

# Chapter 1243 – 1248 of Punished by His Love Novel

## Chapter 1243

Suzi: “Miss Qin, what do you want to say?”

Qin Shuang: “Ahaha, it’s my fault, I should call you...Miss Lin.”

“Neither can I,” Suzi said again.

Qin Shuang: “Huh?”

“My name is Shen, Suzi.”

“Oh oh oh, Suzi, Miss Shen...”

Suzi interrupted Qin Shuang: “Excuse me, who are you from the Fu family?”

Qin Shuang replied without hesitation: “Butler, I have always been in charge of Fu’s house...”

‘Pop! ‘Suzi raised his wrist and slapped Qin Shuang.

Qin Shuang: “You... you have hard wings, and you beat me when you think you are the granddaughter of Mr. Shu? You must know that when Mr. Shu was evil, I also fought with her. , I don’t know who loses and who wins!”

Suzi calmly said: “A housekeeper of the Fu family! Are you blind! I haven’t even seen me, the only young woman in the Fu family!”

Qin Shuang: “You asked me to call you Suzi...”

“Slap” Suzi raised his wrist and slapped Qin Shuang’s face again: “This slap is to slap you in exchange for the concept, slap you pretending to be crazy and call me Miss Lin for a while, call me Miss Shu for a while, and I will tell you my last name. Shu, called Shuxiang!”

“Haha...” My daughters and daughters were all amused by their mothers.

Suzi was also confused.

She didn’t come to the old house often, but when she saw such a woman arrogantly here, Suzi became angry.

Suzi gave her girl a look: “Lilly, shut up, please!”

Lilly glanced at his mother, then raised his chin and looked at Qin Shuang: “You woman, you have been my subordinate for a long time, do you think my mother was very honest when she came here before! My mother? Someone supported it today!”

“My father and I are both my mother’s backstage!”

“You woman who pretends to be crazy and sells stupidly, please listen to me, my mother’s surname is Shen, and her name is Suzi!”

“Next time you are pretending to be crazy and stupid...”

After talking about a companion, Lilly immediately turned around to look at his mother: “No, mom, why do we have another time, such a housekeeper who blocks the door and prevents us from entering his house, why don’t you open her? “

“The girl is right!” Suzi snorted coldly: “Qin Shuang, if you receive your salary today, you will get out of here!”

Qin Shuang: “You...how old are you! You really think you are the granddaughter of Mr. Shu, so the tide is rising! I tell Lilly don’t think you are doing those things I don’t know! You are here! The men who hooked up outside have been harassing my aunt and uncle recently!”

“Suzi! Did you kick your nose on your face when you were recognized as a granddaughter by Mr. Shu?”

“I tell you, when I met my brother Arron, you didn’t know which pit you were lying in. What’s so great!”

Suzi: “...”

She was so angry that she laughed.

Today, she also suddenly understands why her men don’t like to come to this old house. This old house is really a man who doesn’t belong to her family.

This is Qin Shuang!

A woman who can’t beat her, because she is backed by her so-called uncle and aunt, she can be so arrogant, you really can’t help her.

Suzi sneered: “Qin Shuang! If you don’t get out of this house for me today, I will call the police to chase people away! Get out of here now!”

Qin Shuang: “What qualifications do you have to drive me away?”

“I am the most orthodox young grandmother of the Fu family. This family belongs to me. Of course I have the final say!” Suzi said coldly.

Then, he drove Qin Shuang again: “Get out of here right away, or I’m not polite to you!”

“You hit me?”

“What’s wrong with hitting you? It’s easy for me to hit you, not to mention I still have a helper! I’m not talking about my husband, I’m talking about my daughter!”

Qin Shuang: “...”

“Go!”

“Suzi, it’s not your turn to speak in this family!” A person suddenly walked out of the gate and said coldly and with great authority.

## Chapter 1244

When Suzi turned his head, he saw Qin Wenyu, a jeweled, elegant and capable aunt.

Suzi: “...”

“Qin’er!” Qin Wenyu said: “Mom rarely cares about you. I think being an aunt can do what I am doing. Auntie is enough to save you face!”

