptionist to complete the call.

"Mr. Lin, Miss Jing asked me to take you upstairs," said the girl at the front desk.

"No, I can go up by myself." Duane waved his hand.

Duane came here yesterday, so he could naturally find Zhu Jing's office.

After taking the elevator upstairs, Duane soon came to Zhu Jing's office.

In the office.

Zhu Jing was reading the company's financial news when Duane pushed the door open and walked into the office.

Zhu Jing put down the money report and

looked up at Duane. "Duane, are you going to persuade me to join your Gorgeous tripod enterprise? I have made it clear to you yesterday."

Duane smiled and said, "Zhu Jing, you may misunderstand me. I don't talk about official business today. I am going to take you to play."

"Take me out to play?" Zhu Jing was startled.

"Yes, didn't you say yesterday that you are working every day and you don't usually have any hobbies and entertainment? Then I will take you to play a round today," Duane said with a smile.

"Play? Duane, don't tease him. I still have work to do." Zhu Jing waved her hand.

"Your company has been on the right track for a long time. I believe that you have nothing important to do recently. Ordinary affairs can be handed over to the executives. It's not a problem to delay for a day." Duane said.

Duane now knew a lot about the company's knowledge.

"Although it's not a big deal to delay for a day, I really don't have much interest in going out to play. I'm sorry." Zhu Jing shook her head in refusal.

"I remember you said yesterday that you owe me a favor. Today, you went to play with me for a day and treat it as a favor to me. What do you

think?" Duane said with a smile.

"To play with you for a day, is that considered as you doing me a favor?" Zhu Jing appeared to be a bit surprised.

Generally speaking, when a person wanted to return a favor, he or she needed to do more important things for him or her. To tell the truth, it was rare to do this kind of favor.

"Yes." Duane nodded with a smile.

"Well... okay then."

Zhu Jing thought for a moment and finally agreed. She did owe Duane a favor.

So, Zhu Jing called the company's vice president and told him about the work. Then she followed Duane out of the office.

"Duane, where are you going to take me to play? I have to explain first that I will not go to places that are either for no good or evil, such as bars or something." Zhu Jing said.

Duane smiled and said, "The playground is not an illegal place, is it? Of course, if you have a better suggestion, you can also put forward it!"

## Chapter 265

"A playground?" Zhu Jing was surprised.

To tell the truth, Zhu Jing, as a business talent, was very good in business, but she had not even been to an amusement park, because she did not have the time to go there.

At this time, the elevator door opened and they walked into the elevator.

There was a man in a suit standing in the elevator.

Duane fixed his eyes and thought, "Isn't it the sunglasses man I met when I bought a car in Volkswagen 4S shop yesterday? At that time, he claimed to be the security director of this company."

"It's... it's you!"

When the man saw Duane and Zhu Jing walking into the elevator side by side, he was so scared that his whole body trembled.

"What a coincidence. I didn't expect to meet you again." Duane showed a playful smile.

"Duane, do you know him?" Zhu Jing asked curiously.

"Does he know that he has made trouble for

me?" Duane said indifferently.

"Oh? He has made trouble for you?" Zhu Jing was shocked.

Then Zhu Jing looked at the man and said, "Lil Li, you're brave. Do you know who this is? He's the grandson of Gorgeous tripod enterprise and Zehi."

"What! Liu... Zehi's grandson?" The man was so scared that his face changed greatly.

He had guessed that Duane's identity was extraordinary yesterday, but he had never expected that Duane's identity would be so horrible.

At this time, the elevator arrived on the first floor.

"Zhu Jing, let's go. I don't want to waste my breath on trash like him." Duane said.

Zhu Jing covered her mouth with her hand and smiled. Then she followed him out of the elevator.

As for the man, he was so scared that he had collapsed in the elevator...

After leaving the company with Zhu Jing, Duane directly drove Zhu Jing to Jin Hua amusement park.

...

On the other side.

In Liu Yuanhai's office in Gorgeous tripod enterprise Building.

For Liu Yuanhai, he had a very hard time this morning. He was afraid that when he suddenly received the notice from his grandfather, Duane had successfully poached him.

As for his injuries yesterday, they were all external wounds, and he came out of the hospital as soon as he was dealt with.

At this moment, Liu Heng entered the office in a hurry.

"Liu Yuanhai nephew! The good news is that Duane didn't come to the company this morning, but went to Zhu Jing's company. This is enough to show that he definitely didn't convince Zhu Jing last night, which is why he continued to look for Zhu Jing today." Liu Heng said.

Liu Yunhai only let out a sigh of relief when he heard this.

"Yuan Hai, since the guy continues to look for Zhu Jing, we can't sit idle. Otherwise, we'll just sit here and wait for death. We have to find a way." Liu Heng said.

"Uncle Heng, do you have any other ideas?" Liu Yuanhai asked.

At this moment, Liu Heng's phone rang.

Liu Heng quickly picked up the phone.

"What? The two of them went to the Jin Hua amusement park? Alright, I got it!" Liu Heng's gaze was solemn.

After hanging up the phone.

"This kid has some skill. He actually managed to invite Zhu Jing to the amusement park to play. Looks like he's already won Zhu Jing's favor. The situation is extremely disadvantageous to us now!" Liu Heng shook his head.

"What? This kid has made an appointment with Zhu Jing? Uncle Heng, please think of a way out for us!" Liu Yuanhai said anxiously.

"Now the situation has completely reversed to Duane's side. If you want to reverse the situation, you have to be ruthless!" Liu Heng squinted his eyes and said.

...

On the other side.

Duane drove Zhu Jing to Jin Hua amusement park.

The Jin Hua amusement park was the largest amusement park in the whole southwestern area. The Gorgeous tripod enterprise Group also participated in the investment, occupying 35 percent of the stock. Although it did not

participate in the operation, it was a major shareholder.

Everyone was very lively inside and outside the Jin Hua amusement park.

After queuing up to buy tickets, Duane and Zhu Jing entered the playground smoothly.

"Wow, there are so many people. It's so lively!" Zhu Jing's eyes shined.

Under the lead of Duane, the two of them quickly went to the playground.

Because Zhu Jing was not bold enough, she dared not to try those kind of high- altitude projects, so she mainly played child's play, such as touching cars, merry- go- rounds, merry- go- rounds, and some other small games.

However, Zhu Jing was still having a good time.

After they came out of the roller coaster.

"Duane, this is truly too interesting." Zhu Jing's face was filled with happiness.

"Have you found out that in addition to work, there is also something called life in this world," Duane said with a smile.

"Duane, thank you. If you didn't bring me here, maybe I would not have come to the playground for the rest of my life." Zhu Jing still had a happy

smile on her face.

"You must be thirsty, aren't you? Wait here, I'll get you a drink!"

Duane walked quickly to a freshly squeezed juice store.

