## Chapter 1902

Shen Xue looked up at Shen Zishan: "..."

Shen Zishan's face was full of panic.

He couldn't admit Shen Xue.

Even if he felt sorry for Shen Xue, he couldn't admit it at this moment.

Just three days ago, my daughter Shen Yuexi's class just held a parents' meeting, during which every student wrote an article with the title: My Dad.

Shen Yuexi praised him as a father extremely stalwart and generous.

Most importantly, Shen Yuexi mentioned many times in her composition that she is the only daughter, the little princess held in the palm of her parents' palms, and, at the end of the composition, Shen Yuexi also emphasized that she has seen too many single-parent families Or the children of reorganized families are not very happy.

She feels that the happiest family should be the original family. Her biological parents have never divorced, which is the best.

She also appealed to the parents of the children in the class not to easily divorce or reorganize their families.

At that time, Shen Zishan thought, if Shen Yuexi knew that his father was a second marriage, what would the child think?

Never let Shen Yuexi know.

The daughter has good academic performance, is caring, and is excellent in all aspects. She is a proud little princess.

The matter of his remarriage, Shen Zishan, must not be known to his daughter, who is like a pearl in the palm of his hand.

Since Shen Yuexi couldn't know, Shen Zishan had no choice but to grieve Shen Xue.

After all, Shen Xue was two years older than her sister.

"Little beggar." Shen Zishan shouted.

Shen Xue was stunned for a moment, and her eyes were filled with tears in an instant. The tears swirled in the circles of her eyes, like bright stars, but Shen Xue held back her tears and didn't let them flow.

Not to mention Shen Xue was shocked, even Feng Yue, who was next to him, couldn't help but glance at her husband.

She did not expect that her husband called the daughter of his ex-wife a little beggar.

Originally, when she saw the child, she felt a little guilty, but when she saw that her husband treated the child like this, Feng Yue felt relieved.

Her eyes softened, the corners of her lips rose immediately, and she smiled lightly: "Zishan, I told you not to be so kind, you have to be kind, even beggars can't sympathize these days, you sympathize with her once, she still has the first time. Think twice."

Shen Xue: "..."

When Shen Zishan saw Shen Xue at the door of his villa, he was startled at first.

Since the last time Shen Xue came to ask herself for money, two years have passed, and she has never come to him again.

Now his business is booming, his daughter is getting better and better, and the family of three is living happily. Even the task of giving Shen Xue 1,000 yuan a month has already been handed over to the people below.

If it wasn't for Shen Xue appearing in front of him again at this moment, Shen Zishan would have been able to ignore the child born by his ex-wife with peace of mind.

Two years later, Shen Xiyue has grown a circle, but Shen Xue still looks thin and small because of malnutrition, no different from two years ago.

No wonder Shen Xiyue recognized her at a glance.

“Little beggar, what are you doing here again? I really hate it!” Shen Xiyue looked at Shen Xue, her eyes filled with disgust.

The current Shen Xue's appearance and stature are not much different from two years ago, and she is still wearing tattered clothes, but she is much cleaner and tidy than two years ago.

## Chapter 1903

Hearing Shen Zishan and Shen Xiyue shouting 'little beggars' one by one, Shen Xue was actually very sad.

But when she thought of her purpose of coming today, Shen Xue could only clench her hands and squeeze out a smile, looking at Shen Xiyue and Shen Zishan, and said, “Mr. Shen, Miss Shen, I'm not here to ask for favors today. , I came to thank you.”

“Two years ago, you gave me two new clothes and a new pair of shoes. I have always remembered in my heart that I have always wanted to repay you, but I know you don't lack anything, and I don't know how to repay you, so I just thought that I could serve Miss Shen, firstly to repay your kindness, and secondly to earn a little money to satisfy the food and clothing.”

Shen Xue looked at Shen Xiyue, pretended to be submissive, and said.

Shen Xue's appearance at the moment fell into Shen Xiyue's eyes, which made Shen Xiyue extraordinarily satisfied.

Especially the word "serving" made Shen Xiyue smile with joy.

Such a little beggar is only worthy of serving others.

Seeing that Shen Xue was wearing shabby clothes at the moment, but she was really neat and clean, Shen Xiyue lifted her chin proudly, and looked at Shen Xue and said, "You are wearing fairly clean clothes today, if you want to go back The family serves me, that's ok, I'm in a good mood today, so let you make some money."

