

already a twenty-nine-year-old woman. Why are you still pretending?

Don't tell me that you're still a virgin?]

Maysun was speechless.

Chapter 1855

To be frank, Maysun was not a virgin anymore. She had given her first time to a man that she did not even know. He was even a foreigner. It was when she

was living abroad and the place she lived in had a clogged drain. She then got a temporary worker to come over and unlock the drain. The man who came tall and well-built, and he also had a sloppy look.

After that man had unclogged the drain, he did not leave and he took advantage of her. At first, she resisted. However, that man was truly very big and tall, and he was very strong. He looked like a caveman, and like a

beast, he was very wild. After just a few minutes, Maysun no longer struggled anymore. They were in the washroom in her house and were in a standing position. That filthy foreigner was still holding the plunger in his hand that he had used to unclog the drain. Just like that, she was taken advantage of by that man.

What was even more embarrassing for her was that she still went all over the streets to find that

foreigner to unclog the drain for her again later on. After a long time, that damned foreigner actually became reliant on her. He ate and drank at her house, was beyond lazy, and he was filthy. He had a foul smell. However, Maysun had no way to get rid of him. In the end, Maysun had no other choice but to return to the country to hide away from him. It was also the reason why Lily had asked her to return and why she

instantly hit it off with Lily after that. She had never told anyone that her first time was actually taken away by a foreigner who was as filthy as a beggar. Even more so, she could not let Lily know.

She still replied Lily. She deliberately pretended to be shy and stopped her words mid sentence.

[Yes, I still am...]

However, she did not expect that Lily would still reply very quickly.

[Pfft! You sl*t! You're already a twenty-nine-year-old woman and you're already beyond mature, yet, you still haven't let a man unclog the drain of yours between your legs? Who would believe that? Stop pretending! This is all I get in this life! I will never be able to sleep with Sebastian! But, I have always been unwilling to accept my failure. What kind of men have I not slept with in my life? It's Sebastian and Alex! I will

score with Alex myself!
You have to take the video
of you and Sebastian for m
e!]

Maysun was speechless.
She truly never expected
that Lily was actually so
perverted! Lily was older
than Maysun! Maysun
gritted her teeth with
hatred, but she still had to
rely on Lily for the time
being. One day, when she
has truly become
Sebastian's wife, she
certainly has to get the
perverted Lily killed.

However, at that moment, she still had to continue using Lily.

[Lily, let's put a pin on the matter between Sebastian and me first. The good news that I have to tell you is that I am together with Aino now. She was the one who asked me to take her out to play. Do you want to come along? Haven't you always hated this little brat, Aino? Madam Ford has also expressed her mind that she hated Aino very much.

Do you want to come with us? Shall I drive slower and wait for you?]

Maysun sent Lily the text. As expected, Lily, who was on the other end, replied quickly.

[Real...really?]

Maysun texted. [Of course!]

[That's great! This is a chance we've gotten without any effort! Wait for me. I will come over immediately! Send me

your location!]

[Alright!]

After Maysun had sent the text, she pretended to glance at Aino unintentionally.

Aino smiled. "Were you texting Miss Lily?"

Maysun was startled. This child truly was a sly little fox. She did not answer, but she asked instead, "Aino, tell me, where do you want to go?"

"Hospital. I want to go to
