

## Chapter 3574

In the car, Charlie has been closing his eyes, Helena's heart is more or less apprehensive, several times want to talk to him, but once she thought there is a driver and a royal maid in the front row, she could only temporarily hold back.

At this time, Olivia and William sitting in the car, guarding a special player, listening to the gasps coming from inside.

William couldn't help but frown at this point: "How come these two didn't say anything? Are they aware that the car is bugged?"

Olivia shook her head: "I'm not sure."

William opened his mouth and asked her, "Olivia, have you thought about how to deal with that man?"

Olivia said casually, "What's he got to deal with? When Aman takes Helena away, let him go back to China."

"No way." William said with a cold face, "We can't let him just leave!"

Olivia was surprised and asked, "You don't want to fix him up, do you? The Wade family is far away in China, but if we really kill their people, we'll get into trouble!"

"No." William waved his hand and spoke, "I wouldn't be stupid enough to kill him, I just want to teach him a lesson, and by the way, let him leave that Concorde behind!"

"Concorde?" Olivia couldn't help but see a light in her eyes.

In the real high society, there were only two kinds of real top luxury goods, one was a private jet and the other was a private yacht.

In terms of private jets alone, it looks as if the Saudi royal family's modified A380 is the largest and most luxurious, but to really say that the top rare, private jet that can represent the highest status, it has to be the Concorde.

The reason is that this thing is too rare.

When a total of twenty or so were built, there are now only single-digit remaining, is the real out-of-print private aircraft.

Moreover, it is also the only private plane that can fly at supersonic speed.

Who can have such a private jet, flying out of the face, then the Saudi royal family A380 is much more elegant!

Olivia and William are both extremely vain people, usually, luxury goods are numerous, but none of them dare to hope that they can own a Concorde.

Therefore, when William proposed this idea, Olivia was immediately moved beyond belief.

So, she immediately asked, "Honey, what do you have in mind?"

William sneered: "After the banquet tonight, I will open a card game to play cards with some guests who came from far away, and earn some pocket money in the meantime,"

"When the time comes, I will make a game and invite that Charlie to come over and play a couple of games, as long as he is willing to play, I will be sure to make him fall in step by step."

Olivia asked with some doubt: "Are you really sure?"

William said confidently: "Don't worry, this time, there is a guest inside, I have placed a person in advance, this person has been in Las Vegas for many years

as a lottery officer, as long as you let him deal, no matter what items to play, can make that Charlie lose all!"

Olivia asked in disbelief, "How come you also specifically planted a cheater in the palace?"

William shrugged his shoulders and said indifferently, "Don't you understand the hobbies of these rich men? They like nothing but beautiful women and gambling,"

"They come to the palace to attend the wedding, certainly can not bring women in the palace mess, so an impromptu gambling game will certainly make them very interested!"

Saying that William moved his eyebrows and continued: "But all such occasions, as long as someone set up a game, every man loves to play a couple of hands, casually lose a few hundred million euros, for them is nothing,"

"A person losing hundreds of millions, ten people can be tens of millions or even hundreds of millions, so as long as the operation is done properly, earn a few tens of millions of euros very easy."

Olivia stroked her chin and said with a smile: "I didn't expect you to be quite bad! Even the money of these relatives and friends are also counted!"

William said awkwardly, "There is a chance to earn some pocket money, and it's not a big loss for them, so why not? Don't you think so?"

Olivia hummed and laughed, "Seeing is believing! I want half of the proceeds from the bet!"

William faintly froze, then smiled and said, "Haha, Olivia, I have a hunch that the two of us will have a very, very harmonious life after marriage!"

Olivia raised her eyebrows and added: "If Charlie can really lose that Concorde to you, I'll have half of this plane too!"

"That's for sure!" William reached out and cupped Olivia's chin and kissed her hard on the lips, only to raise his head a moment later and said with unparalleled tenderness, "Dear Queen Olivia, everything I have belongs to you!"

Olivia nodded with a satisfied face and smiled, "It seems that you have started to adapt to the role of 'Prince William' in advance."

William laughed: "That's for sure! I can't wait to be your husband tomorrow and the Prince the day after tomorrow!"

He said, "My father has promised me that after you inherit the throne and make me Prince, he will give us the Italian luxury yacht in Copenhagen and a villa in Beverly Hills, Los Angeles!"
