

## Chapter 15

Rebecca and George came back to the study. The walk seemed to have cleared Rebecca's head a little, and she was not as excited as before.

She tried her best to keep her tone as civil as possible. "Then what's going on with the video? You've installed surveillance in my house?"

"Yes," George admitted without hesitation.

Rebecca's face turned pale. "Have you known about what happened between Edward and me?"

"Yes."

"Why? If you've known it for so long, why haven't you said anything this whole time? Why did you wait until the wedding to expose me? Did you want to retaliate against me and embarrass me?"

"For Sigrid."

Rebecca's eyes widened. She couldn't believe what she had just heard.

Curious, Sigrid put her ear to the door of the study but she couldn't hear anything.

Some few minutes later there came a scream from the study that sounded like it came from a woman who had collapsed, which scared her.

Was it Rebecca screaming? What was going on? Had she been r\*ped by George?

No, it wasn't in Rebecca's character to mind having s\*x with George. What the hell?

After a few more screams, the room became quiet again, which made Sigrid more curious.

She knew she shouldn't have eavesdropped! She hadn't heard any actual dialogue and was so curious that she wanted to rush in and ask what the two of them were doing!

About ten minutes later, the door of the study suddenly opened.

Sigrid was shocked. She turned her face and looked into Rebecca's eyes, which were red from crying.

Sigrid was stunned for a moment and it was then that Rebecca gave her a hard shove.

Unprepared for the attack, Sigrid fell to the ground. It felt like her butt was going to split into four pieces from two halves.

As Rebecca left crying with her hands covering her face, Sigrid was still sitting on the ground with a blank look on her face, not knowing what to do.

George came out of the study and reached out his hand. "Still sitting?"

Sigrid took his hand and stood up. "What's wrong? You haven't reconciled?"

George raised his eyebrows. "Do I look like someone who would forgive her for cheating on me?"

Sigrid shook her head. Of course, he didn't. Otherwise it would have been Rebecca who married him yesterday.

"Go back to your room to rest. I have work to do."

When Sigrid saw him closing the door of the study, she guessed that he might be in a bad mood after talking with Rebecca, so he did not want to face her.

It was the two of them fighting and she was embarrassingly caught in the middle of their quarrel.

Sigrid went back to her room. Because she was bored, she could only play on her mobile phone. When she saw the key words on Twitter, she was shocked and her eyes widened.

'#National goddess in s\*x scandal#'

'#Rebecca has an affair with someone before her wedding#'

'#Rebecca's s\*x tape#'

These three posts occupied the top three, and Sigrid clicked on them out of curiosity. After reading a few Twitter feeds, she felt that this was a mysterious world.

It was the video of Edward and Rebecca in the room that had been recorded yesterday. The quality of the video clearly showed them in different positions, and the dialogue could also be clearly heard.

So was this the video sent by George that Rebecca was referring to?

'Why did he do that?' Sigrid was a little confused. It brought shame on a man to be cuckolded! Even if he thought that it would help them clear their names - that they were not a sc\*mbag and his mistress - in the final analysis he had lost all face. She did not believe that with George's intelligence he could not think of a better solution than this.

Sigrid couldn't figure it out and didn't want to think about it anymore.
