

The Charismatic Charlie Wade Chapter 891 – 895

Chapter 891

Elaine never dreamed that after more than 20 years, she would still get such a fat beating because of Meiqing's incident.

She was looking at herself and was about to persuade Gena, but she didn't expect that after Mrs. Willson moved out of this matter, she would directly subvert all her efforts, and instead plunge her into an endless abyss.

The few women who came up to beat her up had all experienced the tragic past of being meddled by women, so when they hit her, they brought all their new and old hatreds into it, and they didn't show any mercy at all.

Elaine was beaten again quickly, and her whole body was almost dying. Several times Elaine felt that she was going to be in shock, but before she was really shocked, she was woken up twice by others.

After a group of people beat Elaine, the Old Mrs. Willson said to the side: "I think we'd better get this sorrowful woman to the toilet, so that she won't make us upset here!"

"Yes!" The woman who rushed up to start her hands coldly said, "The Lady Willson is right. Throw her into the toilet!"

With that said, she greeted another woman next to her and said, "We are both hold a leg, and we will drag her in."

"Okay!" The other party immediately nodded and agreed, so the two of them pulled Elaine's leg and dragged her from the ground to the toilet.

Wendy also hurriedly followed. Seeing that the two women threw Elaine into the toilet, she took out the washbasin and took a basin of water and poured it directly on her body. She sneered and said, "Elaine, you never dreamed. Do you think you will have today? Just rely on you, still want to fight with grandma?"

Elaine was awakened by the cold water, shaking violently and regretting in her heart.

She shouldn't say those things in front of Gena, trying to arouse Gena's sympathy.

If she didn't accuse Mrs. Willson of what happened just now, she wouldn't end up like this.

What she regrets more is that she shouldn't have stolen the bank card of her son-in-law Charlie, and never dreamed that Charlie turned out to be a transnational liar!

If she didn't steal his bank card, he would be the one who would come in and suffer this time sooner or later, but because she couldn't control her hands, she was here now, suffering this inhuman torture.

Her intestines are already regretful.

That night, Elaine sat in the corner of the toilet holding her legs and struggled till dawn.

In the evening, Elaine had already developed a high fever, which made her bewildered.

More importantly, she hasn't eaten anything for nearly 48 hours!

When everyone else started to wash in the toilet in the morning, Elaine was so weak that she didn't even have the strength to lift her eyelids.

Someone in the cell went to get the breakfast for the whole cell. The breakfast consisted of rice porridge with steamed buns.

When Gena and others were eating, they found that Elaine hadn't come out, so she told someone to say: "Go in and see if the sorrowful woman is dead, and drag her out if she isn't."

So the man came to the toilet, took a look at Elaine, and found Elaine was curled up in the corner shivering, so she walked forward, grabbed her hair, and abruptly pulled her out of it.

When Elaine came out, Gena was already eating her box of lunch.

Just like yesterday morning, Gena finished the steamed buns and deliberately left about one-third of the porridge. Then she looked at Elaine and said playfully, “You haven’t eaten anything for two days and two nights. You must be hungry? “

Chapter 892

Elaine nodded in a daze, and said: “Sister Gena, please let me have a bite, otherwise I might really die...”

Gena sneered and poured all the porridge in the bowl on the ground, then tapped a little with her toes, and said with a sneer: “Do you want to eat it? Then lick it on the ground!”

When Gena asked Elaine to lick the porridge on the ground yesterday, Elaine was 10,000 unwilling.

Because she felt that, no matter what, she could not just lie on the ground and do such abusive things just to eat one bite.

But now, she can’t take care of so much anymore. What about the three abuses, as long as they can fill up their stomachs, or even just fill up, let herself kneel on the ground and lick?

So she immediately knelt down and lay on the ground without hesitation, licking the cold porridge on the concrete floor with her tongue.

Old Mrs. Willson couldn’t be more happy seeing this scene.

The thought that Elaine might stay in it for ten to twenty years or even longer in the future made her feel even more excited.

Elaine licked the porridge on the ground bit by bit, and even ate a lot of sand in her mouth, but she didn’t care about it at all.

At this moment, the prison guard opened the door of the cell, looked at Elaine in the room, and said coldly: "Elaine, come out, the police station is about to interrogate!"

Those who have not been sentenced in the detention center are collectively referred to as suspects. Suspects are often taken back to the police station by the police for interrogation. This is also a normal process.

As soon as Elaine heard that she was going to be interrogated, she had no doubts, she immediately got up with difficulty, crying and rushed to the door, watching the prison guard pleading: "Please, take me away soon."

She didn't know long ago that this arraignment was just a good show arranged for by her son-in-law Charlie!

The prison guard saw her in such a miserable state, her whole body was wounded, even two front teeth had fallen, and he couldn't help but be surprised.