It had to be said that things in the playground were really expensive. A glass of fresh watermelon juice would cost 30 yuan. If Duane used to be poor, he might not even be able to afford a glass of watermelon juice.

When Duane finished the watermelon juice and came back, he found that there were two men and a woman in front of Zhu Jing, a total of three people.

Duane glanced at these two men, each wearing a famous brand, a famous brand wristwatch, and a female one wearing a skirt, with an Hermes bag in their hands.

Among them, a man with a slick hair and a slick hair was talking to Zhu Jing. He seemed to know her.

"Zhu Jing, fresh watermelon juice." Duane handed the watermelon juice to Zhu Jing.

"Duane, thank you." Zhu Jing took over the watermelon juice with a smile and gently took a small sip.

"Zhu Jing, is he the friend you mentioned? Are

you coming to the amusement park with him?" The man with slick hair asked while looking up and down at Duane.

When he saw that Duane was dressed so ordinarily, his eyes were full of disdain.

"Yes." Zhu Jing nodded.

After hearing this, the man with slick hair walked to Duane's side.

"Hello, my name is Zhao Fu, and I am a business partner and a friend with Zhu Jing."

Zhao Fu said as he reached out his hand.

"Hello, my name is Duane." Duane also reached out and shook hands with him.

"Boy, you're pretty good, aren't you? You actually managed to ask Younger Sister Zhu Jing to come to the amusement park to play. Looks like you've gotten a little hold of your younger sister's abilities. Younger Sister Zhu Jing is well-known to be difficult to handle," Zhao Fu said with a smile.

"You're flattering me." Duane was neither humble nor pushy.

As Zhao Fu spoke, he also took out a pack of wet paper towels and wiped his hand that was shaking Duane's hand and wiped it with a wet paper towel.

He said as he wiped, "I have a mysophobia. I always carry wet paper with me. If I touch dirty things, I will wipe my hands."

After hearing Zhao Feng's words, Duane frowned slightly and said, "Mr. Zhao, do you mean that my hand is very dirty?"

"Haha, don't get me wrong, don't get me wrong. I'm not aiming for you." Zhao Fu laughed.

Shortly after, Zhao Fu smiled and continued, "Little sister Zhu Jing, where did you get to make friends with? Why do you look so... shabby, and you even wear a pair of sports shoes with miscellaneous cards on it."

The man and woman behind Zhao Fu also covered their mouths to hide their laughter.

Before Zhu Jing could speak, Duane took a step forward and said with a sneer, "Well, I like sports shoes with miscellaneous cards, can't I?"

"Of course you can. After all, it's related to your identity. I'm a straightforward person, so little sister Zhu Jing knows that. Don't be angry." Zhao Fu said with a smile.

Shortly after, Zhao Fu turned his head to look at Zhu Jing.

"Little sister Zhu Jing, I'm accompanying my friends to the amusement park today. At the same time, I'm also investigating the amusement park

for my dad. Since we've run into each other, why don't we go together?" Zhao Fu invited.

"This... "

Zhu Jing hesitantly turned to look at Duane. Obviously, she wanted to ask Duane for help.

"Zhu Jing, you can make your decision." Duane said indifferently.

"Zhu Jing, we are all friends. If you refuse me, then you will be giving me too much face." Zhao Fu said.

"Okay." Zhu Jing finally nodded.

Zhu Jing and Zhao Fu's family had business cooperations, and Zhu Jing did not want to have a bad time because of it.

In this way, Zhu Jing and Duane, who were originally Zhu Jing and Duane, became a group of five people.

Along the way, listening to Zhao Fucheng's deliberate or unintentionally boasting, Duane learned that this Jin Hua amusement park had 15 percent of his father's shares, which was the third largest shareholder.

Of course, when he bragged, he also ridiculed and belittled Duane.

At this time, they came to the Ferris wheel.

"Wow! Sky Scraping Wheel, it's so beautiful!"

Zhu Jing looked at the Ferris Wheel.

"Zhu Jing, you like it? Let's go!" Zhao Fu waved his hand.

Although Zhu Jing did not dare to play high-altitude projects, the Ferris Wheel was different from roller coaster or Drop Zone. The Ferris Wheel was a relatively gentle project. Zhu Jing was not too afraid of it.

Moreover, Zhu Jing had never played before. Thus, he was naturally looking forward to it.

There was a long line in front of the Ferris wheel.

"So many people. I'm afraid it'll take us an hour to line up." Zhu Jing looked to the front.

"Zhu Jing, if you were to be with this brat, you would definitely only be in line. However, with me around, why would you be in line? Follow me!" Zhao Fu waved his hand in a proud manner.

## Chapter 266

Under Zhao Fu's guidance, the few of them walked up to the front.

"Young Master Zhao!" Several employees in charge of the Ferris Wheel recognized Zhao Fu at first glance.

"I'm bringing my friend here to play. Let's go first!" Zhao Fu said proudly.

"Okay, Mr. Zhao, this way please." The staff made a gesture of invitation.

"Hey, why did he jump the queue?"

"Yeah, why did he jump the queue?"

Several people in line, when they saw someone cut in line, all sent out their dissatisfaction.

Zhao Fu turned his head to look at these people and shouted, "I'm Zhao Fu! I'm the son of the shareholder of Jin Hua amusement park! Who do you think you are?"

After hearing this, the faces of these people suddenly changed, and they did not dare to say any more.

When Zhao Fu saw this, he revealed a look of satisfaction.

"Let's go, the Ferris wheel!" Zhao Fu waved his hand.

Inside the Ferris Wheel.

Duane and Zhu Jing were sitting on one side, and Zhao Fu and his two friends were sitting on the other side.

Originally, Zhao Fu wanted to sit with Zhu Jing, but Zhu Jing turned him down.

As the Ferris Wheel rose.

"So tall! I'm a little scared!" Zhu Jing grabbed Duane's arm.

"Don't be afraid. You can't fall down." Duane smiled slightly.

Seeing this scene, Zhao Fu's eyes were naturally filled with jealousy.

"Boy, come, let's change seats!" Zhao Fu said to Duane.

"Why should I exchange it with you?" Duane said with a disdainful smile.

When Zhao Fu heard this, he frowned immediately. He thought that Duane would be afraid of his identity and then obediently change seats with him. However, Duane asked him back instead.

"Because I'm the one paying for your ticket!" Zhao Fu said proudly.

The Ferris wheel needed to charge by itself.

"Isn't it just 100 yuan of ticket? Take it!"

Duane smiled coldly, then took out a 100 yuan bill and threw it in front of Zhao Fu.

"You... "

Zhao Fu's facial expression changed.

"Do you think I'm short of 100 yuan?" Zhao Fu said in a bad mood.

Then Zhao Fu threw the money back to Duane.

Zhao Fu was in an extremely bad mood. He even wanted to rush up and fight Duane, but he saw Zhu Jing by his side.

