

YOU ARE MINE (ENGLISH) - Chapter 781 I WOULD TRY MY BEST

"Then who was crying in a quilt every night?" Stuart asked in a low voice cutting the heartstring tightened tightly like a knife.'

'He installed the monitor in her bedroom. He knew everything in her bedroom. She was in pain for these two months. Every night she cried to fall

asleep. And then she was woken up by a nightmare. Every night. But she still

had to pretend to be fine on the day. Now he said he knew all these.

Didn't he

know the reason?'

"So

you just stood there watching me cry right?'"

'Edie raised her palm-size face. Her eyes were filled with tears. At the moment

she fixed her eyes on him. She knew he was also looking at her at the moment.'

'Both fell into silence.'

'At the moment

the narrow warehouse was wrapped by the wired atmosphere.'

'Edie knew Stuart didn't know how to answer her. His promise to Marina tortured her for more than two months. How brutal he was.'

782 YOU ARE MINE (ENGLISH) - DARLING, ARE YOU LOOKING FOR ME?

'She made several calls to Stuart. But no one answered the call. Edie got more

and more anxious.'

'At the moment she was about to give up someone answered the call.'

'She heard Stuart's voice

"Edie

what happened?'"

'Hearing his voice

Edie couldn't help herself bursting into tears. She was so excited that she

couldn't make a sound at the beginning.'
"Could you hear me? The signal here is bad."
'Edie didn't know where he was. She could hear the bang sound of machines
and the sound of heavy wind.'
'Edie yelled at him immediately
"Where the hell are you?"
'All of a sudden
tears poured out from her eyes.'
"I would arrive soon. Wait for me on the roof."
'Then
he hung up the phone.'

'Hearing his words
Edie froze immediately. Why did he ask her to wait for him on the roof?
Was
he lying to her?'
'Edie looked towards those students. Everyone was staring at her in
shock at
the moment.'
"Have you decided? Which one? I have something to deal with now.
You...."
783 YOU ARE MINE (ENGLISH) - IT LOOKED A LITTLE WEIRD
'Edie couldn't help herself bursting into laughter after hearing the story
"What do you think of them?"
"I don't know. I know nothing until our mom sent me a text."
'Hearing his answer
the smile of Edie's face immediately froze. This guy really didn't know
how
to talk. Edie was pissed off.'

"I want to know what you think of their relationship. I think Norman is a
good choice for Brittany. When I lived alone with Laty in those five years
he really took good care of us."
"Before that explosion
I was still mad at him for asking you to leave me. But after going through
that
explosion and surviving

I decided to forgive him. He would be a good brother-in-law. Besides it is not easy for him to win Brittany's heart even though I didn't make it difficult for him."

"Really? Norman is a soldier. He is a man with male chauvinism. No matter

how strong Brittany is

she would admit her vulnerability in front of him. Don't you think so?"

784 YOU ARE MINE (ENGLISH) - SHE DIDN'T WANT TO LEAVE

STUART

'But Stuart didn't say a word.'

'Eddie thought Stuart might beg her to open the door or ask Mrs. Yang for help. But she didn't hear any sound after quite a while.'

'Where the hell has he been?'

'Eddie got confused.'

'She opened the door. Stuart disappeared.'

'Did he go to the dining room?'

'Or the kitchen?'

'Or the bathroom?'

'She's been looking for him in every room. But she could not find him.

When

she returned back to her room

she saw Stuart was lying on the bed.'

"Where have you been just now?"

"Take a shower. I need to take a shower before going to bed."

"Why couldn't I find you in the bathroom just now?"

"I saw you when you went to the kitchen. What? Are you hungry now? I can

cook some food for you." Stuart said seriously.'

'Hearing these words

Eddie didn't know how to answer. Finally

she said

"I want to take a shower

all right?"

'It took her a long time to take this shower. She really didn't know how to

face Stuart lying in her bedroom at the moment.'

785 YOU ARE MINE (ENGLISH) - DO YOU WANT TO SEE HIM
OFF

'Finally
when her tears cooled down
she pushed Stuart away and said in a loud voice
"It is too late now. Sleep tight."
'She tumbled towards her bed and turned her back to Stuart.'
'Stuart looked at her without saying a word.'
'The night.'
'Fell into silence all of a sudden.'
'Edie fell into a deep sleep tonight. Perhaps because Stuart stayed with
her
tonight
besides
she felt exhausted after crying for such a long time. When she opened
her
eyes
it was about nine o'clock in the morning.'

