

I Want a Lifetime with You

Chapter 386

“What a flirt!” Fu Chengyan pinched Shi Nuan’s nose and looked at her tenderly. “You must want something if you’re treating me so well.”

“You’re so smart!” Shi Nuan laughed, then tiptoed and kissed Fu Chengyan’s chin. “Shen Shixiu.”

Fu Chengyan narrowed his eyes. “You want me to investigate him?”

Shi Nuan nodded, then sighed softly. “He looks so similar to my uncle. Even though it’s not uncommon for people to look alike...” Shi Nuan paused. “I look rather similar to Shen Qianan. Now, Shen Shixiu looks similar to my uncle, too. Yan, do you still remember my family background?”

“You want me to investigate your relationship with Shen Shixiu and Shen Qianan?”

Shi Nuan nodded. Even though she was still smiling, it was now bittersweet. “I don’t want to believe it is true, either, but don’t you think it is too much of a coincidence?”

“Yes.” Fu Chengyan nodded. Holding Shi Nuan’s hand, he walked inside. “Is that why you wanted to stay there today? To see if Shen Shixiu is really Shi Yu?”

“Yes!”

“I got it. Leave this to me. I’ll definitely find out the truth for you!” Actually, he had the same thoughts as Shi Nuan.

After all, coincidences seldom happened twice. There must be something more to this than meets the eye.

The two of them headed upstairs. From the second-floor balcony, Shen Qianan's gaze fell onto Shi Nuan and Fu Chengyan. The glimmer of sadness in her eyes reflected her unbearable pain.

The next day, Fu Chengyan left together with Shi Nuan while Shen Shixiu brought Shen Qianan away with him. Even though Shen Qianan was unwilling, she couldn't disobey Shen Shixiu.

Not many people truly understood Shen Shixiu, but as his sister, Shen Qianan knew his temper well. Shen Shixiu was someone to be feared.

Back then, when Shen Qianan first met Shen Shixiu, he was still a teenager, but he was already very cunning. Even though she was also a teenager then, she was already afraid of Shen Shixiu.

"Sir! Madam!"

Shen Shixiu had come to Jiang City prepared. His deputy, Jiang Zhan, had also come along to be his chauffeur.

When Jiang Zhan saw Shen Qianan carrying Yu, he moved over to take him from her, but she refused. "I can carry him. Yu gets scared easily."

Jiang Zhan retracted his hands and opened the car door for Shen Shixiu and Shen Qianan. "Sir, I've already settled the hotel arrangements. Based on your schedule, we will need to stay in Jiang City for about a month!"

"Okay!" Shen Shixiu nodded and took the tablet from Jiang Zhan, briefly scanning his schedule. He asked, "Is the headquarters of the Prosperous Group still in Sheen City?"

“Yes. However, there is also a branch in Jiang City. Right now, Li Heng’s nephew Li Xufan is in charge.” Jiang Zhan got into the car. “Sir, shall we go to the hotel now?”

“Alright. Please help to arrange Ms. Qianan’s schedule as well.” As Shen Shixiu spoke, he glanced at Yu, who was lying in Shen Qianan’s arms. “Is he three years old?”

Shen Qianan looked at Shen Shixiu guardedly. Shen Shixiu’s mouth twitched. “After being in Jiang City for so long, haven’t you found a school for him?”

“No need for that. Yu is still young. There’s no need to enroll him into a school yet!” Shen Qianan rejected his idea right away.

Shen Shixiu raised an eyebrow. “Am I your enemy?”

Even though Shen Qianan pursed her lips and remained silent, Shen Shixiu could tell that she didn’t trust or like him.

Shen Shixiu’s lips curled up as he lowered his head and studied the information on his tablet instead. Throughout the ride, he would discuss work matters with Jiang Zhan, but he didn’t bother Shen Qianan anymore.

From their conversation, Shen Qianan guessed that Shen Shixiu must be managing most of Jiangyuan Group’s operations at the moment. Shen Qianan became even warier of Shen Shixiu. She asked, “How is Father’s health like recently?”

Looking up, Shen Shixiu paused. “So you still remember you have a father? Since you’ve returned, why didn’t you go to the capital?”

“I don’t think Father wants to see me, either!” Shen Qianan’s mouth twitched. “Since young, he’s never liked me!”

Shen Shixiu frowned. “No matter what, he is still your father!”

“Isn’t he your father, too?” Shen Qianan’s mouth twitched. “But did he treat you well?”

Shen Shixiu closed his files and passed the tablet back to Jiang Zhan, then looked at Shen Qianan from head to toe. “It seems like there’s another reason you’re not willing to go back home!” He said affirmatively.

Shen Qianan replied angrily, “It’s not that I’m not willing to go back. It’s just that the Shen family is not right for me!” Shen Qianan’s mouth twitched. After hugging Yu for so long, her arms were slightly sore. Just as she prepared to adjust him, a pair of hands shot out; Shen Shixiu took Yu from her arms.

“Yu...”

Shen Shixiu glanced at Shen Qianan. “What? Do you think I’m going to eat him up?”

