

# The Charismatic Charlie Wade Chapter 881 – 885

## Chapter 881

The two first-love lovers, who had been in the kitchen for more than an hour, finally made a table of food.

Jacob ran out to tell Charlie and Paul: “Get ready, we can eat.”

After speaking, he asked Paul again: “By the way, Paul, do you want to drink two cups at night?”

Paul smiled and took out a portable gift box and said: “Uncle Willson, I just brought two bottles of 30-year-old Maotai. This bottle of Moutai is not an ordinary Moutai. It was an export version more than 20 years ago. It was exported to the United States, and then collected by collectors in the United States. It has been properly preserved until now. Each bottle is two kilograms.”

Jacob was surprised and said: “For 30 years of aging more than 20 years ago, isn’t it more than 50 years since now?”

“Yes!” Paul said with a smile: “It should be about 56 years.”

Jacob sighed, “Oh, this wine is too precious. It’s a waste to give it to me. You should keep it for yourself.”

Paul hurriedly said: “Uncle Willson, you don’t need to be so polite to me. It was originally a gift for you. If you want, we will drink it with a bottle in the evening. If you don’t want it, we will change another wine. “

When Jacob heard this, he smiled and said, “In that case, thank you. Let’s drink a bottle tonight!”

With that said, Jacob said to Charlie again: “Charlie, you go upstairs and tell Claire to come down for dinner.”

Charlie nodded and said, “Then I will go upstairs and call her.”

After that, Charlie got upstairs and when he came to the bedroom, he found Claire lying on the bed with her back to the door.

He said, “Wife, come downstairs to eat.”

While talking, Charlie was about to walk into the bedroom when he heard his wife say: “Oh, don’t come here yet.”

Immediately afterwards, Claire stood up, turned her back to Charlie, as if reaching out and wiping her eyes.

Charlie hurriedly walked around in front of her, looked at her red eyes, and asked: “Wife, why are you crying again?”

Claire shook her head and stubbornly denied: “I didn’t cry, but my eyes were a little uncomfortable.”

Charlie said distressedly: “Still quibbling. Your eyes are red like this, and you still said I didn’t cry?”

After speaking, he asked softly: “Is it because of mom?”

Claire was silent for a moment, then sighed, nodded and said: “It has been almost 30 hours now, and there is no news yet. I’m really afraid that Mom will have some accident.”

As she said, tears burst into her eyes again: “Furthermore, when such a big thing happened at home, I expected my dad to be able to stick with me, but I didn’t expect him to...”

At this point, Claire couldn’t speak anymore. She couldn’t keep her emotions all at once, so she cried out.

Charlie hurriedly stretched out his hand and took her in his arms. While gently tapping her back, he comforted in her ear: "Wife, don't cry, mom will definitely be fine. Don't worry, I assure you."

Claire sobbed and asked, "What can you promise me? You don't know where she is, you don't know what she has gone through, and you don't know whether she is in danger..."

Charlie said seriously: "Don't worry, since I have promised you, I will definitely not let her have trouble. I will ask those capable friends to help me find a way."

Claire hurriedly asked, "Really? You go to them, can they be willing to help?"

## **Chapter 882**

Charlie smiled and said, "Don't worry about it. If someone agrees, they are stronger than us and have a wider network than us. Maybe they can help us figure out what happened."

Claire breathed a sigh of relief and said gratefully: "Charlie, that's really thank you so much!"

Charlie smiled and said, "Silly girl, I'm your husband, why are you polite to me?"

As he said, he patted her on the shoulder hurriedly, and said: "Let's go, let's go down for dinner first, and after dinner, I'll go out to find my friends and see if they can help. If they don't, then I will Ask them for help. Anyway, I promise you that Mom will come back safely!"

Claire nodded heavily, feeling a lot more comfortable.

Before that, she felt that she was the only one in the family thinking about her mother's disappearance. Now that Charlie stood with herself so resolutely and was willing to help, she was naturally relieved.

Charlie really felt sorry for Claire at this time. It can be seen that Elaine's disappearance has been worrying her all the time. If Elaine is not allowed to come back quickly, Elaine

hasn't had any major incidents in the detention center, and his wife is probably already. Unbearable.

So he decided in his heart that he would implement it tomorrow. He had already figured out the plan, and he could get Elaine back the day after tomorrow.

To comfort Claire, Charlie took her downstairs.

In the restaurant downstairs, Jacob and Meiqing had already prepared a table of food.

On the other hand, Paul opened one of the rare bottles of Maotai aging. Seeing Charlie and Claire walking down, he smiled and asked Charlie: "Mr. Charlie, would you like to have two glasses?"

Charlie smiled slightly and said, "Okay, then I will have two drinks with you."

Claire on the side reminded in a low voice: "Aren't you going to find your friends after dinner? Or don't drink, you can't drive after drinking."

Charlie smiled and said, "It's okay. I'll take a taxi after I finish drinking. It's the first time Mr. Paul came to the house. It's impossible to not drink two drinks with him."

