

Gloria! I'm just... gentle
reminder as your bestie from the past--"

Before she could finish, Gloria had already
hung up.

"No!"

Chapter 1379

Her daughter had already gone through so
much suffering. She could not watch as
Sabrina became the prey to being ganged u
p against by so many people. No!

Gloria immediately called Marcus.

Meanwhile, Marcus was on the phone
with Yvonne. "Yvonne, don't be mad. Once
everything is over, I'll take you to Hong
Kong for a trip and you can shop until you
drop, okay?"

Yvonne snorted. "How could I not get
mad? Say, what's wrong with your
grandpa? He just abandons his own kin
and tortures them with everything he can

grandpa? He treats his own kin and tortures them with everything he can think of. So, does he just like people better when they are not actually related to him? I think that your grandpa is really the most righteous man when it comes to his family, since he doesn't treat his own better than the others! Mm-hm! Your grandpa is truly one capable man that could bring justice to the world!" Yvonne mocked sarcastically.

Her words rendered Marcus speechless with shame. Indeed, Yvonne had been speaking the truth. His grandfather had become a fool for the past six years. He first mistaken Selene as his granddaughter and treated someone who was not related to him like a treasure while treating the person who was actually related to him like garbage.

"That's it. I have to go now. I'm going shopping with Ruth today," Yvonne said before adding, "Remember to come pay the bills and pick us up later!"

After hearing all the things that Yvonne had to say, Marcus came close to thinking that he had no chance with her. In the

had to say, Marcus... se to thinking
that he had no chance with her. In the
end, Yvonne's attitude shifted abruptly.
How could Marcus not be excited about it?
He was so overwhelmed with joy that he
almost jumped from his seat. After
calming down, he said to Yvonne, "Go
shop, babe. Even better, buy the entire
mall. Don't worry about money. You have
your husband here to back you up."

"Who's my husband?? I'm hanging up!"
Yvonne hung up shyly. ①

Marcus received a call from his aunt not
thirty seconds after Yvonne hung up.

"Marcus, you... Tell your aunt, is the Shaw
family plotting to set Sabrina up again
today at the family gathering?" Gloria
went straight to the point with Marcus.

"What are you talking about, Aunt Gloria?"

"Do you really not know?"

"..." He really had no idea. All he knew
was that he was on his way driving there.

Gloria immediately sighed. "Marcus, can...
Can you give me a ride? I don't know
where the old Ford residence is, I... I'm

Gloria immediately called Marcus, can...
Can you give me a ride? I don't know where the old Ford residence is, I... I'm scared for Sabbie. She can't face another life-threatening crisis again, so can you send me to the old Ford residence? Please, Marcus?"

"Don't panic, Aunt Gloria, I'll come over right away. Just wait for me outside your door. I should be there in half an hour."

Marcus's heart ached for his aunt. After hanging up, he drove all the way to where Gloria lived and saw her waiting by the door anxiously with tears falling down her cheeks.

"What's going on, Auntie?" he asked.

"Why on Earth is Sabbie's life so unfortunate?" she cried. "She told me just now that she was fine and doing great as though nothing was wrong, when in fact she is going to the old Ford residence and was waiting to be bullied by everyone? I... I will fight anyone who bullies my daughter with my life!"

"..." Marcus immediately opened the car door to let Gloria in. Once she was seated
