

Chapter 831

The man looked at the time on his watch and frowned, "What's going on? Hongmao is so unreliable. A little girl hasn't caught it yet."

Xu Ling snuggled in the man's arms and said, "Lei Shao, wait for that Yang Miaomiao to come. You have to make the decision for me!"

"That is of course. You are my woman, she even told you to catch my woman, that is not to give me Lei Shao face, I naturally, he will be taught a meal. Besides, I have to settle accounts with them for my sister's affairs." Lei Shao snorted loudly, kneading his hands in Xu Ling's arms, and said.

At this point, Xu Ling what seems to think, gently frown, said: "...? Less Lei, Yang Miaomiao around last night there was a man, very orange they will play missed ah"

Lei little cold He sneered: "Can I fight? In front of my Yang Lei, talking about being able to fight, that is totally a joke. My brother-in-law is a martial artist, I have learned from him, and now he is already a mid-level yellow master. Dozens of people, I can't get close to me. Can that kid beat me again, can he beat me?"

"Again, this is in my Xiwu City. In my Yang Lei site, I just say hello, and I can say hello. No.'s brother. Can the kid beat him again, can he beat me so many people?" Lei Shao was full of pride.

Xu Ling's expression of admiration immediately leaned on Yang Lei's arms and said softly: "I have peace of mind if you have Lei Shao. I will rely on Lei Shao you later."

"Relax, baby, follow me, guarantee you to eat spicy and spicy in the future." Lei Shao laughed.

At this point, he looked at his watch and sat up from the couch, frowning: "! This orange how do today moves so slowly look back, I have to beat beat, not words, things are not clear-cut"

on At this time, there was a shout outside, "Lei Shao, I'm back."

Hearing the familiar voice, Yang Lei stood up from the sofa. "Red hair, your kid is finally back. What's going on, so slow -"

While talking, the swollen red hair on the nose and face went into the shampoo room.

As soon as Yang Lei looked at Hong Mao, he was shocked, "What's wrong with you, Red Mao?"

At this moment, Xu Ling was surprised when she saw Chen Fei and Yang Miaomiao behind the red hair. Miao, why are you okay? And him, why are you here too? "

Mentioning the sound, Chen Fei and Yang Miaomiao looked at it and suddenly saw Xu Ling.

Yang Miaomiao said: "Xu Ling, why are you here?"

Xu Ling sneered with resentment in her eyes, and said: "Yang Miaomiao, you are so kind to ask? Last night, I told you .?? the face, put me on a horse how about you but I have to catch the police, you asked me why in this "

finished, Yang Lei Xu Ling threw herself into the arms of what, with a baby and resentful tone:" Ray less Yesterday, it was the two of them. You quickly taught them a meal. "

At this time, Yang Lei looked at Yang Miaomiao and Chen Fei, his eyes cold.

Seeing this, Yang Miaomiao hurriedly said: "Xu Ling, yesterday's thing. That's what I did with you. It's nothing to do with Brother Chen. You have to settle the bills, just find me."

Xu Ling didn't say anything, Yang Lei said With a cold snort, his eyes narrowed at Chen Fei, and then said: "It's not enough to find you. I really have an account to deal with this guy?"

Chen Fei was surprised, but he didn't know this Lei Shao. "you're looking for me afterwards count even account??"

Yang Lei cold channel: "! I do not remember you wounded sister, which led me to jail sister caught white thing, do not want to deadbeat?"

"your sister? Chen Fei frowned and wondered.

Yang Lei looked more gloomy and said, "My sister's name is Yang Hongying."

Hearing this name, Chen Fei was still puzzled, but Yang Miaomiao changed color instantly and was surprised: "Yang Hongying, that's the name of Sister Yang."

Wen Yan, Chen Fei suddenly realized. It turned out that Yang Lei's sister was the elder sister Yang who tricked Yang Miaomiao to Yuqing. This Yang Lei, also relying on her sister Yang Hongying's relationship with the outside world, quickly established a foothold in Xiwu City.

"That liar is a sister to your prostitute?" Chen Fei said dismissively. "It's the only thing that hurts, it's cheaper for her. That kind of person should go to hell directly."

"Boy, you are looking for death!" , Staring fiercely at Chen Fei.

"It's you who is dying. This red hair, you sent it." During the speech, Chen Fei threw the red hair together and smashed it with a punch.

Yang Lei snapped the red hair away, and then his face was angry, and he said cruelly: "Boy, do it with me, is the most wrong choice you have made." During the

speech, Yang Lei was confident and thumped. He and Chen Fei came over and said at the same time: "Boy, I'm not afraid to tell you that I am a martial art master in the middle of the yellow level. I will break your hand with this punch."

"The middle of the yellow level is really powerful. ! "Chen Fei sneered, there was no fear on his face.

"I don't know what's wrong!" Yang Lei sighed angrily, his fists smashed over with a booming momentum.

"Bang!" The

two's fists bumped together!

Yang Lei was confident, and said, "

Stop it-- " However, before his words fell, he immediately felt an unstoppable force. His arm couldn't bear this force at all, and there was a burst of cracking sound, and the bones of his arm were all shattered.

Yang Lei howled with pain, sweating and stared at Chen Fei in surprise, "How could you, this--"

Chen Fei didn't wait for him to say anything. He stepped on the floor and slammed Yang Lei. He said coldly, "Now, do I still have to fight?"

Yang Lei grinned and gritted his teeth. "You let me go, otherwise, I Looking back, you want to look good. "

" Dare to talk hard! "Chen Fei snorted, then stepped on Yang Lei's broken hand, and exerted a little force.

Suddenly, a crackling crackling sounded. Yang Lei's right hand bone was completely broken, and there was no possibility of recovery.

The severe pain directly caused Yang Lei to pass by. Chen Fei moved his right foot.

At this time, Xu Ling, shrunk in the corner, saw this scene, and he was trembling with fear, and his face was full of fear, "No, don't hit me. I'm wrong, I'm wrong."

"Now I'm wrong It's too late. "Chen Fei's eyes were cold, and he approached Xu Ling directly. There was a box of ointment in his hand." Don't you rely on this pretty face to deceive people in the hotel, and hook people here? So, I will let you no longer have this face. "During the

speech, Chen Fei moved quickly and applied the ointment to Xu Ling's face.

Xu Ling suddenly felt that her skin began to heat, and then her cheeks tingled. She looked up at the mirror on the opposite wall, and her expression suddenly changed, and she exclaimed directly.

Chapter 832

At the moment, Xu Ling in the mirror had small red pimples on her cheek skin, and then the small pimples began to deepen at a rate visible to the naked eye, and finally turned into small black and purple balls.

When Xu Ling touched the meat ball a little, he immediately split it up and let out disgusting pus. The entire cheek was completely ulcerated, so it was hard to see Xu Ling's appearance.

Seeing this image of herself in the mirror, Xu Ling scared herself almost fainted. With a desperate look on his face, the whole person was blinded and paralyzed.

After punishing the two, Chen Fei and Yang Miaomiao left the shampoo room.

Walking side by side, Chen Fei looked at Yang Miaomiao with his head down, his emotions seemed a little low, and he could not help asking: "Miao Miao, what's wrong? I was scared?"

Yang Miaomiao shook his head and said, "Brother Chen, is not Yes, I just, I just can't bear to watch this kind of scene, I feel, it's a little pitiful. "

Chen Fei heard that and reached out to touch Yang Miaomiao's head and said, "Miao Miao, you are still too kind. You see they are pitiful. But people like them, once you give them a chance to turn over again, they will definitely come back with revenge a hundred times and a thousand times. So, people like them must be ruthless. If you do not let them, they are Not memorable. "

Yang Miaomiao nodded, seemingly incomprehensible, but his expression was still somewhat sad.

Obviously, this simple little girl is still unable to adapt to this cruel social law.

Seeing this, Chen Fei took out another ointment and handed it to Yang Miaomiao, saying, "Actually, I can cure Xu Ling's face. But she will not repent without giving her enough lessons. now, I put ointment to you, when you see fit, and she really repented, then this medicine for her. " "

ah! "Yang Miaomiao put away the cream, pretty little face, finally A smile appeared.