Shen Xiyue said this, with an aloof look, she rolled her eyes at Shen Xue, and walked straight into the room.

When Shen Xue heard Shen Xiyue agree, she looked at Shen Zishan and Feng Yue expectantly.

"Feng Yue, look, this..."

"Look at what I'm doing, it's not because you can't handle it cleanly? Now that Xiyue has agreed, what else can I do?"

Shen Zishan, you'd better clear up your previous idea for me, and don't get tangled up like a candy for three days.

Also make a little money, don't you just want to ask for money? Our monthly living expenses are not short of her, really dissatisfied! "

Feng Yue said so, glanced at Shen Xue in disgust, and followed suit.

After watching Shen Xiyue and Feng Yue both walk away, Shen Xue dared to cry, and called Shen Zishan 'Dad' timidly.

Hearing this, Shen Zishan trembled slightly, then looked at Shen Xue with a pale face and said, "Didn't you promise me not to let Lanita know? What are you doing here now?"

“Dad, I really just want to make some money, I won’t make it difficult for you.

The house we rented is going to be demolished, my mother’s cabin is gone, and my mother is now...”

“Okay!” Hearing Shen Xue mentioning Yu Xueqin, Shen Zishan’s face became even more ugly, and he stopped her immediately.

Seeing that Shen Xue seemed to be taken aback, Shen Zishan took a deep breath and said softly, “If you want to go in and serve Xiyue to make money, I can ignore you, but no matter what, you Don’t let Lanita know about the relationship between the two of you, do you hear?”

“I heard it.” Shen Xue lowered her head obediently and answered.

Following Shen Zishan all the way into the villa, Shen Xue felt that her eyes were even more red, and the sourness that spread from the bottom of her heart suddenly surged, making her nose sore.

She is also Shen Zishan’s daughter, and she also has Shen Zishan’s blood flowing on her body, but this winter, she doesn’t even have a decent winter clothes, and the place where she lives is even more dilapidated, with the wind blowing through the windows.

But Shen Xiyue lived in such a luxurious villa.

This villa is full of wealth and wealth, and the sale of any landscape is enough for their family of three to live for a long time.

Why, both of them are Shen Zishan’s daughters, but she and Shen Xue live very different lives?

She didn’t understand it before, she only knew that everyone else had a father, and she wanted a father very much, so every time she saw Shen Zishan, she would obey and try her best to please him, thinking that Shen Zishan would treat her better, and she would Visit her several times.

But now that she is ten years old, she knows none of this is possible.

It was his father who abandoned his mother, and now Shen Zishan just wants to hide from them as far as possible, and never wants to see them again.

### Chapter 1904

“Don't you have eyes? Go straight in when your feet are so dirty. Don't you know that you should go over there and wipe the dust off the soles of your feet first?”

Shen Xiyue's sharp angry shout instantly pulled back Shen Xue's thoughts.

Shen Xue hurriedly retracted her feet, then obediently walked to the floor towel aside, wiped off all the ashes on the soles of her feet, and then dared to follow Shen Zishan into the house.

After entering the door, Feng Yue looked at Shen Xue who was standing beside her, who was a little overwhelmed, and said in a cold voice, “Since you are here to serve Lanita, then follow Lanita to serve.

After school, Xiyue is going to practice the piano, so you stand by and wait. When Xiyue is thirsty, pour water for her. Yet? “

“Understood.” Shen Xue responded, then followed Shen Xiyue towards the piano room on the second floor.

As soon as she entered the piano room, Shen Xue was startled by the sight in front of her.

The piano room on the second floor is luxurious and atmospheric, and the grand piano in the middle is even more magnificent, it seems to be even more beautiful than the piano in the western restaurant.

Following Shen Xiyue to the piano, Shen Xue couldn't hold back, she gently stretched out her hand and touched the piano.

But just as she reached out, Shen Xiyue hit her hard with a ruler.

Shen Xue was in pain and immediately retracted her hand.

The ruler hit her knuckles, and the pain caused her eyes to turn red, so she could only bite her lips tightly to keep herself from crying.

“Little beggar, do you know how expensive this piano is? How dare you touch it with your dirty hands?” Shen Xiyue looked at Shen Xue, crossed her hips, stared at her eyes and said, “I'm in a good mood today, so I don't want you to come in to serve it. I, originally a lowly person like you, didn't deserve to enter my house at all.

If you dare to touch it again, I will tell my parents that if you broke the piano, I will make you pay! “

Listening to Shen Xiyue's words, Shen Xue's body trembled slightly.

