

Chapter 1325

Rose was speechless.

After a few seconds, she said, "My god! Are Sabrina and her mother crazy?! What are they trying to do? Why are they biting everyone they see?"

Sean smiled coldly. "Of course it's envy! Gloria is jealous of the fatherly love that Old Master Shaw gave Jennie!"

"However, Gloria never thought about it. Jennie had such a good education when she was younger; she might not be Old Master Shaw's own flesh and blood, but she's always been by his side. That love has long since beaten any blood ties."

"That's natural!" Rose immediately said.

After pausing, she said, "Then what happened to Jennie?"

Sean sighed and said, "Ah, I met that child before when she was younger. She regularly followed her uncle to the Ford family to play. How big was she then? Five or six? Thinking about it, she's actually a friend of the Ford family."

"Then we need to take care of her, and help her vent her anger," Rose immediately seized the chance to say.

Sean replied, "Yes, we should help her. If we work together, we might even be able to get rid of Sabrina sooner. That way, we'll be able to enjoy the remainder of our lives."

Rose leapt into Sean's arms. "Sean, you really do love me..."

After leaning against Sean for a while. "Sean, you should go look for Jennie, and ask her what she needs. We'll help her with everything."

"You're not coming with me?" Sean asked.

Rose looked up and looked at Sean regretfully. "Sean, I can't go out. If I go out, that lecher might come over and bite me at any moment. You should go alone... Is that okay?"

Sean nodded. "You stay at home, I will handle everything."

"Okay."

That sixty-year-old man was very good at pleasing his wife!

He properly pleased his wife before walking out alone.

The old man did not have any bodyguards along.

We had long since seen that the man who

He had long since seen that the man who kept on ambushing them hit women, hit the maids, and hit the bodyguards; he was like a mad dog that would bite at everyone he saw.

However, that man never hit Sean.

Sean knew very well why that was so.

That was because he was Sebastian's father.

If the man hit Sean, would Sebastian show that guy any mercy?

What a joke!

So, Sean boldly drove away. After driving far away, he took out his phone and gave Jennie a call. "Jen, have you found a hotel? You don't have to pay for the hotel; just wait for me, I'll pay for you."

On the other end, Jennie immediately asked excitedly, "Seany, are... Are you coming over?"

"Yes, I'm heading to you right now," Sean said.

"Okay, I'll wait for you," Jennie said sweetly. "I'm at the Riverside International Hotel. I've already booked the room; the room number is one six zero eight."

coming over?

"Yes, I'm heading to you right now," Sean said.

"Okay, I'll wait for you," Jennie said sweetly. "I'm at the Riverside International Hotel. I've already booked the room; the room number is one six zero eight."

"Alright, wait for me. I'll be there in half an hour." Sean sped the car up.

After half an hour, he arrived outside Riverside International Hotel, and parked his car before heading up.

When he found the room, he knocked on the door.

When the door opened, Sean was taken aback. "You..."