"Duane, you are very arrogant, but you don't have the right to be arrogant. People like you usually don't have a good ending." Zhao Fu's face was gloomy.

Zhao Fu's words were full of threat, as if he was threatening Duane. If he offended Duane, he would have no good end.

Zhu Jing, who was standing next to him, couldn't help but smile.

She knew that Zhao Fu had treated Duane as an ordinary person who had no money, but Zhu Jing knew Duane's identity very well.

"Young Master Zhao, thank you for your

reminder." Duane also showed a playful smile.

...

After the Ferris wheel came down, the five people came to the queue area in front of the haunted house.

"My tummy hurts a little. I'm going to the washroom. I often go to the haunted house. You guys go line up, I'm not going," Zhao Fu said.

After Zhao Fu finished speaking, he turned and left the queued up area.

"This Duane actually dared to chase after Zhu Jing. See if I'm not going to give you a good lesson!" Zhao Fu sneered.

Zhao Fu had been chasing Zhu Jing for a period of time. Because there was no hope at all, he gave up.

Now he saw Zhu Jing, who was dressed in shabby clothes, going to the playground with Duane, especially when he was on the ferris wheel just now. Zhu Jing actually grabbed Duane's arm, which made him feel very unbalanced!

Then, Zhao Fu went to the dispatch room of the haunted house.

"Young Master Zhao!"

After seeing Zhao Fu, several staff members in the dispatch office quickly got up to salute him.

As the son of the third largest shareholder of Jin Hua amusement park, Zhao Fu often came to the amusement park. All the staff of the amusement park knew him.

"Give me a suit to dress up as a ghost. I'm going to the Ghost House to dress up as a ghost." Zhao Fu said.

"Young Master Zhao, how can I ask you to do the job of pretending to be a ghost," said one of the staff members.

"What f\*\*king nonsense are you talking about? Hurry up and bring it here! Take that kind of most terrifying clothing and equipment!" Zhao Fu said impatiently.

Zhao Fu's idea was very simple. To enter the haunted house to pretend to be a ghost, to scare Duane, and make Duane make a fool of himself in front of Zhu Jing!

...

On the other side.

After waiting in line for seven or eight minutes, Duane, Zhu Jing, and Zhao Fu's two friends entered the haunted house successfully. The light instantly dimmed down, and the gloomy and horrible voice came out of the house.

"Zhu Jing, have you been to the haunted house?" Duane asked.

"No, I... I'm a little scared." Zhu Jing said in a weak voice.

"It's okay, I'm next to you." Duane said with a smile.

"what!" "what!" "what!" "what!"

At this moment, a statue of hungry ghost next to him suddenly let out a scream.

"Ah ah!"

Zhu Jing was so frightened that he quickly hugged Duane.

Duane only felt the soft and warm fragrance of jade.

Zhu Jing also reacted in an instant. Her face suddenly turned red. She had never taken the initiative to hug a boy like this.

Fortunately, the lights in the ghost room were very dim, so that Duane could not see her blushing face.

"Zhu Jing, follow me. Don't be afraid!"

Duane directly held Zhu Jing's white jade-like hands.

After Zhu Jing was pulled by Duane, her whole body trembled as if she had been shocked by electricity.

But in the end, she did not shake off the man's

hand. Instead, she allowed the man to hold her hand.

Along the way, the haunted house was indeed gloomy and horrible, but Zhu Jing was not scared to cry out like before.

"Zhu Jing, I didn't expect you to be a strong woman. In the end, you are also a weak girl in your life and need a man to protect you." Duane said with a smile.

Zhu Jing's face turned slightly red, but she did not say anything.

"Ya, ya!"

Just then, a black shadow suddenly came out of the darkness, accompanied by a strange scream.

With the help of the dim light, one could see that it was a hungry ghost who was dressed in a terrible way. His fangs and eyes were still glowing green.

"Ah ah!"

Zhu Jing screamed in fear and grabbed Duane's hand tightly.

Even Zhao Fu's two friends were so shocked by this 'real freak' that they hugged each other and screamed.

After the hungry ghost jumped out, he rushed

directly to Duane.

"You mother f\*\*king son of a bitch!"

Duane was also shocked. Seeing the hungry ghost rushing towards him, Duane flew away subconsciously.

"Hey!" "Ouch!"

With a scream, the hungry ghost was kicked to the ground in an instant and made a scream.

"Hmm? It's the voice of a person?"

Everyone heard him. Wasn't that the voice of a person?

"Duane, I heard that sometimes there are real people disguising themselves as ghosts in the ghost house. This... this can't be done by people, right?" Zhu Jing said.

"It's really possible. But I've kicked the staff, haven't I?" Duane showed an embarrassed look.

Then, Duane hurriedly took out his mobile phone and turned on the flashlight of the phone to light the "ghost". And then he hurried to help him up.

"This staff member, I'm really sorry. Don't throw yourself at me even if you want to scare me. If you scare me, it's hard to say that I won't do it." Duane said with embarrassment.

"You're f\*cking cruel, aren't you?" The devil

shouted.

"Huh? Why is the voice so familiar?" Everyone was stunned.

Then, Duane reached out and pulled off the mask on his head.

"Young Master Zhao!"

Everyone looked at him. Wasn't he the f\*cking Zhao Fu? Although Zhao Fu wanted to cover his face with his hands, everyone could still see it.

There was also a shoe print on Zhao Fu's face. It was obvious that Duane had kicked him just now.

"Zhao Fu, didn't you say... didn't you say that you had a stomachache and went to the toilet? Why are you acting like a ghost here?" Zhu Jing asked in confusion.

"I... I didn't mean to tease you." Zhao Fu laughed dryly.

Zhao Fu was also extremely embarrassed.

Then, Zhao Fu looked at Duane.

"Kid, you f\*cking kicked me, didn't you?" Zhao Fu glared at Duane with a face full of anger.

"Who asked you to pretend to be a ghost to frighten me? How would I know it was you?" Duane said with his hands spread out.

Zhu Jing also said, "Zhao Fu, he really doesn't

know it's you."

"Forget it, forget it!"

Zhao Fu could only wave his hand, break his teeth and swallow it down.

He originally wanted to let Duane make a fool of himself, but in the end, it turned out that he suffered a loss.

Zhao Fu really wanted to lose his temper, but he knew that he had ignored it. He did not want to ruin his own image in front of Zhu Jing, so he could only give up.

But he silently bore this grudge in his heart.

After leaving the haunted house, it was already three o'clock in the afternoon. Zhu Jing said that she was a little tired, so she said goodbye to Zhao Fu, and then left the playground with Duane.

Duane drove Zhu Jing all the way home.

Along the way, Duane did not expect Zhu Jing to mention that he asked her to jump into the Gorgeous tripod enterprise, because Duane had said before leaving that today was just a day of play, not a day to talk about these things.

