

The Amazing Son In Law Chapter 3702

However, she tried to control her emotions, pretending to be surprised: "Olivia, when did you become friends with such a vulgar person?"

Olivia squinted at Helena, and asked a little surprised: "Helena, has no one mentioned Aman Ramovic to you?"

Helena shook her head blankly: "No one mentioned it, what's the matter?"

Today, Helena left the two subordinates placed by Olivia and came back alone, and Olivia knew that her identity had been exposed.

Now, she didn't know whether her two people had told Helena of her plan.

Because before, she instructed two of her men to lie to Helena to go to the airport, and then send her directly to St. Petersburg.

But now that Helena looked blank, Olivia thought she might not have learned about it yet.

So, Olivia smiled profoundly and said: "This Aman Ramovich is a very good person, rich, and very gentleman. It's just that he's a little older and doesn't have what they said. Don't look at it so crudely."

Helena pretended to smile casually: "In my impression, the nobles in Western Europe seem to have been repelling him all the time. Why did you invite him over?"

Olivia laughed and said: "Although Aman Ramovic has no commendable background, he is at least a billionaire worthy of tens of billions of dollars. I want to revitalize the royal family in the future. Of course, I have to have a good relationship with this rich man. "

As he was talking, the sound of an airplane engine outside was getting closer and closer, and a brand new Gulfstream G650 business jet, guided by the guide car, slowly taxied towards the hangar.

Olivia raised her eyebrows and smiled: "Aman Ramovic is here!"

The G650 quickly stopped at the position next to the Concorde, the door opened, and a short and thin middle-aged man in a dark blue suit walked out of the door with a smile on his face.

This person is the only remaining oligarch in Russia today, Aman Ramovich.

Aman Ramovich was born in poverty, but caught the wave of the times, accumulated wealth in a crazy period in Russia, and quickly rose to the top rich.

When Aman Ramovic got off the plane, he smiled and said to Olivia: "His Royal Highness Princess Olivia, long time no see!"

After speaking, he immediately looked at Helena on the side with a look of greed, and said with a smile: "This, should be Princess Helena, right?"

Helena is somewhat uncomfortable, and Olivia next to her, after seeing Aman Ramovic's obsessive eyes with Helena, smiled and said: "Mr. Aman Ramovic, this is my sister. , Princess Helena."

Aman Ramovich immediately stretched out his hand to Helena, looking forward to kissing her, while very gentlemanly said: "It's very nice to meet you, Your Royal Highness Princess Helena!"

Helena didn't want Aman Ramovic to kiss her hand. She had already guessed Olivia's motive for inviting Aman Ramovic, and she was disgusted, so she nodded at him slightly with an apologetic face. Said: "Sorry Mr. Aman Ramovic, because my fiancé is from Huaxia, so I have to abide by Huaxia's customs and cannot give kisses. Please forgive me!"

Aman Ramovic gave a awkward smile, then quietly retracted his hand, and said with a smile: "It's okay, it's okay, I understand it!"

Olivia glanced at Helena and sneered in her heart: "Helena, what are you pretending to be reserved? It won't be long before you will be Aman Ramovic's woman!"
