

The Charismatic Charlie Wade Chapter 2686

Chapter 2686

Charlie clasped his fists: "Then thank you, brother."

Soon, a heavy civilian helicopter landed slowly on the top of the mountain.

The plane still didn't land completely, Chester and Issac jumped down from left to right, and hurriedly stepped forward and asked, "Master, are you all right?"

Charlie smiled and said, "Do I stand here as if something has happened?"

After speaking, Charlie pointed to Hamid and said to the two of them: "Come on, let me introduce you to him. This is Commander Hamid, the highest commander of this opposition army. He has studied in China. His Chinese is very good."

The two of them shrank, and hurriedly said in unison: "Hello, Commander Hamid!"

Hamid greeted them politely.

Charlie looked at the time and said, "Brother, it's late, I have to fly back to China, so I won't engage you more, let's talk about it next time!"

Hamid nodded, clasped his fist, and said, "My brother, I don't want to thank you less. Let's leave contact information for each other. I will give you my satellite phone number. If you have anything, you can find me at any time."

Charlie said: "Okay, let's leave each other's phone numbers. If you have anything, you can call directly."

After the two left each other's contact information, Charlie said to Melba: "Okay, Miss Watt, let's go."

Melba then raised her head, nodding with an ashamed expression.

Charlie bid farewell to Hamid again, clasped his fist, and said, "Brother, there will be a period later!"

Hamid also said very religiously: "There will be one Inshallah!"

Afterwards, Charlie took Melba on the helicopter arranged by Chester.

Hamid didn't want to leave in a hurry but watched Charlie's helicopter take off until he was no longer visible. Then he sighed and stepped onto his plane.

.....

In the helicopter returning to Lebanon, Chester, Issac, and Vasily looked at Charlie with shock.

Especially Chester, he originally thought that if Charlie went into Hamid's sphere of influence alone this time, 90% he would be taken prisoner, and he would definitely have to ask Wade Family back home to pay for the ransom.

In fact, after knowing these circumstances, Mr. Wade was already ready to spend money to redeem him. The company registered by the Wade family abroad has already prepared tens of millions of dollars in funds. As long as Hamid gave an account, he could immediately Hit the money.

But what Chester thought of was that Charlie not only rescued the person, but Hamid himself took him to the meeting place.

What made him even more incredible was that Hamid was calling him his brother and was very respectful to him.

Just when Chester was so shocked that he couldn't add anything, Charlie asked him: "Old man, is the Concorde airliner ready?"

Chester came back to his senses and said hurriedly: "Master, we are going back to the airport, it is ready, you can take off at any time."

Charlie nodded in satisfaction and said: "Direct airport, transfer to Concorde and return home immediately after arriving!"

Chapter 2687

The slender Concorde airliner took off from the Lebanese capital Beirut International Airport.

The plane soared into the sky and sailed towards China at the fastest speed.

On the plane, Melba sat in the window, staring out of the window in a daze.

Until now, she still feels that the experience of the past hour or so is like a dream.

However, she quietly looked at Charlie, who was sitting not far away with his eyes closed and rested, and she could clearly feel that all this was not a dream, but a real existence.

Thinking of Charlie going coming to Syria alone and saving her from the brink of death, Melba felt very guilty besides being grateful.

She felt that after so many years of reading and studying economics and finance for so many years, she was naive and could not even see through human nature.

At first, she was not ashamed of her abandoning her peers? But now that she thinks about it carefully, all her friends are really uneasy.

In their opinion, she would rather die with them by herself than have a chance at life.

Even they had the chance to live, but they were squandered unscrupulously.

As a result, they squandered their opportunities and started to feel extremely angry that why she had the opportunity to leave.

This kind of person made her fully appreciate the evil of human nature.

Thinking of this, she silently stood up from her seat, then paced to Charlie's side and sat down gently.

Charlie, who was closing his eyes and rested, felt a person sitting next to him. He opened his eyes and saw that it was Melba. He smiled and asked her, "Why don't you take advantage of these few hours of flying time and take a good rest?"

Melba said in embarrassment, "I was very confused and couldn't sleep..."

With that, she looked at Charlie and said in shame, "Mr. Wade, I am really embarrassed today."

Charlie smiled slightly, "Are you doing it for your friends?"

"En..." Melba nodded slightly and said with emotion: "I really didn't expect that they were all such people. You are right. I don't know enough about human nature. Maybe it's society. A lot of experience is still lacking."

Charlie smiled and said: "The more lack of social experience, the more proof that you have been well protected since childhood. Many children in a few years and teenagers have a lot of social experience early on. This proves that The protection given to them by their native family is not enough."

After speaking, Charlie said again: "Furthermore, this thing you experienced is indeed quite special. Under normal circumstances, it is impossible for a normal person to experience being kidnapped by the armed forces of another country. There are six to seven billion people in the world. Population, it is estimated that there are not even six or seven thousand people with this kind of experience. When converted, only one person in an average of 1 million people will have this kind of experience. So congratulations. After tonight, you are separate from 99.99% People who didn't have the opportunity to have practical experience, immediately left most of them behind."