Chen Fei didn't talk about these heavy topics anymore. He asked, "Oh, Miao Miao. What are you doing at the vegetable

farm and don't like the food in Shuguang Hospital?" The food in the hospital is very good and hearty. It's better than what I have eaten before. It's just that my dad wakes up and I want to cook some soup for him."

"So! Let's go buy some food." Chen Fei said with a smile, "This time, Miao Miao, you have to buy more, I also want to try your craft."

"Uh, um. Brother Chen, I will definitely cook the soup, you just wait to taste mine Craftsmanship." Yang Miaomiao nodded.

"Then I look forward to it!" Chen Fei smiled.

The two bought the ingredients in the vegetable farm and returned to Shuguang Hospital.

In order not to worry his parents, Yang Miaomiao did not tell his parents what happened in the vegetable farm. Instead, he immediately went to the kitchen of the hospital and became busy.

After a busy day, Yang Miaomiao brought the delicious chicken soup to the dining table and handed each parent and Chen Fei a bowl.

Chen Fei took a sip and immediately gave thumbs up to Yang Miaomiao, complimenting: "It's delicious, it's too delicious."

Then, Chen Fei quickly drank the chicken soup.

After lunch, I rested in the hospital for another day.

Near noon the next day, Yue Hongan called and Chen Fei answered the phone and said, "Is there any news about the

Skeleton Society?" Yue Hongan said: "With some news, it has been investigated now. The Skeleton Society is very likely to have a hidden stronghold in this city. For detailed information, I asked the local Jiao Boss in Xiwu City to help in the investigation

. Mr. Chen, if you want to come, I will ask Mr. Jiao to wait for you." Yue Hongan said.

Chen Fei thought for a while, knowing that it is noon now, if the past is over, the other party must have something like dinner, which is troublesome. So he said, "I won't go anymore. You learned the news from Boss Jiao and notified me as

soon as possible ." "Yes!" Yue Hongan responded and hung up.

At this time, in a hotel "Wild Fun Restaurant" in the center of Xiwu City, Yue Hongan stood opposite a middle-aged man in his fifties.

A middle-aged man in a suit, with a bit of majesty in his eyebrows. It's just that, at the moment, it's so majestic that it didn't show up at all. Instead, it showed a nervous and pleasing look and looked at Yue Hongan on the opposite side.

He is the Jiao elder Jiao Tianquan in Yue Hongan's mouth, the old fritters and ground snakes in Xiwu City. If Yue Hongan, by virtue of Yue's name, can overwhelm the Jiao Boss in Xiwu City.

But to say a detailed understanding of local people and things, Jiao Tianquan understands more clearly. Therefore, Yue Hongan also asked him to ask about the investigation of the skeleton society.

At this time, watching Yue Hongan hang up the phone, Jiao Lao's heart and mouth asked: "Mr. Yue, how is it? That adult

he-- " Yue Hongan shook his head and said: "Mr. Chen just came, he said, let I understand the news, and then report it to him. "

" No , I'm not coming! "Wen Jiao said, boss Jiao was slightly disappointed.

After all, he heard about it. That Mr. Chen was a big man, and even the Yue family in Yuqing City paid respect to Mr. Chen. This time, the big man came to Xiwu City and happened to need his boss Jiao to help.

Therefore, Boss Jiao started to make friends, not seeking approval from the big man, but only to be able to show his face in front of the other party and leave an impression.

However, Chen Fei didn't come over, naturally let Jiao Boss feel a little disappointed.

However, Mr. Jiao was an old fried dough stick after all, and immediately put away his emotions and greeted Yue Hongan with a smile: "Mr. Chen cannot come now. I will wait for Mr. Chen to have time before visiting. Now, Mr. Yue, please take a seat. , I will let the waitress serve immediately. "

" This wild restaurant is not as luxurious as the five-star hotel in Yuqing. But the game from the mountain is still unique, Mr. Yue, you can try it. "Jiao Lao laughed Introduction.

"You bothered." Yue Hongan nodded gently and sat down on the main seat.

At this time, boss Jiao laughed out of the private room and greeted the waiter to serve. At the same time, I made a phone call and went out, "Where are you? I asked you to come early, what about people?"

Over the phone, there was a voice of a young man who was a little dauntless and said, "Dad, this is not yet ten. Two o'clock? What are you rushing to do so urgently? Besides, what

customers do you have to see if you see me? What do you want me to do? I'm not interested in blending in with your business. "

Boss Jiao restrained his anger and lowered his voice. Tao: "What do you know, the guest I invited this time is Mr. Yue Hong Anyue. What identity of Mr. Yue, do you not know?"

Chapter 833

Jiao's elder son Jiao Ao at the end of the phone changed his tone when he heard the words, "Yue Hongan, Dad, are you talking about Mr. Yue, who is related to the Yue family in Yuqing City?"

"In addition to him, in Xiwu City, Who can make your dad so respectful? You move quickly and come over immediately. "Boss Jiao urged.

Immediately, he thought of Chen Fei again, and could not help sighing, "Originally, there was a distinguished guest. That person's status is much larger than that of Mr. Yue. It's a pity that the other party didn't come."

Son Jiao Aowen I could n't help but wonder, "Dad, you 're so wicked, a lot more valuable than Mr. Yue, who is it? Is it true that Yue Qiaoxi, the head of the Yue family, is not successful? However, how come people come to our Xiwu City? Planting a small place. "

" Not Yue Qiaoxi, it is a person more powerful than Yue Qiaoxi. "Jiao Lao Avenue.

Coke proud heard this, suddenly laughed, "Dad, you do not joke. Than loyalty to the master of the house Yueqiao Xi also powerful guests to our city Xiwu, how is this possible?"

Coke boss to see the dishes are on the whole, do not have time The son talked and said quickly: "Don't ask so much, you come quickly, immediately!"

Hang up the phone, Jiao Boss smiled, walked into the private room respectfully.

At this time, in the Shuguang Hospital, Chen Fei hung up the phone and went to the ward. He diagnosed Yang Hongqi again and determined that there was no problem. He was ready to go out for lunch.

At this moment, Yang Miaomiao received a phone call, said a few words, a stunned face appeared, and then smiled: "Okay, then I will pick you up at the door."

"Dad, someone came to see you , I'll answer it. "Hanging up the phone, Yang Miaomiao said, and then ran out of the ward.

Soon, Yang Miaomiao brought a group of people into the ward bustlingly.

These people are all very young, similar in age to Yang Miaomiao, only 16 or 7 years old, and the oldest is only in their twenties.

Among them, the leader is a tall, stylish young man.

With a smile on his mouth and a bouquet of flowers in his hand, the man came to Yang Hongqi's hospital bed and smiled: "Uncle Yang, I heard that you are ill, I came to see you." After

taking the flowers, he said thank you, Yang Hongqi looked A glance at this stylish and handsome guy felt a little strange, and could not help but look at her daughter Yang Miaomiao.

With a smile on his face, Yang Miaomiao introduced: "Dad, mom, don't you know? He is Yang Fei! At the third day, our class leader!" After

listening to the introduction of her daughter, Yang Hongqi and his wife immediately wrote The name Yang Fei came up, but it didn't feel right to the people in front of him, "He's Yang Fei, he's

grown up like this!" "The old Maotou was now an adult!"

Yang Fei, several others behind him The classmates of men and women chattered at this time.

"Uncle, aunty, you don't know, Yang Fei is now well mixed!"

"After Yang Fei graduated, he went to work at a relative's factory. After a few years, now he has opened his own factory, and his business is in Yuqing City. I went, but the big boss. "

" Boss Yang is now worth at least one million, and we are not a class with us. "The

students touted the introduction for a while, Yang Hongqi and his wife were a little restrained," Ah, It's so embarrassing. Let Yang Fei, your big boss, come to see us and delay your business, but it's troublesome! "

Yang Fei waved his hand with a smile and said," Uncle, aunt, no trouble. Besides, I just did a little business and eat a lot of food. I can't delay it. "

Although he said humbly, Yang Fei accidentally revealed his watch on his wrist.