Of course, after today's trip to the playground, the relationship between Duane and Zhu Jing became much closer. For Duane, it was the greatest gain today.

18:35 

At the gate of Zhujing's community.

"Duane, thank you for spending this happy day with me. Today's time will definitely be remembered in my heart." Zhu Jing smiled.

## Chapter 267

After sending Zhu Jing home, it was four o'clock in the afternoon. Duane drove the car to his cousin Lin Qing's company.

Because her cousin was in the early days of her business, she was only rented at the office building.

Under the office building.

"Sister Qing!"

Duane rushed to Lin Qing with a big smile.

"Duane, I'm so happy to see you in Golden Capital! Let's go. I'll take you to a feast," Lin Qing said with a smile.

When the two of them met, they were naturally extremely happy.

Lin Qing took Duane to a top law restaurant.

The two most famous foods in the world were Chinese food and French food. There was no need to say whether French food was delicious or not.

Moreover, French people were very particular about eating. Some people said that French food was the best in the world.

In the restaurant.

The environment of the restaurant was very stylish.

"Duane, this is the top French restaurant in Jindu, which costs a lot. I rarely come here to eat, so I specially brought you here to entertain you today." Lin Qing said with a smile.

"It doesn't matter, it's my treat," Duane said with a smile.

"That won't do. I am your sister. No matter what, I have to treat you today. You are not allowed to compete with me." Lin Qing pouted and said.

At this time, the waitress handed over the menu.

Duane took the menu and looked at it. There were two menu in total. One was an English menu, and the other was a French menu. Duane felt dizzy when he saw it.

Duane's level of English was really ordinary.

"Sir, do you need me to introduce you to someone?" The waiter said with a smile.

Obviously, the waiter saw that Duane might not know the menu. For this kind of treat, they would introduce it verbally.

"No, it's okay. Sister Qing, order it."

Duane handed the menu to Lin Qing.

After all, Lin Qing graduated from the Harfe Business School of M Country, and he was absolutely good at English.

"Okay, let me order it." Lin Qing nodded.

After the order was done.

"By the way, Duane, I had an appointment with a friend yesterday and asked her to have dinner with us today. You don't mind, do you?" Lin Qing said.

"Sister Qing, it can't be your boyfriend." Duane grinned.

"Nonsense, this is a girl, a good friend of mine. She is our schoolmate at Harvard Business School." Lin Qing said.

"I see." Duane nodded.

After Duane heard Lin Qing's words, he suddenly thought that his cousin, Lin Qing, also graduated from Harvard Business School. He didn't know if she knew Lin Qing.

"She's such a beauty. Do you want me to set her up for you?" Lin Qing said with a smile.

"Sister Qing, don't make me happy." Duane smiled awkwardly.

"By the way, Sister Qing, how's your Young Master project going?" Duane asked.

"Speaking of this, it's all thanks to the one

hundred million you gave me at grandpa's birthday party last time."

"When the money was transferred to the account, it helped me solve the problem of the capital chain. Now the project has been completed and the app is about to be promoted, and the estimated 30 million yuan is going to be put into the promotion," Lin Qing said.

"Thirty million tourism funds, it's not enough," Duane said.

Duane knew that promoting it was just burning money. Tens of millions of yuan was not enough at all. He was afraid that it would be burned out in a week.

"I have contacted an investor. After the first round of sales, they are willing to invest in two or three dollars. The estimated amount is about 500 million yuan, which is enough for a big round of sales." Lin Qing said.

Duane nodded.

"By the way, Duane, why did you come here all of a sudden? Are you coming to Jindu to develop?" Lin Qing asked curiously.

"Grandpa asked me to go to the head office of Gorgeous tripod enterprise to develop," Duane said.

"Oh? If I remember correctly, Zehi has a

grandson. When you come to the head office, he will definitely see you as a thorn in his side!" Lin Qing said.

"That's right. Grandpa originally wanted to appoint me as the Assistant General Manager of Gorgeous tripod enterprise, but he was stopped by him and the Liu family." Duane smiled bitterly.

Duane continued, "In order to shut up these people, grandfather gave me and Liu Yuanhai a task of digging up a talented woman in business to the Gorgeous tripod enterprise Company. Whoever finds her will be promoted to the deputy general manager. I am now troubled by this matter."

"Oh? Who is this talented woman in the business world? She can be so valued by Elder Liu." Lin Qing was curious.

As soon as Lin Qing finished her words, her cell phone rang.

"Duane, it's the phone number of the friend I mentioned just now. She should have arrived. I'll go out to pick her up," Lin Qing said with a smile.

After that, Lin Qing immediately stood up, picked up the phone and walked out.

Duane thought in his heart, "When Lin Qing and her friends come in, I must ask them whether they recognize Zhu Jing."

A few minutes later, the door of the restaurant was pushed open. Lin Qing walked into the restaurant with a beautiful figure and then walked over.

Duane looked up and saw the girl walking to him side by side with Lin Qing.

"It's her! Sister Qing's friend, it's... it's her!"

Duane's eyes were wide open, full of surprise.

This was because the girl who walked in with Lin Qing was none other than Zhu Jing!

Lin Qing and Zhu Jing walked in while talking and laughing, so much so that Zhu Jing had not noticed Duane yet.

The two of them quickly walked to the table.

"Zhu Jing, let me introduce you to my cousin, Duane!" Lin Qing said.

"Lin... Duane!"

Zhu Jing covered his mouth and looked at Duane in surprise.

"Zhu Jing, I really never would've thought that you would actually be a good friend of my cousin's." Duane laughed dryly.

"Duane, I also didn't expect that you are Sister Qing's good friend!" Zhu Jing covered her mouth and laughed.

"You... You two know each other?" Lin Qing was even more confused, not knowing what was going on.

"That's right, we know each other!"

Duane and Zhu Jing said at the same time.

"This... who can tell me what's going on? Why do I feel like I'm the only one being kept in the dark?" Lin Qing asked in confusion.

"Sister Qing, why don't you sit down first? I'll tell you later." Duane said with a smile.

The three of them sat down.

"Sister Qing, didn't you ask me just now who is the talented girl that Mr. Liu asked Liu Yuanhai and I to dig for? It's Zhu Jing." Duane spread out his hands.

"It's Zhu Jing?" Lin Qing looked at Zhu Jing with a different expression.

Duane also looked at Zhu Jing and could not help but ask, "Zhu Jing, you said that you promised to go to your friend's company, so you didn't agree with me. Are... are you going to my sister's company?"

"Yes!" Zhu Jing nodded.

"This... this is really a drama. It turns out that it's all like this." Duane could not help but shake his head with a smile.

All of this was really too dramatic, and it was Duane's fault that he didn't think so much.

In fact, Duane should have thought that the schoolmate in Harvard Business School in Zhu Jing's words might be his cousin, Lin Qing.

"I also seem to understand. Duane, you want to ask Zhu Jing to go to Gorgeous tripod enterprise, but Zhu Jing refused because she promised me, right?" Lin Qing said.