Arron: “...”

His daughter-in-law and children had a long fight with Qin Shuang at this door, but Arron didn’t say a word.

Because his daughter-in-law and children did not suffer, on the contrary, this Qin Shuang was slapped twice.

At this moment, the Lord has finally come.

Arron looked at Qin Wenyu.

In the past, when Qin Wenyu called herself an aunt, Arron didn't object much.

After all, she is the original match of his father. After all, the older brothers on Arron's bar were killed. However, a trip to add a star island made Arron understand that the hatred between him and Qin Wenyu cannot be resolved. .

If time goes back twenty years, if the mother does not die, if Arron's and his brother Pan Haoyang are not dispersed in two places, if the three of them have been together, then this hatred may be resolved again.

However, it is by no means possible now.

"Qin Wenyu!" Arron shouted coldly.

Qin Wenyu was taken aback: "You! What do you call me?"

"Qin Wenyu!" Arron repeated again.

Qin Wenyu: "Qin'er! Aunt I have not treated you badly! My sons and your brothers have all died because of you. I have hated you before!"

Arron's tone was extremely calm: "First of all, none of your sons and my brothers didn't want to kill me, and under the command of you and my dad, they almost succeeded. ."

"Seven years ago, if it wasn't for me to be prepared in advance, then the person who died now was me."

"My Arron ever actively attacked my biological brother?"

Qin Wenyu: "..."

At this point, Arron was really wrong.

No matter how dark he was, no matter how cruel he was, he didn't take the initiative to clean up his own brother.

On the contrary, it was her unconvincing sons who repeatedly thought about killing Arron, but never expected that Arron would hide such a body, and not only successfully countered a few brothers. , And also successfully mastered the Fu Group.

Qin Wenyu had to refuse to accept this matter.

She smiled lonely: "Qin'er, do you think if you really wanted to kill your brothers, would I still call you Qin'er one by one? Even if I bite, I can kill you!"

Arron was still very calm: "So, you don't actually hate me in your heart?"

"Don't hate." Qin Wenyu said quietly.

"Want me to be grateful?" Arron asked again.

Qin Wenyu asked sadly: "I shouldn't! The aunt is not bad to you! I have never treated you badly! As for you could not enter the Fu family when you were a child, you and your mother went to exile abroad, that's because the Fu family has always had it. I did not order this house rule, this house rule!"

"Furthermore! Arron, you are married now. Ask which wife can bear it again. Your husband looked for another woman outside and gave birth to a child!"  
Qin Wenyu choked up when she said this.

Because of her husband, Qin Wenyu Zhen Beast has been wronged for a lifetime.

Not only that, but several of her sons also took their lives because of this, and what they want her, what they want her!

Seeing that Qin Wenyu was so excited, Arron thought that Qin Wenyu should have endured it for a long time. Until now, after she and her father were repeatedly harassed by the anonymous man, Qin Wenyu's patience also broke out.

It broke out!

Arron is waiting for him!

## Chapter 1245

“Very good! Very good!” Arron sneered.

After a pause, he said again: “Since you can't tolerate your husband looking for other women outside, then in Gasing Island, why did you take the initiative to find a woman for your husband?”

Qin Wen was surprised, and suddenly raised her head: “Arron, you...what do you know? The secret you brought back from Jiaxing Island. Is this?”

Arron: “Far more!”

Qin Wenyu was anxious: “How did you know that your mother was the woman I personally found for your father to let him play with? How did you know that your mother is dead?”

Arron: “Do you think there will be secrets in the world that will never be exposed?”

Qin Wenyu: “...”

“When you first looked for a woman for your husband, did you think about how that woman felt?”

“When that woman is pregnant with your husband’s child, you unite and tell her that you are the husband and wife. Do you know what she feels like when she is just a junior?”

“When she has a big belly and doesn’t even have the right to have children, Qin Wenyu, don’t you think you are killing someone?”

Qin Wenyu: “You...you know it, you know it all, Shu... Didn’t Mr. Shu tell you?”