'Stuart left just now. She saw a bunch of white roses on the bed stand.
She
could smell the fragrance of the flowers.'
'Seeing Edie getting up
Mrs. Yang cheered up immediately
"Mr. Yates just went downstairs. Do you want to see him off?"
""Not necessary.""
'Edie walked to the window
seeing Stuart walking out of the door. His body was so strong. His steps
were
so vigorous.'

786 YOU ARE MINE (ENGLISH) - HE WAS JEALOUS

'At the moment
Stuart arrived. Seeing what happened at the door of the store
he asked Edie

"What's up?"

"Take an evening off. I want to take them to have a drink. Do you want to join us?"

"Of course."

'Since Stuart already come

Edie didn't have to do anything. Stuart took them to the coffee house and

ordered thirty cups of coffee and a dessert. Stuart paid the bill.'

'Seeing this

every student all applauded for him.'

'The man was the most handsome when he paid the bill. Moreover he used the black golden card with an unlimited overdraft to pay the bill.

At

the moment he took the card out

everyone was shocked.'

'It was also the first time for the waiter to see this card. He immediately realized the man standing in front of him was someone famous. Thinking about this

his fingers started trembling.'

'Edie stood asides him while he entered the password. It was the date of her

birthday.'

'Seeing this

she felt so warm at the bottom of the heart.'

787 YOU ARE MINE (ENGLISH) - HE LOVED HER AT ANY COST

'Hearing these words

Stuart smiled slightly

"That's all right. You can stay here as long as you like. You can avoid facing

the problem now. No matter what you want

I would not allow you to leave me."

'He loved her

at any cost.'

'As long as she liked

as long as he had

he would give her everything

including his life.'

'They stayed out of the coffee house for quite a while till those students got out of the coffee house and interrupted them.'

'Seeing them

Eddie immediately flushed

while Stuart remained so calm.'

""We really don't mean to interrupt you. But we need to go home now.

We

think we should tell you. Continue. But it is so cold at night. Take care.""

""Conquer your wife.""

""Come on. We are always behind you

Eddie.""

'Then

they left happily.'

'Eddie felt really embarrassed. She wished she could find a hole on the floor

and hid on the floor.'

""What do you think of their suggestion?""

""It is too late now. We need to go home.""

788 YOU ARE MINE (ENGLISH) - HE DIDN'T SHOW UP

'He stayed with her for less than one week. But she has already been addicted

to it. He was like a drug for her

,

'Once she touched him

she would be addicted to him. He couldn't come tonight. She could not see

him for just one night. But she still felt so lonely and lost as if she had lost something important.'

'Stuart would help her balance the book before. He was born to be a businessman. He had a keen sense of figures. He could balance the book in

minutes. She could do it too. But she needed to take a longer time compared

with him. But this time

it seemed that she got dumb. No matter how long she took

she could not understand those figures in the book.'
'No matter how she did
she got a fault result.'

'Finally
she threw the book on the floor directly.'
'Then she slipped down on the wall slowly.'
'Why couldn't he come tonight?'

789 YOU ARE MINE (ENGLISH) - ALL I WANT IS YOU

'Edie didn't realize she'd never been confronted with an attack of those
reporters after coming to Lionel until Ivan told her this. Life here was so
peaceful.'

'She thought it was because of the kindness of people here. She never
expected that Stuart did a lot for this behind her.'

'No wonder he went back to A every morning and returned back every
night
these days. He needed to handle these trifles for her. No wonder he got
a
fever.'

'But she was still complaining to him several hours ago. She still refused
to
go back to A to find him several hours ago.'

'She was such an asshole.'

'At the moment
she wished to rush to Stuart to take care of him.'

'After one hour
they arrived at the hospital in A

790 YOU ARE MINE (ENGLISH) - DON'T BE RUSH

'In A
at midnight.'

'The night in spring was cold. The wind was blowing. A week after
Brittany
ran away from her marriage

Norman finally handled all his work and focused on catching his little wife back.'

'However

at the moment his personal airplane was landed lots of smoke bombs popped out from nowhere suddenly.'

'Then they slipped under the airplane.'

'Norman could not see anything all of a sudden.'

'The housekeeper got off the airplane to check. Seeing that smile he told Norman

"It was fogging in A."

'Hearing his words

Norman squinted slightly. He had a bad feeling. He thought the frost outsides

looked weird.'

'He smelt the fragrance in the smile. So slight. But he has been a soldier for

many years. He was a keen sense of this stuff. After three seconds he placed the order

"Come back now. It is poisonous."

'However

it was too late now. All of a sudden

he felt so weak. This tall man fell onto his seat immediately.'

791 YOU ARE MINE (ENGLISH) - SHE WAS A GUEST

"Pack up. I want to visit Stuart and Edie. I've been here for such a long time.

