

## The Amazing Son In Law Chapter 3654

The second master of the Wanlong Palace, the Green Wood Wolf King Chen, looked so miserable that he broke down and cried, as if he was punching hard in the hearts of everyone in the Wanlong Hall!

Although they didn't know what it was like to have their consciousness imprisoned in the body.

But seeing what Chen looks like now makes them feel terrified at this unknown feeling deep in their hearts.

No one dared to imagine that if such a thing happened to oneself, how would one feel powerless and inferior to death.

That's really calling for every day to be unwilling, and the ground is not working...

It was also at this moment that, deep in their hearts, Charlie was completely filled with hellish fear.

I thought that three of the Four Great War Kings were destroyed in Charlie's hands, and one was destroyed in the Middle East.

But who would have thought that these four people were actually destroyed in Charlie's hands! !

Abbas also panicked, and he subconsciously asked Charlie: "You did the things in Syria...you did it?!"

Charlie nodded, and said frankly: "Yes, I did it! The reason why hunter Hamid was able to annihilate thousands of soldiers in the Wanlong Palace is all based on my guidance; the reason why the government forces can capture you Wanlong Palace More than 10,000 soldiers, I also rely on my help!"

At this moment, Abbas's psychological line of defense completely collapsed.

He finally understood that the revenge he had prepared for twenty years was nothing but a farce of hitting a rock with a pebble.

Charlie's strength is far beyond his scope of cognition!

Not to mention that he is not Charlie's opponent, the entire Wanlong Palace combined, it may not be Charlie's opponent.

Abbas looked at Chen again, seeing him burst into tears, despair and fear, and his heart felt like a concubine.

So, he looked at Charlie, resisted the humiliation in his heart, clasped his fist and begged: "Charlie! It is my Abbas who has no eyes on Taishan! Please let salmaan and chan go, and let me take my parents' coffin. Leaving, Wanlong Temple will leave China immediately from today, and will not come here again in this life!"

Charlie sneered: "When death is coming, you still want to negotiate with me? What do you think you are? Outside, you are the lord of the Ten Thousand Dragons Palace, here, you are just a damn evil that is sent to the door to die. dog!"

Abbas's expression froze, and he asked, "Then how can you be satisfied?"

Charlie smiled and said calmly: "Don't worry, it's not time for me to say the conditions, I will introduce you to an old acquaintance!"

Immediately, Charlie gave lord elms another look.

Elms understood, returned to the spirit of Charlie's parents, and pulled Zayne who was kneeling there.

Abbas doesn't know who this person is, but he can be sure that this person must have a close relationship with himself!

When Zayne was brought to Charlie's side, Charlie looked at Abbas and asked him with a smile: "Abbas, before untie your old acquaintance's headgear, I have something since you went up the mountain until now, I didn't even talk to you, so let's clarify this matter first."

Abbas asked cautiously: "What's the matter?"

Charlie said indifferently: "I heard that your father was a core member of Eastcliff's Anti-Leaf Alliance. He stayed with the Banks Family and worked with them against my father, but my father never did anything against him. What about your father, can you admit this?"

Abbas said loudly: "In the futures market, it was your father who made the game to lure my father into fools! My father lost all his property! It is precisely because of this that he chose to commit suicide by jumping off the building! It is precisely because of him. Suicide, my mother took the medicine to commit suicide! This is all thanks to your father!"
