

YOU ARE MINE (ENGLISH) - 181 BACKGROUND

MANIPULATOR

'Eddie cried for a long time. The crying completely vented the suffocation of her heart

letting her slowly have a relaxed feeling from the inside out.

Stuart had been gently

touching her long hair. He gently calmed her emotions without a trace of impatience.'

'It was a while before Eddie finally stopped crying

and then she leaned into his arms. When Stuart saw that she was finally no longer crying

he felt relieved. As he was holding her

he could feel her bones

and she was too thin. He was worried and blamed himself

'Why are you so thin? Don't you know how to eat when I am not around?'

'Eddie could hear the dissatisfaction in his voice and said

'I didn't know if you are alive or not. I was never in the mood to eat!' Stuart

couldn't help

but hold her tighter and admit to his mistake

'Yes

it's all my fault

I am responsible for you losing weight

and I will help you gain the weight back.’

YOU ARE MINE (ENGLISH) - 182 SHE HAD NO IDEA

’Sophia was surprised

’The director and the producer have gone to visit Eddie? Are her injuries that

serious?’ She wanted to get all the information from Mrs. Martha deliberately pretending to be concerned about Eddie. Mrs. Martha loved to gossip

and when she saw the expression on Sophia’s face

she immediately started to tell her more about the fire.’

’Mrs. Martha lowered her voice

as if it were an incredible secret

’I will tell you

but don’t say anything to anyone else. The director went to the hospital to visit

not just to see how Eddie was

but the most important thing was that there was a powerful supporter behind

Eddie.’

’Supporter?’ Sophia had no idea.’

’The staff at the hotel said that in the middle of the night

there was a helicopter. Eddie was saved before the firemen and police arrived. If

you think about it

what kind of person actually owns a helicopter in the city?’

YOU ARE MINE (ENGLISH) - 183 DON'T WORRY

'Sophia's chin trembled as guilt flowed over and she swallowed hard. A sudden flow of tears came streaming down her cheeks.

She reached out to grab Todd's hand

'No

Todd

you have to listen to me. I really didn't want to kill Eddie.'

"The people that we were looking for have already confessed it was said that they used forty bottles of alcohol. You say that you didn't want to

kill her. Are you fucking kidding me

what were you trying to do? Invite her to fireworks?' Todd said and couldn't help

but swear.'

'He had known Stuart for more than twenty years. They were always good friends and they had never had any contradictions. If there were anything that she had done to try and hurt Eddie

he would kill her.'

YOU ARE MINE (ENGLISH) - 184 PAST LOVE

'Todd smiled

'I heard that Eddie likes to drink red wine. To show my sincerity I sent my best wine in the winery from the city. You can keep it and slowly taste

it.’

’After saying this his eyes looked at Stuart ambiguously as though he was trying to remind him of the last experience of drinking the excellent wine. Stuart ignored him.’

’Eddie certainly did not know the deep meaning of the contact between the eyes.

She was shocked by the amount of red wine that he had given her. The wine must have been worth at least a few million dollars. How could she receive such an expensive gift from Todd?’

’This matter has nothing to do with you. You don’t have to pay for it. I...‘

’Eddie had wanted to express her appreciation and Stuart interrupted her

’Your sincerity has been accepted you can go now.’ His tone was cold. He was annoyed that he disturbed Eddie and him. Todd rarely saw his big brother the iceberg. How can he leave so quickly?’

YOU ARE MINE (ENGLISH) - 185 INDESCRIBABLE

’Eddie stayed in the hospital for five days and it was confirmed that there was no problem after being closely monitored.

Even the cast on her arm was able to come off. Stuart finally agreed that she could go home on the fifth day. It had been a long time since she had been at the Royal Villa and she never realized how much she missed it until they drove in.'

'When she left last time they were in a fight. When they came back this time

they were genuinely in love and decided to live together for the rest of their lives.

Carol did not know what happened but she saw the sweetness between the two of them. She was happy to see it and happily made many dishes for Eddie.'

YOU ARE MINE (ENGLISH) - 186 LET ME BE IN YOUR HEART

'Eddie was worried that Stuart had been hurt and finally realized the punch line.

She was not a fool. She was keenly aware of Stuart's eyes and how they were getting hotter and hotter and the atmosphere was getting more and more dangerous. She swallowed and wanted to find a way to get away from it.'

"I should go brush my teeth and Carol will be preparing breakfast in a while.'