Then he looked at Yang Miaomiao with a smile, and said: "Besides, Miao Miao and I are also old classmates. Uncle you are sick, I come to see it, it should be."

Said, Yang Fei handed over a bank card, Tao: "Uncle, I heard that you may have some difficulties in your house. You have 50,000 yuan in this card. Hold it."

Yang Hongqi and his wife quickly waved their hands and said, "We can't take this money. Xiao Yang, you Hurry up! "

Yang Fei insisted:" Uncle, aunt. This is my heart, after all, it's important to cure the disease. Besides, this little money is nothing to me. "

Yang Hongqi couple still To quit, Yang Miaomiao stepped forward at the moment and said: "Squad leader, you have our kind intentions. However, this money is really not used. My dad's illness has been cured."

"Healed?" Yang Fei was a little surprised .

Yang Miaomiao then pulled Chen Fei and introduced with a smile: "My dad's illness is that Brother Chen was cured."

Yang Fei heard the words and looked at Chen Fei. He saw that Yang Miaomiao and Chen Fei were intimate. Looks, his eyes sink slightly.

However, he quickly concealed his emotions, put away the bank card, and laughed; "Uncle's illness is cured, that's a good thing!"

Immediately, other students also stepped forward to greet.

After some greetings, Yang Miaomiao's mother reminded: "Miao Miao, it's almost twelve. You go out and invite your classmates to have a meal. Thank you all."

"Well!" Yang Miaomiao nodded, and then The students said, "Thank you for coming to see my dad. At noon today, I invite everyone to have a meal."

All the students heard this and immediately applauded.

"We haven't seen each other for several years, so we have to get together today."

"Miaomiao, I heard that you went to work in Yuqing City. What is it like there? You can talk to us."

"Say In Yuqing City, boss Yang Feiyang must be very clear. Otherwise, he will tell us with Miao Miao later. "

During the coup, the students were noisy and noisy. Pushed together with Yang Fei.

Perceiving Yang Fei's approach, Yang Miaomiao instinctively frowned slightly and dodged for a moment. Then I saw Chen Fei, my eyes lit up, and I came together, took Chen Fei's arm, and said, "Brother Chen, let's go eat with us." After the

words came out, the original playful atmosphere seemed a little low. Too. Everyone looked towards Chen Fei, especially Yang Fei, the squad leader, who looked at Chen Fei with a bad look, and seemed to warn him not to come together.

Would Chen Fei be threatened? When he saw this expression, he nodded directly and walked side by side with Yang Miaomiao. "Well, let's come together!"

Yang Fei saw that his eyes were cold, and he let out a hum. Sound. But then he smiled and walked to the other side of Yang Miaomiao.

A group of young people walked out of Shuguang Hospital in a lively way. When Yang Miaomiao was thinking about which restaurant nearby was more suitable, Yang Fei drove a Mercedes-Benz directly and beckoned to Yang Miaomiao: "Miaomiao, get in the car. Let's go I eat at the Yequ Restaurant in the city.

Chapter 834

When Yang Miaomiao heard about going to Yequ Restaurant, he was stunned for a moment, and the expression on his face was embarrassing for a while.

After all, the consumption of wild fun restaurants is not low. Moreover, the Wild Fun Restaurant is in the city center, a certain distance from here, and Yang Miaomiao does not want to go that far.

While Yang Miaomiao was thinking about how to reject this proposal, Yang Fei said: "Miao Miao, rest assured, this meal, I treat you."

After he finished, he pretended to be an inadvertent look, intentionally using a pair The tone said: "I have eaten a few times. Although this wild restaurant is not as good as the five-star hotels in those big cities, it is also distinctive."

Yang Miaomiao heard that his face changed, and his expression was a little more ugly.

Although it was difficult to speak, Yang Miaomiao bit her lip, and finally prepared to speak, rejecting the proposal, "

Squad leader, I don't-- " But Yang Miaomiao just started speaking, and the other students came around at the moment, chattering Aloud.

"Miao Miao, that's a wild restaurant! What are you waiting for?"

"This wild restaurant, I've only heard it in Xiwu City, and haven't been there. This time, with this opportunity, I'm going to go long . knowledge "

." Miao Miao, hurry up, all twelve, my stomach hungry, "

Yang Miaomiao looking more and more ugly, breath, and said:" I'm sorry, I - "

but did not say At the end, the classmates around again interrupted her.

"Miao Miao, you wouldn't say you wouldn't go!"

"Miao Miao, such a rare opportunity. We don't want to miss it!"

"If it's a matter of money, don't worry about it. Boss Yang just said, he invited him. ?"

The students said that Yang Miaomiao was a little embarrassed to refuse. After all, it doesn't matter if you don't go alone, but it is not good to let so many students wish.

Mercedes-Benz car Yang Fei, seeing revealing hint of a smile, get off to open the door to Yang Miaomiao made a gesture invited, said: "Miao Miao, on the train it!"

"Wow, squad leader, how do you only seedlings Miao so enthusiastic ah! " "

that is, we are classmates ah, the squad leader, I also want to grow in Ben ah! " ,"

Miao Miao, monitor adults are personally invited, you were on the train it! "

Yuehua Jian, other students, too Get into the surrounding cars. There are tens of thousands of domestic suvs, vans with goods, and relatively expensive cars with one or two hundred thousand.

Against the background of such a group of vehicles, Yang Fei's big Ben became more conspicuous.

"Miao Miao, get in the car!" Yang Fei said again.

Yang Miaomiao nodded and got into the back seat. Chen Fei walked behind and had to get in and sit side by side with Yang Miaomiao.

But when Chen Fei was about to get on the bus, Yang Fei suddenly said, "Mr. Chen, I'm sorry. I just washed this car yesterday, and it's not convenient for you to get on the bus. Wuling over there still has space, so please go Squeeze it! "While

talking, Yang Fei deliberately looked at Chen Fei's clothes and shoes with the eyes of Dang Er Lang. The disdainful look in his eyes was completely hidden.

Hearing the words, Chen Fei stepped in, and looked as if he looked down at Yang Fei.

But at this time, Yang Miaomiao, who had already been seated in the car, suddenly looked displeased. Not much to say, just get off.

"Miao Miao, what are you doing here?" Yang Fei said.

Yang Miaomiao walked to Chen Fei and said, "Brother Chen is with me. If Brother Chen is in a van, I will be with him."

Yang Fei heard the words, and suddenly his expression fell, and his face was a little unpleasant.

At this time, the classmates of the van also immediately said: "Miao Miao, there is only one van. You can take the squad leader's car!"

Yang Fei persuaded: "Miao Miao, listen, there is not enough space over there. You just sit My car! "

Yang Miaomiao firmly said:" Me and Brother Chen, you want me to take your car, what about Brother Chen? "

Yang Fei looked sullen, hesitated, and looked at Chen Fei for a few seconds. In the end, a reluctant look, said: "Well, today I will make an exception, let you ride my car once."

"However, before getting on the car. You clean yourself, don't get my car dirty "Finally," Yang Fei reluctantly opened the door of the car.

Chen Fei glanced at him, and then looked in the direction of the hospital, said lightly: "No, I will drive myself."

"Miao Miao, you take my car!" Chen Fei said to Yang Miao.

Yang Miaomiao, who was about to get on Yang Fei's train, stopped suddenly and returned to Chen Fei.

Upon seeing this, Yang Fei couldn't help but look sad, and said unpleasantly: "Your car? Mr. Chen is not from our Xiwu City, do you also have a car?"

Chen Fei said lightly: "I didn't have it just now, but it will be there soon. "

" Mr. Chen said it was incomprehensible. "Yang Fei said coldly.

Other classmates also spoke at the moment, with a tone of displeasure in their tone.

"Miao Miao, what are you doing, friend? Didn't the squad leader let him ride the car?"

"That's right, no car, no car, what a gambling! This is a waste of all of us."

"Miao Miao, you just go with us. Don't

pay attention to him!" Yang Miao Miao's face sank. Open your mouth to refute the words of the students.

At this moment, Chen Fei said softly, "My car, here!"