"That's right." Duane nodded with a bitter smile.

"I see. This is really a drama, haha." Lin Qing covered his mouth and laughed.

"You're right. I've let you go this time. It turns out that it was you." Duane shrugged his shoulders and said.

Duane had asked Poison Teeth to investigate who Zhu Jing had promised, but he didn't expect that it was his cousin.

Lin Qing looked at Zhu Jing and said with a smile, "Zhu Jing, Gorgeous tripod enterprise is very good. Why don't you... go to Gorgeous tripod enterprise Group and have a try?"

Lin Qing had just heard what Duane had said. The recruitment of Zhu Jing was related to the battle between Duane and Liu Yuanhai. Of course, she wanted to help Duane.

"But, your company..." Zhu Jing looked at Lin Qing.

"It doesn't matter. I'm OK. You can give me some advice when you have spare time," Lin Qing said with a smile.

Duane also looked at Zhu Jing expectantly. At this moment, Duane suddenly felt that hope was in front of him.

"Since you say so, Lin Qing, then let's do it!"

Zhu Jing said while looking at Duane. "Duane, since your cousin Lin Qing has said so, I promise you to take part in Gorgeous tripod enterprise Group."

After two days of contact, especially today's day when Zhu Jing and Duane stayed in the playground, Zhu Jing had a good impression of Duane. It was only because she had promised to start a business with Lin Qing that she refused Duane.

Now that Lin Qing's problem had been solved, she naturally had no problem.

When Duane heard Zhu Jing's answer, he let out a long sigh of relief.

As long as Zhu Jing joined Gorgeous tripod enterprise, Duane would be announced to have won the battle between Duane and Liu Yuanhai!

This victory was absolutely meaningful to Duane's control of the Gorgeous tripod enterprise in the future!

Moreover, it was definitely a good thing for Gorgeous tripod enterprise Group to have Zhu Jing, such a business female general.

"Zhu Jing, thank you for trusting me!" Duane smiled happily.

In the end, he had still won in this battle!

## Chapter 268

Zhu Jing covered his mouth and smiled.  
"Duane, you should thank Lin Qing."

Duane looked at Lin Qing with a smile and said, "Sister Qing, thank you so much on this matter."

Duane knew that if it weren't for Lin Qing, he wouldn't have been able to get Zhu Jing's consent.

Originally, Zhu Jing wanted to go to Lin Qing's company, but Lin Qing took the initiative to give up and helped Duane.

This kindness was silently remembered by Duane in his heart.

"I'm your cousin. It's normal for me to help you. Besides, it's also a good thing for Zhu Jing to be on such a big platform like the Gorgeous tripod enterprise." Lin Qing said with a smile.

At this time, the waiter began to serve the dishes.

So the three of them chatted while talking about the details of Zhu Jing's coming to the Gorgeous tripod enterprise.

...

The next morning.

Today was Friday, which was the regular meeting time of the company.

Gorgeous tripod enterprise Group, all the groups and the executives took over, and they all went to the middle meeting room to have a meeting.

In the conference room, the management of the group was sitting together.

As the honorary director of Gorgeous tripod enterprise, Duane naturally sat down and sat opposite Liu Yuanhai.

At this time, Zehi walked into the office, and the whole Gorgeous tripod enterprise Office suddenly quieted down.

After a few words of censure and conclusion.

"Duane, Liu Yuanhai, how's the mission that I gave you last time going?" Zehi asked.

Duane stood up directly.

"Grandpa, Zhu Jing has promised me to join the Gorgeous tripod enterprise Group!"

Duane's voice was loud and clear, spreading throughout the conference room.

As soon as these words were said, the whole conference room was immediately filled with discussion.

"Did Childe Duane succeed?"

"I heard that Zhu Jing is extremely difficult to deal with. Back then, Chairman Liu personally invited her, but she didn't come. How could Childe Duane persuade Zhu Jing?"

"If it's true, it's enough to show that Duane, the young master, is really capable!"

Liu Yuanhai and Liu Heng's expressions changed drastically after hearing these words. If it weren't for Zehi standing in front of them, the two of them would have been unable to sit still.

Some of the Liu family members who were on Liu Yuanhai's side looked very upset.

They clearly knew that if Duane won in this round, Liu Yuanhai would be in a passive position.

Even Zehi, who was in front of them, looked surprised when he heard this.

"Duane, have you really found Zhu Jing?" Zehi asked in a hurry.

Zehi also knew that it was very difficult to dig Zhu Jing out. He even thought that Duane and Liu Yuanhai might not succeed in this matter.

"Grandfather, since I dared to say this in front of everyone at the Grand Meeting, of course it won't be a joke." Duane said calmly.

Liu Yuanhai quickly stood up.

"Duane, Zhu Jing is not that easy to dig. You

said that you have found Zhu Jing, so show me the contract!" Liu Yuanhai's voice was sharp.

Duane sneered coldly and said, "Liu Yuanhai, you still have illusions at this time. Do you think I'm boasting?"

"Take out the contract and let everyone see if you're lying!" Liu Yuanhai said loudly.

"Yes, it's true or false. We'll know as long as we see the contract."

The middle- aged and senior managers present nodded.

Grandpa also asked, "Duane, take out the contract, so that everyone can't say anything. This is also the best way to prove it."

"Grandpa, the contract has not been signed yet, but Zhu Jing is now downstairs in the company. Today, she is here to sign the contract." Duane smiled confidently.

"Oh? Is Zhu Jing downstairs? Then you can invite her to the conference room," Zehi said.

Only by signing the contract could Lin Miaolin officially be considered as Duane's victory, and Zehi could officially be promoted to Duane as the vice president of Gorgeous tripod enterprise Group.

"No problem, grandpa."

Duane nodded, then took out the phone and called Zhu Jing.

After the phone was connected.

"Hello, Zhu Jing, go to the conference room on the sixth floor of the company." Duane smiled.

"Duane, I... I'm in the hospital now. I'm afraid I can't come." Zhu Jing's terrified voice came from the phone.

After Duane heard this, the smile on his face instantly froze, replaced by a touch of seriousness.

Just by listening to Zhu Jing's voice, one could tell that something was wrong! Moreover, Zhu Jing had even said that she was in the hospital?

"Is there something wrong?"

"The hospital? What happened to Zhu Jing? Why are you in the hospital?" Duane asked in a hurry.

"My mother had a car accident this morning, and one of her legs was broken. Someone threatened me by calling that if I joined the Gorgeous tripod enterprise Group, she would die in the next car accident! So... so sorry, I am afraid that I can't promise you! I am really sorry!" Zhu Jing said with a sob.

It could be imagined that Zhu Jing was also struggling in her heart. After all, she had already promised Duane. However, for the sake of her mother's life, she had no choice but to reject him!

"What!?"

