

# The Man's Decree Chapter 185 ( The Man like none Othere chapter 185 )

"All the security guards, gather in Zone A! Someone barged into the district and attacked me..." yelled Kevin into his walkie-talkie.

He was merely stalling for time by asking Kai to release him. With regards to whether Kai did have a property there, he did not even bother to find out. Anyone could tell that he definitely was not!

"You jerk! My men will be here shortly. Just wait to be beaten up!" threatened Kevin as he glared at Kai viciously.

Mark, who had just heaved a sigh of relief, suddenly heard his brother-in-law yell in the walkie-talkie, saying that someone had barged into the district and beaten him up. Mark was immediately gripped with anxiety.

He was not worried about Kevin. Instead, he was afraid that his incompetent brother-in-law would cause unnecessary trouble. Initially, he only agreed to let Kevin work as the head of the security after he begged for the role profusely.

He had only joined for two days but was unwilling to do any work. Instead, he fooled around all day and acquainted himself with all the girls in the sales department.

When Mark and the other security guards arrived at Zone A, they saw Kai standing beside his car. Cold sweat immediately dripped down his forehead.

My fear has come true! My brother-in-law has really caused some huge trouble.

Mark quickly hurried over. When Kevin saw that his brother-in-law had arrived with backup, he immediately rushed forward and whined, "Mark, this man barged into the district and attacked me! You must teach him a harsh lesson."

When Zayne saw Mark rushing over with the other security guards, he smirked coldly. "Kai, let's see where you can flee now. Although it's not illegal to boast, you still need to pay the price for exaggerating. How dare you claim to be a property owner here and that you live in the mansion at the top of the hill? Why don't you claim to be God?"

"I've lived for more than twenty years, but it's my first time seeing such a shameless boaster like you." Lydia hid a chuckle behind her hand.

The two of them stared at Kai teasingly, waiting for an exciting show to unfold.

However, Maria sighed. If Kai ended up getting beaten later, she would try to plead on his behalf and see if it would be useful. After all, she could not just stand idly by and watch him become crippled.

However, just when Zayne and Lydia were waiting for Mark and the rest to teach Kai a lesson, Mark slapped his brother-in-law. He was so forceful that Kevin almost collapsed onto

the floor.

Stunned, Kevin stared at Mark with a look of disbelief.

"Why did you hit me? Are you crazy?" yelled Kevin unhappily.

"Yeah, I'm crazy. I shouldn't have let you work here as the head of the security team. You're now fired! Get lost and never come back!" ordered Mark as he snatched the baton away from Kevin's hands.

"You..." Kevin glared at Mark furiously. "How dare you treat me like this? I'll tell my sister!" With that, he stomped away.

Zayne and the rest were dumbfounded when they saw Mark's actions. Even the sales associate had no idea what was going on. Only the security guards who had tagged along knew that Mark was saving his own brother-in-law.

If Kevin stayed there and angered Kai further, he would be killed on the spot.

After Kevin left, Mark snuck a look at Kai with sweat dotting his forehead. He was afraid that the latter would refuse to let Kevin leave. However, since Kai remained silent, he heaved a silent sigh of relief.