Immediately, the crowd heard the sound of starting the car, and then saw a black car driving out of Shuguang Hospital.

The car drove to Chen Fei and stopped. Dean Zhang Tao personally got off the car with a smile: "Mr. Chen, I'm sorry. Small place, only this kind of car, you will just stop!"

With that said, Dean Zhang gave the car key to Chen Fei.

Chen Fei took the key and said lightly: "Well, enough."

Then he got into the car and waved to Yang Miaomiao, saying: "Miao Miao, get in the car, let's go!"

Yang Miaomiao The car, sitting in the co-pilot position. Then, Chen Fei directly started the car and drove out, and when Yang Fei passed them, he did not forget to remind: "Let's go!"

At this time, Yang Fei looked at Chen Fei's car back and the expression on his face appeared It was extremely gloomy, with fists clenched tightly, and almost got out of the water.

And the classmates around him also looked at the back of the car at this time, with a look of astonishment on their faces.

"What brand is that car, I think it looks luxurious?"

"Of course it is luxurious, I haven't seen it, Mercedes-Benz, Daben."

"Benz, isn't that the same as the monitor?"

"Same? Is n't it all the same? Although they are all Mercedes-Benz, the model and manufacturer are too different. The monitor is a domestic-made Mercedes-Benz a-class, about two or three hundred thousand. And that one, but the imported Mercedes-Benz gls, The price is at least a million or more. "

" That's so much difference. Wouldn't it be possible to buy three or four squad cars! "

Upon hearing the introduction, the students exclaimed, but they saw Yang Fei's somber expression. He quickly covered his mouth one by one, and then started the car and drove out.

Yang Fei listened to the classmates' discussion, and his expression grew darker.

Looking at the back of the Mercedes-Benz GLs that has gone away, Yang Fei gritted his teeth and whispered: "Yang Miaomiao, I look at you, that is to give you the opportunity to help you. If you don't know what to do, don't blame me "

Finished ." After finishing, Yang Fei touched his mobile phone and made a call. "Brother Liu, the person has come out and is on the way to the hotel."

Hanging up the phone, Yang Fei started the car and chased.

Half an hour later, a group of people came to the door of a wild restaurant in the city center. After parking the car, a group of people walked into the hotel.

Yang Fei called the waiter skillfully and ordered: "Is there still a gold VIP room? We are crowded. Let's come to a big room."

After that, Yang Fei introduced with a show of ostentation: "The room in this wild restaurant It is also graded. There are ordinary VIP rooms, silver VIP rooms and gold VIP rooms. "

" On top of the gold VIP rooms, there are diamond VIP rooms. However, there are only three rooms of that level. The big guys of that level stay. Generally, the golden VIP room is the most powerful existence. "While

speaking, Yang Fei kept looking at Chen Fei and Yang Miaomiao.

The classmates around heard the words and marveled at the echo. They all sighed that the class leader's affluence and generosity. They photographed Yang Feixi with a smile and a proud expression on his face.

But at this time, the waiter said: "Sorry, Mr. Golden VIP room is full, no longer."

Yang Fei heard the words, frowning suddenly, "Can't you make one out?" The

waiter said: "Sorry, the room is full, really It 's not free. There is room in the silver VIP room. If you do n't mind, sir, we can arrange it for you right away. "

Yang Fei spread his hands and looked at his classmates with questioning eyes.

The students said one after another.

"Sir, squad leader, the silver VIP room is enough. We can use your light to enter Yequ Restaurant, and we will be satisfied."

"Yes, this kind of hotel, we usually have no chance to come in. Thanks to you, squad leader. "

Wen Yan said, Yang Fei said:" Well, let's barely use silver VIP rooms. When I have the opportunity next time, I will take you to experience the gold VIP rooms. "

After that, Yang Fei was going to let the waiter open a silver VIP room .

But at this moment, Chen Fei took out a black card and handed it to the waiter, saying: "This is your hotel membership card? Open a diamond VIP room for me."

This card was sent by Dean Zhang just now. At the time, Chen Fei was left in the car together.

Wen Yan, Yang Fei and his classmates were shocked. They were preparing to openly sneer at Chen Fei, so that he should not come.

But they hadn't spoken yet. The waiter saw the card and immediately looked at him with respect. He took the card with both hands and said, "Yes, sir. I will take you to the No. 2 diamond VIP room

immediately ." Yang Fei's sneer and sarcasm directly suffocated him back. One by one looked at Chen Fei very surprised.

At this time, Chen Fei had walked side by side with Yang Miaomiao, followed behind the waiter, and walked towards the diamond VIP room.

Upon seeing this, Yang Fei could only keep his face calm and stepped up to follow.

A group of people walked into the private room and were shocked by the luxury of the VIP VIP room. They exclaimed one by one, their faces full of envy.

After everyone sat down, they began to order.

With Zhang Tao's VIP card, there is no need to consider the price or the like, and everyone is crazy according to their own wishes.

It didn't take long for the dishes to be served on the table, and after everyone had tasted them, they couldn't help but praise, and they all started to eat one after another.

The atmosphere on the dining table gradually became lively, and everyone began to toasting and greet each other.

Yang Fei, the squad leader who became the boss, was the goal of many people toasting. Of course, except for Chen Fei and Yang Miaomiao.

After a round of toasting, Yang Fei picked up a glass of wine himself, and came to Yang Miaomiao with a red cheek, saying, "Miao Miao, I toast you a cup."

"Squad leader, I respect you!" Yang Miaomiao started The wine glass touched Yang Fei.

Yang Miaomiao took a sip of the liquor, and Yang Fei drank it.

After drinking, Yang Fei did not return to his last night, but looked at Yang Miaomiao with a staring eye, and said: "Miao Miao, in fact, I asked you and classmates to come out today, there is one thing I want to What you indicated. "

Yang Miaomiao felt that the atmosphere was a bit wrong. But he asked, "

Squad leader, what's the matter with you?" Yang Fei suddenly looked at Yang Miaomiao, and said to Shen Miaomiao, "Miao Miao, actually, I like you, from junior high school Since the beginning, I have always liked you. Can you be my girlfriend? "

Yang Miaomiao froze for a moment. The other students immediately clapped and coaxed.

"Sir, the squad leader has confessed, and it's time to take a picture and confession."

"Miao Miao, what are you doing stunned, quickly agree!"

"Promise him, promise him, promise him!"

The atmosphere was lively, the crowd clapped and yelled, and Yang Fei looked at Yang Miaomiao with affectionate looks, "Miao Miao, be my girlfriend, I will always treat you well."

Yang Fei stretched out his hand to speak Bao Yang Miao Miao.

Yang Miaomiao suddenly awakened and stood up, avoiding Yang Fei's hug, and then said in a panic tone: "

Squad leader, you, you don't want to be like this." Yang Fei looked at Yang Miaomiao and said: " Miao Miao, don't you want to be my girlfriend? "

Yang Miao Miao's eyes flickered and said, " Squad leader, I'm still young. I don't want to talk about these things

now . " " Now I won't talk, then I can wait. Miao Miao, When do you think it is appropriate? "Yang Fei approached and asked.

Yang Miaomiao took a few steps back and said, "This, I, I-I don't like you, we are not suitable!"

Yang Miaomiao almost closed his eyes and said these words.

Suddenly, the scene was quiet and everyone's eyes were all over.

Yang Fei's expression was a little serious. Looking at Yang Miaomiao, he asked, "Miao Miao, are you really talking about it?"

Yang Miaomiao nodded and said seriously, "I'm sorry, Yang Fei. I've always been your classmate, I don't have that kind of feeling for you. We can only be ordinary friends.

I— " Yang Fei heard the words, and his expression quickly gloomed down. After a moment of silence, he drunk directly and interrupted Yang Miaomiao's words.

Both eyes stared at Yang Miaomiao fiercely and said: "Yang Miaomiao, you refused me, why did you refuse me? I am now the boss, there are houses and cars, which point is not good for you Village girl, how dare you refuse me? "

" Yang Fei, this is not for those reasons, emotional matters, can't force it! I-- "Yang Miaomiao explained with amazement and displeasure.