Immediately, she said to Elaine: "Come out quickly, the police officer who will pick you up is still waiting!"

These two police officers are the two police officers who sent Elaine over the previous two days.

After less than 48 hours, Elaine has become inhumane, making them a little dumbfounded.

But they also knew that someone had already greeted them and prevented them from asking about Elaine, so they all pretended not to see it and said directly to Elaine, "Let's go, our car is waiting outside."

After that, the man walked up to Elaine with handcuffs and handcuffed her hands together.

Elaine followed them out and asked nervously, "Comrade police officer, I was really wronged. Is there any progress in your case? When will my grievance be cleared and when will you let me go home?"

After speaking, Elaine couldn't help but wept bitterly.

The police officer said: “You are now involved in a transnational fraud case. This is the largest transnational fraud ever recorded in the world, and you, as the first suspect we have now, are the key to our investigation and arrest. Breakthrough.”

After that, the police officer said again: “If you are more acquainted, you’d better confess all your accomplices. This can help us solve the case, and it can also help you do meritorious service and strive for leniency!”

Elaine cried bitterly and said tremblingly: “Comrade Constable. Please believe me, I am willing to swear with my life that I really don’t know anything about this. The person you are going to arrest is my son-in-law. I can take you to arrest him. If you have any problems, you can try him, or even shoot him, there is no problem, but you can’t wrong the good guy!”

Chapter 893

As soon as Elaine was taken to the police station, she was immediately stuffed into the interrogation room.

Several police officers came in immediately, sat in front of her, and said, “Elaine, how have you considered these two days? Are you ready to explain your business?”

Elaine cried and said, “Comrade police officer, I was really wronged...”

The officer snorted coldly: “What? Are you stubborn? Do you really think we are vegetarian? If we can’t catch your accomplices, you will have to fight all crimes by yourself. In this case, you might be going to be shot!”

When he heard that he might be shot, Elaine panicked and immediately pleaded: “Comrade police officer, I have said it many times, that card is really not mine!”

“I took that card out of my son-in-law’s pocket, and the code of that card is my son-in-law’s birthday. This is enough to prove that this card belongs to my son-in-law, not mine. Since you said this Card is suspected of transnational fraud, and the real mastermind must be my d*mn son-in-law. Why don’t you arrest him and try him?”

The police officer sneered: “Your son-in-law’s name is Charlie, right?”

Elaine hurriedly asked: "You have already investigated him. Did you catch him? Did you try him out of the blue? Did you sentence him to give him a quick account?"

The police officer took out a premium card from a file bag, put the premium card in front of Elaine, and asked, "Elaine, was this the bank card you used to withdraw money from the bank?"

Elaine recognized the premium card at a glance. As soon as she closed her eyes in the past two days, what this card appeared in her mind.

If it weren't for this card, how could one become a prisoner and suffer so many inhuman tortures?

So she was really worried about this card, and she was deeply impressed!

She resentfully said: "This is the card, this is what I stole from my son-in-law's pocket! He must be the culprit! You quickly catch him, try him, and shoot him!"

The police officer sneered, then took out another portfolio, opened the portfolio, and poured the contents on the table.

What made Elaine dream of was that all the premium cards that came out of this portfolio were exactly the same, and there were at least a few hundred!

Elaine exclaimed and asked: "Are these cards found from Charlie's b@stard?"

The police officer said: "To tell you the truth, that transnational criminal group forged many of these black gold cards, and they are very, very intelligent. They bought the personal information of many people from the Internet and set the forged card passwords. Set these people's birthdays and send these cards to these people to trick them into going to the bank to check the balance in this card."

"The balance of each of these hundreds of cards is 21.9 billion!"

"Once the deceived person can't control his greed and tries to take the money from the card, then he becomes an accomplice to help the criminal group defraud the bank and take money from the bank."

“Fortunately, you did not get the money at that time, you have been arrested by us, otherwise once you get out of that bank, the criminal group will look at you, kidnap you, ask for your bank card password, and then Take away all the 21.9 billion you just scammed from the bank, and finally kill you and divide your body! In that case, you will evaporate in this world!”

Elaine was stunned, she blurted out and asked: “You mean, this card was mailed to my son-in-law Charlie by the criminal group?”

“That’s right!” the police officer said sharply, “and not only sent it to your son-in-law, as far as we know, at least thousands of people in Aurous Hill received this card! There are tens of thousands of people across the country!”

Chapter 894

As he said, the police officer said again: “Your son-in-law is a very upright person, and a very magnanimous person. He has no greed. After he received this card, he found out the balance of this card. We immediately reported to the police. We were going to tell him not to behave in a rush, but unexpectedly, you stole this card without a long eye, and you took it to Citibank to withdraw money!”

