

The Charismatic Charlie Wade Chapter 4069

Fei Kexin knew that since charlie had already instructed, he would definitely not stand idly by.

So, she quickly followed the staff and quickly ran to the first floor.

The VIP room on the first floor is very close to the banquet hall.

jay had already brought the dying Jian here.

Soon, the staff also brought Fei Kexin over.

As soon as Fei Kexin entered the door, he could no longer care about his dual identities, and suddenly rushed to Jian's side, choked and asked, "Grandpa...Grandpa, wake up, grandpa...I'm Kexin, you can you hear me?"

jay sighed and said, "Ms. Kexin, Jian's breath is already extremely weak, I'm afraid... I'm afraid that I won't be able to recover..."

Fei Kexin's tears rolled down, and he choked out: "No... Mr. Wade won't let grandpa die like this... He must have a way... He must have..."

jay sighed: "I think that Huichun Pill can really be brought back to life, but... But now old man... usually can't afford the money to buy it..."

Fei Kexin also knows that Grandpa is now usurped by the uncle, and with the uncle's behavior, all opportunities for counterattack will inevitably be blocked.

Under such circumstances, how could grandpa still afford Huichundan...

Moreover, Fei Kexin was not sure himself, not sure that charlie would definitely bring out the rejuvenation pill for grandpa.

After all, the cost of Pill this time was too high, and the little favor she had accumulated before was probably a drop in the bucket.

Just when she was flustered and didn't know what to do, the door of the VIP room was pushed open, and a tall figure walked in quickly.

Fei Kexin turned around and saw that it was Charlie, so he rushed in front of him, kneeling on his knees and crying and begging: "Mr. Wade, please save my grandfather... As long as you are willing to save him, I will May I be a cow and a horse all my life to repay your kindness..."

Charlie glanced at Fei Kexin and asked her, "Should I call you Miss Zhan or Miss Fei?"

When Fei Kexin heard this, her heart froze.

She suddenly realized that Charlie may have already figured out his identity.

So, she hurriedly kowtowed and repented: "I'm sorry Mr. Wade, my name is Fei Kexin, I'm the granddaughter of the Fei family, not Zhan Feier, but... But I didn't mean to lie to you, I just wanted to rejuvenate my grandfather., I want to approach you in advance and become friends with you..."

As she said that, she explained: "The reason why I used the identity of Zhan Feier is because I was afraid that you would understand my purpose in advance... And I used the identity of Zhan Feier to approach you, your father-in-law and your wife, and I also There is no wrongdoing, please forgive me for what I have done for the sake of my filial piety..."

Charlie nodded noncommittally, and said lightly, "It's important to save people, so I won't mention it for the time being."

Fei Kexin looked at Charlie nervously, and asked tentatively, "Mr. Wade...you...can you save my grandpa's life?"

Charlie was about to speak when a soldier from the Wanlong Palace came to Charlie and said in a low voice, "Mr. Wade, VIP Orion Exeor, Mr. Orion, is at the door."

Charlie nodded and said, "Please come in, Mr.Orion

Immediately, the Wanlong Palace general invited Orion Exeor in with a worried expression.

Charlie respectfully asked, "Mr. Orion, why are you here?"

Orion Exeor hurriedly said, "I just saw Old man vomited blood and fell into a coma, and I couldn't rest assured."

With that said, he hurriedly looked at Jian, who was dying, and couldn't help but ask, "Mr. Wade, do you have a solution for his current situation?"

charlie glanced at Jian, and then at Fei Kexin.

At this time, Jian was indeed on the verge of dying, and only the last faint breath was left.

Seeing that Fei Kexin and Orion Exeor were pleading with their faces, charlie didn't say anything more, and took out half of the blood-healing pill that he had prepared long ago from his pocket.