Hearing this, Claire nodded and said, "Okay, as long as you don't drive anymore."

At this time, Jacob walked out of the kitchen with a pot of beef soup, and saw Claire, he smiled and said, "Oh, Claire, try your Aunt's craftsmanship later. I just stole it. After eating two bites, I can tell you this, just three words, It is great."

Claire had no appetite for food at all now, not to mention that the meal was made by her mother's rival in love back then, so she didn't want to eat it even more.

But because of face, she could only sit down at the table.

At this time, Meiqing took off her apron and walked out of the kitchen with the bowls and chopsticks. Seeing that Charlie and Claire were both down, she smiled slightly and said, "I'm sorry, I made you wait for a long time. time to eat."

Then, she asked Charlie and Claire with concern: “You two must be hungry? Come on, move your chopsticks!”

The table is full of home-cooked dishes of varying taste made by Meiqing.

There are Xihucuyu, braised prawns in oil, Dongpo meat, fish head tofu, fried shrimp eel and so on.

These dishes are really beautiful, and they are not much less than professional restaurants.

Meiqing said with some regret: “I originally had a Longjing Shrimp that I was better at, but I was too busy in the kitchen just now, so I didn’t care about it all at once, and it’s mashed up, so I can only make it for you next time. .”

When talking about the Longjing shrimp paste pot, Meiqing thought of the scene where Jacob suddenly hugged herself in the kitchen. Two red clouds appeared on her beautiful face...

## Chapter 883

Seeing the food Meiqing made, Charlie couldn’t help but appetite, but out of politeness, he didn’t feel ashamed to use his chopsticks directly, instead he took out a bottle of drink and poured it for the two ladies.

Later, he picked up the wine glass and said with a smile: “Aunt and Paul, welcome you back to China, welcome you back to Aurous Hill, and welcome you to our home as a guest. Let’s have a drink together.”

Jacob also hurriedly echoed: “That’s it, I’ll take the wind and dust for you, let’s have a drink together!”

Meiqing picked up a drink and said sincerely: “I really appreciate your hospitality. I didn’t expect to be able to have a home-cooked meal at my old classmate’s house on the first day of returning to Aurous Hill. Thank you very much.”

Jacob smiled and said: “Meiqing, we have been old classmates for so many years, what are you doing so politely for this little thing!”

After that, he said: "Furthermore, this table of food today is all your credit. I'm just battling it out. I'm very embarrassed about it. How can any old classmates come here as guests and cook it herself."

Meiqing smiled and said: "What's so embarrassing about this, I said it at first, I will cook today."

Charlie smiled and said, "Come on, let's dry this first glass of wine first!"

Everyone picked up their wine glasses and drinks. The three men drank all the wine in the small wine cup, and the two ladies took their drinks and took a sip.

Claire's expression was slightly indifferent, but she can't be blamed.

After all, she has also tried her best to express her kindness to Meiqing.

Meiqing is also very clear in her heart that Claire must have an opinion on herself, so she also deliberately flattered her, and smiled and said to Claire: "Claire, first try the braised prawns cooked by auntie. , See if it suits your taste."

With that said, Meiqing took the initiative to pick up a prawn for her and handed it to her bowl.

Claire was somewhat embarrassed. After all, this woman was her father's first love back then. Now she is sitting in her own home and picking food for her. This feeling is always a bit wrong.

However, she nodded very kindly, and said softly, "Thank you Aunt."

Having said that, she also tasted the braised prawns.

Unexpectedly, the taste of this shrimp made her amazed at the entrance.

Well, Claire has eaten this dish of braised prawns more than once, but she has never tasted such a good one.

The braised prawns cooked by Meiqing have moderate sweet and salty taste, tangy aroma, and good flavor.

Claire was even more amazed in her heart. This Aunt is really not an ordinary woman. Not only does she have a good temperament and a good image, she even cooks so deliciously.

She recalled the meals her mother had cooked. There was only one adjective that could describe it, which was hard to swallow. Compared with Meiqing's cooking skills, it was almost every day!

More importantly, her mother never seeks improvement in cooking. What was the taste of cooking more than 20 years ago, it still tastes that cooking now.

Later, after she married Charlie and, Charlie was in charge of cooking, her life was much better.

However, although Charlie's cooking is good, it's still far behind Meiqing.

## **Chapter 884**

At this time, Meiqing gave him another piece of Xihucuyu, and said with a smile: "At first you tasted this fish, which is also a specialty of aunt, but I haven't done it for some time. I don't know if it suits you. Taste."

Seeing the enthusiastic Meiqing put the fish into her bowl, Claire nodded in order not to hurt people's face, and said, "Thank you Aunt, but you don't always have to add food to me, you eat first."

Meiqing nodded and said with a smile: "You must eat more food yourself. If you can't reach it, let Charlie pick it up for you."

Claire agreed, and then tasted the fish that Meiqing gave her. After taking this bite, it immediately surprised her.

