

## Chapter 4310

Duncan asked: "Let the snake out of the hole, and in front of the world, what is this for?"

Marshal said slowly: "Since the assumption just now does not hold..."

"Then the other party's motive is only left. There is another possibility."

Duncan said: "You mean that the goal of this group of people is not Randal, but the entire Fei family?!"

"That's right!" Marshal said excitedly: "We can really think of going together!"

Duncan sighed: "But I still don't quite understand why the Fei family is attracted to the spotlight,"

"Do they want to be in front of the whole family?"

"From the world's side, attack the Fei family?! That would be too arrogant, the whole world will not forgive them,"

"And by then, they will definitely become public enemies of the whole people!"

"Unless...unless they have absolute certainty that they can completely reverse the current situation!"

Speaking, Marshal's rare expression became a little frightened,

And he blurted out: "I see! This must be a public execution."

Public execution..." Duncan muttered and repeated, his eyes suddenly lit up, and he blurted out:

"I understand! If we follow your inference, that mysterious person must have mastered the huge scandal of the Fei family."

"Even once this scandal is exposed, the entire Fei family will probably suffer a devastating blow!"

"And they deliberately used this method to attract the Fei family to the spotlight of the world,"

"Just to make the Fei family doomed!"

Marshal nodded, and said solemnly: "That's right! I guess that's what happened!"

Duncan said with a horrified expression:

"Then this is really a public execution... It is first suppressed, then raised, and then slammed down... .."

Speaking of which, Duncan tapped the table repeatedly and muttered,

"What is it, to have such great ability... Could it be..."

"Could it be that the old man of the Fei family has come back to seize power?!"

Just as Marshal was about to speak, Duncan quickly shook his head again:

"No! Even if the old man Fei comes back, he would not be able to attack his great-grandson,"

"And since the old man of the Fei family has been completely overridden,"

"It is impossible to have another one. Mysterious power..."

Marshal couldn't help laughing when he saw his friend was puzzled:

"It seems that you, the best detective, also have troubles at times."

Duncan smiled bitterly: "The main thing is that there is indeed a problem."

"Contrary to common sense, if the other party is really so strong,"

"We can't have heard of it, how can someone in today's society accumulate such a powerful force quietly?"

Marshal smiled bitterly and said, "Many things... are indeed contrary to common sense."

"In other words, we are actually ignorant..."

He looked at Duncan as he spoke and asked: "Do you believe it or not, there is a medicine in this world,"

"The size of a quail egg, but it can't be bought for 300 billion US dollars?"

Duncan was dumbfounded and blurted out: "What did you say?! \$300 billion for a pill?! Are you sure?"

Marshal nodded firmly: "Yes! You heard right, it is three hundred billion!"

Duncan frowned and said, "Could it be a target that can cure cancer?"

"Sell 300 billion together with the patent? Even then that's too expensive..."

Marshal laughed: "Also the patent...you think it's beautiful!"

"It cost 300 billion US dollars to make a pill, just to buy that pill,"

"Not only do they not give you the formula, but they not even allow you to take it with you."

"If you buy it on the spot, you must eat it on the spot."

"Fcuk..." Duncan uttered foul language and curled his lips:

"Fcuking crazy, you dare to sell it for 300 billion US dollars?"

"It's even crueller than these kidnappers! Which idiot would buy it at such an expensive price?"

Duncan blurted out a sentence, making Marshal's face darken.

However, he calmly picked up the wine glass and took a sip before smacking his lips and said lightly,

"The fool you said is me."