Elaine exclaimed and said regretfully: “Oh! I should have known this situation, even if I killed me, I would not steal his bank card!”

As Elaine said, the whole person was already crying, she did not expect that she would step on this kind of thunder without long eyes!

It turned out that this card was a criminal’s who stole Charlie’s personal data, and then forged it and sent it directly to Charlie!

What they did was to lure Charlie and make Charlie greedy for the 21.9 billion balance in the card!

Then asked Charlie to go to the bank to transfer the money out and transfer it to his own account!

In that way, Charlie helped them complete the whole process of defrauding the bank, and they could completely get rid of the crime and avoid all risks!

After Charlie transfers the money to his own account, these criminals can directly approach Charlie, threaten him to call out the money, and then kill Charlie and let him take the blame... ..

Thinking of this, Elaine was already covered in cold sweat.

She didn't have the slightest doubt about what the police officer told her.

At this time, she realized that when she was about to transfer the 21.9 billion in the bank, she almost passed Death!

If it weren't for the police to arrive in time, taken her away, so that she might have been killed by the criminal group until now!

When she thought that she was almost dead, but she was lucky enough to get her life back, she was grateful!

Even the inhuman torture in the cell has suddenly become worthwhile!

Fortunately, she went to the cell and was tortured by Old Mrs. Willson and Gena, otherwise, she would have become a lonely ghost!

Fortunately, Elaine couldn't help crying and said to the police officer: "Comrade police officer, since you all know that I have been wronged, please let me go!"

The police officer said coldly: "Let you go, if we let you go, if you talk too much about this matter, if you start to provoke the snake, then how will we catch the suspect in the future?"

Elaine hurriedly stated: "You can rest assured, as long as you let me go, I will never talk about this to anyone!"

The police officer asked, "Can you really not tell anyone? Even your daughter and your husband, you can never say a word!"

Elaine nodded and said, "I can! I can! I can definitely do it!"

The police officer said coldly: "I can't believe you. As long as you miss a word on this matter, it may bring irreversible consequences. Can you afford it by then?"

Elaine cried and said, "Comrade police officer, please rest assured, I will take this matter into the coffin even if I die, and I will never mention a word again!"

Chapter 895

Elaine had completely believed the story the police officer told her.

What she worries most now is that the police officers continue to lock her in the detention center in order not to provoke them. Then she really doesn't know when and when she will be able to regain her freedom.

So she looked at the police officer pleadingly, crying and said, "Comrade police officer, I really don't know a word, so you just let me go. If you lock me up again, I will die inside. Up..."

The police officer shook his head cautiously and said, "Ms. Elaine, I still can't believe you. I see people like you a lot. On the surface, no one tells you. In fact, the mouth is faster than anyone. If you let them go, they will tell others about this immediately."

As he said, the police officer said again: "And don't think that I locked you up to solve the case. In fact, it is also for your safety!"

"Because after letting you out, once you talk nonsense, once they know about it, they are likely to kill you! It is even possible to kill you, and then all the evidence will be planted on you, let You their substitute!"

"In that case, wouldn't you be more wronged?"

"So, to be on the safe side, you should continue to stay in our detention center until we have caught all the suspects before releasing you. This will also ensure your safety."

Elaine said desperately: "Then I have to wait until the year of the monkey and the moon? I beg you to be merciful and let me go. I really won't talk nonsense. I beg you, I am willing to kneel down for you. Kow my head, just beg you to let me go, don't lock me up again..."

Speaking of this, Elaine is already crying out of breath...

“Forget it.” The police officer said coldly: “We can’t take this risk. After all, this case is about the international criminal police of 23 countries. If we do it because of you, we can’t bear this responsibility. !”

The police officer next to her sang red face at this time and said, “I think her attitude is quite sincere. As long as she can control her own mouth, it doesn’t hurt to let her go.”

The black-faced police officer replied: “If the case cannot go on because of her, who will bear the responsibility? If she is killed because of this, who will bear the responsibility?”

The red-faced policeman looked at Elaine and asked, “Elaine, can you control your own mouth? If you can, you write a letter of guarantee, we will consider letting you go, but if you promise to write , Go out and talk nonsense, even if you say a word nonsense, as long as we know about it, we will immediately arrest you, and will never let you out until the case is finished!”

Elaine wiped her tears with her sleeves, crying out of breath, and said, “Comrade police officer, you can rest your heart. I will tell you a heart-wrenching remark. I am also greedy for life and fear of death. Human, this matter is related to my own life safety. Even if they kill me and force me with a gun, I dare not say a word!”

The black-faced police officer asked coldly: “What about your son-in-law? Will you go to your son-in-law to confront this matter right after you leave?”

Elaine sighed in her heart, didn’t she even have the chance to find Charlie that b@stard?

Then who should be accounted for after so many beatings and so many humiliations in the detention center?
