

YOU ARE MINE (ENGLISH) - Chapter 261 EVERYONE  
WANTS STUART  
TO DISAPPEAR

'Eddie said it was FATE that didn't convince Anna. She felt that Eddie was deliberately uncaring.'

"Eddie  
you do know that I'm not afraid of you. I love Stuart  
and I'm going to win! I have always loved him  
and I will take him away from you. I am competing with you for  
Stuart's love  
and I will win! You look at me like you don't care  
is it because you don't love him as much as I do? I don't  
understand why he is in  
love with you?"

'Anna thought of what Eddie had told her last time. Eddie said she didn't own what she could have taken away; that was the reason Eddie let Stuart and Anna see each other. Anna hated Eddie's attitude as if she didn't care about what happened between her and Stuart.'

'Eddie was so confident that Anna wasn't a threat to their relationship. Anna felt a sense of contempt towards Eddie. Eddie couldn't help but think to herself when she

heard Anna's words

'Do I act as though I care about nothing?'

YOU ARE MINE (ENGLISH) - 262 CHILDE YATES

ARRIVAL

'Stuart left quickly looking for Eddie

but she was nowhere to be found. The castle was full of too many people. There

were business people

celebrities

and financial journalists.'

'Stuart raised his eyebrows questioningly and pulled out his phone

'I have to call Ivan and get him to help me look for Eddie. She doesn't know her

way around the castle

and she could get lost!' He felt suddenly worried about his wife.'

'Before Stuart had the chance to call

Ivan called first.'

"CEO

Childe Yates is in the castle! He arrived without our knowledge.'

"What? He can't be here!' His voice trembled

and his thoughts flew away and he thought about Edie's safety.'

'Stuart's snapped

'Why is he here? Aaron has been gone for so long

and now all of a sudden

he appears out of nowhere? I am afraid that he is up to no good!'

“Childe Yates came to the party on behalf of the board of directors of the L. N.

Group. We can't easily chase him out of this event because he is also part of the company

...

YOU ARE MINE (ENGLISH) - 263 GETTING MORE INTERESTED

'Aaron could not help feeling disappointed as he watched Eddie turn around. The

smile that had been on his face gradually disappeared.'

“Eddie? Is it you? Where are you going?” He felt as if he were possessed as he recited her name in his mind. He didn't know what he was thinking

but the wan smile crept up on the corner of his mouth again and Aaron murmured to himself

‘I'm getting more and more interested in this new sister-in-law of mine.’

'He burst out laughing and walked out of the room.'

'As soon as Eddie found the exit of the garden she saw Stuart. Eddie instantly felt relieved as if a hanging stone had finally fallen to the ground

and she rushed to him.'

“Where have you been? Did you not think that I would be worried about you?”

Stuart’s tone was unusually gentle. Eddie quickly admitted to her mistake

‘I didn’t mean to. It was so stuffy in there and I wanted to come out and get some fresh air. Don’t be angry with me!’

YOU ARE MINE (ENGLISH) - 264 I AM STUART’S REAL WIFE

’Stuart’s cold

black eyes were staring dangerously squinting at Aaron

‘She is the spokesperson that I signed and her first dance should be with me.’

’Aaron paid no attention to the way Stuart was looking at him and he smiled

clapped his hands and sauntered down the steps.’

“You are so right. My Brother was the one who discovered her and signed her. The first dance should be done with you. I will always respect my Big Brother and of course

I will let you have the first dance.’

’Aaron was walking towards Stuart as he said it but at the end of the conversation he suddenly turned around and stopped in front of Eddie and grabbed her by the

hand.'

"My Beautiful sister-in-law  
why don't you come and dance with me for the very first time?"  
'Eddie was so startled

and she tried to break free from Aaron's grip. Suddenly Aaron  
slightly tilts towards  
Eddie and whispers something in her ear. Eddie did not move  
and it was if she were frozen where she stood.'

YOU ARE MINE (ENGLISH) - 265 WHY ARE YOU DOING  
THIS ?

"What do you mean?" Aaron looked puzzled and frowned  
slightly.'

"Why are you doing this between Stuart and me? You did it on  
purpose  
didn't you!"

'Aaron raised his hand  
and Eddie turned in a circle with his movements.'

"Did you know my brother had a fiancée?" Aaron asked.  
Hearing this question  
Eddie was in a trance. She almost made a mistake and pulled  
back from Aaron.'

"So what?" Eddie stabilized her mind and said calmly. Anna told  
her about this  
person before

but she thought it was all in the past and didn't want to ask for more information.

Eddie didn't expect Aaron would bring it up tonight.'

'Eddie had a bad feeling in her heart. Aaron scrunched his eyes and said

'Hicks's face and Stuart's fiancée are almost the same.'

