

## The Charismatic Charlie Wade Chapter 4145

charlie knew that Guo Lei must be thinking about the two million he promised tomorrow, so he would never do anything to Lisa tonight.

The fact is as he expected, this night, nothing happened.

After getting up, charlie received a call from Abbas.

When the call was connected, Abbas said respectfully, "Mr. Wade, his subordinates and more than 200 members of Wanlong Hall have arrived in Vancouver, and are ready to be dispatched by you at any time!"

charlie asked in surprise, "Why are you here?"

Abbas hurriedly said: "There is nothing urgent for the time being in the Middle East. You are in a hurry to hire people, so I will bring them here in person."

With that said, Abbas asked again: "Mr. Wade, what are your requirements, please do your best, and your subordinates will do their best!"

charlie said: "You and your brothers find a place to stay first, and wait for my instructions for the specific arrangements."

Abbas said without hesitation: "Okay, Mr. Wade, if you have any needs, please contact your subordinates at any time!"

After hanging up Abbas's phone, charlie was about to wash up when he suddenly felt that someone was eavesdropping at his door.

From the other party's breathing rate and habits, charlie could tell that it was Claudia who had just met.

So, he walked to the door, and before Claudia recovered, he pulled the door open.

Claudia, who was eavesdropping at the door of the room, heard the movement of the door opening, and it was too late when she subconsciously wanted to run, so she looked at charlie embarrassedly, and said with a little panic: "Brother charlie... Sorry, I....."

charlie smiled slightly and said lightly, "If you have anything to do with me, just come in and tell me."

Claudia nodded quickly and entered charlie's room.

As soon as she entered the door, she asked in a low voice, "Brother charlie, can you tell me about your plan for today? If there is anything that needs my cooperation, please tell me in advance!"

charlie shook his head and said lightly: "I have already arranged it, you can go to the store with Lisa normally during the day, and you don't need to worry about anything else. Before I go to the casino at night, I will arrange for someone to protect it here. Lisa, I will never let Lisa encounter any danger."

Claudia put down a little, and asked nervously, "Brother charlie, what are you going to do with Guo Lei?"

charlie looked at her and asked seriously, "He is the culprit who killed your parents and two younger brothers. What do you want me to do with him?"

Claudia shook her head and murmured: "I don't know... I used to think of my parents and two younger brothers who died of poisoning and were burned beyond recognition by the fire, and I wanted to kill him myself, but calm down. When I came down, I felt that if my parents were alive, they might not want me to avenge them in that way..."

Saying that, Claudia paused for a while, and added: "If he and the mastermind behind the scenes can be punished by the law, that should be the fairest and most just solution."

charlie smiled slightly and asked, "Claudia, according to Canadian law, if Guo Lei pleads guilty and falls under the law, what kind of sentence will he face?"

"Canada has abolished the death penalty, so if he pleads guilty, he should be jailed for life," Claudia said.

Charlie asked again, "Do you think it's reasonable?"

Claudia hesitated for a moment with a tangled expression, but nodded and said, "I think it's reasonable..."

charlie said indifferently, "I don't think it's reasonable."

He said with a grim expression: "It's not that I disrespect the laws here, but since he hit my charlie's sister, I have to use my own means to make him pay more. the price!"

At this moment, Claudia saw from charlie's expression a majesty and courage that could not tolerate any provocation. She couldn't help but envy Lisa in her heart, how lucky she was to have a brother like charlie.
