

The Charismatic Charlie Wade Chapter 896 – 900

Chapter 896

So, she asked in a low voice tentatively, “That...comrade police officer...I’m just at home, can I tell my son-in-law about this in private?”

The black-faced police officer slapped the table angrily, and blurted out to the red-faced police officer beside him: “I said this kind of stupid woman can’t believe it. You have to let her go. Did you hear what she said? Go down and confront son-in-law! Isn’t this going to kill herself and ruin our case?”

The red-faced police officer’s complexion also darkened, staring at Elaine, and said coldly: “Elaine, you really disappoint me. I just thought you could do it without mentioning it. I didn’t expect you to return and want to confront your son-in-law! Are all the things I said to you just for nothing?”

Elaine panicked suddenly, and tremblingly asked: “Comrade Constable, to be honest, I will end the game today. It will be Charlie’s card. Can’t I confront him? Is it?”

The red-faced police officer scolded angrily: “Stupid! Charlie is one of the members who received the premium card! The criminal gang itself has been staring at him, and it is even possible that his every move, every word and deed is in their observation. Within the monitoring range, there may be many monitors and listening devices installed in your home. If you dare to go back and mention a word with him, it is very likely that you will be killed, or even your whole family!”

Elaine was shocked and hurriedly said: “Then I won’t say it, I won’t say it, I won’t say a word, I won’t say anyone!”

The black-faced policeman snorted coldly: “Now say this? Tell you! It’s too late! I said a long time ago that people like you are not credible at all, and letting you out is a scourge. Sooner or later it will ruin our major affairs. Then take your own life in!”

After finishing speaking, he said to the red-faced police officer: "I think it's better to shut her back again, when the case is solved, and when will she be released!"

The red-faced police officer no longer objected, nodded and said, "Be cautious, I think it can only be this way!"

When Elaine heard the conversation between the two, she burst into tears and burst into tears, crying heartbreakingly. While slamming her mouth with her handcuffed hands, she blurted out: "Comrade police officer, I really know what's wrong. Yes, I really don't say a word anymore, you let me go, I will never mention this to anyone again, please don't send me back, otherwise I will die inside!"

The black-faced police officer observed at her and said coldly: "I can't believe you at all!"

Elaine regretted it and wanted to beat herself to death.

"Why do you want to mention Charlie? What is more important now than letting yourself out?"

Besides, what's the point of going to Charlie by herself? This card itself was given to Charlie deliberately by criminals. It was low-handed and could not stand the temptation. Even if she went to settle accounts with Charlie, he would still be an unknown teacher.

What's more, there is that d*mn transnational criminal group behind this, if because she scolds Charlie, he ends up killing himself, wouldn't it be a big loss? !

It's okay now, just because she had a bad mouth, she was able to let herself go, but now it seems that she has been tossed by herself...

She thought over and over again, and could only use the trick of a b*tch crying, making trouble, and hanging herself. She cried and said to the two police officers: "Comrade police officer, if you don't let me go, then I will hang myself in the detention center when I go back!"

Chapter 897

Seeing Elaine looking for life, the two police officers looked at each other and the red-faced policeman asked: "Elaine, we can consider letting you go, but there are some issues that must be communicated to you first. Let you go, you go home, your family asks about your whereabouts in the past two days, how do you tell them?"

Elaine hurriedly said: "I, I will tell them...I have these two days... these two days..."

Elaine hesitated for a long time, and didn't say a word, so she came, because she herself didn't know how to explain to her husband and daughter after returning home.

After all, she has been missing for two days and nights for no reason. What's more important is that she doesn't have a good place all over her body now, and still just getting beaten.

More importantly, even the front teeth have been lost, which is too miserable.

The red-faced policeman said indifferently: "Let's do it, I'll give you an idea. If we decide to let you go after consideration, then after you get home, you can tell your husband, your daughter and your son-in-law, this In two days you entered an MLM organization by mistake. The MLM organization brainwashed you and asked you to go to the bank to complete the fraud, and then you were arrested by the police."

Elaine nodded quickly, and blurted out: "Comrade police officer, don't worry, as long as you put me back, I will tell my family according to your instructions, and I will never reveal a word about this matter, let alone It will delay your capture of transnational fraudsters!"

The policeman hummed and said lightly: "Okay, let's study and discuss this matter, and we will send you back to the detention center immediately. If we discuss and decide to release you, the detention center will directly handle the formalities for you. ."

Elaine hurriedly asked: "Comrade Constable, you will not let me go to the end of the discussion, will you?"

The black-faced police officer slapped the table and scolded, "We have to discuss this matter! You can go back and wait patiently for the results of our discussion. There is no room for you to bargain!"

When Elaine heard this, she didn't dare to say more, so she agreed to honestly and tremblingly said, "Comrade police officer, am I going to wait for news now?"

"Yes!" The black-faced police officer said coldly: "We will let the police drive you back now. You must remember that after you go out of this door, don't say a word about related things!"

