

The Charismatic Charlie Wade Chapter 491 – 495

Chapter 491

At this time, Barena and Liang were being stopped by the guys from the Clinic.

“Excuse me, do you have an appointment?”

The guy looked at Barena very vigilantly.

He hadn't met Barena, and there were too many messy people who came to Clinic for genius doctors in the past two days, so he didn't dare to let people in casually.

Barena hurriedly said: “Hello little brother, I am Barena, the eldest master of the Wei family. Please inform the genius doctor Tianqi that there were many offenses at the traditional medicine Expo. I came here today to apologize and ask the genius doctor Tianqi to give him an apology. An opportunity to apologize in person.”

The man said coldly: “The genius doctor Tianqi said, those who have not made an appointment will not see him, so please go out quickly!”

“Please be polite to me, I am also the eldest master of the Wei family anyway, I will tell...”

“Sorry, we at the Clinic doesn't know any Wei family, so you should go out quickly, otherwise I will call someone!”

The guy still didn't give up, and didn't give Barena any face, and directly pushed him out.

“Don't, little brother, if you have something to say...” Barena immediately panicked when he saw this.

He came here today to beg Tianqi to take action and save Fredmen.

If Fredmen's roots really festered to the point of amputation, then the Wei family would be really miserable.

In the eyes of the Wei family, Tianqi is probably the only one who can save Fredmen now.

Not to mention the extravagant hope that Tianqi completely cure Fredmen, as long as he can cure his fester, the Wei family can be considered to have escaped the disaster.

Therefore, he placed most of his hopes on Fredmen.

If this were to let his father know that he hadn't even seen Tianqi's face, he would definitely be furious.

Liang, the illegitimate son of the Wei family, stood by just watching, not daring to speak.

This time his father Youngzheng said that whoever can solve this crisis can become the chairman of Wei's Pharmaceutical, so the first thing he thought of was to ask Tianqi for help.

However, he didn't expect his brother Barena to have the same idea, so he could only be a follower and follow Barena.

Barena wanted to see Tianqi as soon as possible, so he shouted into the Clinic: "Mr. Shi, we have a life-saving thing to look for you, please let us in!"

The dude was also angry: "I said that he won't see you without an appointment. Are you not too shameless to shout like this!"

At this time, Tianqi had ended the call with Charlie and stepped out.

Walking to the door, seeing the two brothers of the Wei family, Tianqi said coldly: "Why are you two making trouble in my Clinic?"

Seeing Tianqi coming out, Barena pushed the guy aside and said quickly: "Genius doctor Tianqi, I am Barena from the Wei family. This time I am looking for your help!"

Tianqi's expression was a little bit sullen, and he said, "I remember you. On the day of the traditional medicine Expo, you were disrespectful to Mr. Wade, and now you dare to come to me to make trouble?"

Barena hurriedly begged: "Don't get me wrong. On the day of the traditional medicine Expo, I was also confused and offended Charlie for a while. Please also ask you not to remember the villain and forgive me this time."

"Impossible." Tianqi said coldly: "Mr. Wade is kind to me. You offend him, it is more serious than offending me, so no matter what you ask me to do for you, I will not agree, please go back."

Chapter 492

After Tianqi finished speaking, he drove people away with a wave of his sleeves.

Barena panicked and begged: "I'm really sorry to perform like that genius doctor. My mistakes are all my fault. I have no complaints if you want to beat or scold me. It's just that the Wei family has encountered a huge crisis this time. You can't watch our family. The young and old getting killed?"

Tianqi said coldly: "Sorry, I am not familiar with you, and your family has nothing to do with me. Please leave."

Upon hearing this, Barena hurriedly snatched the brocade box from Liang and handed it to Tianqi. He respectfully said: "Shi the genius doctor, this is a little bit of my heart, a piece of fine Hetian jade seed material, worth five million. Please accept it!"

However, Tianqi didn't even look at the so-called Hetian jade seed material. He didn't even open the brocade box, and said unceremoniously: "Don't say five million, even if it is fifty million, five hundred million, I will not Take it! You go, you are not welcome here."