Chapter 836

But at the moment, Yang Fei's expression was a bit scary. Scarlet eyes stared at Yang Miaomiao and gritted his teeth. "Yang Miaomiao, don't make excuses. Didn't you just climb up to this guy next to you? Look at him Rich, so reject me, you are a bitch for money. "

Yang Miaomiao heard, suddenly stunned, she did not expect. After Yang Fei lost his way, it would look like this.

At this time, Yang Fei, with her eyes scarlet and waving her slap, was calling Yang Miaomiao, "Dirty bitch, dare to refuse me, I will kill you."

Seeing Yang Fei's slap flying, the crucial moment Chen Fei's body moved in front of Yang Miaomiao. With his right hand, he accurately grasped Yang Fei's wrist, making his slap unmovable. "You are too much!"

" Go away." Yang Fei roared, waving his left hand, trying to beat Chen Fei.

Chen Fei snorted, his right hand twisted slightly, and suddenly clicked. The pain caused Yang Fei to yell, and his left hand fell down.

"Brother Chen, let's go!" Yang Miaomiao didn't want to stay any longer and pulled Chen Fei's clothes.

"Trash!" Chen Fei released his right hand, kicked Yang Fei to the ground, and then walked side by side with Yang Miaomiao, preparing to leave.

At this time, Yang Fei fell to the ground, full of resentment, and said: "It's not that easy to want to go. I tell you, next, there is something for you."

Yang Fei touched his mobile phone and said fast Made a phone call and said, "Brother Liu, we are in the No. 2 private dining room of Yequ Restaurant. They are about to escape. Come on." When all

the students were wondering about the content of Yang Fei's phone, soon, the door of the private room came. A sound of footsteps.

Walking to the door of the private room, Chen Fei and Yang Miaomiao, who were about to leave, were stopped by the people coming at the door.

There are six or seven people in this group, all of them are strong men in their twenties. They wore uniform black uniforms and stared fiercely at Chen Fei and Yang Miaomiao.

Among them was a middle-aged man in his thirties or forties. The man had an inch head and a scar on his left eye. His expression was very fierce. Just looking at it made people feel a little shudder.

At this time, Yang Fei got up from the ground and ran to the middle-aged man with excitement: "Brother Liu, they are the two you are looking for. This is called Yang Miaomiao, this is Chen. Fei, it was they who harmed the sister-in-law and Lei Shao. "

Chen Fei frowned when he heard Lei Shao's name, and immediately thought of something. Looking up at the middle-aged man in front of him, "Do you know Yang Lei?" The

man sneered coldly and said in a deep voice: "Yang Lei is my uncle and Yang Hongying is my wife. Now, understand why I came to you!"

As a result of self-reporting, the other classmates took a breath, and their faces were shocked.

After all, Yang Lei Lei Shao is already a famous and irresistible figure in Xiwu City. And Lei Shao's brother-in-law Liu Ye, it is even more people who dare not provoke.

Because Liu Ye is a warrior, with the strength of the late Huang level, in Xiwu City, except for the big man like Jiao Boss, there can be almost no opponents.

Now, Chen Fei and Yang Miaomiao provoke Liu Ye, and the result is already doomed, only tragedy.

For a time, these classmates could not help but cast a sympathetic look on Yang Miaomiao, and at the same time moved their bodies involuntarily, pulling away from Yang Miaomiao.

At this moment, Yang Fei looked at Yang Miaomiao with a smile of revenge and said, "Yang Miaomiao, I have given you the opportunity just now, as long as you are my girlfriend. I will plead with Brother Liu , Spare your life. But you do n't know what to do, now, let 's take it for yourself! "

Yang Miaomiao heard this, glanced at Yang Fei, and gave a cold sip, "Shameless, disgusting! Even if I die, I won't be with you like you."

Yang Fei and Liu Ye caught up early this morning. In fact, it can even be said that he went to the hospital to visit the doctor, and the fundamental purpose was to bring Chen Fei and Yang Miaomiao out and let Liu Ye come to avenge him.

As a result, in his mouth, he became a person thinking about Yang Miaomiao, and he was deceiving himself.

Yang Fei looked at Yang Miaomiao, gritted his teeth and said: "I don't know what the hell, you are going to die, then accompany this kid to die!"

After that, Yang Fei got close to Liu Ye and nodded and stood with his waist down. Behind him, a look of running dogs.

Liu Ye looked at Chen Fei and said in a deep voice: "You scrapped one of my uncle's arms. Now, if you scrapped both hands yourself, I can go around you once."

Chen Fei didn't move and said lightly: "Yang Lei was scrapped One arm, he deserved it. I have regretted it now. At that time, I shot lightly. "

" You-look for death! "Liu Ye glared, his body exploded, and he directly oppressed.

Behind him, the six or seven sturdy young men immediately came under oppression and were full of momentum.

Seeing this, Chen Fei waved impatiently and said, "Do you want to do it? Let's go together, I don't want to waste time."

"Crazy guy!" Liu Ye was full of anger, striding, a big fist in the bowl, Shocked hard and hit Chen Fei.

Yang Fei saw this, with a touch of revenge on his face. Other classmates couldn't bear to look directly.

"Go to death!" Liu Ye snarled, and his fist was about to hit Chen Fei's face.

But at this moment, Chen Fei's right hand protruded and snapped, grasping Liu Ye's fist accurately and calmly.

Before the stunned expression on the other party's face subsided, Chen Fei twisted hard, and suddenly there was a clicking sound. Liu Ye's right arm was twisted directly into a twist. His face was full of pain, and his forehead was covered with beads of sweat.

"Master!"

"Bold!"

The six or seven young men suddenly shouted when they saw it, and then came to Chen Fei together.

Chen Fei's eyelids lifted slightly, and his fists were cracked a few times. In less than half a minute, he directly knocked them all to the ground, suffering one by one, and losing their fighting power.

At this time, everyone in the private room was stupid and couldn't believe what was happening.

The smug smile on Yang Fei's face turned into an inexplicable bitter smile, his eyelids continually beating. Looking at Chen Fei's eyes, full of shock and fear, his lips trembling and his voice trembling, "You, you even

blamed Liu-- " Chen Fei was too lazy to say anything to this kind of person. Kicked out of the private room.

Then, three or five times, Liu Ye and his group of apprentices were kicked out.

Solving them, Chen Fei glanced at the other students who were terrified, and said lightly: "These dishes, you have not finished eating, you can pack them away, and Miao Miao and I will pay."

After finishing, Chen Fei lifted Yang Miaomiao's hand and walked out of the room side by side.

Chapter 837

At the same time, on the corridor outside the private room, Jiao Aojiao, who had just come out from the No. 1 diamond VIP room, saw the people lying on the ground in a hurry.

Immediately, he took a closer look and found Liu Ye lying in it, could not help but reveal a surprised look, said: "Brother Liu, why are you here! What's wrong with this?"

Jiao Ao as the son of Jiao Boss, in Xiwu The city is definitely a top-notch second generation. Therefore, he and Liu Ye, a famous martial artist in Xiwu City, knew each other. Even, Jiao Ao once studied martial arts with Liu Ye, but he couldn't endure hardships, and finally did not persevere.

Now, seeing Liu Ye fall to the ground in pain, Jiao Ao naturally asked about it.

Seeing Jiao Ao, Liu Ye endured the pain and said: "Jiao Shao, I came to avenge my wife and my uncle, but encountered hard stubble."

"Hard stubble! In Xiwu City, there are dare to brother Liu Your hard stubble? I want to see, who is so brave?" Jiao Ao walked to Liu Ye's side and looked over into the private room.

Yang Fei, who was originally hiding in the corner of the private room, shivered, saw Jiao Ao appear, and suddenly his eyes lit up. He quickly pointed to Chen Fei and Yang Miaomiao, and said: "Jiao Shao, they hurt Liu Ge. You must be Want to avenge Brother Liu? "

Jiao Ao glanced at Yang Fei, then looked at Liu Ye, and asked," Brother Liu, are they moving hands? "

Liu Ye got up from the ground at the moment, and his face was vicious. After staring at Chen Fei and Yang Miaomiao, they nodded and said, "It's them. That kid came from a field, not only moved me, but also injured my uncle and hurt my wife into the game."