Elaine nodded resolutely and promised: "Don't worry, I won't say a word even if one kills me!"

Later, Elaine was driven back to the detention center by two policemen.

On the way back, she was very depressed.

Unexpectedly, this incident turned out to be such a reason.

It's a big matter, and it's impossible to find Charlie's b@stard to settle accounts.

Otherwise, if she can't speak a word well, miss a word, and are known by the police, she will probably catch themselves back to the detention center again.

In that case, don't know which year and month she can come out.

.....

Just when Elaine was sent back to the detention center, Jacob couldn't wait to find a chance and continued to meet Meiqing again.

Last night, he had a very delicious home-cooked meal with Meiqing at home, and it was Meiqing who cooked it herself, which made Jacob happy.

So early in the morning, he sent Meiqing a WeChat message, inviting her to visit University, their alma mater, to find memories of the year.

As soon as Meiqing heard that he invited her to visit her alma mater, she immediately agreed without hesitation.

Chapter 898

Immediately, Jacob immediately cleaned himself up, ignoring breakfast, so he was anxious to go out.

Seeing him dressed up again, Claire immediately asked, "Dad, where are you going this morning?"

Jacob happily said: "I have an appointment with your Aunt, and we will go to my alma mater today. She hasn't come back for more than 20 years!"

When Claire heard this, he suddenly became angry, and blurted out: "Mom has been missing for almost two days and two nights, and there is still no news. How can you go hanging out with Aunt? Are you not prepared? Go and find out where mom is?"

"Hey..." Jacob chuckled, and said in a veiled manner, alas, isn't it up to you and Charlie to find her? After all, you two are young people, doing things more reliably than an old guy, so I just wait patiently for your good news. "

Claire angrily said, "Dad, I'm really angry no matter how you look like this! How come you still can't tell the priorities? My mother's safety is in your heart, isn't it better than staying with Aunt Is it important to visit your alma mater?"

Jacob knew that this kind of thing was wrong, so he didn't want to talk too much about the right or wrong of this matter with his daughter, so he waved his hand in a hurry and said, "Oh, it's late, I won't follow. You said it, let's talk to you when I come back, I'll go first, bye!"

After speaking, he has already stepped out.

Claire wanted to stop him in the end, but it was no longer useful.

Jacob has already seized the door.

Seeing Jacob leaving, Claire said angrily to Charlie: "Have you seen? Dad won't even take you this time. I believe Aunt will not take her son with her today. They are going to be there. The world of two people..."

Charlie hurriedly said: “Oh, don’t think about it so much. They are just old classmates meeting each other. What kind of two-person world is it?”

Claire said with red eyes: “You don’t need to excuse them, I can see what they are doing at a glance...”

After that, she asked Charlie again: “By the way, have those friends started to help you find mother’s whereabouts? Did they reply to you?”

Charlie said: “They told me that there would be results within today, and I also asked them to inquire. There have been no serious social security or criminal cases recently, so they also told me that my mother is not in danger. The possibility is very low. We should be able to get mother back in a day or two.”

Hearing this, Claire’s mood improved. She sighed and said, “I hope your friends can be more reliable. It’s best to let mom come back today. Otherwise, I really am going to crash...”

Charlie couldn’t help but slander in his heart, letting her come back is sure to let it back anytime.

But the key is to make her shut up honestly.

Otherwise, letting her back is a hidden danger.

It’s better to let her stay in the detention center.

So he sent Issac a WeChat and asked him: “How is the matter with my mother-in-law?”

Issac quickly replied: “I asked the police to say hello to her. The words were very serious. I believe she must not dare to talk nonsense!”

Charlie relaxed and said: “In this way, you send a few more people in to help me make a scene, deepen and deepen her impression, and let her shut her mouth completely!”

Chapter 899

Jacob dressed himself as an old overseas Chinese who had returned from Nanyang, handsome and stylish.

This time, he and Meiqing had a very tacit understanding, Jacob did not bring Charlie with him, and Meiqing did not bring her son Paul.

Jacob personally drove his BMW 5 Series, went to the Shangri-La Hotel to pick up Meiqing, and went back to his alma mater together.

Now, Meiqing is wearing a long gray woolen coat, and she looks very temperamental. As soon as she meets at the door of Shangri-La, Jacob is fascinated by her.

He got out of the car and opened the door to Meiqing, and he couldn't help but exclaimed, "Meiqing, what you are wearing today is so beautiful!"

Meiqing smiled slightly and said, "I'm all of an age. What is beautiful or not? I just have to go back to my alma mater to have a look, so I should tidy myself up a bit, and I can't shame my alma mater."

Having said that, Meiqing said again: "Besides, I will have a party with our old classmates today."

"Oh, yes!" Jacob patted his head and said, "Look at my memory. I just wanted to accompany you to visit my alma mater. I forgot about the class reunion. By the way, is the location of the class reunion set? If there is no decision, I can ask my son-in-law to help."