How could she afford such an expensive piano.

He hurriedly said, “I don't dare, I won't touch it any more.”

“I'm thirsty, go and bring me a glass of water.” As soon as Shen Xiyue sat down in front of the piano, she said to Shen Xue.

Shen Xue swept around and saw something similar to a water dispenser not far away, then walked over quickly.

But when she walked in front of the machine, she was in trouble. She didn't know how to use the machine at all.

After walking around the machine, Shen Xue didn't dare to ask Shen Xiyue, so she could only tentatively reach out and press a button.

As a result, hot water immediately flowed out of the water outlet.

Shen Xue was unprepared, the water splashed on her hand, and she was not steady when it was hot, and the glass in her hand suddenly fell to the ground and shattered.

“Little beggar, are you courting death!” Shen Xiyue saw that Shen Xue actually broke one of her most beloved cups, she was so angry that she stood up suddenly and shouted at Shen Xue.

In fact, Shen Xiyue did it on purpose. She had long been uncomfortable with Shen Xue’s slender and beautiful hands.

Although she is learning to play the piano, her hands are short and thick, which is not suitable for playing the piano at all.

Just when she was hitting Shen Xue with a ruler, she saw Shen Xue’s hands, so she deliberately tricked her into pouring water over there, just to scald her hands.

But she didn’t expect that Shen Xue would actually smash one of her favorite cups, Shen Xiyue was really furious now.

“I’m going to tell my parents that you didn’t come to repay your kindness at all. You don’t know what’s wrong. You deliberately broke my favorite glass and dirty my piano. You did it on purpose, and you were jealous that I lived better than you. Well, you stinky beggar has a dark mind, so you deliberately sabotage, I must tell my parents and send you to the police station!”

As Shen Xiyue said, she turned and was about to run downstairs.

Shen Xue was really frightened when she saw what she looked like at the moment.

The cup looked radiant, and she didn’t know how much it was worth.

## Chapter 1905

But no matter how much it was worth, she couldn’t afford it.

She originally just wanted to sneak in and steal some money back, so that she could buy medicine for her mother, so that her brother would not have to work so hard.

But she didn't know why things suddenly developed like this.

She only knew that she couldn't let Shen Xiyue tell her father now.

She can't go to the police station, she's ten years old, she knows what a police station is like, and only people who do bad things get caught.

But she didn't, she didn't do anything bad, and she didn't smash that cup on purpose.

Thinking of this, Shen Xue hurried up to catch up, and caught up with Shen Xiyue at the entrance of the stairs.

Shen Xue couldn't care about being afraid anymore, she reached out and grabbed Shen Xiyue, and said with a trembling voice, "Miss Shen, I didn't mean it, I really didn't mean it, I was burned, and I didn't hold it steady for a while. The cup was accidentally broken, so I beg you not to tell Mr. Shen and Mrs. Shen, okay, please."

When she said the three words of Mrs. Shen, Shen Xue felt that her whole heart was bleeding.

It was clear that her mother was Mrs. Shen, and it was Shen Xiyue's mother who stole her father and her mother's position!

Shen Xiyue looked at Shen Xue's outstretched scalding hand, and pinched it hard at her wound.

Regardless of Shen Xue's tears falling from the pain, Shen Xiyue only said bitterly, "So what if your broken hands are burnt, even if your whole body is burnt, it's not enough to pay for my cup!"

"Little beggar, wait, I must tell Dad, I must let him take you to the police station, let your parents see how disgusting you are, you are a bad child!"

Shen Xiyue said so, turned around and prepared to go downstairs.

But she was so emotional that she almost fell down when she turned around.

Shen Xue looked at her like this, and hurriedly reached out and grabbed her.

Just wanting to pull her up, she heard Shen Xiyue say angrily, “Stinky beggar, it’s all because of you, I twisted my foot!

You quickly pull me up, I must make you look good! “

Shen Xue looked at Shen Xiyue’s appearance at the moment, listened to her cursing voice, the hatred in her heart became more and more turbulent, and she let go of Shen Xiyue’s hand.

Watching Shen Xiyue roll down the stairs like a ball, at that moment, Shen Xue’s heart flashed a joy that she had never felt before.

But soon, she concealed that trace of happiness very well, chasing Shen Xue all the way down the stairs.

The sound on the stairs immediately caught the attention of Shen Zishan and Feng Yue downstairs, and the two immediately ran upstairs quickly.

