

Chapter 1237 – 1242 of Punished by His Love Novel

Chapter 1237

As soon as Shen Only finished speaking, the doorbell rang.

Suzi was immediately pleasantly surprised: “This weekend, I guess it must be Galia and Rayna.”

“Stop being a man!” Arron gave Suzi a blank look.

Suzi said lightly: “Christopher doesn’t count, do you think there may be other men, my brother!”

Say yes, she got up and went to open the car door.

“Suzi, I have something to ask you for today, Suzi.” Outside the door, Darius was very worried.

Suzi: “...”

Arron + Lilly in the restaurant: “...”

Suzi also subconsciously looked back at the father and daughter, then looked back at Darius solemnly: “Shu...Biao...cousin, what’s the matter with you?”

Darius looked bitter and haha: “Suzi, you...help me persuade Galia?”

Suzi: “?”

“Galia ignored me and kept breaking up with me...”

Suzi smiled calmly: “Cousin, you and Galia are both unmarried and unmarried, and Galia also has her own choice. Besides, you are in a wealthy family. Maybe Galia doesn’t like the wealthy life...”

Darius smiled bitterly: “Suzi, you know what you and I are like for so many years. Since I am attracted to Galia, I will definitely not dislike him. Now Galia dislikes me, I What’s your character, you should know it well after so many years?”

Suzi: “...”

Darius was right, his character is indeed good.

No matter what the old man Shu is, he is really good at his grandson. Darius is serious and responsible, and doesn’t bother and play with women.

He is indeed a rare man.

“Cousin, I didn’t think I was serious enough to call you, so I came to tell you about this in person. If Galia promises me, we will leave home to register for marriage, and I will give her an enviable Wedding.”

To be honest, Suzi really wants Galia to marry Darius.

She nodded: “Okay, I will help you persuade Galia.”

“Come in for dinner?” she asked again after a pause.

Darius: "..."

He clearly saw the eyes on the dining table, one big and one small, who were going to devour him alive.

To be honest, when there was no Suzi before, the relationship between Darius and Arron was still okay, the Brother Arron shouted all day long.

Ever since Suzi married Arron, Darius felt that the former Four Brother Fu guarded him like a thief.

Darius was very knowledgeable and yelled at the restaurant: "Four brother, then I just want to ask Suzi to help me persuade Galia, I

I want to marry Galia home early. I'm back home, my fourth brother, and my only one, saying goodbye to the expression. "

With words, Darius, uncertain whether the father and daughter had any reaction, turned around and entered the elevator.

Suzi: "..."

Going back to the living room for dinner, the father and daughter were so beautiful that she even said, "Arron even said: "If you go shopping with Yan Minqongrong at noon, I will pick you up."

Suzi: "Well, I know."

After dinner, Arron handled mail and company affairs at home, and Suzi took the only friends of Shen and Galia Rayna to go shopping together.

"Suzi, I'm really afraid of marrying into Shu's family. You said that such an old man, who specializes in his own flesh and blood, I have discovered the old man's quirks and laws." Galia sighed.

“What law, what law?” Rayna asked immediately curiously.

“Look at him, when the old man was young, he loved his wife’s niece, but he was very cruel to his own daughter. Later, when he was old, he loved Walton as much as his granddaughter, but he treated himself His granddaughter, he didn’t recognize each other face to face.”

“Later, he recognized it, but he recognized a fake grandson.”

“Do you think this old man is sick? He loves people to his bones if he is not kissing! For example, Lanita.

“My dear, he wants to kill you. For example, Suzi, you, don’t talk about you, even the only one he doesn’t plan to let go.” Galia shrugged, and said nonchalantly.

The three women were talking, and no one thought it would be the only one at the moment.

“The only one, what about the one?” Suzi turned his head, but couldn’t see the one.

Chapter 1238

“The only one!”

“The only one!”

Rayna and Galia were shocked at the same time!

Oh my god, where did the child go?

Suzi stood up immediately in shock and shouted anxiously, her voice changed.

Everyone around looked at Suzi.

