The Protector Chapter 861

Whoa!

The group gasped after hearing that, and they all looked at the speaker, Kyle.

"Why are all of you looking at me? That rumor has spread across South Hampton. They said that Levi is a bastard child who only has a mother, while his father's identity remains unknown. They even labeled him as the Jones family's disgrace," Kyle bluntly stated.

Boom!

Mia's brain was about to burst.

She thought that leaving the Jones Residence would do Levi some good, yet who knew that they would meet someone who labeled him as a bastard child too.

"Did you call me a 'bastard child'?" Levi calmly asked.

"Yes, I did. What's wrong with that?" Kyle sneered.

He knew the Joneses looked down on Levi and could not wait to get rid of him.

As such, there was no need for him to be afraid of owning up to it.

Besides, if he taught Levi a lesson, the Joneses would probably thank him.

"I dare you to repeat it." Levi coldly challenged.

There was a hint of anger in his eyes.

"You are a bastard child with only a mother and no father. Happy?"

Kyle arrogantly looked at Levi, his gaze filled with amusement.

Even his friends around him could not take it.

"Kyle, you are going overboard. After all, he is Mia's brother," one of the women, Xenia, could not help but scolded.

Kyle conceitedly chuckled. "Well, I am not the only person who is spreading it. In South Hampton, who doesn't know that Levi is an illegitimate child? "

Slap!

Kyle had just finished his sentence when Levi gave him a tight slap across his face.

Pft!

The impact made Kyle cough out blood, together with a dozen of his teeth.

Unbelievable!

No one expected Levi to do that.

It only took one slap for him to make a few of Kyle's teeth fall out.

"You!" Kyle angrily shouted when he regained his senses a few seconds later.

"How… how dare you hit me?"

Short of a few teeth, his speech became unclear. He looked at Levi in shock.

"You aren't the only one I will hit. Whoever mentions it or curses at me, I will hit each of them till everyone shuts up."

Although Levi sounded composed, one could sense the domineering presence he exuded.

It made Kyle shake in fear.

"My teeth!" he exclaimed and went crazy after seeing his broken teeth strewn across the floor.

"Watch out! I will get my revenge against you today!" he yelled.

Knowing that the relationship between Levi and the Joneses was not the best, he was not afraid of being questioned by the Joneses.

He had to get his revenge on Levi for knocking out his teeth.

"If you are bold enough, you will wait till I bring my men here!" Kyle threatened.

Although the others tried to persuade him otherwise, it was no use.

"Mia, I think you should leave. If Kyle summons his subordinates, your brother will be in trouble!" Xenia pleaded.

"Don't worry, I will wait for him," Levi interrupted.

"I will punish everyone who calls me a bastard child, and I will do this till no one dares to speak of it again." He coolly took a seat.