Jiao Shaowen said, raising his eyebrows. After a pick, he said: "Huh, there are such arrogant people, come to our Xiwu City to fly and domineering." During the

speech, Jiao Shao walked towards Chen Fei, looked at him for a moment, and then said directly: "Brother Liu is my friend, Xiwu City is my proud site. Are you moving my friends on my site, have you asked me? "

"What do you want?" Chen Fei looked at Jiao Ao and said coldly.

Jiao Ao hummed from his nose and said, "Now, cut off your arm and apologize to my friend.

Then—" During the speech, Jiao Ao's eyes fell on Yang Miaomiao beside Chen Fei, couldn't help His eyes lighted up and said: "Then leave this chick and accompany me for a few days."

"What do you say!" Hearing this, Chen Fei's expression darkened. Yang Miaomiao hides her face and hides behind Chen Fei.

With the backing of coke proud, Liu Ye at the moment a pedestrian, although all the wounded one was injured, but his face with a proud Italian, said: "Boy, I heard the words no less coke, quickly kowtow to apologize."

Next Yang Fei also turned into a small horn at this time, constantly saying: "Miao Miao, what are you still hesitating about. This is Jiao Shao, Jiao Shao can see you, that is your blessing, and I don't agree quickly. A woman who can be a little scorched is a blessing you have cultivated in eight lifetimes

. You—" Yang Fei chattered, flattering and disgusting words, and heard Yang Miaomiao frowning.

Chen Fei couldn't hear it anymore. He turned his head and glared, throwing a hand out of a porcelain bowl and slamming it against Yang Fei's mouth. He directly hit him with teeth falling, full of blood, and covered his mouth with a scream.

When Jiao Shao saw Chen Fei's hands, he immediately frowned and his expression was somber. "In front of me, Jiao Ao, you dare to do it. I think, one arm is not enough. Now, immediately cut off your arms."

Jiao Ao's pair The tone of the command was deep, and he stared hard at Chen Fei.

Chen Fei ignored his order and slammed his hand directly over his face, pumping it on Jiao Ao's face, and said in a cold voice: "Shut up!"

Suddenly slap, Jiao Shao covered his red cheeks and was stunned. , Staring at Chen Fei, "You, how dare you hit me, do you know who I am? I'm the son of Jiao Tian Jiao Tianquan, how dare you hit me, I--"

"Go away!" Chen Fei slammed and slammed again, swelling Jiao Shao's other cheek, and then pulled Yang Miaomiao out of the room.

Jiao Ao was full of resentment and shouted at the bodyguard at the entrance of the first room: "I didn't see me being beaten, you are still stunned. What else to do, do it!"

Suddenly, four black bodyguards, wow Rushed over and surrounded Chen Fei.

These four people have a steady breath and a steady pace. At first glance, they are real hands-on practice.

The siege of four real Lianjiazi, this momentum, all the people in the private room looked stupid.

Liu Ye and Yang Fei were full of resentment, and at the moment they gritted their teeth with a look of revenge.

"Jiao Shao, that kid has some skill, let your people be careful." Liu Ye reminded out loudly.

Jiao Ao clutched his cheeks and said with hate: "These bodyguards are the masters my dad invited from Yuqing City. They are all masters in the later stage of the Huang level. That kid, dare to move me, he is dead."

After talking, Jiao Ao waved his hand and shouted, "Give me a hard fight."

Suddenly, four bodyguards came to Chen Fei for siege.

Seeing this, Yang Fei's mouth was full of blood showing a touch of a smile, hate channel: ".. Surnamed Chen guy, makes you arrogant little offended coke, and coke boss's bodyguard hands, then you will die,"

finished Yang Fei's eyes fell on Yang Miaomiao, with a look that he couldn't get, so he wanted to destroy it crazy, "Bitch woman, don't follow me. Now, you're waiting to be tortured by Jiao Shao's lesson."

But at this moment they all had a look of revenge and resentment. Chen Fei frowned slightly, looked at the four bodyguards who had attacked him, and shook his head gently. Then his eyes were cold and his figure flickered.

Suddenly, everyone felt only a flower in front of him, Chen Fei moved quickly, pulling out a residual image of his figure, and could not see the trace at all. I can only hear the crackling sound of a punch.

After dozens of seconds, Chen Fei stood still, his face was light and his clothes were spotless, as if there was no movement at all.

Looking at the four bodyguards again, they collapsed around Chen Fei at the moment, and they completely collapsed one by one without any fighting power.

At this time, Jiao Ao, Liu Ye and Yang Fei, who were just proud and arrogant, were dumbfounded at this moment, and looked at this scene unbelievably. The whole person was stunned.

Liu Ye swallowed, looked at Chen Fei's expression, and was a little awed at this time, "In an instant, how to solve the four martial arts of the late Huang level, how strong is he, his strength?"

Yang Fei was simply scared directly Silly, can't say a word.

As for Jiao Ao, until he saw Chen Fei approaching himself, he suddenly woke up and quickly backed away, frightened and said: "You, what do you want to do?"

"You said!" He kicked him out of the stomach and smashed it to the ground. His body shuddered and spit out a blood.

Chapter 838

Jiao Ao's face was full of pain, and just a spit of blood, he saw Chen Fei walked towards himself again.

Suddenly, Jiao Ao appeared in horror, his body kept receding, and at the same time shouted, "Dad, help, come and save me.

Dad- " At the moment, in the No. 1 diamond VIP room, Jiao Boss is telling Yue Hongan As a result of the investigation, I suddenly heard the voice of my son calling for help.

Suddenly, Boss Jiao changed his face and shouted, shouting, "Go and see, what's going on?"

However, the bodyguard at the door didn't respond. Instead, it was a cry of arrogance, and it became even more miserable.

Boss Jiao frowned uncontrollably. Immediately, he can only arch his hand to Yue Hongan, sorry: "Mr. Yue, sorry. What may happen outside, I want to go out and see."

Yue Hongan nodded, said: "You go!"

"Thank you Mr. Yue "Jiao boss thanked, and then turned to open the door."

"What's the matter, what's it called--" Boss Jiao's face looked displeased, and his instinctive opening would scold his son.

However, before he finished talking, he saw that his son Jiao Ao had a swollen face and a swollen face. A young man was approaching his son, so he would beat him.

Suddenly, Mr. Jiao's face sank and shouted: "Stop!"

Jiao Ao saw his father coming, and immediately shouted: "Dad, save me quickly. He beat me, you catch him, hurry up."

Mr. Jiao's eyes were sinking, and he was about to call people. But at a glance, he saw four of his bodyguards close to the body. He fell to the ground at the moment, motionless, dead or alive.

In an instant, Jiao Boss frowned, looked at Chen Fei, and said in a deep voice: "Why do you want to shoot my son?"

Chen Fei said coldly: "Because he should fight."

Boss Jiao heard this, his expression sinking, and there was a hint of anger on his face. After all, Jiao Tianquan is a veritable gangster in Xiwu City. Here, few people dare to talk to him in this tone. Moreover, this guy also hurt his son.

"When you say this, do you know who I am?" Boss Jiao said in a deep voice, and the momentum of the big brother came to oppress Chen Fei.

Others felt this momentum and could not help but tremble, breathing could not help but slowed down, the whole person seemed to be suppressed by an invisible pressure.

Dumbfounded Yang Fei and Liu Ye, a flash of excitement flashed in their eyes at the moment.

"Boss Jiao came out, and the kid was finished."

"He can't be the opponent of Boss Jiao, no matter how powerful he is."

"Focus on shots, so talking to Boss Jiao is completely self-defeating."

They whispered silently. In the eyes of resentment, Chen Fei glanced at Boss Jiao and said lightly, "I don't need to know who you are when I hit the fight?"

"You are arrogant, but if you know who I am, now Kneeled down and begged me for mercy. "Boss Jiao's expression was somber, and his anger was like a clouded sky before the storm, which was about to erupt.