As soon as Feng Yue ran to the stairs, she saw her daughter rolled down like a wooden barrel, her head was kowtowed, and the whole person was like crazy. She hugged Shen Xiyue and hugged Shen Xiyue. Shen Zishan shouted, “Shen Zishan, this is your good daughter! If Xiyue has any good or bad, I can’t spare her!”

Feng Yue said, and rushed out of the door holding Shen Xiyue.

“Dad, it’s not me, it’s not me...” Shen Xue looked at Shen Zishan, knelt down suddenly, and shook her head, “She didn’t step on firmly when she rushed down, she fell down by herself.

Dad, can you trust me? You believe me.....”

As Shen Xue spoke, she kept kowtowing to Shen Zishan.

She doesn’t regret pushing Shen Xiyue down from the upstairs, that’s what Shen Xiyue deserves!

Her mother was a junior and she robbed her mother's husband, and she, Shen Xiyue, also occupied the magpie's nest and robbed her father!

They all deserve it!

But she couldn't admit that she couldn't implicate her mother and brother...

### Chapter 1906

Shen Zishan looked at Shen Xue, and his heart was in chaos at this moment.

Actually, according to what he knew about Shen Xue, he didn't believe that Shen Xue would push Shen Xiyue downstairs.

But now it doesn't matter whether he believes it or not, what matters is Xiyue!

Thinking like this, Shen Zishan looked at Shen Xue and said, "It's all your good deeds, if Xiyue has something to do with it, Shen Xue, don't think that you have a good life! You go back to me now. , don't set foot here again!"

Shen Zishan said so, and quickly chased out.

In his eyes and heart at the moment, there is only Shen Xiyue's safety, and he doesn't care about Shen Xue at all.

The car galloped all the way and headed for the hospital. Seeing her daughter being sent to the emergency room, Feng Yue cried and made trouble at Shen Zishan with red eyes.

"Shen Zishan, I came back from studying abroad, I am young, I have never been married once, if it wasn't for you, I would have a great future!

Because I fell in love with you, I married you recklessly and helped you make Shanhaixiyue the scale it is today. My request from beginning to end is very simple, as long as you handle your ex-wife and Just the daughter your ex-wife gave birth to, just don't let them ruin our lives.

But what about you? You can't even do that!

Shen Zishan, let me tell you, if there is something wrong with Xiyue today, I will definitely rip off Shen Xue's skin! "

Feng Yue grabbed Shen Zishan's shirt and yelled at him.

Shen Zishan lowered his head like this, letting Feng Yue beat him again and again, without daring to say a word.

After Feng Yue shouted, and after venting his emotions, the whole person calmed down a little.

Shen Zishan watched her calm down, and only then dared to say, "Don't worry, if Xiyue has any good or bad, don't talk about you, I'm going to rip her skin off.

I scolded her just now, she should not dare to come to our house in the future, if she dares to come again, I will definitely shoot her out. "

Shen Zishan looked at Feng Yue and hurriedly promised to speak out.

Feng Yue looked at him like this, and rolled her eyes out of anger. She was about to give up, but she thought of another thing when she rolled her eyes. She couldn't help but reach out and grab Shen

Zishan's arm, and said, "You and Qin Dong How's it going? Did he promise to give me money?"

Shen Zishan suddenly heard Feng Yue mention that Qin Dong, and could not help frowning fiercely, "Why are you still doing it for her? That old man's heart is completely black, he agreed to inject capital, but the request is for us to pay Lanita Send it over to play with him for a few days.

Don't you know what he means by playing? Even if the capital chain is broken and the company goes bankrupt, I can't let Xiyue do such a thing!

You're a mother, how can you even think about this! "

Shen Zishan said, looking at Feng Yue, his eyes were full of disbelief.

When he heard Dong Qin's request, Feng Yue was so angry that he almost picked up a knife and went to chop people, so frightened that he never dared to say a word, why did she bring it up first today.

"Shen Zishan, aren't you stupid, our Xiyue is a precious little princess, how could it be possible to do such a thing.

But that Director Qin just wanted a watery little girl, not Shen Xiyue, don't you still have a daughter? "

Feng Yue looked at Shen Zishan and whispered in his ear.

She had seen Shen Xue unhappy for a long time. Originally, Shen Xue had hardly appeared in front of her in all these years, so she just let it go.

But today, she actually caused Lanita to fall from the upstairs, she couldn't swallow this breath!