'While she was saying it

she was carefully moving to the edge of the bed and saw that victory was in front of her. She suddenly turned around

and Stuart reached out and hugged her.’

’He hugged her to his body not only placed her in the middle of the big bed but also pressed it up against her.

The man who had just been disappointed now turned into a wolf. He was going to show her that he was perfectly capable of satisfying her.’

“Do you want to run? If you are worried it is better for you to check it in person.”

YOU ARE MINE (ENGLISH) - 187 STUART COOK FOR HER

’This was the first night they had spent together as a real couple. They talked and made love for hours. No one bothered them as Stuart told the staff not to disturb them. They were in the room until noon.’

’Eddie was tired and she leaned into Stuart’s arms. Her eyes were half-open and Stuart kissed her long soft hair. This time

Stuart was obviously very restrained and gentle letting her feel coherence of love and flesh for the first time.’

’Stuart’s eyes were full of love

looking at the woman in his arms
he whispered
'Let's take a bath
huh?' The 'hmm' sound was slightly high
and it was so sexy. When Eddie heard his voice
her face turned red
and her eyes were glazed
'You go first
I have to rest for a while.'

YOU ARE MINE (ENGLISH) - 188 FIGHT FOR HER HAPPINESS

'The happily young couple talked and were in such a good mood.
Eddie ate some
noodles
and Stuart asked
'Do you like it? How does it taste?' There was a hint of tension
in his voice as he
was a little timid to ask. Although it was not the first time he
cooked for her
it was the first time he asked her opinion.'

"The noodles...a' Eddie rolled her eyes
'are not very good!' Stuart looked at her with a slight frown of
disapproval on his
face
'Why? What's wrong with them?' He followed the directions
step by step
so there should be no problem. He wondered if he put too much
salt in it?'

“It’s not good for you to cook so little when I seem to be so hungry this morning.”

Eddie playfully winked at him.’

“It’s actually delicious

‘ she said

and Stuart relaxed his eyebrows. ‘As long as you want

I will cook for you every day.’”

YOU ARE MINE (ENGLISH) - 189 ANNA’S ARRIVAL

’Anna was so confident that she could get Stuart to fall in love with her because

for so many years

Stuart had not had any female friends. She was the only woman who could get

close to Stuart except for Marina. She never had any

opportunities to be alone with

Stuart because of Marina.’

’When Marina had the accident

Anna thought that her chance had come

but what she did not expect is that because of Marina’s mishap

it made Stuart more cold and unfeeling. He blamed her accident on himself. He

wrapped himself up with self-blame and guiltiness. He no longer accepted anyone

in his life.’

’Anna tried in various ways

but nothing worked. The only thing that made her feel a little better was that she knew that although she couldn't be his girlfriend he was never going to be with another woman again.'

YOU ARE MINE (ENGLISH) - 190 THE GREG FAMILY

'This was why Anna rushed to the city. Even if he was really engaged it didn't matter. As long as he was not married she had a chance. Stuart said 'I don't have a fiancée.'

'The unmarried wife that Mrs. Yates selected for him was Victoria Greg of the Greg Family. He had already dissolved his marriage contract with the Greg family. Now he has a newly married wife.'

'Thinking of Eddie and how gentle and sweet she was gave Stuart a feeling of happiness. Now his previous restless emotion was peaceful. Of course

Anna didn't know what Stuart meant. When she heard what Stuart said her heart started beating fast with excitement.'

'She really didn't think that the situation would turn out to be good. Anna couldn't help but smile and she said to Stuart laughing

‘America is your territory. Would you take me out to have some dinner and familiarize me with the city?’

YOU ARE MINE (ENGLISH) - 191 THE GREG FAMILY

’Stanley

with all his strength

slapped her with no mercy at all and made Eddie’s face turn.

Eddie was shocked at

his behavior

and now her face grew pale and started to swell. Victoria’s face

showed a smile

seeing that Eddie had been beaten.’

’She covered her face and looked at Stanley. He had been

ignorant of her for so

many years. Now that she was married and he has remembered to

be her father?

‘You’re shameless! Did you know that Stuart was Victoria’s

fiancé!’

“What?” Eddie opened her eyes wide in surprise. She vaguely

remembered that

when Stuart decided to cooperate with her

he once said that his family had signed a marriage contract for him. In the

beginning

his marriage with her was because he wanted to prove his sexual orientation to the

family. He also told her that he did not want to marry his fiancée.'

'Eddie did not know that Stuart's fiancée was Victoria! Originally Victoria wanted to see Eddie being punished. She didn't expect the topic would suddenly change and be revolved around her.'