After hearing Zhu Jing's words, Duane's face suddenly changed, and his eyes suddenly flashed with uncontrollable anger.

Peng!

Duane slapped the phone on the table and his voice was extremely loud.

All the people in the conference room focused their eyes on Duane. No one knew what happened, so that Duane's mood suddenly fluctuated so much.

"Duane, didn't you ask Zhu Jing to come up? Why did you suddenly throw your phone? Hurry up and call for help." Liu Yuanhai showed a sinister smile.

"Liu Yuanhai, were you the one who did it?!"

Duane roared and pointed at Liu Yuanhai at the same time. Duane was so angry that the muscles on his face began to beat.

One's motive and purpose should be focused on doing things.

He asked someone to hit Zhu Jing's mother

with a car and warned Zhu Jing not to join the Gorgeous tripod enterprise. Who was the best for him?

Of course, it was Liu Yuanhai!

"What did I do? Duane, what are you talking about? Why don't I understand? Now we are talking about poaching Zhu Jing, aren't we?" Liu Yuanhai said with a confused look on his face.

Duane rushed directly to Liu Yuanhai, grabbed his collar, and growled, "Are you still pretending? You asked someone to hit Zhu Jing's mother with a car, and also asked someone to call Zhu Jing to threaten her. Liu Yuanhai, you are really vicious. How dare you play this trick when you just want to compete with others!!!"

Duane's eyes became scarlet because of anger. The anger that burst out of his plan seemed to be able to burn everything.

In the face of such an unexpected situation, the entire conference room was in a discussion.

No one had expected that the situation would suddenly turn out like this.

"What? You said that I asked someone to hit Zhu Jing's mother with a car? And you even threatened Zhu Jing? Duane, what are you talking about here? Don't talk nonsense!" Liu Yuanhai also roared.

Liu Yuanhai continued to yell, "I think it's you who can't summon Zhu Jing. That's why you want to rely on me! Duane, you're too shameless!"

"You're still retaliating against me? You... you're a bastard!!!"

Enraged, Duane immediately threw a punch at Liu Yuanhai's face, causing him to fall onto the conference table.

"Young master Yuan Hai!"

The two senior executives beside Liu Yuanhai hurriedly helped him to his feet.

"Duane, you're incapable of recruiting anyone. Not only have I been wrongly accused, I've even struck someone! Grandpa, you have to uphold justice for me!" Liu Yuanhai said as he covered his face with his hands, looking as though he had been wronged.

The CFO Liu Heng also stood up suddenly and scolded, "Duane, you're so outrageous! You beat people in the conference room!"

"That's right, it's too outrageous!"

Liu Lang and the rest of his relatives rose to their feet and defended Liu Yuanhai against the injustice.

Even many other managers sighed and said, "In any case, it's really wrong to beat someone in

the conference room if you don't make it clear."

"Yes, Chairman Liu is still in front of us. It is really inappropriate to beat people in front of Elder Liu."

...

Because it was Duane who suddenly made trouble, and it was Duane who beat him, the public opinion was in a completely one-sided situation, which was very unfavorable to Duane.

"I finally understand now. Liu Yuanhai, you are deliberately setting me up!" Duane's eyes were surging with rage.

Liu Heng shouted, "A trap? You're clearly not capable enough to malign Zhu Jing, but frame up Yuanhai's nephew. Duane, aren't you too cunning?"

"Liu Heng, don't f\*cking pretend to be righteous here. How can Liu Yuanhai think of such a method? You, Liu Heng, are absolutely involved in this matter!" Duane shouted angrily.

Duane was too angry.

"I was sure to win, but this thing happened all of a sudden!"

Duane knew in his heart that Liu Heng was definitely involved in this matter. Maybe it was Liu Heng who came up with the idea!

## Chapter 269

No wonder there was no panic in Liu Heng's eyes when Duane announced that he had poached Zhu Jing, because he knew that Zhu Jing would refuse.

Squinting his eyes, Liu Heng said, "Duane, you're really good at talking bullsh\*t. Now you're talking about me? Are you going to talk about the chairman next?"

Peng!

"Shut up! This is the conference room of Gorgeous tripod enterprise Group, not the vegetable market!"

Zehi, who was standing in front of him, patted the table.

All of a sudden, the noisy meeting room fell into silence.

Everyone looked up and found that Zehi's face was very gloomy.

Everyone had not seen him for a long time, and Zehi's face was so ugly.

Zehi looked at Duane first and said, "Duane, why did you say that Liu Yuanlong asked someone to hit Zhu Jing's mother? What's going

on? Calm down and explain it in detail."

"Grandpa, I just called Zhu Jing. She said that her mother was hit by a car, and an anonymous one called her and told her not to join Gorgeous tripod enterprise. Otherwise, her mother would be dead suddenly. I'm sure that it was Liu Yuanhai who did it!" Duane gnashed his teeth and said.

Duane clenched his fists so hard that his knuckles turned white.

"You're slandering me! It's clear that you can't recruit anyone, so you can't explain to your grandfather and make up a story here!" Liu Yuanhai roared.

Zehi glared at Liu Yuanhai and said, "I didn't ask you right now. Shut up!"

Immediately, Zehi looked at Duane and asked, "Duane, in today's society, you have to give evidence when you speak and do things. Do you have any evidence?"

"I... I don't have any evidence yet." Duane gritted his teeth and said.

"Since there is no evidence, you can't talk nonsense. Otherwise, you will only be punished. You have violated the taboo of the business!" Zehi said the last sentence in a serious tone, and his face was extremely gloomy.

Duane lowered his head and did not answer.

Because after Duane calmed down at this time, he found that he was indeed too impulsive just now.

He was certain that this matter had something to do with Liu Yuanhai, but without any evidence, he went mad at Liu Yuanhai and even beat him up. This put him at a complete disadvantage in the opinion of the company.

He would even lower the impression the middle and high-level supervisors had on him.

The main reason was that Duane was just too angry and was provoked by Liu Yuanhai's words, so that he was unable to control his emotions.

Of course, this was definitely part of Liu Yuanhai's plan. They were likely deliberately provoking Duane.

Zehi shook his head and continued to say, "And, you did it in public in the conference room before you figured out the situation. Anyway, you didn't do it right. Your performance today disappoints me a little."

After hearing this, Duane was also very upset.

Duane knew that he had fallen for Liu Yuanhai's trap.

At this time, Duane's chest was full of anger. Duane was very anxious to rush up and beat Liu Yuanhai.

But at this moment, Duane knew that he had to calm down. Anger would only drive his mind dizzy. Therefore, Duane forcibly suppressed all his anger.

In the struggle for power with Liu Yuanhai's group, he must keep a clear head all the time!

Zehi looked at Liu Yuanhai again.

"Liu Yuanhai, what do you have to say?"