Whether it was pushed by Shen Xue or not, she couldn't get rid of it, she must make Shen Xue pay the price.

Listening to Feng Yue's words, Shen Zishan was obviously taken aback, jumped up from the chair suddenly, and said in astonishment, "What did you say?"

## Chapter 1907

This is the hospital, Shen Zishan shouted so coldly, and all the people around looked at him.

Shen Zishan's face was ashamed, and he hurriedly sat down.

“Shen Zishan, what are you excited about? You care so much about that dead girl?”

Don't forget, she ruthlessly pushed Lanita down from the upstairs today. If you don't punish her, she might do something more terrible next time.

Besides, doesn't she think it's hard to live with her mother now? That's not right. Qin Dong's family has money. After she follows Qin Dong, is she afraid that she will not have a good life?

Qin Dong also said it, but it's just to pick up a child to play for a few days. When you send Shen Xue over, our company will live.

Shen Zishan, you don't want to watch our company that we have worked so hard for for so many years just get destroyed because of this problem, right?

Over the years, our monthly living expenses have not been less than hers. Now that the company is in crisis, it is not too much for her to help us through this crisis, right? “

Feng Yue looked at Shen Zishan and asked aggressively.

“If you don't want to send her over, the company's capital chain will really be broken, and our family will drink the northwest wind together. Anyway, in your eyes, the safety of your ex-wife's daughter is more important than my Xiyue. ...”

Feng Yue said, turned around deliberately, and looked unwilling to pay attention to Shen Zishan.

Hearing what she said, Shen Zishan hurriedly stretched out his arms to hug her body back, and hurriedly said, “What nonsense are you talking about, how can she compare with our Xiyue?”

She hasn't been raised by her side for all these years, how could she be close? In my eyes, she is no different from other people's children.

You are right, since she has suffered so much with her useless mother, she might as well follow Qin Dong, at least there is no problem with eating and clothing. “

Feng Yue listened to Shen Zishan's words, and finally a smile appeared on her face, she turned to look at Shen Zishan and said, “It's not too late, when there is no problem with Xiyue, you can quickly discuss with Qin Dong and send the person away. In the past, it would have been better for us to get the money earlier.”

“Got it.” Shen Zishan looked at Feng Yue and said softly.

Feng Yue then leaned into Shen Zishan's arms contentedly.

But at this moment, on the other side, Shen Xue didn't even know that she had been tricked by her own father and Feng Yue.

After being driven out of the villa by Shen Zishan, Shen Xue clenched her right hand tightly.

In her right hand was a small golden lock pendant, which was pulled from her neck when she pushed Shen Xiyue down from the upstairs just now.

After pulling it down, she kept clutching it in her hand and didn't dare to release it for a moment.

With this little golden lock, they should be able to get through the current difficulties temporarily.

When they move, they can build a new cabin for their mother. As long as they have work to do, their mood will be much better, and they will not be sent to a mental hospital.

She doesn't want her mother to be sent away, no matter what, she must guard her home.

Even by stealing or robbing, she still has to protect her mother and this family.

Thinking so, Shen Xue couldn't help but quickly ran towards the house.

Walking to the dilapidated door, Shen Xue pushed open the door and sat beside her mother's bed, quietly waiting for her brother to come back.

When her brother comes back from get off work, she will show him this little golden lock, and he will be very happy.

When they sell this little golden lock, she will be able to buy a coat for her brother, and she will not let her brother shiver every day when he comes back from get off work.

Thinking of this, Shen Xue couldn't help but smile, and waited expectantly for her brother to come home.

### **Chapter 1908**

On the bed beside her, Yu Xueqin was sleeping soundly.

During this period of time, her mental state has been very poor, and she often falls asleep for a long time after falling asleep. After waking up, her mind is very confused.

Shen Xue looked at the quilt covered with holes all over her mother, lowered her head and wiped her tears, and went over to help Yu Xueqin tuck the quilt.

In fact, Shen Xue knew very well that this quilt had been covered for too long, and it had long since stopped keeping warm.

It's still a little better now. If it gets colder again, my mother and brother will definitely be frozen.

Their house is missing too many things, and this little golden lock is not enough at all.

She can't put all the pressure on her brother's shoulders, she has to help share it, and she has to make money.

Today this little golden lock is a great start.

After Shen Xue helped Yu Xueqin tuck the quilt, she glanced at the sky outside.

She has been waiting for her brother to come back, and she can't wait to share this joy with her brother.