Meiqing's cooking is really delicious. The fish is soft, fragrant and delicious. It is impeccable.

Jacob was also dumbfounded.

He has never eaten such delicious home-cooked food in his entire life. You have to know that eating a delicious meal at home is completely different from eating a delicious meal in a restaurant.

There is a warm feeling of home as a blessing, and that feeling will make men linger.

This is why women always say that if you want to keep a man's heart, you must first keep the man's stomach.

Jacob felt that his stomach and his taste buds were conquered by Meiqing's cooking skills at this moment.

He looked at Paul enviously and said: "Paul, your mother cooks so deliciously, you are blessed."

Paul smiled and said seriously: "Uncle Willson, this question depends on how you look at it."

"Take me as an example. When I was in college, it was very painful, because I left home and my mother. No matter what I ate at school, I almost felt a little bit meaningless;"

"Later, because of the busy business of the law firm, I often traveled on business. Most of the time I flew back and forth across the United States, and there was still a lot of time flying back and forth around the world, and I had no chance to taste the food my mother cooked."

"But. My appetite has been spoiled by her cooking skills, so I can't get used to eating wherever I go. This feeling is actually very painful."

Jacob sighed: "That's true. It is easy for people to change from frugality to luxury, and it is difficult to change from extravagance to frugality. Your mother cooks so deliciously. If it was me, I would not be interested in any food outside."

When Claire heard the cryptic meaning in his father's words, he was not very happy, so he took a drink and said to Meiqing: "Aunt, I toast you, it must be very hard to come back from the United States so far. This glass is to wash the dust for you."

Meiqing hurriedly picked up a drink and said with a smile: "Thank you Claire, then we will drink a drink instead of wine."

Claire touched her cup slightly with that of Meiqing, and at the same time she couldn't help but sighed and said, "Hey, it would be nice if my mother was also at home. She has been talking about you for so many years, knowing that you are back. She must be very happy."

When Claire mentioned Elaine, Jacob and Meiqing both had unnatural expressions.

Both of them knew very well in their hearts that Claire mentioned Elaine at this time, deliberately speaking to them both, reminding them that this family, and her mother, even if her mother is not here, she is The hostess of this house!

Meiqing's dignified expression was a bit embarrassing, she smiled unnaturally and said, "I haven't seen your mother for so many years, and I really want to see her."

After speaking, she looked at Jacob and asked, "By the way, where did Elaine go? Why is she not at home?"

Jacob hurriedly said: "She, she has been back to her family in the past two days. I guess she will be back in a few days."

## **Chapter 885**

Since Meiqing's cooking skills are so good, everyone has a little support for this meal.

Although Claire was somewhat dissatisfied with Meiqing in her heart, and was a bit repulsive, she did not have any ability to resist her cooking.

She usually pays attention to diet, but this evening she ate three times the usual amount of food.

Not to mention Charlie and Jacob, the father-in-law. The two elders were like windswept clouds, eating almost all the dishes, and there was not much vegetable soup left.

After eating, Jacob secretly put his hand under the table, loosened his belt, and temporarily relieved his bulging stomach.

At the same time, he could not help but secretly thought: “Meiqing is really perfect in every aspect. If he can really divorce Elaine and stay with her, it will be from the eighteenth h\*ll, all at once to top heaven.

Even Charlie couldn't help but imagine that if Jacob could be with Meiqing, then his days would be much more comfortable.

A mother-in-law like Meiqing can't really find with a lantern, and she cooks so deliciously. If she becomes his own “step mother-in-law,” then she will save him from cooking in the future.

It's a pity that he can't let Elaine disappear from the world.

After eating dinner later, he has to talk to Issac to see how to release Elaine from the detention center.

.....

After eating, Meiqing took the initiative to clean up the dining room and kitchen.

Charlie hurried to take over, but she refused to let Charlie interfere, saying that women should do everything in the kitchen.

After everything was cleaned up, Meiqing said to the family: “It's late, and Paul and I won't bother you today. Thank you for your hospitality today. I have had a very happy meal!”

Jacob hurriedly said: “Oh, Meiqing, I have to thank you. It was you who gave us such a hearty meal of Suzhou home-cooked dishes and fulfilled my wish for more than 20 years.”

Meiqing smiled and nodded. For her, it was also a wish for many years, but in front of Claire, she was not suitable to say many things, so she said: “Okay, I won't bother you. You stay here, we will go first.”

Jacob asked, “How did you come here?”

Meiqing said: “Paul came by car, but the car stopped at the door of your villa.”

Jacob said: "Oh, can Paul still drive after drinking?"

Meiqing smiled and said, "He can't drive, I can drive, and I haven't drunk."

"Oh yes!" Jacob said with a smile: "I just forgot about this. That's fine. I'll send you to the car."

After that, he opened the door without waiting for Meiqing to express her attitude, walked out first, and then made another sign of please.

Seeing this, Meiqing said, "Thank you, Jacob."

Charlie and Claire sent them outside the gate, and after saying goodbye to them politely, Jacob took them out.