'It took her a few seconds to react to what Stanley said. Victoria screamed in disbelief

'Dad! What are you talking about?! The one who married Eddie is Stuart?'

'Since seeing the man in the flower market

Victoria had remembered Stuart. At the birthday party of Grandpa

she thought it was the opportunity that God gave her. She didn't expect to know at that time that this wealthy man had already married Eddie.'

'She was very resentful. Why can Eddie marry a god-like man

but she can only marry a rich man whom she had never met?

Therefore

she told Stanley about Eddie secretly getting married and hoped that Stanley would

come forward to teach Eddie a lesson. She never wanted Eddie to live better than her.'

'But now

what did she hear? The husband

who was married to Eddie
was actually the person she cared about the most. He was the
person she was
supposed to marry! Eddie's face was ugly as she explained with
some difficulty
'I really didn't know that the person who she had a marriage
contract with was
Stuart.'

'Victoria felt like she had something caught in her throat
and she produced a high and harsh sound
'Eddie! You are a bitch! I will kill you!' She has always been so
jealous of Eddie
but now she knew that everything that Eddie had should be hers!'

'The man of noble status
handsome and elegant man with assets of over hundreds of
millions of dollars
should have been her husband! His gentleness and
considerateness should all be
hers! Victoria breathed heavily
and her eyes had bloodshot with anger.'

"You are a shameless bitch! How dare you marry my daughter's
fiancé!"

'Mrs. Greg did not listen to Eddie's explanation and rushed over
to pull her hair.
Eddie stepped back two steps and tried to avoid it
'Mrs. Greg
please calm down.'

'Calm down? Mrs. Greg was already angry and crazy. She clearly knew the status of Stuart. When she found out that Stuart's family intended to let him marry her daughter she couldn't believe it.'

'Victoria was reluctant at first

but she has been actively promoting this marriage.'

'As long as Victoria married Stuart then not only the family but even her maiden family the whole family could step into a higher class! But all this had been ruined by Eddie! She can't wait to kill Eddie!'

"You are a slut! A daughter who is just like her mother. Your mother seduced men shamelessly. You learned it from her. You even seduced your sister's fiancé! You are so shameless!"

'Eddie could handle Mrs. Greg scolding her but when it came to her mother. She could not help but say

'Mrs. Greg it is fine that you scold me but you should not scold my mother.'

"How dare you talk back to me. Who do you think you are?" Mrs. Greg was about to swear again and was interrupted by Stanley

‘Enough!’ Stanley shouted angrily
and his eagle-eyed eyes squinted slightly
‘Since you are married
then I won’t say much. I will ask you when are you going to get
a divorce?’

‘A father was actually looking forward to a divorce of his
daughter
and Eddie felt that this was ridiculous. She couldn’t smile. She
showed no emotion
at all and replied
‘I am not ready to get a divorce
nor will I ever get a divorce. Why would I if I just got married?
I must say
though
that I am happily married.’

‘Victoria’s tears flowed down
‘How could this be
Dad

why didn’t you tell me that the man was Stuart?’ If she had
known earlier that
Stuart was her fiancé
she would have definitely tried her best from the beginning!’

‘Stanley grinned and looked at the mess. He was upset. There
was something that
Mr. Greg was keeping a secret
and even Mrs. Greg did not know. In fact

this marriage contract did not entirely belong to Victoria.’

’Mrs. Yates had called him more than once. At first he was very flattered. Mrs. Yates was mighty in the Yates family. He thought that she was interested in cooperating with his family and he talked to her carefully.’

’Later he discovered that Mrs. Yates would always mention the name of a woman every time and always ask the whereabouts of the woman’s child. That child involving the past

so that Stanley couldn’t open his mouth to tell the truth but he had been playing the fool.’

’Stanley thought the child has moved out of the family even if Mrs. Yates wanted to find her he was afraid it was not going to be easy. What surprised Stanley was that Mrs.

Yates mentioned that she wanted to let her son marry her daughter.’

’Then a few months ago Mrs. Yates told him that Stuart had already returned to the city and when it was convenient she would arrange the meeting between Stuart and Victoria. Stanley had been preparing for it

but he was worried about Victoria.'

'He hoped that she could win Stuart over. Who knew it actually was cut off by Eddie and the two were married without a word. Stanley has a feeling of worry in his heart. He always felt that this seemed to be destined. What belonged to Eddie will finally return to her hand.'