At this moment, Liang, who had been silent on the side, sighed softly, knelt directly on the ground, and begged Tianqi bitterly, "doctor Tianqi, please be merciful and save our Wei family. I will give it to you. Kowtowed."

Seeing Liang's pious appearance, Tianqi's expression was a little slow.

Compared with Barena, Liang is obviously more educated and polite. Compared with his arrogant and conceited brother, it is two extremes.

Barena glared at Liang with dissatisfaction at this time, and cursed in his heart: This bastard drama is quite good, and he actually kneels and kowtows in front of him. Maybe he wants to grab his own credit and covet the position of the head of the house. Right?

Thinking of this, Barena kicked Liang away and cursed: "You are an illegitimate child, what qualifications do you have to kneel on behalf of the Wei family? If you want to kneel on behalf of the Wei family, it is me who is the heir of the Wei family!"

Liang was kicked to the ground, but he dared not say a word of complaint. He hurriedly got up, patted the dirt on his body, and stood aside humbly.

At this time, Barena knelt on his knees and begged: "Shi the genius doctor, Fredmen, you should know that his illness was not cured by our Wei family, but it was aggravated seriously. Now his place is about to rot. He threatened to destroy our family, and now only you can save our life."

Tianqi had known their purpose for coming to him for a long time, and he refused again without hesitation: "Let me go and save Fredmen? I tell you, it is absolutely impossible! Neither you nor Fredmen have repeatedly disrespected Mr. Wade? So even if you said that the sky is falling into your house, I can't make a move."

After finishing speaking, Tianqi coldly said to his buddy: "Okay, get them out of here!"

Immediately afterwards, Tianqi didn't look back, turned around and walked towards the Clinic, without wavering at all.

Although it is said that the healer's parental heart, the good heart should not be imposed on the wicked.

The guy immediately pushed Barena and Liang out: "If the two of you block the mouth of our the Clinic again, I will have to call the police."

Standing at the gate of the Clinic, Barena looked very ugly.

Apart from Tianqi, Aurous Hill certainly has no more powerful genius doctor who can cure Fredmen's fester.

As a result, as Fredmen's fester became more and more serious, the entire Wei family would also completely lose hope.

At this time, Liang asked in a low voice, "Big Brother, what should we do now?"

Barena glanced at him in disgust, slapped him up, and cursed: "Liang, how many times have I told you, don't call me big brother, you wild species, you are not worthy at all!"

After that, Barena looked at him contemptuously, and said coldly: "I'm going to find someone else to find a way, you can go back by yourself!"

As Barena spoke, he got into his luxury car and walked away.

Liang stood there for a moment, with anger and unwillingness in his eyes.

He stretched his hand into his arms, touched something that had been hidden in his arms for more than ten years, as if he had made some decision, secretly gritted his teeth, turned around and entered Clinic...

Chapter 493

The attendant at the Clinic saw that Liang had walked back again and immediately said with a cold face, "Why are you here again? Go away! You are not welcome here!"

Liang begged: "Little brother, I have something to say to the genius doctor Tianqi in person, I will leave after speaking!"

The guy frowned and said: "The genius doctor Tianqi doesn't want to see you, don't you know anything about yourself?"

Liang knelt on the ground with a puff and shouted loudly into the inside: "Mr. Shi, Liang begs to see you, and speak to you face to face, please be merciful! If you don't want to see Liang, Liang will be with you. Kneel down in front of the store!"

Tianqi had already walked to the room behind the Clinic, and he sighed when he heard Liang's voice.

The illegitimate child of the Wei family has been in contact with him several times, and he feels that he is indeed very educated and knows how the etiquette.

And Tianqi did feel that Liang's situation in the Wei family was worthy of sympathy.

Therefore, hearing Liang's words at this time, he felt a little compassionate in his heart.

So he paced out and saw that Barena had already left, leaving Liang alone at the door, and said to him, "You come in with me."

"Thank you doctor Tianqi!" Liang was overjoyed, got up in a hurry, and followed Tianqi to the back hall.

As soon as he entered the back hall, Liang immediately took out a slender wooden box made of mahogany from his arms, then opened the wooden box, revealing a whole body of white ginseng.