"What?" Eddie looked at Aaron with disbelief as her head began to spin.'

YOU ARE MINE (ENGLISH) - 266 SHE IS SO ANGRY

'Eddie was so angry. She took a deep breath

looked up at him

and said

'Aaron

do you think I actually believe what you meant?'

'A cunning look came into Aaron's eyes. His envy and malice knew no bounds.'

"So why is that not what your heartbreaking eyes tell me?'

'He hit the most painful place in her heart. Eddie pressed the

bitterness and pain

down in her heart

and her voice shuddered.'

"This is between Stuart and me. It's none of your business

' she said.'

"Of course

I am happy if you can handle it well

but I also want to tell you that Stuart is not the only man in the world. If you feel

you can't get along with him anymore  
then you should think about me. After all  
what Stuart can give you. I can give you too!''  
'Eddie looked at Aaron in surprise

'What did he mean? It was not enough to fight with Stuart in the  
mall. He even  
wanted to grab Stuart's women.'

YOU ARE MINE (ENGLISH) - 267 I WANT A DIVORCE

'Stuart glanced up sharply and stared into Eddie's eyes

'What did you say?'

"Stuart

I don't want to play games with you anymore. You and I are from  
two different  
worlds. You have been privileged your whole life and came from  
the upper class.

Where I struggled my whole life coming from the lower class  
we both have different values  
morals  
and ethics.'

'Eddie took a deep breath

and it felt like every breath hurt

'Maybe our marriage was a mistake. If you can't forget about  
your old girlfriend  
we should get a divorce!'

'Stuart was in the grip of powerful emotion. Eddie was devastated; she had no control over the present or what lies ahead. Without saying a word he grabbed Eddie by the wrist and pulled her into a room and slammed the door.'

'Eddie tried to struggle but Stuart was too strong. She kicked and wriggled but couldn't break free. Suddenly there was silence and Eddie and Stuart could only hear each other's breathing as they glared at each other.'

Previous chapter

YOU ARE MINE (ENGLISH) - 268 I WILL NEVER AGREE TO IT

'Stuart couldn't believe what Eddie was saying and asked again 'What did you say?'

'When Eddie was at the castle she told him she wanted a divorce. Stuart thought it was because she was angry.

Then he figured that once she got home she would calm down and figure it out.'

'But now at the Royal Villa she still says the same thing! Eddie endured the pain in her heart. She avoided Stuart's eyes and acted as if she felt nothing.'

"You don't seem to want to be honest with me

and I am not going to push you. I just can't live like this anymore

and we can't be together. In fact  
our divorce will be simple as there will be no property disputes.  
All I have to do is  
move my things out. You have helped me a lot during this period.  
If you want  
I can repay you for the things that you bought me. I just need to  
wait to be paid  
and if you don't trust me  
we get a contract written out.'

YOU ARE MINE (ENGLISH) - 269 DO YOU THINK I  
ACTUALLY  
BELIEVE YOU?

'Eddie wasn't in a good mood  
but she tried to keep her spirits up and asked  
'So what's the good news?'

"In The Dynasty Elegy  
the Prince Raines casting has been decided.'

'The role of Prince Raines wasn't an important character

but he was dating Mae  
and her role was played by Eddie. The choice of this role was  
very significant to  
Eddie.'

"Who is it?" she asked excitedly. Danny's expression looked a  
little overjoyed

'I know what luck you've had and that you've had some hardships in love. Your career seems to be taking a turn for the better. Clyde has taken the role of Prince Raines!'

'Hearing the name Eddie was utterly stunned  
'Clyde? Why did he get the role?'

'Although Dynasty Elegy was a big production it was a female drama after all. The actor's part was not a big role. Even the Lead actor emperor was only a supporting actor.'

YOU ARE MINE (ENGLISH) - 270 HE TOOK EDDIE AWAY

'The virulent look on Aaron's face was a warning to Eddie that he was going to say something unkind. He grinned and said

'So what if you don't believe me? Are you expecting your husband to save you?'

Last night  
I watched him leave you alone in the Castle  
but not only that  
he left you for another woman. Don't be upset with me for telling you what you already know. So tell me  
do you really think that Stuart cares about you?'

'Eddie was so surprised to find out that Aaron had been watching her every

movement at the Castle. Aaron seemed pleased by Eddie's expression on her face.

His eyes narrowed as he looked at her and there was an unmistakable look of deception on his face.'

"Why don't you divorce him and come with me. I am much more understanding and supportive than Stuart is.'

'Eddie didn't want to look at him and kept staring straight ahead  
'You're dreaming. I will never be with you. Even if I weren't with Stuart  
I would never be with you.'