Someone murmured: "As a mother, you will know how to play when you go out to the mall, and you will not treat your children well."

Suzi's tears burst out: "The only one!"

At this time, the only one who came out of a specialty store, she was still holding a little girl in her hand.

"Mom, what are you doing?" Aren't I in the specialty store behind you? I saw my classmate's mother. "Lilly shouted.

Suzi: "..."

After a pause, she suddenly ran to the only one and squatted down to hug the only one, and struck the one butt hard: "You bear kid, you are going to die to death of your mother. If your mother does not have your mother, you can't live anymore. Mom can't live. The only one Why don't you tell your mother when you play with your classmates."

Seeing Suzi crying in a panic, Lilly immediately said: "I'm sorry, mom, I know I was wrong."

"You are really a person. The child is not optimistic. If you run away, you will blame the child. What is your logic! So hitting the child in front of so many people in the mall, don't you think you are too much?" A cold business Uploaded from the top of Suzi's head.

Suzi looked up at the speaker with tears.

She was taken aback, and then asked: “This lady, I...where did I seem to have seen you?”

The woman wore a pure white silk-fit small lapel shirt on top, black bootcut trousers and stiletto heels on her lower body. The outfit was simple, capable, and the colors were cool and clean.

Women also look beautiful and cool.

Such a woman made Suzi feel good.

Suzi has a good impression of women, but it is hard for women to say to Suzi.

“Madam, you can really forget about things. Yesterday afternoon, when the kindergarten was out of school, didn’t you just meet it? Just because I didn’t want to join the circle of friends organized by your ladies, I was xenophobic.”

Suzi suddenly remembered, and her tone became more relaxed: “Oh, it was you.”

After speaking, she got up, then smiled embarrassedly, took out a tissue and wiped the tears on her face: “I’m sorry to make you laugh. I talked to two friends, and I couldn’t see the only one in a blink of an eye. Thank you. You helped me watch the baby.”

“In the future, my children are optimistic about themselves, and there are so many bad people now.” The woman’s tone was still cold.

But you can also hear the concern for the only one.

Suzi smiled and said in a sincere tone: “You are special.”

“It was forced by you people.” The woman said unceremoniously.

Suzi: "..."

"I just came back from abroad. Single mothers abroad are nothing. No one discriminates against single mothers, but it's different in China, especially in your wealthy circles."

Suzi: "..."

"I don't think I owe anyone, why should I be held hostage by you?"

"What happened if I didn't add a circle of friends?"

"As a result, every time I go to kindergarten to send my daughter off, I will be pointed out by you Kuo ladies. It's really boring!"

Suzi: "That..."

"Forget it!" The woman lowered her head and laughed at herself: "When I get acquainted with here, I will naturally move out and find a kindergarten with a better environment for my children."

Chapter 1239

Yubi, she yelled to her child: "Gu Xiangyi, let's go."

After a pause, she said to Lilly again: "Lilly's little friend, you are welcome to visit Xiangyi for fun."

"Goodbye Aunt Gu, goodbye Gu Xiangyi." Lilly happily said goodbye to the woman and the child.

The woman took her daughter and left without looking back.

Suzi: "Well, what do you call it?"

The woman did not answer.

Suzi laughed clearly behind him: "What a special woman. When I saw this woman, I remembered me who came back to Nancheng last year. The feeling of desperate and unacceptable, but unyielding in my heart, I feel the same. "

"Ah!" Rayna cast a white glance at Suzi with his hips akimbo.

"Rayna, you are becoming more and more revealing now, no! You used to be revealing before, when I first met you, you were the same virtue! I ask you, why did other Gu Xiangyi's mother talk about you!"

"It's just the mouth, why drip? Seeing her disgusting, why drip!" Unexpectedly, Galia also quarreled with Suzi with her arms crossed.

Suzi: "..."

She looked down at Lilly: "Someone bullied your old lady?"

The only one grinned: "Hehe, I don't care if the three of you quarrel, it's the same as if you and dad quarreled with me. I just sat there and ate my ice cream. You continue to quarrel, continue to quarrel."

Suzi: "..."