"Grandfather, I only have one request. He beat me in front of all the middle and upper echelons of the company. He has embarrassed me. He has to apologize to me!" Liu Yuanlong said righteously.

"Cousin, he has to apologize to Liu Yuanhai! Otherwise, he won't be able to convince the public!" Liu Heng stood up and said.

"That's right, Chairman! Duane hit someone, so he must apologize!"

"Yes, he must apologize!"

...

For a moment, the collateral relatives of the Liu's Family, as well as the executives who supported Liu Yuanhai, all stood up.

But no one stood up to speak for Duane.

After thinking for a while, Zehi raised his head to look at Duane and said, "Duane, you can prove that if Liu Yuanhai really did do such a thing, you

don't have to hit him. I will hit him myself. But if you don't have any evidence, you have to hit him. You really should want him to apologize."

As soon as Zehi finished speaking, all the people present immediately looked at Duane and wanted to see what he would do.

To Liu Yuanhai, Liu Heng, and the others, they actually hoped that Duane would reject them. They hoped that Duane would continue to make a scene and completely destroy their image.

In that way, they would be able to continue fanning the flames, and then charge Duane with some more crimes, completely tormenting Duane into a place of eternal damnation.

Duane pondered for a moment, then looked up at Zehi, with determination in his eyes.

"Grandpa, I... I... I'm sorry! I'm sorry!"

Duane said word by word, and his tone was firm!

The anger in Duane's chest was about to explode, and Duane was even more unwilling to apologize to Liu Yuanhai.

Because Duane was sure that everything was done by him!

Other than him, there was absolutely no one else!

But reason told Duane that if he did not apologize and then made a big fuss, he would only give others a handle and let Liu Yuanhai and others continue to take advantage of the problem!

Zehi, who was in the front, reluctantly nodded when he saw that Duane was willing to apologize. If Duane chose not to apologize, although he would not force Duane, he would only be more disappointed.

In Zehi's view, this was also a kind of mental training for Duane. A great man could bend and stretch, and when he should bow his head, he must learn to bow his head.

One couldn't be too hard. It was easy to break if too hard.

Duane went straight to Liu Yuanhai.

"Duane, you're pretty arrogant, aren't you? I never expected you to be a coward who chose to apologize. You're such a piece of trash!" Liu Yuanhai sneered.

Liu Yuanlong could not wait to see Duane hit him again, so that Duane could seize the opportunity to fight back.

Duane raised his head to look at Liu Yuanhai, and a chill shot out from the pitch-black plot.

After sensing Duane's gaze, Liu Yuanhai couldn't help shuddering. He only felt that the

gaze in Duane's eyes was so terrible that it made his heart tremble a little.

"Liu Yuanhai, congratulations. Your plot has succeeded today. I apologize to you." Duane apologized.

"Humph, good- for- nothing!" Liu Yuanhai raised his middle finger at Duane.

Duane did not do it directly, but suppressed his anger in his heart.

"Since Duane apologized, the fight is temporarily over." Zehi said.

Zehi asked Duane to apologize, which was also an excuse for Duane for the time being.

Then, Zehi looked at Duane and said slowly, "Duane, remember, this is a society where evidence is needed. As long as you can provide evidence to prove that Zhu Jing's mother's car accident has something to do with Liu Yuanhai, I will definitely make a decision for you. But don't mention it again if you don't have any evidence."

"I know." Duane gritted his teeth and nodded.

"Okay, let's call it a day!"

After Zehi finished speaking, he turned and left directly.

After walking out of the office.

Zehi's face was gloomy. He turned to look at

Secretary Zhang and said, "Secretary Zhang, you should also investigate this matter and see if what happened to Zhu Jing's mother in a car accident is true."

"Okay, Chairman Liu, I'm on my way."

After secretaries Zhang responded, he quickly turned around and went to do this thing.

...

In the conference room.

As Zehi walked out of the conference room, the originally quiet conference room instantly fell into a hubbub.

"I don't know whether what Duane young master said is true or false. Did he really hook up with Zhu Jing, or did he deliberately brag and then frame Yuanhai young master."

"Who knows? It's really hard to tell what's going on with this matter."

...

In their eyes, there were two possibilities.

The first one, as Duane said, was that he had originally recruited Zhu Jing. As a result, Zhu Jing's mother had a car accident and Zhu Jing herself had received a phone call, which prevented her from coming to Gorgeous tripod enterprise again.

Secondly, Duane failed to recruit Zhu Jing. In order not to lose face, he pretended to have been recruited and then made up Zhu Jing's story that he had been threatened. He even slandered Liu Yuanhai.

For these executives present, it was hard to draw a conclusion about what was going on.

"Look! Look! Childe Duane is looking for Childe Liu Yuanhai again!" Someone shouted.

Everyone quickly looked over and saw Duane walking in front of Liu Yuanhai.

"Duane, what are you doing? Are you still thinking of hitting me? If you have the guts, then hit me!" Liu Yuanhai said with a proud look on his face.

"Liu Yuanhai, your plot was successful. I admit that I fell into your trap today," Duane said, narrowing his eyes.

Then Duane changed the topic.

"Originally, I wanted to compete fairly with you, but since you want to play dirty, then, I! Lin! Xu! Dong! Accompany! "

Duane said word by word in an extremely sharp tone.

After leaving this sentence, Duane directly turned around and strode away!

Originally, today was Duane's winning day. However, after Liu Yuanhai employed such a despicable means, everything Duane had done was in vain. Moreover, the situation had changed from the advantage to the disadvantage.

However, this was definitely the result!

All the things Duane had suffered today.

In the future, Duane would definitely repay him a hundred times over!

## Chapter 270

Outside the conference room.

The lone wolf who was waiting here hurriedly went to greet Duane when he saw him come out.

"Duane, why do you look so bad? Is there something wrong?"

While John was waiting outside, he heard the noise in the conference room.

"Let's go! Let's go to the hospital first!" Duane gritted his teeth and said.

Zhu Jing's mother was hit by a car because of her. In any case, Duane would go to visit her first.

On the way to the hospital, Duane told John what had happened in the meeting room today.

Upon hearing this, John was naturally furious.

Inside the car.

"Duane, what are you going to do?" John asked.

"Find out the evidence and let Liu Yuanhai pay for what he had done!" Duane's tone was cold, and his eyes were full of killing intent.

Then Duane called Duya and asked him to find the driver who was driving Zhu Jing's mother

as fast as he could.

Duane knew that the driver who had bumped into Zhu Jing's mother must have been ordered by Liu Yuanhai.

As long as they could find the driver and threaten him with money, they would definitely find a way to get the driver to tell them the truth!

This was the breakthrough point.

...

In Liu Yuanhai's office of Gorgeous tripod enterprise Group.

"Haha! Uncle Heng, cheers! Congratulations! We won!"

Liu Yuanhai happily picked up a goblet filled with red wine.