'Victoria saw that Stanley was not answering her. She felt that even her father would not help her. She cried even more fiercely

'Dad

how can you let this woman take away my happiness?!' As long as she thinks of the handsome and proud look of Stuart she feels nothing but sadness in her heart. How can she be willing to give him to Eddie!'

'Stanley sat on the sofa in vain and was somewhat helpless

'Victoria

you see

there is really no way that I can help you.' Victoria's eyes were dark

and her face turned red with anger. She rushed towards Eddie and dragged her to the ground

holding Eddie's neck with both hands tightly.'

"You bitch

how dare you to grab my things

I will kill you!"'

YOU ARE MINE (ENGLISH) - 192 GRANDFATHER'S
THOUGHT

'Eddie didn't try to defend herself. She was suddenly knocked
down by Victoria.

The back of her head was hit on the hard floor

and her eyes suddenly closed. She suffered from dizziness for a
few seconds

and she could not push Victoria away

which made Victoria able to do it successfully.'

'Victoria was very powerful when she was angry. She was

holding her throat and

barely letting her breathe. Eddie's face started to turn white and
was slowly

reddened by suffocation. The most chilling thing was that Stanley
and Mrs. Greg

as well as the servants

just stood next to them; they didn't even try to stop Victoria.'

'Nothing but bitterness is all that Eddie could feel. Victoria was
treating her like an

animal. How ironic it was that this family never regarded her as a
human. Eddie

was just about to lose her consciousness suddenly a loud voice
hollered

'Stop!' The sound came from the top of the stairs with an authoritative tone.'

YOU ARE MINE (ENGLISH) - 193 YOU TWO NEED TO TALK

'Eddie started to tremble as she thought that it was being opened by one the Greg's.

She instantly looked up. Suddenly her eyes opened wide in surprise. It was not the person who she thought it was and it was Stuart.'

'She began to panic as she had been crying for so long and her face must have looked a mess. She wiped her tears away from her face and immediately stood up. However because she had been on the floor for so long her legs were numb that she had no feeling in them.'

'Her legs were sore and there was an unbearable pain that shot through them. She lost her balance and started to fall over. Luckily Stuart reacted fast he quickly ran over and held Eddie in his arms. Eddie fell into his arms and instantly she felt relieved.'

'Then she tried to resist she struggled for a while and got away from Stuart's embrace

‘Why are you here? How did you know that I was here?’ Eddie knew that because she had been crying for so long that her eyes must have been swollen and red.’

YOU ARE MINE (ENGLISH) - 194 DON'T LOOK BACK

‘Old Greg listened to their conversation and felt relieved

‘Oh

you are going to make such a wonderful couple. I have waited for so many years

for you to meet someone who can truly make you happy. He is a good man. I can

trust him. There is nothing more that I can do for you now

so don't come back. I want you to run and never look back. Live your life the way

it was supposed to be.’

‘As soon as she heard what her grandfather said

the tears raced from the corner of her eyes. In the past

Grandpa had always asked her to come back and see him. Today

he saw how she was treated

and he did not want her to come back.’

“Grandpa

don't worry about me

I want to spend more time with you

‘ Eddie said tearfully. Old Greg waved his big hand in the air

‘It's been decided

and there will be no change. If I miss you
I will come and see you.’

YOU ARE MINE (ENGLISH) - 195 MY HUSBAND

’They returned to the Royal Villa
and Eddie was on her way to her room
but Stuart suddenly stopped her.’

’Do you still have to sleep in another room?’ Stuart looked at
Eddie

and his eyes were burning with passion. Eddie remembered that
although she
wanted to sleep in a different room
the last time she tried
she woke up and found Stuart lying next to her.’

’Eddie thought about what they did that night
and her face started to turn red

’I...’ Stuart saw how Eddie was shaking
and he knew that it was hard for Eddie to say that she wanted to
sleep with him. So

he decided for her

’Carol
move all her things to my room.’

’Eddie saw how determined Stuart was
and she no longer refused. She batted her long dark eyelashes at
him and said

’Okay

but don't blame me if I grind my teeth and talk in my sleep. So
don't get upset if
you can't sleep well!'

YOU ARE MINE (ENGLISH) - 196 SHE WAS MISERABLE

'When she heard Danny say this
Eddie started to get a headache. It was apparent Danny was still
angry with her.'

"Danny
the situation between Stuart and me is quite complicated. We
didn't really want to
get married. I didn't mean
not to tell you mainly because there was no need to tell you at
that time. As I said
it is really complicated
but now it is out in the open
and soon everyone will know about us.'