After a long while, she asked in a very unbalanced tone: "Rayna, I will ask you, why did your mother Gu Xiangyi offend you? You are so pitiful?"

Rayna: "She didn't offend me! I don't know her either! But when I saw her pretending, I just saw her not pleasing to my eyes! Suzi, do you think she looks cold, upright, and unpleasant? , Is she the same as you back then?"

Suzi nodded: "Well, I feel the same way."

"It's too far!"

Galia immediately grabbed it and said, "Although you were very noble and cold at the time, how high was your desire to survive? You were the only one for your daughter, so you almost kneel down, even if someone else strips your clothes off. , You have made up your mind that there will be no resistance."

"That kind of you are the real clear, high-definition Gao Ning unyielding."

"But what about her, she's dying of expensive clothes! No one is holding a knife on her neck, what is she dragging? She shouldn't participate in Mrs. Kuo's mother's circle of friends called Qinggao? Don't forget, Suzi, you used to So noble, you are not afraid of death, Arron is not rare for you, but how do you do it?"

"You were so busy with your work at the time, and you were always in the circle of friends. Your purpose is to not want your child to be the only one and be treated differently. Have you forgotten?"

Suzi suddenly remembered: "That's right, in fact, it seems that we are so tall? We are just people living in the mud. At that time, for the only one, I really was, kneeling on the ground and licking people's toes. I have it in my heart."

"So, you were truly unyielding and high-minded at the time. And the woman just now, anyway, Galia and I thought she was a bitch and she was able to pretend."

Suzi: "..."

She doesn't know that woman.

Just the mother of a newly transferred classmate, watching two good girlfriends spare no effort to persuade him, Suzi said: “Okay, listen to you, I will see this woman in the future, and walk around.”

Rayna and Galia laughed, and Galia said, “That’s right. Let’s go and eat ice cream. After eating, let Brother Christopher come to pick us up. The clothes I bought this time will be enough for me to wear for a while. . Hee hee.”

As soon as Rayna’s voice fell, Suzi’s cell phone rang.

Suzi immediately connected: “Hello, Arron? Are you really coming to pick us up?”

Hearing Suzi’s words like this, Rayna and Galia were startled first and then nervous.

They were very relaxed when Christopher came to pick him up. Once Arron came to pick up Suzi, both Rayna and Galia were actually afraid of Arron.

Both wanted to tell Suzi and let Suzi tell Arron not to pick him up in person.

However, Suzi’s expression was directly stunned: “You... what did you say Arron?”

Chapter 1240

“Grandma was sick, and she was lying in bed and didn’t want to let the doctor see her. She said that as long as the only one came back, her illness would be cured.” Arron said calmly on the other end.

To be honest, he really didn’t want to go back to the old house.

He has never lived in an old house since he was a child, which is not a home for him at all.

As for grandma.

Although his grandmother never harmed him Arron, to be honest, during his childhood, grandma hardly knew him.

Grandma is very good at being a human being. She knows how to keep a low profile and constrain better than grandpa, father and aunt.

Therefore, Arron doesn't like old houses in his bones.

But now that the old man is sick, she misses the only one.

If you don't take the only one back at this time, it's basically impossible to justify.

Therefore, Arron had to call Suzi.

Unexpectedly, Suzi was startled at first, and then cried: "What did you say, Arron, grandma... grandma is ill? Is she very ill? uuu...both Blame us, I have been so busy these days that I didn't go back to the old house to see her."

Suzi's tone was extremely self-blame: "We are still... still wandering in this mall, where are you, come and pick me up quickly, I will take the only one with me now."

Arron: "..."

There was an unspeakable taste in his heart.

The woman looked cold, but her heart was very soft and hot.

The only warmth that grandma gave Suzi was when he only took Suzi and didn't take the one back to the old house. Grandma gave a pair of ancestral yellow wax stone bracelets to Suzi.

Until now, Suzi has been like a baby, reluctant to take it, and treasure it.

Suzi had never considered that the pair of yellow wax stones were originally passed down from the family's ancestors, and it was passed down to Arron's generation that he was the only one alive. The yellow wax stones belonged to Suzi anyway.