He offered the ginseng in front of Tianqi with both hands, blurting out: "Genius doctor Tianqi, this thousand-year-old snow ginseng is the thousand-year snow ginseng that my mother left to me when she was alive. It is her treasure for a lifetime. I know that you respect that Mr. Wade, so I want to dedicate this thousand-year-old snow ginseng to Mr. Wade, and ask Mr. Wade to take action to save the Wei family!"

Tianqi was stunned when he looked at the small snow ginseng.

It turned out to be a thousand-year snow ginseng!

This thing, he has only seen the description in the classical medical books, when he once thought that this thing did not exist, and the snow ginseng was at most a hundred years old.

Although this snow ginseng is not as long as a folding fan, its whole body is already a little translucent. This is because it has been waxed. Normal ginseng will not wax. It must be so obvious that it is waxed, a sign of its long life!

This also allowed Tianqi to conclude that 80% of this snow ginseng is really a thousand-year snow ginseng!

Unexpectedly, this thing actually exists!

He couldn't help but ask in surprise: "This...this is really yours? How come you have such precious medicinal materials?!"

Liang nodded and said earnestly: "Mr. Shi, to tell you, my mother is a native of Changbai Mountain. Following my grandfather, my ancestors have been collecting medicine in Changbai Mountain for generations. This thousand-year-old snow ginseng was handed down from my mother's family for generations."

After speaking, Liang said again: "My father Youngzheng just started the medicinal material business, and he often went to Changbai Mountain to collect medicinal materials. He lied and deceived my mother. After my mother was pregnant with me, he left. I also grew up at the foot of Changbai Mountain..."

"Until my mother was seriously ill and was about to pass away, she was afraid that I would be alone, so she contacted my grandfather. Grandpa thought I was of Wei family blood after all and could not be left outside, so he ordered my father to pick me up in Changbai Mountain and bring me back to Wei's house."

"When my mother was leaving, she left this snow ginseng plant to me, so that I must keep it close to my body at all times to prepare for emergencies. Now that the Wei family is in disaster, if Mr. Wade is willing to lend a hand, I would like to dedicate this thousand-year snow ginseng to Mr. Wade!"

Tianqi was speechless in shock.

He only knew that Liang was an illegitimate child, but he didn't know that there was such a story behind it.

Chapter 494

For Liang, he had never said these words to anyone in his life, and Tianqi was the first.

Ever since he was brought to Wei's house, Liang has been humiliated and tortured by others.

Since childhood, his father Youngzheng hated him, and his brother Barena hated him even more. He has always been scolded, beaten, and subjected to various humiliations. He himself has long been used to it.

He has been patient, waiting for the day when he can meet a suitable opportunity to get rid of this dark and skyless status quo.

Just as the Wei family is suffering from disaster, Youngzheng also let out a word that whoever can solve this crisis can become the chairman of Wei's Pharmaceuticals. Therefore, he took out this thousand-year-old snow ginseng that has been hidden closely for 20 years. , In exchange for it to exhale.

This thousand-year-old snow ginseng has no market value its preciousness.

The 300-year-old purple ginseng, if not for the last time Charlie and Fredmen competed, the normal price is estimated to be around 30 million.

And this thousand-year-old snow ginseng can be sold for at least 100 million at the normal price.

Liang took it out at this time and gave it to Charlie willingly, so that Charlie could help the Wei family resolve the crisis, so that he could become the chairman of the entire Wei's Pharmaceutical Company. From now on, it will be a shame!

Tianqi was also shocked by this thousand-year-old snow ginseng.

He knew that Charlie had magical medicine refining skills, and this thousand years of snow ginseng would definitely be of great help to Charlie.

So he immediately took out his cell phone and called Charlie.

At this time, Charlie received the medicinal materials sent by Qin Gang, and combined the 300-year-old purple ginseng with other medicinal materials to make 30 rejuvenating pills.

As soon as the Rejuvenation Pill was refined, Charlie suddenly received a call from Tianqi.