Arron: “He wants to save his granddaughter. For his granddaughter, it’s not uncommon for him to keep a lifetime secret and tell me, right?”

Qin Wenyu: “...”

“That’s why Qin Wenyu! You don’t hate me, I know! Because I have never done anything to be sorry for you! Even if your sons no longer know each other, it is their own fault, but!”

Arron’s tone became colder and colder: “However, I have a deep hatred of you!”

Qin Wenyu: “Qin...Qin’er?”

There were tears in her eyes.

Her lips trembled.

She is less than seventy years old this year, she still wants to live for twenty years, she

Looking at Arron tremblingly: “Qin’er...you...you should hate me, but have you ever thought that I was forced to do this at the time. If I don’t do this, , Your father’s life may not be saved!”

“His life will not be saved! That’s your Fu family’s business! Does this have anything to do with the fallen princess of Gasing Island who has just died of her parents and siblings!”

Qin Wenyu: “...”

“Use my mother to save your lives, save your business! After saving your business, saving your lives, in a blink of an eye she didn’t even have the right to have children. She was born without the right to inherit the child. , Want to live in exile for a lifetime?”

Arron has never been excited, this is the first time he is excited.

Qin Wenyu: “...”

At this moment, she was dumbfounded not knowing what to say.

Qin Wenyu had a deep fear in her heart. This concubine went to Jiaying Island and already knew everything, so would he let him go?

“Brother Arron, you...My aunt always loves you very much, she treats you like her own son, you...you can’t hate her so much.” He has been slapped twice on the side. Qin Shuang wanted to protect his aunt.

Arron looked at Qin Shuang coldly: “You...what did you say?”

“I mean, you shouldn’t...”

“Go!” Arron suddenly lifted his foot and lifted Zi Qin Shuang on his body severely.

Qin Shuang flew out with a 'wow'.

Qin Wenyu: "..."

At this time, another voice came from the gate: "Arron, you are too presumptuous!"

## Chapter 1246

Arron looked at his father calmly.

My father has a temperament recently. He used to be cautious when talking to him. After being harassed by the anonymous man several times, his father has become arrogant.

In the end, he felt that he had grasped Suzi's handle.

"Shuang'er is your aunt's niece! She is a relative in the family! You and your wife and children are not in the old house, and the four elderly people are taken care of by Shuang'er. You kick her flying like this, your heart is too cruel!" Yes, Fu Zhengxiong bent down to help Qin Shuang.

Arron looked at his father calmly: "I came to see grandma today. You told me that if grandma doesn't see the only one, she won't see the doctor and I came."

"Your grandma is sick only because she thinks about it!"

"Since you know this, why do you stop at the gate in every possible way?" Arron asked.

Qin Shuang: "..."

Every day, I heard my aunt and uncle mumble that Suzi was unscrupulous, saying that he was overwhelmed with the status of Grandpa Shu and granddaughter, and began to cuckold Arron.

Not only that, she also instigated the man to harass the old house of the Fu family.

After listening to such words too much, Qin Shuang started to move around again.

Anyway, an uncle and aunt are supporting her. She lives in this old house, and no one can drive her away!

Unexpectedly, Arron said in a calm tone: "Dad! You are my dad, I can't do anything to you, but starting from Monday, I will freeze all the accounts in the old house. Your and your wife's accounts."

Fu Zhengxiong + Qin Wenyu: "..."

Fu Zhengxiong was very surprised and shocked.

"As for the domestic helpers in the old house, I will only leave two people here to take care of my grandparents."

"The rest, all fired!"

"There is also Qin Shuang. Before firing, I will check her account, private safe, and storage of valuables in the bank."

"Once her personal wealth exceeds the income of her domestic helper, and these incomes are all spent from the Fu family, if it exceeds one million, she will go to jail for five years."

"More than ten million, die!"

Hearing this, Qin Shuang's face was as pale as paper immediately: "No...no Brother Fu. Brother Fourth, I am your cousin..."

"First of all you are not my cousin! Your aunt is my father's wife and nothing more. If you want to talk about it, I have an enemy with her! So you can only be regarded as my enemy!"