YOU ARE MINE (ENGLISH) - 271 SHE WAS DEVASTATED

'Eddie didn't know where Aaron was taking her. He was driving too fast and weaving in and out of the traffic. The speed of the car made Eddie feel like she was going to be sick. Aaron glanced at her frowning pale face and chuckled  
'Are you feeling a little sick?'

'Eddie's lips compressed into a thin line and she didn't say a word. She shivered

sensing something truly evil in his monotonous voice. Eddie noticed that he started to slow down.'

“Hang on  
and it won’t be long now. Probably about ten more minutes.”  
’Eddie was a little surprised that Aaron told her they were almost  
there. She  
thought he was a selfish guy who only thought of himself. Eddie  
felt he was  
ignorant and rude for not taking her feelings into consideration.’  
’Sadly  
she didn’t have any reaction towards him at all as he made Eddie  
feel  
uncomfortable by forcing her to get in the car. Then suddenly her  
phone rang.  
Taking her phone out of her purse  
she saw Jason William’s name on the screen.’

YOU ARE MINE (ENGLISH) - 272 ARE YOU AFRAID OF  
ME ?

“Marina is dead? A sixteen-year-old girl was encountered with  
such a terrible  
thing. She was so young and so innocent. I can’t get it out of  
mind.”

“I’m so sad for Stuart  
and I mean that from the bottom of my heart.”

“How could you be so merciless?”

’Eddie’s voice trembled as she began to speak. The minute she  
finished  
Aaron burst into laughter  
as if he heard the funniest joke.’

“Merciless? Me? I assume you have been protected for quite a long time. Stuart was not an innocent bystander. Why do you think this happened? Stuart has blood on his hands as well!”

“I....” Eddie was confused. She wanted to say something

but she couldn’t find any words to tell what she was feeling. It wasn’t until at that moment did Eddie realize she didn’t know Stuart at all.’

’In front of most people he was a cold and proud man. Stuart could also be gentle and cared about her so much. But Eddie didn’t know about anything else in his life that went on around him.’

YOU ARE MINE (ENGLISH) - 273 I TRUST YOU

’After Eddie finished telling Aaron how she felt Aaron shut his eyes and rubbed his forehead. Suddenly he opened his eyes wide then sat up straight as if something within him clicked.’

“I need forgiveness. It was not on purpose...there was more behind....”

’Aaron looked like he was suffering from extreme pain. He ran his fingers through

his hair and tightly held onto his head. It seemed as though he was under enormous pressure and he needed to get rid of it.'

'Eddie was shocked when she saw his reaction. Because of Donald's episodes she had learned a little about mental illnesses. She knew how quickly one could have a break down from being under too much pressure.'

'Even though she was afraid of Aaron she became worried about him.'

"What happened between you and Marina? You can tell me. I can explain it to Stuart for you.'

YOU ARE MINE (ENGLISH) - 274 SOME SECRETS NEED TO BE BURIED

'Aaron left

leaving Eddie alone on the beach. She sat on the sand

shivering and stunned staring out at sea. She faced the ocean and a cool breeze touched her cheeks. Eddie couldn't understand anything think of nothing and felt nothing. She was numb inside.'

'When Jason and Scarlet arrived Scarlet rushed over to Eddie and hugged her 'Eddie

Eddie. Are you all right? Where is he? Did he do anything to you?’

’Eddie looked pale and she’s so silent. Staring at her Scarlet checked Eddie carefully to see if Aaron had hurt her. Scarlet remembered what Jason had told her in the car. That Aaron was a dangerous man

and she was going out of her mind with worry thinking he may have done something to Eddie.’

’When looking at Scarlet Eddie shook her head and was brought back to reality. After all Eddie had been through and she finally felt safe. Her eyes suddenly filled with tears and they flowed down her cheeks.’

YOU ARE MINE (ENGLISH) - 275 AARON’S PAST LIFE

’The clouds were moving quickly in the fierce wind. Standing on the balcony

Aaron looked at the sky without any expression on his face.’

’He remembered his past twenty years ago. The most painful memory he had.’

“Mommy

I don’t want to learn game theory. I want to learn drawing. Please let me do what I

am capable of  
,,

“Mommy

Stuart learned this so well. I can't beat him. He is better than me in this field.”

“Mommy

the heir of the L.N. Group

is Stuart. Why do I need to compete against him?”

“You are such a loser. Both you and your father are losers. You couldn't even win

the right of succession. Why don't you die and go to hell? The one thing I regret

the most was when I married your father. Then

I gave birth to you

a loser. If you can't win this

you don't deserve to be my son.”

'Even now

he remembered her voice

sharp and fierce. Aaron grew up not being able to make choices for himself.

Twenty years ago

he was continually being pushed by his mother.'