On the other end of the phone, Tianqi's respectful voice rang: "Mr. Wade, Liang, the illegitimate son of the Wei family, want to ask you for help. If you can help the Wei family tide over the difficulties, he is willing to give you a thousand-year-old snow ginseng!"

"Thousand-year snow ginseng? Is it true?"

Charlie was very surprised. The 300-year-old purple ginseng is very rare. Snow ginseng is more precious than purple ginseng, so it is even rarer.

What's more, snow ginseng, which is still a thousand years old, is definitely considered the treasure of medicine.

Charlie is a little excited about the Thousand-Year Snow Ginseng. There is a record in the Nine Profound Heaven Scriptures that the snow ginseng more than 500 years old is a treasure of heaven and earth with aura. If he can get it, he will improve his own strength. It really has strong effect.

Tianqi said at this time: "Mr. Wade, to be honest, it's the first time I have seen 1000-year-old snow ginseng. I'm really not sure if it's a thousand years, but it's at least five hundred years old."

Charlie sighed and praised: "Old Shi, you have done a good job of this matter. I just made a new pill that can make you more than ten years younger. I will give you one back."

When Tianqi heard this, his excited voice trembled a little, and respectfully said: "Mr. Wade, you really praise Shi. In fact, this is what I should do. It's all part of it..."

Charlie smiled indifferently, and said: "Old Shi, Charlie has always distinguished rewards and punishments. If you do things for me, you will forget your merits if you are unnatural. You will bring Liang to see me first, and you will have rewards in the future."

After that, Charlie said again: "You bring Liang over now, let me see if his thousand-year snow ginseng is genuine or not."

Tianqi said excitedly: "OK, Mr. Wade, I will bring him over!"

Chapter 495

Tianqi hung up the phone and said to Liang, "Mr. Wade has already agreed to see you, you can come with me."

Upon hearing this, Liang immediately showed an expression of gratitude, bowed to Tianqi and said, "Thank you for your generous help!"

Tianqi waved his hand and said, "I'm just helping you to connect with Mr. Wade. You don't have to thank me. If Mr. Wade is willing to help you, you can thank Mr. Wade."

Liang nodded hurriedly, and said, "Shi genius doctor, let's go now?"

Tianqi responded and said to Zhovia, his granddaughter, and said, "Zhovia, you drive us to Mr. Wade's house."

When Zhovia heard that she was going to see Mr. Wade, she was immediately excited and said: "Grandpa, let's go now, don't let Mr. Wade wait long!"

Afterwards, Liang collected the Thousand-Year Snow Ginseng, followed Tianqi and Zhovia out of the Clinic, and got into an Audi car that Zhovia bought.

Since Tianqi decided to stay in Aurous Hill, Zhovia bought this car for the convenience of traveling with her grandfather.

Ten minutes later, the group of three came to Charlie's door.

Tianqi looked at Liang and reminded: "Your brother had some conflicts with Mr. Wade before. When you meet with Mr. Wade, you must not be disrespectful."

Liang nodded hurriedly and said, "Please don't worry about it genius doctor! Liang dare not disrespect Mr. Wade!"

"Yeah." Tianqi also knew that Liang and his arrogant brother were not the same, so he nodded and pressed the doorbell of Charlie's house.

Charlie opened the door. When Tianqi and Zhovia saw Charlie, they hurriedly bowed and said respectfully, "Hello Mr. Wade!"

Liang also hurriedly followed to salute and said, "Liang has seen Mr. Wade."

Charlie nodded and said, "You don't need to be so polite, come in and talk."

The three of them entered the house.

As soon as they entered the house, the three of them couldn't help but look at the decorations in the living room. This was the first time for the three of them to come to Charlie's house, so everyone couldn't help but be surprised. Charlie had already been in the upper class of Aurous Hill. With a very detached status, why live in such an ordinary residential building that can no longer be ordinary?

Liang also felt that Mr. Wade was unfathomable, a super-rich who could easily throw a hundred millions at auctions, living in such a simple environment.

Charlie didn't know the thoughts of the three of them. He pointed to the sofa and said to them: "Sit down."

The three of them answered and sat opposite Charlie.
