

The Charismatic Charlie Wade Chapter 2499

Chapter 2499

Shoude didn't expect that Charlie would be interested in matters of his private life.

He comes from a big family and pays great attention to his private life. So when Charlie asked about this, he was a little nervous subconsciously and he didn't dare to respond.

Charlie couldn't help frowning, and asked him: "Why? Don't you want to say?"

Seeing Charlie's dissatisfaction, Shoude hurriedly shook his head and said, "No, no, I am willing to say, I am willing to say..."

Immediately, he said five to ten: "That woman is... it's Zeena..."

"Zeena?" Charlie asked in surprise, "Is that Zeena, who is known as the jade girl in film and television circles?"

"Yes..." Shoude nodded nervously, "It's her..."

Charlie couldn't help sighing: "Oh, I really didn't expect that the icy and jade lady Zeena mentioned in the news media turned out to be your lover... My wife still recognizes her very much and keeps saying she is one of the benchmarks in the entertainment industry, saying that she is very clean and self-conscious, never gossip about trivial matters, and never even takes kiss scenes with other male stars? It seems that most of the people in this circle are unknown of the other side."

Shoude nodded awkwardly and said falteringly: “She...she doesn't kiss the scene because I don't let her pick it up... I told her before that she must not be with others. Men's intimate contact, even acting is not good...”

Charlie smacked his lips and said, “Tsk tsk...If the people of the whole country know that the goddess in their minds will be crushed by your ugly, old, and fat middle-aged fat pig at night. I don't know. How sad.”

Shoude's expression was very depressed, and his face was red and black. It was obvious that Charlie's words hurt his self-esteem.

However, even if his self-esteem was hurt, he dared not say anything in front of Charlie, so he could only nod in embarrassment, and said, “Yes, yes, what Mr. Wade said...”

Charlie sneered and asked him, “Is this Zeena always in Aurous Hill, or did she come from another place to meet you?”

Shoude hurriedly said, “She came from another place...Actually, she was filming recently. My father suddenly asked me to come to Aurous Hill, so I asked her to come and accompany me...”

Charlie smiled and said, “Seeing that you are quite old, but I didn't expect you to have a lot of energy.”

Shoude said embarrassingly, “No, no...it won't work if you get older...”

Charlie smiled and said lightly: “Okay, it's not too early, you can take a good rest here, you won't have a bed warmer like Zeena's female celebrities in the future, so you have to adapt to life in a kennel as soon as possible. , When the time is right, I will send your father over, so that you father and son will reunite.”

Shoude lowered his head deeply, not daring to answer.

Charlie looked at Steve next door and said lightly: "Take good care of your son here."

Steve nodded again and again: "I know Mr. Wade..."

Charlie didn't say much, and said to Issac, "Send me back."

"OK, master!"

Orvel sent Charlie and Issac out of the kennel. While only Issac was there, he said to Charlie: "Master, aunt, it's time tonight, do you think you should let her go?"

Charlie frowned: "It's time?"

"Here." Orvel said hurriedly, "This time aunt performed very well. There was no noise or trouble."

"Yeah." Charlie nodded and said: "Then let her go quickly, tell your little brother, open the door, she can go anytime she wants to leave."

Orvel hurriedly said, "OK, master, I'll make a call and make arrangements!"

Charlie patted him on the shoulder and exhorted: "The kennel is a big deal here, so you must show it to me. Don't let anyone with unknown origins approach the kennel, and it must be guarded against any intrusions. The little brother may leak secrets to the outside world!"

Orvel said firmly: "Master, don't worry, I have arranged all the kennels here. Everyone working here is my confidant, and during this time, I have asked them not to live 24 hours a day. If they leave the kennel, they are not allowed to have any contact with the outside world. All management is closed, and there will be no leaks."