Melba was even more ashamed and blushed and said, "Don't make fun of me. I know I've done this thing from start to finish."

Chapter 2688

Charlie agreed and said: "If you ask me to make a pragmatic comment, your thing is really stupid. Anyway, it's right and not wrong, but you are in the wrong position. If you really want to prevent the world Wars, you should not propagate anti-war in Syria, but at the door of the White House in Washington, because your motherland is responsible for at least 50% of wars in modern society around the world."

Melba nodded lightly, and then hurriedly said: "Mr. Wade, in fact, I want to say, I am not the kind of banana guy..."

Charlie asked curiously, "What is a banana man?"

Melba hurriedly said: "Banana people refer to Chinese people who were born and raised in the United States. They have the body and genes of a yellow race, but have the thinking and views of Western people."

Charlie asked with interest: "Aren't you thinking like Western people?"

Melba shook her head and said, "Although I was born and raised in the United States, and I was also an American citizen, my parents taught me since I was a child that my roots are in China. Let me remember that wherever I go, it is China. Man's creed."

Charlie nodded lightly, and then asked, "But I heard your dad say that you don't seem to want to return to China?"

Melba explained: "The main reason is that I have some communication problems with him. In fact, this problem has always been between father and daughter. When I was young, he was busy making money and flying all over the world. Fly away, seldom cared for me, and rarely allowed me to experience fatherly love, so the relationship between the two of us is relatively rigid. After my mother passed away, the relationship became more rigid, and I did not want to return to China, this opinion was just an excuse to reject him."

As she said, Melba sighed, and continued, "Actually, I have thought about it myself. Even if I don't want to ease the relationship with him now, when he is really old, I will still find a step to take care of him. I always thought he was only in his fifties, and he hadn't reached the time when he has to relax..."

Charlie nodded in understanding and said, “If you think it is really difficult for the two of you to relax, it is actually unnecessary. You must go to Aurous Hill now. Your father’s greatest hope is that you are safe. You still want some personal space, for the time being, I believe he can understand it too.”

Melba blurted out, “But I have promised you...”

As she said, she realized something and said with shame: “But I may find it difficult for myself to do your job now. After all, I made such a big mistake in judging the situation. This proves that my ability and temperament are still not good. not enough.....”

Charlie waved his hand: “This is not the same thing. If a person judges a wrong friend, it doesn’t mean that he will make mistakes when he does other things. I have always believed that genius definitely does not follow the barrel effect.”

“A person who is balanced in everything is not a talent, but a mediocrity!”

“Only a person who is extremely strong in one aspect is a real talent!”

“If you are someone who is very strong in certain aspects, then you are a genius!”

After speaking, Charlie said seriously: “You should have seen a lot of Hollywood inspirational movies. Some people seem to be fooled, but they are very talented in mathematics; some people know nothing, but they can play basketball superbly. ; Some people can’t even speak well, but they are top physicists or astronomers;”

“Even a top genius like Einstein couldn’t do everything.”

“So, for me, as long as you can do this business well, other shortcomings are not a problem in my eyes.”

Melba nodded lightly and said seriously: “Mr. Wade, as long as you are willing to give me a chance, I will definitely go all out and do my best to help you do this business!”

Charlie said with a smile: “That’s great. In addition, I think you can relax with Uncle Watt when you go to Aurous Hill this time. He really cares about you very much. If it weren’t for him, I wouldn’t be able to come to Syria to rescue you.”

Chapter 2689

When Charlie and Melba hurried back to Aurous Hill without stopping, Hamid also hurried back to the valley in northern Syria.

At this time, his subordinates were talking about it, and everyone didn't understand why Hamid had to send a hostage out suddenly.

Moreover, in addition to the woman hostage, there was another guy that everyone had never seen before. They didn't know where he came out from, and then he followed Hamid.

At any rate, it is also a heavily guarded military garrison. Someone unknown to anyone will appear inexplicably. This kind of weird and even strange thing happened here for the first time.

So after Hamid left, everyone couldn't wait to know what happened just now.

Hamid's deputy went to the cellar in person, looking for someone to ask what happened, but Faisal and others, who were loyal to Charlie, took advantage of the fact that the cellar had only a narrow entrance and an iron gate that was easy to defend and difficult to attack. They kept inside the iron gate, not allowing anyone to enter.

Hamid's deputy also didn't expect Faisal to betray, and in a hurry, he couldn't wait to explode with a bomb, but when he thought that there were seven hostages who might be exchanged for the ransom, he temporarily dismissed the idea.

However, he was also very clear in his heart that although the cellar was easy to defend and difficult to attack, the cellar itself was also a dead end, so as long as he held the exit, Faisal would surrender in no time.

As a result, he immediately deployed nearly a hundred additional armed forces in the yard, with all gunpoints aimed at the exit of the cellar, to ensure that anyone coming out of it would be beaten into a mess in an instant.

At this moment, the helicopter roared in the sky, making everyone nervous.

They recognized that this helicopter was the one that Commander Hamid had just taken.