"Even if you are my cousin, a cousin who is in his cousin's cousin's house openly blocked her cousin from entering her home. Such a cousin, do you think I, Arron, will let her live?"

Arron's tone was plain from beginning to end.

Yubi, holding the only one, with one arm around Suzi and entered the door.

The rest of Fu Zhengxiong and Qin Wenyu, as well as Qin Shuang, whose chest was sore by Arron's kick, didn't even dare to cry.

Fu Zhengxiong looked back at Qin Wenyu: "What's wrong with Arron today? If he doesn't care about his wife's problems, he is crazy."

Qin Wenyu's face was pale and pale: "Zhengxiong, the secret that Arron brought back from Jiaying Island..."

Fu Zhengxiong: "...What does he know?"

"He knew that we would not let his mother give birth to him." Qin Wenyu said.

Fu Zhengxiong: "Master Shu didn't keep this secret for us."

Qin Wenyu shook his head: "It seems that Arron has known about this a long time ago. He didn't hate us much before. I feel that he has something else to hide from us, something you and I don't know."

Fu Zhengxiong: "..."

## Chapter 1247

After a pause, he said: "Ask Mr. Shu."

Say yes, Fu Zhengxiong immediately took out his mobile phone and called Elder Shu. At the other end, Elder Shu was connected quickly, and his tone was extremely old: "Zhengxiong..."

Fu Zhengxiong's tone was very bad: "Uncle Shu, you... didn't you keep secrets for me?"

At that end, the tone of the old man Shu was very difficult: "Zhengxiong! In this world, everything is done by human beings, and the sky is watching. Even if I didn't talk about those things for a lifetime, I couldn't help it, because, Jiaxing Island There are so many people alive."

Fu Zhengxiong: "What do you mean?"

Elder Shu continued: "There are not only people alive in Jiaxing Island, but also a family surnamed Pan. This kind of secret cannot be hidden, Zhengxiong."

Fu Zhengxiong: "Old man...what secret do you have that I don't know?"

At the other end, Elder Shu coughed several times: "Zhengxiong, didn't it... Arron didn't tell you?"

Fu Zhengxiong was taken aback: "What the hell is the secret!"

Elder Shu: "Eh...I don't know, it doesn't matter if he doesn't tell you, because..."

Elder Shu knew that when he was on Jiaxing Island, the entire Pan family was subdued by Arron, but the stinky boy ran away under Arron's nose.

I heard that that stinky boy has the same personality as Arron, he is fierce and not sloppy.

When in Gasing Island, that stinky boy often supported his non-brother.

Pan Haojing, the elder of the Pan family, doesn't have much prestige on the island, on the contrary, it is the stinky boy who has higher prestige than his brother.

Now that the stinky boy ran away, and Arron didn't tell his biological father, then at this time, Elder Shu wouldn't be able to say anything.

When things have reached this point, nothing will help.

If things can go back more than 30 years ago, he would have accused Fu Zhengxiong and Qin Wenyu for divorce.

Since you are your husband looking for a woman outside, and you have caused the little girl to become pregnant, you must be responsible to the little girl. Only in this way can the little girl give birth to both children smoothly.

However, time cannot go back thirty years.

All regrets can only be swallowed in my heart.

This is good to Arron, to Suzi, to his daughter who has never enjoyed a blessing in her life, and to the four elderly people in the Fu family.

Thinking of this, the old man Shu said to Fu Zhengxiong earnestly:  
"Zhengxiong, stop, no amount of secrets will actually affect you. Just take care of your parents and then take care of your parents. , Pension is enough."

“As for the Fu Group’s affairs, Arron will take care of everything, so don’t worry.”

Fu Zhengxiong said angrily: “Old man! You are now a granddaughter! You can enjoy your old age, so that’s why I persuaded me to let me enjoy my old age. Do you know that it’s not doing well?”

Elder Shu asked tremblingly: “You mean, Shen...Suzi?”

“Yes!”

“Suzi...what’s the matter?” Elder Shu asked.

