

The Charismatic Charlie Wade Chapter 2471

Chapter 2471

In the evening, when Charlie returned home, the ten masters and soldiers of the Su family were divided into five groups and began to patrol every hospital in Aurous Hill.

At the same time, Shoude asked Steve out to prepare a sumptuous dinner in the restaurant of his presidential suite.

Although the economic strength of the Steve family is tens of thousands of miles worse than that of the Su family, in Shoude's view, Steve's mother is a member of the Rothschild family after all, so there is no relationship with him. What's bad having him closer.

Steve was naturally too excited.

Although his mother was indeed a woman from the Rothschild family, he knew very well that there were at least hundreds of women in the Rothschild family like his mother.

And his mother and grandfather's line is not named in the Rothschild family.

He is a relative of the Rothschild family, to put it bluntly is just to gain a reputation.

Now that he has the opportunity to make friends with the Su family, the top Chinese family, it is naturally a very valuable thing for him. Maybe in the future, he can rely on the Su family to quickly lay a foundation in China.

Therefore, while Steve was so excited, he couldn't find his son Walter, who had been missing for a long time, and sat up on the wine table with Shoude's faithful dog licking.

Just when the two of them were enjoying each other company, Charlie received a WeChat from Issac. The content of the WeChat was: "Master, the people of the Su family are investigating the background of the Emgrand Group. At the same time, they have sent a master to sneak into the major hospitals in Aurous Hill, secretly looking for Liona and Zhiyu's whereabouts."

Charlie sneered in his heart, and replied: "Shoude is okay, he has found the Emgrand Group. He can't wait to find me out and meet."

Issac said: "Master, rest assured, the outside world only knows about the acquisition by the Wade's of the Emgrand Group, but they don't know who the chairman of the Emgrand Group is. I believe he will not be able to find you in a short time."

Charlie replied immediately: "Don't give him a chance, I will take him to visit the Orvel's dog farm tonight."

Issac hurriedly asked, "Master, are you ready to do this tonight?"

Charlie replied: "Yes, it's tonight. Go talk to Ruoli and let her prepare."

Issac hurriedly said, "OK master, is there anything I need to prepare?"

Charlie said: "Tell Orvel, just let the dog farm be prepared. After all, Shoude is the second master of the Su family. He has an unusual background. Let Orvel make a separate dog cage for him."

Issac asked, "What about Steve? Do you want to prepare it for him?"

Charlie said, "When Steve arrives at the kennel, it must be a moving scene with Walter his son. Then let him live in a dog cage with his son. Oh, by the way, you ask Orvel to prepare some flowers. , To give the father and son a whole little warm atmosphere."

"Okay young master, I see!"

.....

Aurous Hill International Hotel.

Shoude, who was full of food and drink, stood alone in front of the luxurious French windows of the presidential suite, looking at the night view of Aurous Hill.

However, he is not in a good mood at this time, because the whereabouts of Liona and Zhiyu are unknown, he is afraid that his murder attempt of Zhiyu will be exposed.

He was actually very clear in his heart: "Even if the old man is no longer a thing, the love for Zhiyu in the old man's heart is indeed from the heart."

"If Zhiyu died, of course everyone would be happy. In that case, both Zhifei and Zynn will be exiled to Australia, and no one in the Su family can threaten my status."

"Furthermore, if Zhiyu is dead, it will definitely deal a big blow to the old man. Maybe it can make him belch earlier, and it will also help me inherit the position of Su Family Patriarch earlier."

"However, if Zhiyu is not dead, then every moment is a huge threat to me!"

Thinking like this, the assistant knocked on the door.

After Shoude let him in, he asked, "How are the things going?"