While Shen Qianan pursed her lips and remained silent, Shen Shixiu laughed. “No matter what, I’m still his uncle!”

When they reached the hotel, Jiang Zhan stopped the car and opened the door for them. “Sir, why don’t you pass him to me?” Jiang Zhan was referring to Yu.

Shen Shixiu gave Jiang Zhan a look and said, “Pass me the room card.”

Jiang Zhan immediately handed it to him. “Sir, both your rooms are on the seventh floor.”

“Okay!” Shen Shixiu nodded and replied, “Go and buy some necessities for the child and investigate Fu Chengyan and Shi Nuan!”

Hearing this, Shen Qianan glanced at Shen Shixiu, but he didn’t look at her as he carried Yu into the hotel.

Shen Qianan had no choice but to follow him. “Shixiu, why are you investigating Yan and Shi Nuan?”

Glancing at Shen Qianan, Shen Shixiu smiled grimly. Shen Qianan was unnerved by Shen Shixiu’s expression. “I only...”

“It’s better if you don’t know everything! Next month, follow me back to the capital. I’ll find a good school for Yu. You can then stay and work at Jiangyuan Group with me!”

“But I don’t want to...” Shen Qianan pursed her lips. “You know that I’m not good with business!”

“Then why did you go to Shengyuan?” Shen Shixiu said coldly, “You can force yourself to do something you don’t like for another man. Why can’t you do the same for yourself?”

“You want me to abandon Yan and leave Jiang City? I can’t do that.” Shen Qianan said in a rage. “Three years ago, I already lost Yan once. I can’t lose him again. Yu needs a father!”

“You should know that Yu isn’t Fu Chengyan’s son. If you continue on like this, it won’t end well for you and Jiangyuan Group!”

“In the end, it’s still all about the Group. Three years ago, you and Father made use of me for the sake of the Group. Now, you want to use me again?” Shen Qianan looked at Shen Shixiu in disappointment. “I love Yan. I’ve loved him for so many years. I won’t give up!”

“You made your own decision three years ago.” Frowning, Shen Shixiu carried Yu into the elevator. Seeing that Shen Qianan was still standing outside, he impatiently pulled her in. “Give up on Fu Chengyan. He already has a wife. If he really loved you, he wouldn’t have let you go three years ago. You’re not stupid and I don’t have to spell out everything for you. For now, just stay with me. If you do anything out of line, I’ll get Jiang Zhan to send you back to the capital!”

“Shixiu!”

But Shen Shixiu didn't give Shen Qianan another chance and strode quickly, bringing Yu into the room. Helpless, Shen Qianan could only chase behind Shen Shixiu. “You can't treat me like this. If I stay with Yan, it will be beneficial for Jiangyuan Group. Shengyuan and the Prosperous Group are the biggest companies in Jiang City. If I get married to Yan, it will be easy for the Jiangyuan group to enter Jiang City in the future. Shixiu, you're a businessman. Surely you understand this!”

“Whether Jiangyuan Group can enter Jiang City is a small matter. More importantly, I only know that if you continue on like this, Yu and your life will be at stake!

Shen Qianan's face turned pale. “Shixiu, I don't know what you are talking about!”

“Is that so?” Shen Shixiu's mouth twitched. “Even if you don't understand now, you'll understand eventually.”

Shen Shixiu placed Yu on the bed then put his hands in his pockets. There was a hint of a smile on his face. “Later, I'll ask Jiang Zhan to give you some information about Jiangyuan Group. Since you're going back there, you must understand what's going on!”

Shen Shixiu returned to his adjacent room. Soon, Jiang Zhan came back with necessities for the child and passed some information regarding the Jiangyuan Group to Shen Qianan. Then, he went to report his findings to Shen Shixiu.

“That's all you've found?”

“Yes. Fu Chengyan and Shi Nuan got married half a year ago. Back then, Ms. Shi was betrayed by both her sister and her boyfriend. After that, she was seconded abroad for a year. Shi Wei and Fu Xicheng just happened to get engaged the

year she came back. Hurt by this, Ms. Shi married Fu Chengyan soon after. I haven't yet found out why they got married."

Shen Shixiu narrowed his eyes. Glancing at the words on the file, he asked "What is the Shi family like?"

"Shi Jingzheng and Jiang Yu don't like Shi Nuan. However, Old Master Shi Yunsheng treats her very well; he even transferred his entire Huancheng shareholding to Shi Nuan!"

"Oh?" Shen Shixiu raised an eyebrow. "And then?"

"Ms. Shi then transferred these shares to Fu Chengyan in exchange for shares in Xinhuang Entertainment. So now, the biggest shareholder of Huancheng is Fu Chengyan!" Jiang Zhan said in astonishment, "She's so daring. How could she just transfer all the shares to Fu Chengyan like that?"

Shen Shixiu narrowed his eyes as a hint of a smile appeared on his face. "She isn't daring. She's smart. Don't you know that the entire Huancheng isn't worth even ten percent of Fu Chengyan's Xinhuang Entertainment?"

It seems like Fu Chengyan has really fallen for Shi Nuan.