“She has a friend outside. Recently, she has been harassing me and Wenyu. Isn’t she wandering around the old house? This poses a great threat to our lives! She also said that if we make things difficult for us Suzi, he must kill Wenyu.” Fu Zhengxiong said angrily.

Elder Shu: “...”

After a long while, the old man suddenly burst into tears:  
“Retribution...retribution! Retribution!”

Fu Zhengxiong: “Retribution, what do you mean?”

As soon as the voice fell, Fu Zhengxiong was suddenly shocked: “He...he’s here again! The apprentice is here again...” Another voice came from the gate: “Shao Chin, you are too presumptuous!”

## Chapter 1248

Elder Shu said in an anxious voice on the phone: “What did you say Zhengxiong?”

Fu Zhengxiong's cell phone has been hung up here.

He was only panicked for a second, and then Fu Zhengxiong calmed down.

This is the old house.

There are dozens of bodyguards here, not only that, but Arron is also there.

Since this disciple is so bold and brave enough to come to the house, let Arron kill him himself!

So, see what Suzi has to say!

When it was too late, Fu Zhengxiong shouted angrily: "Bodyguards! Come out and surround me with this *Dmn Dmn* thing!"

The bodyguards standing inside the door immediately surrounded the men in black attire, military boots and sunglasses.

But never thought, the man sneered, and after only a few efforts he beat the bodyguard all over the floor to find teeth.

At this moment, Christopher, who had just drove halfway through the mountain and was about to turn in and park, was stunned to see this scene.

He had met Pan Haoyang.

The height of the man in front of him was very similar to Pan Haoyang, and his figure was about the same, except that the man was a little hunched and shrugged.

The man wears sunglasses, which cover a large face.

He is wearing a mask again.

Christopher couldn't see the man's face at all.

He only felt that the man's play was cruel and vicious, and he didn't leave any way for the other party to survive.

The Fourth Master had instructions not to get out of the car until he had to. He wanted to expose this anonymous man completely, so Christopher could not get out at this moment.

Christopher parked the car in a hidden place halfway up the mountain and watched all this silently.

Christopher found that the men played viciously and their tricks were deadly, so the bodyguards evaded one after another after two or two tricks.

But it is strange that the man does not beat Fu Zhengxiong.

But going to beat two women.

The old woman Qin Wenyu couldn't stand the man's slap and was knocked unconscious.

Qin Shuang is the only one left.

Qin Shuang was scared and had nowhere to hide.

"Don't...I'm not the Fu family, you...you have an enmity with the Fu family, I'm just the housekeeper and domestic helper of the Fu family..."

The man sneered: "Just now! Are you the only one scolding Suzi and here?"

Qin Shuang: "..."

“What the hell are you! You can speak in this house too?” Yubi, the man raised his wrist and punched Qin Shuang in the face.

“Puff...” A mouthful of blood spurted out, and Qin Shuang’s two teeth flew out with the blood.

“Wow...” Qin Shuang wailed in pain.

The man didn’t mean to let Qin Shuang let go. He grabbed Qin Shuang’s hair and flicked it, and Qin Shuang hit the wall of the gate.

“Oh...”

“Aunt...aunt, save me...” Qin Shuang felt that death was very close to her.

At this time, the bodyguards were all staggering.

Fu Zhengxiong, the only one who was not beaten, was dumbfounded.

This person looks so thin and has a hunchback, but it’s a desperate trick to beat people up.

Most people who fight hard no matter how hard they are, are afraid to kill them.

Fu Zhengxiong was so frightened that he couldn’t say anything.

But this man didn’t beat Fu Zhengxiong.

He only played bodyguards and women.

At this moment, Qin Shuang, who had a strong desire for survival, also saw this. When the man was about to kick her in the stomach again, Qin Shuang suddenly broke out.

She got up with a cry of “Ah” and ran to Fu Zhengxiong very quickly, enduring the pain, and hugged Fu Zhengxiong with her arms: “Uncle, help...help me.”

Only then did Fu Zhengxiong come back to his senses.