'Danny looked Eddie up and down. Eddie was feeling very guilty
for not telling
him. Then Danny asked

'Do you want to be in the entertainment circle?'

'Eddie nodded

'Yes

you know that I do.'

"Do you still want to be the queen of the movies?'

'Eddie repeatedly nodded

'Yes

of course

I do.’’

“Hum

‘ Danny pointed at Eddie. ‘I will let it go this time. If you lie to me again you will be dead.’

’Eddie immediately raised three fingers to swear

‘I swear to the light

that there is nothing in the future that I will not tell you.’

YOU ARE MINE (ENGLISH) - 197 HE IS MARRIED

’Eddie was choked up because she never thought about how

Stuart would feel

when he first saw her that night. She imagined if the situation was reversed and she

saw Stuart lying in a fire

not knowing if he were dead or alive

she would have gone out of her mind too.’

’Eddie lowered her head

‘I guess you are right

but I hope that if something like this happens again

you will talk to me about it

and we can make a decision together?’

“I did not make the decision

and it was Todd’s way of apologizing to you. I didn’t find out about it until after it

was done.’

’Eddie was relieved when she found out Stuart did not do it. She didn’t want to talk

any more about such appalling things. So

she took the initiative to change the topic. After they returned to the Villa

they parked the car and walked into the house.’

’They had just stepped into the entrance of the house when they were interrupted

by an excited voice

‘Stuart

you are finally back!’

YOU ARE MINE (ENGLISH) - 198 WE GOT MARRIED IN SECRET

’Anna was unwilling to give up

and she felt there was another reason behind Stuart’s marriage.

Stuart succinctly

replied

‘We got married in secret.’

’You didn’t tell anyone that you got married? Is there a reason why?’

’Anna thought they married because of the strict demands of Mrs.

Yates and the

dispute over the rights of the Yates family

and she had hope again. She wondered if maybe this was just like the movies

and Stuart was only trying to use Eddie; otherwise

why was Stuart not willing to make it public?’

’When he heard Anna’s questions

Stuart looked in Eddie’s direction. He smiled as he watched his wife in the kitchen.

He took in her delicate features and felt a familiar warmth stir his blood. His mind

started to wander off

and she has brought so much joy and happiness into my life.

Then Stuart shook his

head as if waking up from a dream.’

’Stuart smiled

‘It will be made public when the timing is right.’

YOU ARE MINE (ENGLISH) - 199 SECRET OF THE PAST

’Anna took out a photo album from her bag and handed it to

Stuart

‘Here are some photos of her. There weren’t just photos taken

while she was

filming

but there were some others taken elsewhere. I have sorted them

out for you. Here

have a look.’

’Who is this

‘her’?’

’It seemed that there was not only a relationship between Stuart and Anna but also

someone was involved. Her instinct told her that this was the woman that Stuart never forgot. She immediately remembered what Aaron had told her. He had also mentioned a woman.'

'Could it be the same person? Eddie's heart was beating fast as Anna was about to hand over the photo album she subconsciously reached out and wanted to take it. Anna saw Eddie's movement and was worried.'

'How she wished that Eddie would open the album and then accuse and question Stuart. Then they would immediately start to quarrel and there would be no way that Stuart could explain it to her. If there was a rift between them

then she could have a chance.'

'However Eddie's hand only got halfway before Stuart took it from Anna's hand. She never expected him to reach out as quickly as he did. He took the photo album directly and put it by his side
'Thank you.'

'Anna looked up and she could see Eddie trembling. She looked at Stuart with a surprised look on

her face. His expression was not guilty or flustered. He was still calm

but Eddie looked worried. She felt that Stuart did not want her to see this album; he

was hiding something from her.'

'Anna looked at Eddie and wished she knew what was going

through her mind. Her

eyes flashed with excitement

and she smiled

'It's almost twelve o'clock. Would you like to go out for lunch?

There is a famous

organic restaurant in the city. I know how your stomach is not

good. So this place

would be perfect for you

Stuart.'

'Anna's looked at Stuart

and Stuart lowered his head to look at Eddie

'What do you think? Would you like to go?'

'Eddie was still thinking about the photo album. Her mind was

continually playing

back the action of Stuart's movements

Her mind was in turmoil

and she wasn't completely aware of what was going on around

her. She saw Stuart

looking at her as if he was asking her something

she was a little confused and subconsciously nodded.'

'Seeing Eddie nod

Stuart said

‘Okay

let’s go.’