Chen Fei glanced at him lightly and shook his head gently: "The person who wants to kneel and beg for mercy is you, definitely not me."

At this time, Boss Jiao was really angry, his momentum exploded, and he would get angry.

Just, I— " But at this moment, a surprise came from the private room behind him," Mr. Chen, why are you here? "

Immediately, a footstep of the trot came and quickly approached Chen Fei Over here.

Such an accident directly interrupted Boss Jiao's anger.

He looked around and found that Yue Hongan came out of the booth somehow, and now he was excited and ran towards this side.

"Mr. Yue, you--" Boss Jiao was a little unclear.

At the moment, Liu Ye, Yang Fei and other classmates heard the title of Boss Jiao, his eyes were round, his eyes flashed with surprise, and all his eyes turned to Yue Hongan.

The person who can be called "Mr. Yue" by Mr. Jiao Zhuang can hardly find the second one in Xiwu City. Only the provincial Yue family in Xiwu City, Mr. Yue Hong Anyue.

The thought of meeting the legendary Mr. Yue in Xiwu City, they were all startled, dumbfounded, and couldn't help freezing their breath.

But at this time, Yue Hongan ignored the words of Boss Jiao, and ignored the shocked eyes of everyone. He quickly trot to Chen Fei, bent down and bowed to salute, respectfully said: "Mr. Chen, I am talking about the Skull Club Thing. I did n't expect you to be outside. "

Chen Fei said lightly: " My friend and I came out for dinner, just here. "

The boss Jiao, who was just on the verge of anger, saw that Yue Hongan actually knew Chen Fei, and It seemed to be very respectful and couldn't help being surprised. He hurriedly asked: "Mr. Yue, this gentleman is--"

Facing Boss Jiao, Yue Hong immediately recovered the attitude of the big brother, Shen Sheng said: "This is me and you mentioned Mr. Chen. The thing I asked you to investigate is for Mr. Chen. "

Upon hearing this, Mr. Jiao was suddenly shocked and his face was shocked and horrified.

After all, he vaguely understood that what Yue Hongan wanted to investigate was an order issued by the Yue Family Headquarters, and the Yue Family Headquarters investigated for a big man.

Now, listening to Yue Hongan, the big man turned out to be the young man in front of him.

When I thought of how I almost touched him, Mr. Jiao suddenly felt cold in his heart, showing fear, and knelt on the ground with a click. He quickly confessed and asked for forgiveness: "Mr. Chen, I do n't know it 's you. Please punish you. "In

this case, the people who were still whispering in their hearts just looked silly.

They didn't expect that Gao Jiao, who was above him, would kneel down directly to Chen Fei and admit that he was wrong.

For a while, they felt that their brains were overwhelmed and they didn't understand what happened.

"Dad, what are you doing? He hit me, how did you pay back--" Jiao Ao was a little unclear, so he asked.

But at the moment, Jiao Boss, with a gloomy complexion, shouted directly, slaps Jiao Ao down, knelt on the ground, "Shut up for me. Don't kneel yet, admit mistake to Mr. Chen."

"Dad, I -" Jiao Ao felt aggrieved and looked at Jiao Tianquan.

At this time Jiao Tianquan stared at him fiercely, whispering: "This Mr. Chen is the noble guest I mentioned before."

Upon hearing this, Jiao Ao was dumb.

Because, just over an hour ago, when his father Jiao Tianquan called him, he told him that the noble guest was a bigger man than Yue Qiaoxi, the head of the Yue family. At that time he also regretted that this noble guest hadn't come and couldn't see each other, leaving a good impression on the other party.

Chapter 839

You know, in this small city of Xiwu, Yue Hongan, a child of the Yue family, is almost enough to crush everything.

And now, the Mr. Chen in front of him is actually a bigger person than Yue Qiaoxi, the head of Yue family.

This huge gap is already unimaginable to Jiao Ao.

For a time, he was completely stunned, and the whole person stayed in place.

"Still dumbfounded, kowtow, confess!" Jiao Boss slapped Jiao Ao on the slap, only to wake him up.

Jiao Ao banged his head at Chen Fei suddenly, begging for mercy. "Mr. Chen, I was wrong. I don't know it's you,

I-- " At this moment, everyone at the scene was breathless, watching this scene with shock, Was shocked to be speechless.

Vincent Chen Fei looked at the mercy of coke and coke proud father and son, waved lightly: "! Get up"

, "! He is" two suddenly, such as amnesty, stood up,

at this time, said something timely Yuehong An Good words, "Mr. Chen, Mr. Jiao helped investigate the matter at the Skull and Bones Association."

Chen Fei nodded and looked at Jiao Ao immediately. "Looking at your father's face for me, I just No further investigation. "

" Thank you Mr. Chen, thank you Mr. Chen. "Jiao Ao thanked quickly.

Chen Fei waved his hand and said, "You don't have to say much, you go on. I have something to talk about."

"Yes!" Jiao Ao quickly bowed his head to leave.

At this moment, Chen Fei thought of something and said, "Wait a minute, take away all the garbage."

Then, Chen Fei pointed to the dull Liu Ye and Yang Fei.

Jiao Ao froze for a moment, then nodded and said: "Yes, Mr. Chen. I will deal with them."

Chen Fei nodded and said to Yang Miaomiao, and then sent someone to send her back to Shuguang Hospital. Immediately, Yue Yuean and Jiao Tianquan walked into the No. 1 private room.

At this point, Jiao Ao watched them enter the private room, and he was relieved.

He touched the blood on his mouth and looked at the dull Liu Ye, Yang Fei and others. His face was cold, and he said angrily: "I haven't heard Mr. Chen's words, and I won't get out."

Several people woke up suddenly. Then he panicked out of the private room. They knew that Jiao Shao's anger must have vented on them this time.

In the first private room, Chen Fei sat down, and Yue Hongan and Jiao Boss respectfully stood on both sides, daring not to sit down.

Chen Fei waved his hand and said, "Sit all. I'm here to understand the investigation. You don't have to be so restrictive. Just tell me the information that was investigated." The

two of them took their seats and immediately went straight to the door. The situation, "Mr. Chen, the skeleton society you asked me to investigate. I sent someone to inquire about the situation. The two men in black with the skull masks appearing in the video. The last place to appear is a place called Han Zhijun's home. "

" Han Zhijun's home. What background is that person? "Chen Fei asked.

Jiao Lao Avenue: "This Han Zhijun is a native of Xiwu City. He is almost seventy years old this year. Forty years ago, he went out and learned a great martial art, and he made a world out of it. "

Eighteen years ago, he had once returned to Xiwu City. The situation at that time was beautiful, and a whole Mercedes-Benz team drove back and forth, almost occupying all the central avenue in our city center." Full. The whole city of Xiwu was boiling because of him. "

"I heard people say that the strength of Han Zhijun's martial arts reached the terrible mid-level realm of the horror. He just laid a site outside and became a big brother, so he returned to the scenery. He then promised to our city There was a donation of 100 million yuan. "

" It's just that after he left, he lost contact shortly afterwards. The promised donations did not end up. At the time, there was a lot of discussion in the city. Eventually, over time As time passed, everyone gradually forgot him. "

" Until three years ago, Han Zhijun suddenly returned to Xiwu City. And this time he came back, it was a lot of low-key. He was completely old, with white hair and curvy. Hump-backed, walking rickety, almost standing unsteady. "

" I inquired about it, I heard that he failed because of the battle with people outside, the site was taken, he was also seriously injured, and his martial arts were almost destroyed, so I had to come back. " "

after coming back, he was in a position north of the city outskirts, built a secluded courtyard, inside their own to rest, since then, almost out showed up. "

" , I thought he was dead until three months ago, my men, because of a little thing, some small clashes outside the compound and Han people Han Zhijun, and I knew, Han Zhijun is still alive. "

"Moreover, he also received two apprentices and passed down his martial arts. The two apprentices, the apprentice named Lin Rui, and the second apprentice named Luo Chao. Both of them have good strengths, at least they should have a yellow level In the later stage, it is about the strength of the Huang level peak. "

" At that time, I was a little worried. These two people shot and competed with me for Xiwu City. But after the small conflict was resolved, they almost did not show up, so I was relieved. Come down. "

" If it weren't for Mr. Chen you asked me to investigate those things this time, I have to forget that there are a few mentors and apprentices like Han Zhijun. "

After listening, Chen Fei could not help but look down. Unusually low-key, away from the crowd. This is too suspicious. "

"Skeletons, are you sure you are in this Han Zhijun family?" Chen Fei asked.