But no one knows now whether Commander will step out of the chopper after it has landed.

The helicopter slowly declined, Hamid's deputy saw the helicopter to land in the yard, and immediately to the side of the soldiers told: "Get quickly out of the way, to make a helicopter landing space

in the yard of the house, soldiers had packed quickly to The surroundings, leaving a large space for the helicopter to land.

Then, the helicopter fell slowly. After it landed, the door opened instantly, and Hamid jumped off the plane directly. Seeing such a situation, he couldn't help asking "What are you all doing?" The deputy hurried forward and said: "Commander! Where did you go? Where are the two people you took just now?!"

Hamid said calmly, "Both of them are my friend. Don't ask more questions about it, you are my deputies and dare not ask anymore. They hurriedly said: "Commander, Faisal, and the others have already rebelled! These guys are now in the cellar preparing to fight back! As long as you say something, I'll let people blow the iron door and rush in to catch them!"

"No!" Hamid said immediately, "I left Faisal underneath. Don't guess! After that, he immediately stepped towards the entrance of the cellar. At this time, the deputy suddenly recovered and exclaimed: "Commander, what has happened to your leg?"

Hamid smiled slightly and asked him: "You want to ask what has happened to my leg. I am not lame, am I?" The deputy nodded lightly.

The surrounding soldiers also looked horrified. They also realized that Hamid's left leg has completely become normal, and everyone was extremely curious deep in their hearts, wondering what happened to him.

Hamid laughed: "My benefactor gave me a magic pill, it cured my leg, from now on, I Hamid, is no longer a cripple!

Around the soldier can not help but be stunned!

A Magic medicine cured a lame leg that has been irreversibly damaged?!

Isn't this a foolish dream?

Chapter 2690

Although you don't read a lot of books, you still have basic common sense when you carry guns and fights every day. In Hamid's case, let alone in Syria, which lacks medicine and health facilities, even if you go to the most powerful developed country in the world. It is impossible to cure this.

However, the reality in front of them is right in front of them. The commander, who has been lame, is really walking fast!

Hamid naturally saw everyone's reaction in his eyes.

Although he was so excited that he almost wanted to shout, for his own image and to better control his team, he still resisted his inner excitement, pretending to be calm and striding forward, all the way into the cellar.

As soon as he entered the cellar, he said directly: "Faisal, I have sent Mr. Wade and Miss Watt away, and Mr. Wade has also told me about your situation. Don't worry, I will assure you of my life. As long as you open the door, you won't be embarrassed. You can continue to return to your armored team, and the others are the same!

Faisal subconsciously said: "It doesn't matter whether I live or die. The most important thing is that I must first Make sure that Mr. Wade has left safely! Otherwise, I will fight with you to the end!"

Hamid was surprised in his heart and thought: "Brother Wade's hypnosis method is really amazing! This man was his own. He didn't care about life and death, he just wanted to be loyal to Brother Wade. If I had this ability, I would not be able to unite the entire opposition camp?"

After a while, Hamid said: "Faisal, do you still doubt that I will do something unfavorable to brother Wade? You don't want to think, how could I be his opponent? What's more, why should I be against him? Do you know that Brother Wade is my benefactor and he healed my leg!"

Faisal asked: "You said Mr. Wade cured your leg?!"

Hamid immediately said: "Can I lie to you? If you don't believe me, open the door and have a look. Don't worry, I am the only one in the corridor."

After a while, the iron door opened a gap, and Faisal looked through the gap and found that there was indeed only Hamid in the entire corridor, and he was bare-handed and did not carry any weapons.

So Faisal breathed a sigh of relief and asked, "What you just said is true?"

Hamid raised his hands and walked down slowly, saying, "Look for yourself, my legs aren't they all right?"

Faisal was shocked, and because of psychological hints in his heart, his respect for Charlie burst out, sighing: "In this world, I am afraid that only Mr. Wade can have this ability!"

Hamid nodded and asked him: "So you believe me?"

Faisal said: "I believe."

After speaking, he opened the door directly and said: "Commander Hamid, I hope you can keep your promise."

Hamid solemnly said: "Don't worry, I will do what I say! After that, he stepped into the cellar pointed to the iron door of the room inside, and said: "Faisal, I know you are loyal to Brother Wade, but before Brother Wade does not come back, or give you any orders, I hope you can do well your original job."

Faisal nodded and said, "No problem, Commander Hamid!"

"Okay." Hamid pointed to the door and ordered:

“Open the door inside.”

Faisal did not talk nonsense, and immediately opened the iron door.

Hamid stepped forward, and the seven young people inside were so scared that they couldn't help but plead.

Hamid looked at these seven people and sneered: First of all, congratulations. I promised Brother Wade that I will not take your lives. Your lives are saved!

The seven people wept with joy when they heard this.

One man cried and asked: “Commander, when can you let us go back?”

“Go back?” Hamid waved his hand: “No, no, no, no, no, seven of you will be slaves here, as long as you live, Just work here. If you die, you will be buried here. In this life, there is no chance to leave this place for you!”