Meiqing hurriedly said: "The place has already been decided. I asked Paul to help him. He said it was a local place Clubhouse."

Jacob was surprised and said: "Brilliant Clubhouse? The requirements for the guests are very high. Will Paul be able to get membership there as soon as he arrives in Aurous Hill?"

Meiqing smiled and said, "I don't know the details. I only know that he told me that our law firm seems to have a long-term cooperative relationship with the parent company of this brilliant club. Legal affairs are entrusted to our law firm."

Jacob couldn't help being shocked!

The parent company of Brilliant Club is naturally the famous Song family in Aurous Hill. He did not expect that the law firm of Meiqing's family would have a cooperative relationship with the Song family!

He originally wanted his son-in-law Charlie to help arrange a venue in the Brilliant Clubhouse, and by the way, he could also make himself pretentious.

But he didn't expect that Meiqing's son solved the matter directly, which is really extraordinary.

So, Jacob hurriedly made an inviting gesture and said, "Come on, Meiqing, get in the car."

Meiqing thanked him, and gracefully sat in the co-pilot of Jacob's BMW 5 Series.

As Jacob drove towards University, he couldn't help but sigh: "You have been away for more than 20 years and haven't come back again?"

Meiqing said: "I have been back to China, Suzhou, but I have never returned to Aurous Hill."

Jacob hurriedly asked, "Isn't it because of that incident that you didn't return to Aurous Hill?"

Meiqing said seriously: "Half and half, on the one hand, because of the previous incident, I don't want to come back to face the memories. On the other hand, I have no relatives in Aurous Hill, and my old classmates have not been in contact for a long time. So I never came back."

Chapter 900

Jacob nodded, thinking of the last time when the classmates reunion, many classmates used their previous relationship with Meiqing and Elaine to tease them.

Therefore, he said to Meiqing seriously: “Meiqing, we have a party today. Maybe those old classmates will tease us about what we have done in the past. Don’t take it too seriously. It’s a bit old and rude!”

Meiqing smiled and said, “As long as it’s not distorting the facts, it doesn’t matter if they make a joke. If I’m afraid of them ridicule, how can I bring these classmates together? Everyone hasn’t seen each other for more than 20 years. What’s the point of teasing me?”

.....

When they arrived at University, Jacob parked his car in the parking lot at the entrance of the school and walked into the school side by side with Meiqing.

Classes are taking place in the school, so the campus is very quiet.

The two of them were walking on the concrete road of the campus. Jacob introduced to Meiqing next to him, saying: “In fact, our school has been rebuilt and renovated several times over the years, and it is no longer what it looked like in the past. It’s broken.”

“Yes!” Meiqing couldn’t help but sighed: “I remember that our school had only one cement road back then, that is the road that came in from the school gate. The other roads were paved with slag ash, and sometimes the school let the local Students from home bring some burnt briquettes to pave the road. The road was very muddy when it rained. At that time, it was very disgusting, but now that I think about it, I still miss it.”

“Yes, yes, yes!” Jacob said with a smile: “I used to bring burnt briquettes from home to the school. Do you remember that the school had a sports meeting that year. As a result, the track in our school’s playground was too bad. Just start, we tried every means to get more materials that could be used to pave the road.”

Meiqing smiled and said: “Of course I remember, at that time you paid for me, brought a lot of male students, and bought burnt briquettes everywhere in the city by pushing a tricycle.”

With that said, Meiqing looked at Jacob’s eyes with ambiguous brilliance, and said with emotion: “I remember that at that time you drove a lot of cars to the school. Later, half of the entire playground track was covered. The people you brought spread out, so the

teachers and the school value you very much and made you the president of our school.”

“Yes.” Jacob rubbed his hands with some embarrassment, and said, “Dedication was popular at that time!”

Meiqing nodded, and sighed: “Oh, you were really heroic at that time, and countless girls admired you very much. I remember the girls who liked you in school at the time, that was really a long line.”

Jacob blushed and said cheerfully: “At that time, there were more boys who liked you. I can’t count the number of them.”

Meiqing smiled indifferently: “It’s all the old calendar. No matter how many people like you, it’s useless. Many people just think of you as a passing moment. When they like you, they like it, but when they turn their heads, they forget.”

At this time, Jacob pointed to a small park on the campus and said, “This used to be a big forest. In the evening, many students fell in love, and those who have s3x will come here for dates. We also often came here at that time. do you remember?”

Meiqing, who had always been calm, blushed immediately when he said this.

How could she not remember that wood? Back then, it was the holy place where many wild ducks from the school met, and Jacob and she had visited many times.

At that time, everyone was in this small forest, but they were really relaxed. Once they were in love, they felt that they could do everything with their loved ones.

In addition, in that era, there was no other place to go, so everyone came here, and everyone was not surprised.

But think about it now. The young people back then were quite open-minded, and they were much bolder than the young people now...