I don't know how long it took, when the sound of footsteps finally came from outside, Shen Xue hurriedly walked up to meet him, walked quickly to the door, and opened the door.

But it was not my brother who appeared at the door, but Shen Zishan.

Shen Xue looked at Shen Zishan standing at the door, her face full of astonishment, then she quickly clenched her right hand, like a child who did something wrong, and took two steps back.

"Dad, I didn't push her, I really didn't, can you trust me?"

Mom's mental state is very bad now, she can't leave me, please don't arrest me, don't lock me up, okay?"

If you really want to avenge your sister, and you really believe that I did it, you can push me downstairs, and you also push me downstairs, okay?"

When Shen Xue said this, her eyes were full of tears.

In these years of struggling to survive in this world with her mother and brother, Shen Xue saw more and more parents of all kinds.

She has seen fathers who only call their children when it is raining with umbrellas, fathers who still want to buy their daughter's favorite candy with only ten dollars left in their pockets, and even more serious illnesses who suffer for the sake of their daughters. The father who is struggling to keep all the money saved to the child...

But only her father could not be recognized or seen.

Only her father called her a little beggar...

Thinking of this, Shen Xue almost couldn't hold back her tears.

But she was afraid that Shen Zishan would be upset when she saw that she was upset, she still held back and refused to let the tears fall.

Shen Zishan looked at Shen Xue's appearance at the moment, and his heart was sullen.

Looking past Shen Xue and looking into the room, Shen Zishan frowned even tighter.

The house was in a state of dilapidation, and it didn't look like it was habitable at all.

Glancing over, Shen Zishan's face became even more ugly when he saw the man on the bed.

Since the divorce, Shen Zishan has never seen Yu Xueqin again, but he didn't expect her to become like this now.

Living in such a bad environment, Shen Zishan really didn't know what Shen Xue would be like.

After all, she is her own daughter, so it would be a lie to say that she doesn't feel bad at all.

Originally thinking of sending Shen Xue over to Qin Dong, Shen Zishan felt quite uncomfortable.

But this would see Shen Xue living like this, but Shen Zishan felt that Feng Yue was right, Shen Xue lived a precarious life with her crazy mother, maybe it was better to live with Qin Dong.

Thinking of this, Shen Zishan squatted down patiently and slowly, looked up at Shen Xue, and said softly, "Silly boy, what are you talking about, you are my child, why is Dad willing to push you down the stairs? go down."

Just now, my father was too impatient to see Lanita's injury, so he may be a little more serious. Don't be angry with your father, okay? "

## Chapter 1909

Shen Xue never thought that Shen Zishan would say such words to her, and the tears that she had held back so fiercely fell instantly at this moment.

Standing in front of Shen Zishan like this, choking and calling out to Dad, Shen Xue really wanted to hug Shen Zishan.

But she dared not.

She just stood there, crying with tears.

Shen Zishan looked at her like this, raised his hand and gently wiped the tears from her face, and then for the first time, reached out and hugged the daughter into his arms.

At this moment, the emotions that Shen Xue had been suppressing for so long could no longer be suppressed any longer, and she shrank in Shen Zishan's arms and cried loudly.

"Dad, Dad, I really miss you, I really miss you..."

Shen Zishan looked at Shen Xue's appearance at the moment, aside from sighing heavily, he didn't know what to do for a while.

With this daughter, he got along so little that he didn't know how to get along with her at this moment.

After Shen Xue cried, Shen Zishan looked at Shen Xue and said, "Xiaoxue, let's go, while the mall is still closed, will Dad take you to buy some clothes?"

When Shen Xue heard Shen Zishan's words, her eyes lit up.

Originally, I wanted Shen Zishan to buy it for my brother, but every time I mentioned this before, Shen Zishan would say that he had no obligation to be like my brother, so Shen Xue didn't dare to mention it again.

She thought that it would be enough to wait for him to buy new clothes for herself, not wear them herself, then sell them, and then buy a cheaper down jacket for her brother.

That way my brother doesn't have to freeze.

Thinking of this, Shen Xue immediately nodded obediently.

"Dad, I'll go and cover my mother with a quilt, I'll be right here."

As Shen Xue said this, she walked quickly to Yu Xueqin's side, tucked the little golden lock in her hand into Yu Xueqin's quilt, and then turned around and followed Shen Zishan out the door.

The small hand held Shen Zishan's big hand, walking on the road like this, Shen Xue's face was full of smiles.

It had really been a long time since she had laughed so happily.

