

## Chapter 1894

The six-year-old Shen Yuexi spoke very innocently, and the way she tilted her head and opened her eyes was even more innocent and cute.

When Shen Yuexi said this, the waiters of several children's stores glanced at Shen Xue.

A girl who is much taller than Shen Yuexi, but she is not particular about what she wears, her hair is dirty and greasy, her body is also dirty, and it feels very unhygienic.

In addition, Shen Xue was timid, clasping her fingers with both hands, and her fingernails were full of mud.

Seeing this situation in the eyes of several waiters, the waiters immediately gave Shen Xue a look of disgust.

Shen Xue became even more timid.

She bit her lip and dared not look at anyone.

"Oops! Your feet! Your shoes have soiled our shop!" a waiter screeched.

Shen Xue immediately stepped back her feet as if she had done something wrong.

"Shen Xue!" Shen Zishan suddenly scolded.

At this moment, Shen Zishan also hated this daughter very much.

Not polite at all.

No hygiene at all!

She's two years older than Shen Yuexi, but she doesn't understand shit.

"Don't move anymore!" Shen Zishan scolded Shen Xue.

Shen Xue didn't dare to move immediately.

"Apologize to a few sales aunts!" Shen Zishan ordered again.

Shen Xue: "..."

"Apologize!"

Shen Xue immediately said timidly, "Yes... I'm sorry."

"Auntie, I'm sorry!"

"Auntie...I'm sorry..." Shen Xue's eyes were full of fear.

She has never seen such a scene. When she was very young, she was brought up by her brother. She was just about to leave, and her brother ran around with her, grabbing two buns for her to eat today, and picking up some more tomorrow. Other people's leftovers for her to eat.

My brother is a boy and doesn't pay attention to hygiene at all.

In addition, she often hides mud in her fingernails, and has never washed her hands.

Not only did she not wash her hands, she also hadn't washed her feet for days because there was no hot water at home. There is no extra money at home to let her go to the bath center to take a bath. Even if there is money, no one will take her there.

Therefore, Shen Xue was always dirty.

The feet smell bad, and there are lice on the head.

Such Shen Xue, who was eight years old, had never been to a decent children's clothing store, let alone a shopping mall like this. Her inferiority complex was nowhere to be seen.

Her two dirty feet with exposed toes were even more ridiculous.

But she didn't know what to do.

There is no way.

An eight-year-old child has tasted the kind of taste that he can't bear but has to bear.

She looked at her father, Aunt Feng Yue, her sister Shen Yuexi, and the waiter in horror.

No one can help her.

Shen Xue's mind was dazed.

She vaguely heard the waiter laughing and asking Shen Yuexi, "Little princess, what clothes do you think you should buy for this little beggar who gave you alms?"

No matter how much the waiter despised Shen Xue, the business still had to be done.

Shen Yuexi tilted her head and thought for a while: "Well, of course, I can't dress her in the style I like, after all, I gave her alms, so I will choose what I like, and I will choose the rest for her to wear, just. .... the unsalable styles in your store."

## Chapter 1895

"Okay! The little princess is really caring. This not only helped this little beggar, but also helped us sell unsalable items. You are really caring, little princess." The more the salesman looked at Shen Yuexi, the more delighted he became.

Shen Yuexi also said happily: "I myself feel that I am very loving."

While talking to Shen Yuexi, the salesman began to look for some ugly slow-moving items.

After a while, I found three or two sets.

No one was willing to change clothes for Shen Xue.

They asked Shen Xue to go to the public bathroom to change by herself.

Little Shen Xue went to the public bathroom with her clothes in her arms, and returned after a while.

When he came back, everyone in the audience was stunned.

The eight-year-old child, who has always been filthy and filthy, looks extremely ugly. Suddenly, her face is washed clean, and the mud in her fingernails is also washed away by her. She sits on the edge of the toilet flushing. Mopping the feet in the sink. After changing his clothes, he felt like a different person.

The little girl is more than ten centimeters taller than her sister.

Although she is not as princess-like as her younger sister, she is not ugly either. The main thing is that she suddenly becomes clean, and she looks more beautiful than Shen Yuexi.

Mainly it is the contrast effect.

From the ugliest to the beauty all of a sudden, although not the most beautiful, it is enough to make people shine.

In particular, Shen Xue's skin was not much darker than Shen Yuexi's. The two sisters were actually the same, and they both inherited their father's skin.

In addition, Shen Xue looked dazed and timid, tall and thin, wearing black and slightly old-fashioned children's clothes. .

Several waiters were stunned.

One of the waiters blurted out in surprise: "Yeah, she's really a little beauty."

"It's just that the clothes are all dull colors. If the clothes are changed to the same color as the shoes on the feet, I promise that this is another little princess. Let this little princess stand at the door of our store and be a live model for us. , I guess it can bring us a lot of customers."

"Store manager." The salesman looked back at the store manager and said: "This little beauty is wearing, except for this pair of pink shoes, other products are slow-selling products, but you can wear them on her, look how beautiful they are what!"

The store manager also praised: "I really didn't expect this little girl to be so beautiful..."

The store manager didn't say a word. She felt that the little girl who had just changed her clothes was even more beautiful than the little princess Shen Yuexi.

What is Shen Yuexi? It's all built on beautiful clothes.

But this little girl is different. This little girl wears such a slow-selling style, which can achieve different effects. It is really a clothes rack.

The way the store manager looked at Shen Xue was different from before.

In this way, Shen Zishan's face is also face.

He immediately smiled and looked at the salesman: "Quick! Get a few more styles. All styles are wrapped up, especially these pink shoes. This girl wears pink shoes, which are very beautiful."

In fact, for a little girl of eight or nine years old, how can pink be unsightly?

If she was given a pink princess suit, Shen Xue would look even better.

Shen Zishan squatted down and squatted in front of Shen Xue, admiring and happy.

Especially after looking at the pink shoes more, he still showed his toes just now. Although he despised this girl, he still felt distressed in his heart.

it's good now.

The child has shoes, and they look so good and beautiful.

Speaking of which, he Shen Zishan also has two daughters.

And both daughters are beautiful.

At this moment, Shen Zishan especially wanted to hug his eldest daughter, he looked at Shen Xue with a kind smile on his face, just when he was about to say something, he heard Shen Yuexi crying beside him.

"Dad! You are so kind to this beggar!" Shen Yuexi cried.

As soon as she spoke, she suddenly ran towards Shen Xue again, came to Shen Xue, raised her foot and stomped on Shen Xue's feet several times.

"I make your shoes look good! I make your shoes look good! I make you look good! I'll step on you! You are a beggar, I bought you everything on your body, I won't allow you to be so beautiful !" Shen Yuexi roared like crazy.

"Shen Xue..."