The chief financial officer, Liu Heng, also picked up his wine glass with a smile on his face, clinked glasses with Liu Yuanhai, and then drank red wine.

After putting down the wine glass.

"I'm so happy to see that Duane is so pissed off today. Haha." Liu Yuanhai was extremely excited.

Liu Heng also sneered. "He's just a young lad. How dare he fight with us? Humph, he's overestimating himself! I, Liu Heng, can easily

defeat him. I think he, Duane, will experience what it feels like to fall from heaven to hell today."

"Haha, it's all thanks to Uncle Heng's brilliant plan!" Liu Yuanhai said as he raised his thumb.

After all, it was Liu Heng who had devised this scheme.

Liu Yuanhai was overjoyed to see Duane suffer such a setback today!

"By the way, Uncle Heng, this kid will definitely not give up. He will definitely go back and investigate this matter. He won't find anything, will he?" Liu Heng said with a serious expression.

"Rest assured. I've long thought of this. I'll arrange it. Don't worry, cousin-in-law," Liu Heng said with a confident smile.

...

On the top floor of Gorgeous tripod enterprise Group.

Secretary Zhang hurried into the office.

"Chairman Liu, I have called the traffic police and the hospital and asked them. Zhu Jing's mother did have a car accident." Said Secretary Zhang.

"Well, in this case, what Duane said is 90% true." Zehi muttered to himself.

Zehi was an old fox who had been running the

business for decades. Of course, he could distinguish the truth of many things.

Moreover, Zehi also believed that Duane was not the kind of person who would lie to him.

"Chairman Liu, you have always favored Duane. Why don't you speak up for him at the meeting today?" Secretary Zhang asked curiously.

"In front of the executives, if I don't talk about evidence, but favor Duane, it will only cause criticism. This will only make everyone more biased against Duane," Zehi said.

After a pause, Zehi continued, "And this is also a kind of training for Duane. There are many open and secret strifes in the business world. This matter is nothing at all. If you can't even handle this matter, and can't even bear such a blow, how can you take on a great responsibility in the future?"

Over the past few years, Zehi had been plotted against by many business rivals. The business was dangerous, and the business was like a battlefield. He was not playing.

"I see. Chairman Liu, you still want to train Childe Duane through this incident." Secretary Zhang said.

"If a young man doesn't experience something, how can he grow up? I think he must

be taught a lesson on this matter. Let's see if he can find the evidence." Zehi said slowly.

...

In Ren Ai hospital, in a ward.

Zhu Jing's mother was lying on the hospital bed, and Zhu Jing was taking care of her beside her.

"Zhu Jing, is auntie all right?"

Duane walked into the hospital quickly.

Zhu Jing's mother suffered such an unexpected accident because of her. Duane would come to visit her anyway.

"My mother is asleep. She is not seriously injured. It's just that her leg bone was broken and she has already completed the operation. After resting for a period of time, she should be able to leave the hospital." Zhu Jing said.

After a pause, Zhu Jing lowered her head, bit her lip and whispered, "Duane, I'm really not sorry. I let you down. For my mother, I... have to do this."

It could be heard from Zhu Jing's tone that she felt very sorry for Duane in her heart.

"Zhu Jing, I am the one who should say sorry. If it had not been for me, my aunt would not have been hit by the car. I am really sorry to drag you into this matter." Duane said apologetically.

Duane did not try to persuade Zhu Jing anymore and continued to join Gorgeous tripod enterprise.

At least, before he could deal with Liu Yuanhai, Duane would never mention this matter again. How could Duane drag Zhu Jing into this mire for him? How could he keep her family in danger?

At this moment, Lin Qing, her cousin, also rushed into the ward.

"Zhu Jing, is Aunt Zhu okay?" Lin Qing asked while walking.

"It's nothing serious." Zhu Jing nodded.

"Duane, you are here too." Lin Qing saw Duane standing next to him.

"Sister Qing." Duane nodded.

"Duane, this matter definitely has something to do with Liu Yuanhai!" Lin Qing said seriously.

"I understand, it was definitely the beast's doing! I will definitely make him pay the price!" Duane gritted his teeth, and his eyes flashed with anger again.

"Duane, if you want to win the inheritance right, it must be full of dangers. You must be careful. If you take one wrong step, you may fall into a disaster. If you need my help, just tell me."

Lin Qing showed a worried look.

"I understand!" Duane nodded seriously.

At this time, the two men, Poison Teeth and Iron Leg, hurried to leave the ward.

"Venomous Teeth, Iron Leg, how is it? Have you found the driver?" Duane asked in a hurry.

Poison Teeth said, "Duane, we've found him, but..."

"But what?" Duane frowned and felt that something was wrong.

"It was found in the funeral hall, and the driver committed suicide by jumping off the building." Poison Teeth said.

"What!?" Duane was suddenly shocked.

"Why did he suddenly jump off the building and commit suicide? What is the reason?" Duane hastened to ask.

It should be noted that this driver was the only key to breaking through. How did he end up dead all of a sudden?

"The police gave a reason for suicide by jumping off a building because of the emotional dispute," said Poison Teeth.

Duane narrowed his eyes and said coldly, "A relationship dispute? I'm afraid it's just a superficial reason. If I'm not mistaken, the driver

died!"

"Duane, do you mean that this driver was killed by Liu Yuanhai?" Lei Zheng asked in surprise.

"Who else could it be but him?"

Duane narrowed his eyes and continued, "Liu Yuanhai is really vicious! He even killed one of his own!"

This was Duane's only breakthrough point now. Now that he was dead, Duane's only breakthrough point could disappear at any time.

"Duane, what should we do now?" asked Duya.

"Venomous Teeth and Iron Leg, you don't need to care about this matter for the time being. Your current task is to open the company of Xudong Security Company in Jindu as soon as possible. This will be the constant force for me to deal with any opponent. It's very important!" Duane said.

"It's Duane! Let's do it now!"

After Poison Teeth and Iron Leg responded, they turned around and left quickly.

Duane turned around, sat down on a chair, and then fell into meditation.

Now that the only witness had been killed,

what should they do?

At this time, Lin Qing came over.

"Duane, these are remedies from Liu Yuanhai. I helped you sort them out overnight. They may be helpful to you," Lin Qing said as he handed a copy of information to Duane.

"Thank you, Sister Qing." Duane forced a smile.

"Duane, I can't help you too much, but as long as you ask, I will never refuse what I can do!" Lin Qing said seriously.

"Sister Qing..."

Duane was very touched. There were so many people around him who were willing to help him.

"Take a look at the information first and see if it will be of any help to you." Lin Qing smiled and patted Duane on the shoulder.

Duane nodded and then began to read the information.

"The private life of Liu Yuanhai is so chaotic. Every woman wants to have sex with him." After Duane finished reading the materials, he couldn't help sighing.

"Duane, a rich young master like him is likely to be like this." John said.

"Hmm?" Duane suddenly had an idea.