YOU ARE MINE (ENGLISH) - 276 I HAD NO CHOICE

'The dagger pierced through Stuart's hands. The blood poured out and was dripping

on Aaron's face. Aaron burst into a crazy laugh. The laugh

sounded really scary on

such a rainy day

'Stuart

if you want to kill me

then go ahead and do it.'

'Aaron's eyes were covered in Stuart's blood

and because of that

he couldn't see. All he could do was keep shouting at Stuart.

Despite the pain in his

hands

Stuart grabbed Aaron's collar and pulled him

'I have warned you to stay away from Eddie. I told you that if

you didn't then I

would kill you!' Stuart's voice was cold and trembling.'

'The blood on Aaron's face was now washed away by the rain.

He opened his eyes

and saw the coldness in Stuart's eyes. His eyes looked like a

sharp knife that could

pierce through Aaron's bones. With each bone being hit by Stuart

seemed to cause

Aaron pain.'

YOU ARE MINE (ENGLISH) - 277 LEAVE HIM ALONE

'Jason was still worried

but he was more concerned about Stuart more so than Eddie.

Jason knew how

much Stuart loved Eddie. Therefore

he didn't know what Stuart was capable of doing to Aaron.'

'Jason had tried calling Stuart and Mr. Bates but neither one of them answered. So all he could do is sit around and wait to find out what happened between Stuart and Aaron. Jason had a feeling that no matter what happened Stuart would come back and be with Eddie.'

'Finally he heard the sound of someone walking in the corridor. Jason immediately raised his head. Stuart's body was soaked in blood and rain. He walked towards the ward followed by Ivan and Mr. Bates.'

'Stuart's arm and his hands looked quite severe. Blood and water were dripping from his fingers. Jason immediately stood up and was frightened by Stuart's appearance.'

"Are you okay? What happened to you?"

'Before he could finish Stuart rushed into the ward.'

YOU ARE MINE (ENGLISH) - 278 MASTER IS FINE

'Edie didn't know how long she was unconscious. She woke up to the scent of sanitizer

the smell lingered in the air and made her nose crinkle. She slowly started to recall the events of last night. Then Edie remembered it was Jason and Scarlett who took her to the hospital.'

'Suddenly

a gentle and aged voice appeared. 'Mrs. Yates you're finally awake?'

'Edie raised her head and saw Mr. Bates sitting close to the bed.

Frantically looking around the room

she noticed there was only her and Mr. Bates there. Feeling a little upset

she silently said

'Stuart...is

not here?'

'Edie was a bit confused and looked sad. Noticing the disappointment on her face

Mr. Bates smiled and explained

'Master is changing his dressing on his wound. He will be back shortly. You were

unconscious for over twenty-four hours

and the Master was extremely worried about you.'

'Edie caught the critical point immediately and said

'Changing his dressing? He's hurt?'

YOU ARE MINE (ENGLISH) - 279 EDIE WAS TOUCHED

'Edie paused

sucking in a deep breath. She swallowed the rest of her sentence and murmured

‘Stuart...’

‘Stuart was startled when he heard Edie speak. He wasn’t expecting her to be awake. Stuart quickly walked over to the bed and pressed the nurse call button. He

took Edie in his arms and looked her over carefully. Stuart’s eyes were full of worry

even his voice shook a little

‘How are you feeling? Do you feel sick? Is there anything that hurts?’

‘Edie had just woken up and was a little shaken up by Stuart’s reactions. She felt a

little lightheaded and said

‘I. I’m fine...’

‘Before Edie could finish her sentence

she was being pulled into Stuart’s arms. She was surrounded by a scent of

dominance

and it disrupted the rhythm of her breathing completely. Stuart

didn’t say a word

and he just held her tightly as if she were going to disappear. Edie leaned against

his chest and could hear his irregular heartbeat pounding.’

YOU ARE MINE (ENGLISH) - 280 I LOVE YOU EDDIE  
YATES

'Stuart's eyes glistened with excitement as he opened the lunch box. Edie took a spoonful of the porridge and put it in her mouth. The oatmeal was so sweet and tasty that it melted in her mouth. The thought of Stuart doing this for her warmed her heart. After Edie finished eating Stuart quickly cleaned it up.'

'Watching Stuart bustling about Edie's heart flipped she suddenly asked 'Do you remember what we talked about that night?''

'When hearing her words Stuart's heart skipped a beat. His face grew serious and he said 'What did we talk about?''

"A divorce

' she said a familiar tremor of uncertainty fluttering through her.'

'For the past two days it had never left Stuart's mind because he didn't know how to bring the topic up nor did he want to. Ever since Edie woke up

he acted as if nothing happened. Stuart was surprised that Edie mentioned it so soon.'