It has always been Shen Xue's dream to be able to hold her father's hand like this.

It's just that she didn't expect that such a dream would actually come true one day.

Shen Xue was really happy, but compared to Shen Xue, Shen Zishan on the side seemed much more uncomfortable.

He was in a suit and leather shoes, and his clothes were luxurious, but the little girl he was holding in his hand was dressed in such rags, and naturally many eyes were cast towards them along the way.

Curious, surprised, and contemptuous...

Every one made Shen Zishan uncomfortable to the extreme.

If it wasn't for the fact that he had to coax Shen Xue at this moment, Shen Zishan really didn't want to hold her hand and sway through the market like this.

But when he thought of his purpose, Shen Zishan suppressed those strange feelings in his heart and took Shen Xue to the nearest mall.

"Xiaoxue, you choose it yourself, as long as you like it today, Dad will buy it for you, okay?"

As soon as the clerk heard Shen Zishan's words, he felt that a big customer had come, and regardless of Shen Xue's tattered clothes at the moment, he said to Shen Xue, "Little beauty, your father is so kind to you. , do you like this dress? It's the latest in our store."

Shen Xue looked at the dress and quietly took a look at the price.

"Buy it if you like it, don't care about the price." Shen Zishan looked at the small movements in Shen Xue's hands and said softly.

When the clerk heard this, he couldn't help feeling even more excited. He took Shen Xue around to pick out a few beautiful clothes for her.

If Shen Xue hadn't kept saying enough, the clerk would have wanted to give her all the new styles.

After buying the clothes and paying for them, Shen Zishan looked at Shen Xue and said, "Xiaoxue, today your Aunt Feng is with Xiyue in the hospital, Dad is at home alone, you won't go home today, accompany Dad, okay? "

## Chapter 1910

Shen Xue was simply flattered.

She asked Shen Zishan incredulously: “Dad, what did you say?”

Shen Zishan said, “I won’t go home today. I’m here with my father. You must know that this is also your home. My father will ask the housemaid to clean up the house for you, okay?”

Shen Xue: “...”

She couldn’t believe that her father would treat her like this.

She had been on guard against her father for a long time and had almost no feelings for him.

But at this moment, she burst into tears suddenly, and she choked and shouted, “Dad, in fact, I’ve always wanted to kiss you.”

Shen Zishan’s heart is also not a taste: “Dad knows...”

Shen Xue wiped her tears: “I’m sorry Dad, I can’t stay here, I have to go back to accompany my mother at night, my mother’s brain is not very good, I have to take care of him, Dad, Aunt Feng Yue, thank you for the new clothes you gave me , Thank you so much, I’m leaving today, and I’ll come to accompany sister Xixi early tomorrow.”

Come early, just to steal.

Although at this moment, Shen Xue’s attitude towards her father had changed, she still wanted to steal.

Because Shen Xue knew that no matter how good her father was to her, her father could support her mother and brother, so she had to steal.

She carried the pile of clothes that Shen Yuexi didn't want to find out for her by Feng Yue, and escaped out of the Shen family's villa, with a small body, carrying such a bag, and walking crookedly.

Shen Zishan watched for a long time behind him.

"Does it hurt?" Feng Yue asked.

Shen Zishan sneered: "You and Shen Xue are not related by blood, of course you don't have back pain when you stand and talk! But, it's all my daughter! Besides,

That old immortal is looking at Xixi! Not Xue Xue! "

Feng Yue grabbed Shen Zishan's neck and pinched her fingernails into her flesh: "Shen Zishan, listen to my mother! All my youth is wasted on you! My mother has never been greedy for you! My mother only has Xixi. Such a daughter! Whoever dares to hurt Xixi, I will fight with her!"

Shen Zishan coughed straightly: "cough cough, cough cough, you... you release first... release..."

Feng Yue then let go.

Shen Zishan's face turned red: "We both have the same attitude! As long as anyone dares to hit my precious daughter's attention, I will fight with him! It's a big deal! The company is gone! Go bankrupt!"

Feng Yue: "Did you let my daughter live the same life as your daughter in the early days? Living in no fixed place, my parents became scumbags in debt, went to jail, and then affected our daughter for the rest of her life? At that time, our daughter will still fall into That old immortal hand."

Shen Zishan was anxious: "What do you say!"

"You can only sacrifice one!" Feng Yue said without hesitation.

She originally had a little sympathy for Shen Xue.