’Anna and Stuart stood up

and Eddie knew that they were going out to eat. If she had only

known what Stuart

was asking

she would have positively refused. She wanted to stay home and

ask him what was

going on

but it was too late.’

’Stuart drove the car

but when Eddie and Anna went to get in the car

there was a moment of embarrassment. Anna took the first step

and walked straight

to the passenger seat. When she opened the door

she covered her mouth and said to Eddie

‘Sorry

I am so used to sitting beside Stuart as we were in Europe for so

long.’

’She didn’t care what Eddie’s reaction was

and she closed the door and sat in the back seat. Eddie stood there

for a few

seconds before she got into the car and slowly clenched her hands

into a fist. Right

at this very moment

the only thing that she felt was betrayed.’

'What did Anna mean? Was she declaring war? She didn't believe that Anna was really used to sitting beside Stuart. Stuart had been in the city for a few years.

During that period he rarely returned to Europe.'

'She knew that Anna was doing it to make Eddie upset. She wasn't going to let Anna succeed. She didn't say anything and she wasn't going to show any dissatisfaction. She got in the car and sat in the passenger's seat.'

'While Eddie was in the car she looked at the rearview mirror and found Anna in the back

staring at her. Now she was sure that Anna must like Stuart. This kind of hostility could not be disguised. There appeared to be a strong rival and she knew that she would have to fight for Stuart. She managed a smile but was too overwhelmed by her emotions to speak.'

'Anna likes Stuart did he know that? On the drive to the restaurant Anna kept talking to Stuart about what happened in the past few years. Although Stuart was not interested in it he responded politely. Eddie bit her lower lip to try and calm herself down.'

'When they arrived at the restaurant
Eddie and Anna were perfectly aware of the mutual feelings
toward Stuart. The
restaurant was excellent and upscale. The decoration completely
fit Stuart's style.

The dishes were very light
and it was very suitable for him because he could not eat spicy
food.'

'Stuart went to the park the car

and Eddie and Anna walked into the restaurant and went to order
their dishes.

Anna had made a reservation in advance. Eddie couldn't help but
wonder when
Anna made the reservation. Why did she make it in advance?'

'At the time

Anna didn't know that Stuart was married and she planned to
come here alone with
him. She came prepared

and since Stuart was outside parking the car
Anna was not polite at all. She picked up the menu
looked at the meals
and ordered all light and nutritious dishes.'

'Anna could feel Eddie looking at her
and she smiled slightly

'These are the dishes that Stuart likes. I have no idea what you
like to eat
and I am not going to order for you. So
you can order it yourself..''

'Hearing what Anna said

Eddie could feel her face turning red with anger. What was this Anna's way of showing off in front of her husband? Eddie tried to control her anger and took a deep breath.'

'Since Eddie was working in the entertainment circle she has been exposed to many situations like this. She didn't care what Anna said and she suppressed her anger smiled and said

'I like the same dishes as Stuart does after all we eat together every day.'

'Anna's smile vanished from her face; she lowered her head and ordered a few dishes and handed the menu back to the waiter.'

"Stuart is so busy. He probably does not have a lot of time to spend with you to eat?" Anna asked inadvertently. Eddie's smile deepened

'Yes he is very busy at work but as soon as I get home he always comes back to eat with me.'

'Anna reached out her hand and paused 'How long have you known Stuart?'

“Not less than three months

‘ The answer to her question seemed to satisfy her. The smile returned to her face

‘I knew Stuart when I was ten years old. At that time we learned equestrian together. Stuart wasn’t always so cold. He was born to be a gentleman. He has always taken such good care of me. Later we also learn golf together.’

YOU ARE MINE (ENGLISH) - 200 OTHER WOMAN

’Anna talked about the past events of Stuart and her. The more she spoke the happier she became as if she had found a sense of superiority.

Eddie just sat there smiled listened intently and responded with a few words.’

’Anna looked at Eddie and saw her glaring at her. Anna’s face went blank for a second in agitation and she was unable to speak. Eddie saw the expression on her face

she smiled and said

‘Why don’t you tell me some more. I want to know all there is about my husband.

After all

I missed his past. Now

I can have his future
but it's not enough. I can't wait until we go to Europe and tour
the place where he
grew up.''

'Anna didn't know what to say after all Eddie was right. She was
the one who had a
future with Stuart
and all Anna had was his past. What Eddie was saying was the
truth
and she could not refute. The only thing Anna had to rely on was
the past.'
