

Chapter 373

"You... why don't you want that job?" Lenny asked Suzi very puzzled.

Suzi didn't want to explain any more.

Just when Lenny was about to call the company to inquire about it, Suzi's cell phone rang again. She picked it up and saw that it was the design director who asked her to go home on vacation.

Suzi immediately connected, and asked in a cold tone: "Excuse me, Director, I'm applying for a job here. Are you busy? Please speak quickly."

On the other side, the design director's slightly flattering tone: "Suzi, I didn't tell you to resign a few days ago. I just told you to go back to avoid the limelight. Miss Rayna's injuries in the past two days are healed. She has already come to work, and her anger is slowly disappearing. No, I dare to call you and ask you to come back to work."

Suzi: "...really?"

Of course it is fake!

The design director was also bitter.

She didn't want to let Suzi come to work because she was a design director and was afraid of troubles, but the design director never expected that she would stop Suzi from coming to work, but after Rayna's injury healed, he entered. When the company saw that Suzi was no longer in the company, she immediately requested that Suzi be found again.

Everyone with a discerning eye knows that Rayna must seek revenge from Suzi.

But who would dare to violate Rayna?

If you want to work in this company, you have to obey Rayna.

The design director just bit the bullet and called Suzi again. She said on the phone, "Of course it's true. Can I lie to you about this matter?"

Suzi still said in a dubious tone: "Rayna really doesn't blame me?"

"Miss Min's anger has disappeared," the director said.

Suzi: "Uh, okay, then I will come to work tomorrow."

"No, no, just today, it's best to come to work now." At that end, the design director said: "You don't know, without you helping Linda to proofread, Linda has been busy these two days, and Linda also needs you. You just now Come here now."

Suzi nodded: "Okay, I'll take the bus and it will be there in about two hours."

As soon as she closed the thread, Lenny caught her wrist, and Suzi was taken aback: "Mr. Jun, what are you doing!"

"Rayna is still making trouble for you? You resigned because of Rayna?" Lenny asked.

Suzi remained silent.

"Get in the car!" Lenny said.

Suzi: "What do you mean, Shao Jun?"

"I'm back to the company now, just to pick you up and get in the car! Don't worry, no matter how good I look, I won't do anything to you in the car! I have to go back to the company to deal with this matter!"

"Oh..." Suzi thought for a while, and finally got into Lenny's car.

Lenny is a sports car, running very fast on the road, and it took only forty minutes to get downstairs to the company.

Unexpectedly, it was Rayna who greeted Lenny at the company's door.

Seeing the arrival of Lenny's car, Rayna immediately rushed forward, and yelled, "Junior, you don't know what happened to the company in the past two days..."

Halfway through that, Rayna was stunned, and then she became jealous and angry: "Suzi, why are you in Young Master Jun's car!"

Chapter 374

Suzi and Lenny were sitting side by side in the car. She didn't look at Rayna, and she didn't pay attention to Rayna. She only had a cold expression. Rayna's chest was up and down. She really wanted to catch Shen. Suzi smashed Suzi's face that was particularly attractive to men!

However, Lenny blocked Rayna in front of him, and said disgustingly: "You don't have a good job, what are you doing at the door of the company!"

Rayna stomped angrily: "Brother Lenny!"

Lenny pushed Rayna aside, no longer looking at Rayna, but bent over and made a 'please' gesture to Suzi, and Suzi got out of the car.

Rayna: "..."

Watching Suzi and Lenny walking into the company together, watching Lenny look at Suzi's eyes like a goddess, Rayna almost spit out blood.

She yelled viciously behind her: "Brother Lenny! Do you know what Suzi has done these days!"

Lenny didn't turn his head back, but replied impatiently: "I'm not in Nancheng, how do I know what she did? Besides, what Suzi does, do I need to know?"

Rayna almost didn't choke to death.

Just watched Lenny take Suzi into the elevator and went upstairs. Rayna was crying behind him, and said viciously: "Lenny! You don't know, you don't know, wait for me to go upstairs. , I want everyone in the company to know what she has done!

I want you Lenny to know that Suzi is not only a junior, she is also a murderer!
"

After that, Rayna entered the company while crying.

Entering the elevator, she took out her mobile phone and sent a WeChat message to her cousin Walton.

Peerless Rayna: Sister, why haven't you come back? That Xiaosan Suzi is simply too cunning and hateful. Not only did she seduce my brother-in-law, she is actually seduce Lenny now, come back and kill Suzi! Not long after, a message came over there.

Peerless Miyan: I can't come back temporarily when I'm out of town, please show her to me.

Peerless Rayna: Sister, what is the origin of this woman, and why is it so difficult to deal with?

Peerless Miyeon: I'll tell you when I come back, it's not the time yet, you just have to make sure that she can continue to work in the company.

Peerless Rayna: If you want her to stay in the company and work, unless I let her go, but let me let go of that little ba5tard? She almost killed me in the hospital for a day or two! How could I let that b!tch go!

Peerless Miyan: I didn't let you let her go. I still know Suzi very well. It is not easy for her to have a job now. She will never let it go easily. You abuse her boldly, no matter how you abuse it. She, she will continue to do it in the company.

Peerless Rayna: I can see this. She really wants to work here. I listen to you and see if I don't kill this junior as a junior, and I will take a breath for you.

Peerless Miyan: Are you doing it for yourself, Rayna?

Peerless Rayna: Hehehe, sister...you know me best.

Peerless Miyan: For your own sake, for your own sake, don't talk about anything else! I'm annoying!

Peerless Rayna: I see, sister.

Bedroom Beauty: I'm just your cousin! Not your sister!

Peerless Rayna: I see, cousin.

Rayna gritted his teeth humiliatingly after taking up the thread