As long as her interests were not damaged, Feng Yue was very willing to help Shen Xue.

For example, the clothes that Shen Yuexi doesn't want to wear can be thrown away. Feng Yue will naturally be a good friend, find all those clothes and give them to Shen Xue. Not only that, Feng Yue also personally matches those clothes, saving Shen Xue. After Xue came home, she dressed herself.

Yes, it's different now.

The current matter is related to the life and death of Shen Yuexi.

It is related to the life and death of Shanghai Xiyue Fashion Co., Ltd., so Feng Yue really can't care about anything.

She would no longer sympathize with Shen Xue.

At the moment of life and death, she must use Shen Xue as her daughter's stand-in.

But he heard Shen Zishan say: "You're looking for money! Don't forget Feng Yue! Shen Xue is my daughter! Mine! She has the blood of our old Shen family on her body!"

Feng Yue: "Okay, then you can send Xixi over there!"

Shen Zishan: "..."

Feng Yue said again: "I'll be crazy then! It's even more crazy than you were in the early stage! I'll bite every inch of your flesh! I'll bite you to death! Just wait and see!"

Speaking of which, Feng Yue stepped into the villa with high heels.

## Chapter 1911

\

Shen Zishan followed behind.

Shen Yuexi was the only one eating at home, she didn't see her parents coming back, she just said while eating: "Auntie, I won't eat the biggest bone in the bone soup, my father likes to eat pork stick bones the most. Yes, keep it for my dad."

The domestic helper aunt immediately said: "Hey, good little princess."

"Also, is my mother's bird's nest porridge ready? Auntie, we have to drink it every day. She wants beauty and beauty." Shen Yuexi asked happily.

"Okay, okay little princess."

"Hee hee, I love my parents the most." Shen Yuexi said while eating.

Shen Zishan and Feng Yue at the entrance, look at me, I look at you.

There were tears in each other's eyes.

This night, Shen Zishan rang all night.

The career that I have worked so hard to achieve cannot be lost because of this major economic crisis. The old man surnamed Dong really wanted too much, but Shen Zishan really couldn't lose the career he and his wife worked hard for.

They can't even lose their baby girl.

Then, the only one who can sacrifice is Shen Xue.

Anyway, it's not a terrible thing, the old thing said it, and it's just one night.

Just one night.

The big deal, in the future, I will buy a house for Shen Xue as a subsidy. When she grows up, Shen Xue can still get married, get married and have children, it doesn't affect anything.

Thinking of this, Shen Zishan felt at ease.

the next day

The husband and wife usually went to the company to handle affairs, and Shen Xue didn't use it the next day, but Shen Xue wanted to steal something from Shen's house too much, knowing that the next day

was Shen Yuexi's piano lessons, Shen Xue still came to Shen Xue. Family.

The domestic helper looked at Shen Xue impatiently from time to time: "Why are you here today, our little princess is not at home today, she needs three hours to practice the piano, you can go back."

"Auntie, this is the leek box my mother made, fresh for you..."

Auntie domestic helper: "..."

Shen Xue said humbly again: "Actually, let me tell you Auntie, I'm my father's daughter, and Aunt Feng Yue also knows this, but my sister doesn't know it, so let's hide it from my sister, okay? My father and Feng Aunt Yue let me come and go freely here."

Shen Xue is Shen Zishan's daughter, and the domestic helper actually knew it, Feng Yue told her.

Now that the domestic helper heard Shen Xue say this, the domestic helper was too embarrassed to keep Shen Xue out again, so she let Shen Xue in.

There was only Shen Xue in the family, and because after reporting to the nanny that she was Shen Zishan's daughter, the nanny didn't dare to ask her, and even when she went upstairs, the nanny didn't say anything.

There are many rooms upstairs.

Shen Xue carefully looked here, looked there, and even quietly opened the door to take a look.

Finally, she saw Feng Yue and Shen Zishan's master bedroom.

Through the crack of the door, Shen Xue could see Feng Yue's dressing table, and there were really a lot of treasures on it.

Shen Xue crept into the room of her father and Feng Yue, and walked into the room.

Only found after the dresser. It has a watch, a ring, and a necklace of gold and jade.

take what?

Shen Xue was extremely surprised.

Simply, the biggest one!

Shen Xue picked up a necklace of gold inlaid jade, looked at it in her hand, and couldn't wait to put it in her pocket.

“What are you doing! You steal from our house, you thief!” An extremely sharp voice suddenly roared behind him.