Jiao Lao Avenue: "The location of Han Zhijun's home is very biased, there are no other people around, nor any high-tech monitoring and other equipment. I sent my hands to find someone around to find out that I was a villager who returned from work, and I didn't intend to I saw the situation at the time. The villagers were very impressed because the two men were wearing skull masks and wearing black clothes. "

" However, did the two men with skull masks leave afterwards, as well as the details of Han's family Because I could n't infiltrate the Han family to investigate, I could n't get the information. "

Chen Fei said, frowned lightly, and whispered to himself:" In this case, it seems that I have to go for a trip in person. "

I have limited abilities, and things are not done well, so I can only trouble Mr. Chen. Please ask Mr. Chen to atone!" Jiao Laoda arched his hand.

Chen Fei waved his hand and said, "You have investigated this information, which is already very good. The next thing, I will do it myself."

After that, Chen Fei was ready to get up and leave.

But at this moment, after a knock on the door, the hotel attendant's voice rang, "Mr. Jiao, there is a man at the door, saying he wants to visit you?"

"Visit me? Who is it?" Jiao boss frowned.

The waiter said: "I don't know the gentleman. He said that his name is Lin Rui. If you give the name, you will see him."

"Lin Rui!"

Hearing this name, the three people in the private room couldn't help it. Surprised, his face changed accordingly, "Lin Rui, Han Zhijun's apprentice."

Chapter 840

"What is he doing here?" The three of them were puzzled at the moment.

Immediately, the eyes of Boss Jiao and Yue Hongan all turned to Chen Fei.

Chen Fei sank slightly, focused on the boss, nodded, and said softly: "Let him come in."

Boss Jiao nodded, and then said in a deep voice: "Go let Mr. Lin come in."

Soon, the waiter came with Lin Rui. In his 30s or 40s, Lin Rui was very strong, with short hair, eyes narrowed, and a smile on his lips. Gives people a deep hidden feeling.

"Mr. Lin is here, please come in!" Boss Jiao politely said.

Lin Rui nodded his head, and then came straight and sat down. "Jiao Boss is polite."

Just sitting down, waiting for Jiao Boss to speak, Lin Rui glanced at Yue Hongan and Chen Fei, Then he said: "I came here today, there is one thing, I want to inform Boss Jiao."

The tone and attitude of the speech, with a sense of commanding command, made people feel very uncomfortable.

Chen Fei Yue Hongan and looked at the eyes with wonder and dignified color, it is clear mind thinking, "not to say that Han Zhijun and two apprentice very low key? It Lin Rui how such arrogance?"

Coke boss this time his face does not Great, but after all Han Zhijun was so beautiful. Therefore, at this moment, he still held back his anger and said to Lin Rui: "I don't know what Mr. Lin wants to notify me?" When

talking, Boss Jiao deliberately increased the tone on the word "notification", and his expression was a little unpleasant. .

But Lin Rui was completely as if he hadn't seen it. He leaned on the chair, squinted halfway, and looked lazy, looking at the three of them.

"My Master said that recently Xiwu City has been a bit lively, and several guests have come." Then, Lin Rui looked at Yue Hongan and Chen Fei. Obviously, he said this to the two.

Yue Hongan and Chen Fei immediately frowned, squinting at Lin Rui.

Lin Rui continued: "It's a good thing to be a little lively, but my master is old. If it's too lively, then he may quarrel with his old man. So, my master asked me to inform Mr. Jiao, it is better to let these The guests left. "As

soon as the words came out, all three of Chen Fei's faces changed.

Even though Boss Jiao was afraid of Han Zhijun, he could n't help but take the case at this moment. "I do n't know what Mr. Lin said? Mr. Chen and Mr. Yue are my guests. Why did Mr. Han let them leave?"

Lin Rui Hearing a sneer, he burst into a burst of energy, and directly oppressed Jiao Boss.

Suddenly, Boss Jiao felt a tremendous pressure and could not help but look stiff.

And Lin Rui said coldly at the moment: "Why? Just because my Master doesn't like them, is this not enough?"

Wen Yan, Yue Hongan was a little displeased, stepped forward, coldly said: "Your Master doesn't like us , Let us leave me, this is too overbearing. Do n't you, mentors and apprentices think that this Xiwu city is your failure? "

Jiao boss also said in a deep voice at this time:" Mr. Lin, the identity of this Mr. Yue It 's not you

who can— " But after waiting for him to finish, Lin Rui snorted and said disdainfully," I know what you 're going to say, do n't you just show off the identity of Yue Hongan? It sounds nice. "

" But in fact, it's just a small person in the Yue family branch. You might think that moving out of the Yue family name would scare me. "

Yue Hongan looked down, looked at Lin Rui, and said in a deep voice: "Mr. Lin really does not take my Yue family in his eyes, then I look back, but I want to see how powerful Lin is."

Lin Rui was unimpressed. The expression, said: "Mr. Yue please, just I doubt it very much. Mr. Yue can use the strength of the Yue family in your mouth!"

"You--" Yue Hongan's face was somber, and Jiao's expression was not good at the moment.

But at this moment, Lin Rui's eyes swept over and fell on Chen Fei, and said directly: "As for you, call it Chen Fei. My master said that the main person is you, although I don't understand why he is so old Value you. "

" But since my Master has spoken, then you, get out of Xiwu immediately. "

" I will give you an hour, and if you are still in Xiwu after an hour, I will let you know me It 's amazing. "

After finishing, Lin Rui leaned back in his chair and looked at Chen Fei with an arrogant attitude.

Boss Jiao and Yue Hongan knew Chen Fei's identity. When he saw that Lin Rui was talking to Chen Fei like this, he suddenly became furious and called for someone to come in.

But Chen Fei stopped them, but took a step forward to Lin Rui and said lightly: "You said, your Master wants me to leave Xiwu City."

"Yes, an hour." Lin Ruishen With a finger, he looked at his watch and changed his mouth, "No, now it's only fifty-five minutes left."

Chen Fei said: "If I don't leave?"

Lin Rui snorted and said, "Then I I will send you off in person. It 's just that if I want to do it, it 's not as comfortable as leaving. "During the speech,

Lin Rui burst into a real air, and directly oppressed Chen Fei, wanting to give him A little lesson.

But the breath oppressed the past, but Chen Fei didn't seem to feel normal and did not have any abnormal reaction. Instead, he continued to approach Lin Rui. "I want to see and know Mr. Lin."

Lin Rui's face sank and his eyes narrowed. , "You-something I do not know what to do!"

"Since that is the case, then I will let you taste my strength." Lin Rui took the case and stared at Chen Fei directly, bombarding it directly, "eat me one Fist! "

" Whooping ", Lin Rui's momentum exploded, with a magnificent breath, looking great.

In particular, Boss Jiao, seeing such an offensive, could not help but change his complexion, showing a shocked look on his face, "This is the strength of the Profound Realm."

Lin Ruiwen said with a big laugh: "It's still a bit of an eye. I Half a year ago, I have stepped into the level of Xuan-level. You, in my eyes, are just native chickens and dogs. "

Jiao Boss' face changed dramatically, showing concern," Xuan-level master, this, this, Mr. Chen

He— " Yue Hongan was very worried, without a trace of worry, but his mouth slightly raised, showing a smile," Don't worry, this kind of strength can't even hurt Mr. Chen's hair. Beat him, Mr. Chen has a finger That's enough. "

" Crazy things! "Lin Rui was furious, and the momentum on his fist skyrocketed again, and he drove towards Chen Fei.

Chen Fei looked at Lin Rui's offensive, gently raised his eyebrows, his right arm protruded, then gently extended his right index finger, and pointed at Lin Rui's fist.
