

Chapter 4309

Hearing Marshal's judgment, Duncan smiled wryly:

"I think the same as you, in New York, there are not many people who can move the Fei family."

"When Routhschild and you settle down, at most four or five families have this ability,"

"But this time, the way these people play is not the same as any of yours."

"Indeed," Marshal said in agreement:

"This kind of gameplay is not something that a few big families can do. It's very wild and large scale."

"You think so too?" Duncan sighed: "I once thought that it might be a new Gang,"

"Generally new gangs have to do some earth-shattering things if they want to be successful,"

"But if you think about it carefully, it seems that something is not right."

"If any gang plays like this, it is basically a dead end. No gang can follow the Fei family."

Marshal said in agreement: "And I can be sure that these people are not doing it for money,"

"If it is for money, they will not demand such exaggerated conditions as a ransom of 200 billion US dollars,"

"Which is basically equivalent to the It is as unrealistic."

Duncan nodded: "It's not for money, it's even more bizarre."

After speaking, he asked Marshal, "Marshal, have you watched those few videos that are hot on the Internet?"

Marshal nodded: "I saw it all."

Duncan frowned: "I don't know why, I feel that there is a bit of evil in it!"

"It's so evil! The two videos are one after the other."

"On the surface, they first suppressed the Fei family from public opinion,"

"But in the end, the Fei family seized the opportunity to win back some zone
....."

"But in fact, it gives me the feeling that someone is deliberately manipulating all of this,"

"Just to give the Fei family such a chance to move forward..."

Marshal said: "I called you just to remind you of this, and I also think this is very strange!"

"From the video, it seems that the other party is just playing vulgarly and intimidating Adam,"

"And the tactics are also very strange. It was rough, but everything that happened later gave me a feeling,"

"As if this matter was not as rough as it looked on the surface!"

"Not only was it not rough, but it was accurate to the extreme!"

"It was so accurate that he could predict Fei's family move in advance."

"Every step of the way, deliberately using this method to lure the Fei family to the public."

Duncan patted his thigh and blurted out: "Yes! That's it!"

"They are fishing! They want to catch the entire Fei family from the deep sea,"

"Let them take the initiative to expose themselves to the attention of the world..."

After speaking, he quickly asked: "Marshal, what do you think he wants to do?!"

Marshal smacked his lips: "If they didn't cut Randal's ears,"

"I might think that all this is a good play directed and acted by the Fei family,"

"So that the Fei family's prestige can be rapidly increased,"

"And at the same time, Randal's reputation can be spread far and wide."

"Randal has laid an extraordinary foundation."

"Think about it, when everyone in the world is looking forward to Randal's safe return,"

"They will come up with a successful rescue scene, which will make Randal cry for thousands of times."

"Once he comes out, and the whole world will celebrate and cheer for the perfect ending."

"Randal will have a bright future in this way."

Duncan said, "But, they did cut off Randal's ears!"

"The technology has maximized the picture quality of those videos,"

"Enlarged the image of the pair of ears in the video,"

"And compared with Randal's previous physical features, it is indeed his ears, there is no doubt about it!"

"Yes." Marshal said solemnly: "It is this point that makes me deny this assumption."

"The Fei family is definitely not the manipulator behind the scenes."

"The real manipulator is premeditated to draw the Fei family into the spotlight little by little."