Grandma is more acquainted with current affairs, and she has just done her favors.

But Suzi kept it in his heart.

She has a very good impression of her grandma.

In this case, Arron can only say: "Wait for me, Christopher and I will be there in half an hour, Christopher drove Galia and Rayna home, and I will take you to the old house."

Suzi nodded: "Yeah."

After closing the line, Suzi was still in a bad mood.

"What's wrong with Suzi?" Galia asked concerned.

"Grandma is sick. I think it's the only thing she thinks about. The old man is more stubborn and reluctant to see a doctor or eat."

Rayna immediately urged: "Then hurry up and see grandma."

Galia also agreed: "After all, the old man is over a hundred years old, and the only great-granddaughter should go and see her old man."

"Go, let's go." Suzi said.

I wanted to eat, drink and have fun in the mall until sunset in the afternoon when I went back.

Dad is going back now, Rayna and Galia couldn't help arranging Suzi.

Rayna spoke first: "Suzi, don't blame me for not reminding you! When you go to school on Monday and send the only one to kindergarten, you are not allowed to be close to the noble woman just now!"

Galia also said in a ferocious tone: "As long as I see you interacting with that woman, I will give you a discount on your legs!"

"Puff..." Suzi couldn't help but smile.

After laughing, she said again: "Are you two being girlfriends like this? When I introduced Sister Shan to you, I didn't see you jealous."

"Huh! Can that woman compare to Sister Shan?" Galia asked sharply immediately.

"Aunt Shanshan is very kind and good. At first glance, she is the kind of woman who is very tolerant and kind, but that woman, looking cold, is really bitter! I just don't allow you to interact with her!"

Chapter 1241

"You shrew!" Suzi could see Rayna through.

A shrew is a shrew.

The little b!tch who came out of the market is a well-deserved name.

"And me! I'm Little Chili!" Galia said.

Suzi: "..."

Really make friends carelessly.

She had never made friends in her life, and finally two women wanted to make a relationship with her, so she agreed overjoyed and became best friends with these two women.

What a dream, she recruited two wolves!

Helpless Suzi nodded weakly: "Okay! Okay! You two shrews, little peppers!"

"Haha..." Galia and Rayna smiled lurking back.

Rayna was directly picked up by Lilly: "The only one, the only one, I finally subdued your mother, um um um!"

Lilly said in an angry tone: "Hey, you three, who is with whom!"

Rayna smiled even more happily: "Hehe. The only thing that is right! The three of us are good sisters of the opposite s3x, regardless of each other!"

The three people just hugged the only door that left the mall.

This mall is very large, with several exits. Galia and Rayna went to another exit to wait for Christopher, and Suzi also took Shen Wei to the first gate and waited for Arron to pick them up.

"The only one, what do you think of Gu Xiangyi's mother?" Holding the one all the way, Suzi asked one by one.

Lilly tilted his head and thought for a while: "Anyway, I don't think Aunt Galia is as beautiful as Aunt Rayna, and not as kind as Aunt Rayna."

“Compared with Aunt Shanshan?” Suzi asked.

“How can I compare with Aunt Shanshan? Aunt Shanshan is like a mother, but Gu Xiangyi’s mother is not like her. “Shen Only said to his mother in a milky voice.

Suzi: “...”

She shook her heart.

“Mom, in the future we will bring Gu Xiangyi to our house to raise, OK, I will love her. Gu Xiangyi does not have a father, how pitiful, I did not have a father before, but I have an uncle, but Gu Xiangyi does not have an uncle either. ...”

The six-year-old girl does not look like she is usually fierce, like a bully in the kindergarten, but Shen Only has very good eyes.

The heart is very soft.

Suzi patiently said to Lilly: “Lilly, mom tells you that all single mothers in this world are not easy, do you know? So it is normal for Gu Xiangyi’s mother to be a little bit more temperamental. When it’s time to play together, comfort her.”

Lilly nodded: “I know my mother, it means that children need to know how to weigh adults, right?”

