

My Wife Is a Superstar Chapter 34

After dinner, Ning Ran was washing the dishes in the kitchen, while Cheng Xiangyun was dragged into the room by the kids for a “discussion”.

“Aunt Xiang, you made us two promises. You haven’t fulfilled the second one.” Erbao said sternly.

She looked too adorable when she did that. Cheng Xiangyun wanted to reach out and pinch her little cheek, but she moved off out the way.

“Aunt Xiang, we’re talking about some serious business here!” Erbao raised her tone.

Cheng Xiangyun quickly put on a straight face, “Right, serious business!”

“You promised us that you would find mommy a boyfriend, but there’s been no news so far.” Erbao said.

“Ah, so that’s what this is all about? Yes, I did promise you that, but this isn’t something I can rush.”

“Your mommy is very beautiful and talented, so I can’t just find her any average Joe. He wouldn’t be a good match for her.”

Erbao looked at Dabao with a puzzled look on her face, “What’s an average Joe?”

Dabao shook his head as he didn’t know what it meant either.

“Ahem, what I mean to say is... I must find her someone tall, rich and handsome.” “Wouldn’t you agree?” Cheng Xiangyun said.

The two nodded in unison.

“So, we need to take our time with this. We must first find a suitable candidate. And when we do, I’ll arrange for you two to check him out. After he gets your approval, we’ll set up a date for him and mommy, okay?”

The two nodded in unison again.

“Aunt Xiang, is a CEO rich?” Erbao asked suddenly.

“What?” Cheng Xiangyun didn’t understand what she said.

“Are CEOs rich people?” Erbao asked again.

“CEO?” “Generally speaking, they should be rich. But if the company isn’t a big one, then they aren’t that rich. However, if he is the CEO of a large company, then he should be quite rich. Why are you asking about this?”

“Then, is Nanshi Corporation a large company?” Erbao continued to ask.

“What?”

“Is Nanshi Corporation a large company? Is the CEO rich?” Erbao repeated with a serious look on her face.

Cheng Xiangyun was shocked. Just what are these two children up to? Asking such a weird question like that.

“Oh yes, very rich!” Cheng Xiangyun said earnestly as she nodded repeatedly.

If the CEO of the Nanshi Corporation couldn't count as rich, then no one else could.

Dabao and Erbao looked at each other with a cheerful expression on their faces.

"Then let's introduce Wang Nanchen to mommy to be her boyfriend!" Erbao said in a mysterious tone.

"Wang Nanchen?" Cheng Xiangyun was puzzled. She had never heard of this name before!

Dabao moved the computer over, and pointed at the screen for Cheng Xiangyun.

"The huge ambitions of Nan Chen, the king of Flower City".

Cheng Xiangyun instantly understood what they meant. Goodness, these two actually have their eyes set on Nan Chen!

These kids sure have got some vision, targeting a godlike man like Nan Chen!

"His name is Nan Chen, not Wang Nanchen. And he's very rich!"

"Then he's our guy!" Erbao decided.

Cheng Xiangyun almost laughed at the thought of the ice-cold Nan Chen losing it if he found out that he's being targeted by these two angels.

"How did you two discover this guy?" Cheng Xiangyun asked curiously.

"Lookalike." Dabao explained with just one word.

Erbao added on in case Cheng Xiangyun didn't understand, "He looks like us, so we think he would make a great boyfriend for mommy."

“Well, he could, but.....”

Xiangyun wants to tell you that your mommy had a fight with that man on the set, and are not on good terms now.

To have that man become your mommy’s boyfriend might just prove too difficult.

But her words were stuck in her throat.

They would be disappointed if they heard that.

Anyway, I’ll just give them my word for now. Who knows? It might just come true, after all.