“My only one is awesome! Come here, mom will give you a thumbs up!” Suzi raised his thumb and nodded on Shen only’s forehead.

The little girl is so happy.

As soon as she raised her head, she immediately said in surprise: “Mom, look, dad is waiting for us under the overpass, mom hurry up.”

Lilly led Suzi all the way to rush to his father's side.

At this time, Arron also saw Suzi and the only one.

He raised his hand and beckoned only. He didn't see a kid running towards him in an oblique direction. The kid stepped on Arron's foot and hit himself.

Arron frowned, and then bent over to help the children: "You are all right, child, where are your parents?"

Behind him, a female voice came: "I'm sorry, sir, my daughter is too active, um, have you stepped on your leather shoes dirty? Don't move, I'll wipe it for you."

With that said, the woman squatted down and took out a tissue from her bag and carefully polished Arron's shoes.

Arron: "..."

"It's you again?" At this time, Suzi also came to Arron.

Chapter 1242

The woman looked back at Suzi and said coldly: "It's such a coincidence, I met you again."

Suzi: "..."

Eh!

You're polishing my husband's shoes, who asked you to polish it? You can get up, get up!

The woman sneered again: “You such a noble lady, don’t you think I am embarrassed when I squat down to shine someone’s shoes? But I don’t think it is. My daughter stepped on this gentleman’s shoes. I cleaned him. It is necessary.”

Suzi: “...”

Arron: “But I don’t think it is necessary!”

The woman looked up at Arron: “...”

Arron’s tone was even colder: “Can you go now!”

Woman: “Excuse me, it’s my daughter...”

Arron sneered: “Woman! You are too greasy! Can you please stay away! It doesn’t matter if the child steps on the dirty shoes, but your approach makes me feel very uncomfortable, very greasy!”

Arron was already polite to women.

That’s because he saw his daughter, Shen Only, playing with that little child.

“Ye... I’m sorry, I offended you, I will leave immediately!” The woman was a little embarrassed, she turned around, took her daughter away.

Having gone out a long way, the little girl Gu Xiangyi turned around and waved with Lilly.

Lilly also waved with Gu Xiangyi.

“They know?” Arron asked Suzi.

Suzi smiled and looked at Arron: “You have been able to bear it?”

Arron: "What do you mean?"

"I'm such a beautiful woman, so I squatted down to polish your shoes. What happened? You almost didn't cry someone fiercely."

Arron: "..."

He was driving while looking at the woman, who smiled.

"What do you want me to do to her?" the man asked.

Then, without waiting for Suzi's answer, he said again: "Do you want me to pity and cherish jade?"

"Dare you!" The woman raised her hand and twisted Arron's nose.

The children at the back sat down, and Lilly laughed and laughed: "Oh, mom, you have learned my trick of nose-twisting."

Suzi: "..."

The daughters all followed and muddled.

Really talented.

She rolled the father and daughter two by one, and said to Arron: "Drive fast, go see grandma!"

At the Fu's old house, Suzi also had feelings with her grandma. She was a woman of love and righteousness. When she thought of her grandma's illness, Suzi couldn't be happy.

After all, Bai is ten years old.

The car drove fast.

Half an hour later, he arrived at the Fu's old house.

The car stopped. As soon as the three of Arron's family got out of the car, they saw Qin Shuang standing at the door of the Fu's old house, ordering something with some servants.

Seeing the arrival of Suzi, Arron, and Shen's only family of three, Qin Shuang immediately greeted him with a smile: "Fourth brother, are you here?"

Arron: "Hmm!"

"You guys don't come again, I'm afraid grandma..." As he said, Qin Shuang felt like she was about to cry.

She hid her face for a while, wiped her eyes without tears, her expression changed suddenly when she saw Suzi: "Why, isn't this, Miss Shu?"

Suzi: "You got the wrong nerve!"

Qin Shuang was also not angry, but smiled indifferently: "Oh, oh, I haven't turned to play for a while, although you are the real granddaughter of Mr. Shu, you are just the granddaughter after all, you... You can't have the surname Shu. I remembered it wrong. I always thought you were the granddaughter of the Shu family's auntie."