But I haven't visited them once."

"Okay. I would prepare gifts for Avan and Laty immediately." Adam said immediately. He was such a considerate man that he could handle every detail of Brittany's life.'

'This time

Brittany went to Stuart's house alone. She was a guest. It was not convenient

for her to take her secretary this time.'

'However

when she parked her car at the door

she unexpectedly saw a go-anywhere vehicle at the moment. Apparently it was Norman's vehicle.

'

'She was so sure. Her instinct never made a mistake.'

'Why was he here now?'

'Brittany squinted slightly. Suddenly she came up with an idea. She approached the vehicle in silence and exhausted all air out.'

'Then

she got into the car happily. She planned to choose another time to come here.'

'However

before she fastened the seat belt

the car door was opened unexpectedly.'

792 YOU ARE MINE (ENGLISH) - I AM YOUR FIANCÉ

'Being trapped

Brittany got much angrier. She shouted out immediately

"What the hell are you waiting for? Come on."

"I am your fiancé. I can do everything I want to you

" Norman smiled

looking towards those men coldly. Everyone was frightened back immediately.'

'Indeed

the man in front of them was Brittany's fiancé. Though they haven't been

engaged

Brittany's parents have already made the decision for her.'

'Therefore

after thinking about this question for quite a while everyone decided not to help both of them.'

'Besides

they couldn't beat Norman. Norman was so clever and strong.'

"What? What the hell are you doing? Shit. Even Adam is better than you all of you." Brittany said in an angry voice.'

'Adam...'

'Brittany was so familiar with this man. He was adopted by her family.

He

treated her so well. Always.'

'Hearing this man's name

Norman felt really angry. His fiancée was calling another man's name.'

"Did Adam kiss you?"

'Norman rubbed her red lips with his coarse fingers.'

793 YOU ARE MINE (ENGLISH) - SHE WOULD BE ATTRACTED

TO HIM

'Liked him...'

'Norman was so powerful. Every man following him believed in him and was

willing to work for him.'

'Normally

this kind of man was her type. However

sadly

he used the wrong way to get her

,

'Brittany shook her head and said

"If he used a different way to approach me

I might consider him. But now all I want to do is to get rid of him."

"You are worried that you might fall in love with him right?" Edie smiled.'

'Hearing these words

Brittany got so excited that she jumped up from the sofa immediately like a

freaking out little cat.'

"Absolutely no. I would never fall in love with him. I would never lose the game."

"But you are scared of him. You are escaping from him aren't you? You are worried that you might fall in love with him in the end.

You think that would be so shameful for you

" Edie was clear about this as an outsider of this relationship.'

'Brittany was one year younger than Edie.'

794 YOU ARE MINE (ENGLISH) - IT DEPENDS ON YOUR HEART

'Stuart sneered at the corner of his mouth. Then he pinched Avan's small shoulder tightly and said

"If I found you do so

I would definitely break your legs. I swear. From now on

don't grab Laty's hands. Understand? If I know you break the rules

I will cut your hands off."

'Hearing these words

Avan couldn't help himself starting sweating. He said immediately

"I promise. I would keep my word. I would do whatever you ask me to do.

All I want is a home. Please

let me stay here."

'Hearing these words

Stuart threw an eye on him. Then he saw Edie coming to them.'

'Edie heard what Avan said. She stared at Stuart angrily and pinched his waist

"What did you say to Avan? Please don't listen to him

Avan. If he doesn't agree to let you stay here

I will force him to do so."

"I want to be Laty's friend."

795 YOU ARE MINE (ENGLISH) - WHATEVER YOU WANT

'Stuart was shot directly into his heart fifteen years ago. He was about to die.

All he knew was it was a little girl that saved him.'

'He hid under the bridge to dilute the blood on his body and to get rid of William.'

'Then

as he was about to lose his consciousness

he felt a girl's body. She was so thin

small

and warm.'

'She kept saying something. She sounded so anxious. But he felt so weak at

that moment. He could not hear anything. He could not push her away from him.'

'He was about to die. At that moment he didn't feel he hated that girl. He didn't want to push that girl away at all.

On the contrary he wanted her. He wanted to get more warmth from her.'

'Her hands were warm. Her breath was warm. Her body was warm. She wrapped him tightly under the cold Autumn. He felt so warm at that moment.'

'However at the moment to his surprise she started pressing her lips onto his lips giving him more air.'

'Stuart thought this girl must think he was drowned.'

796 YOU ARE MINE (ENGLISH) - TOUCH MY FACE?

"Can I come in?" Brittany got suspicious immediately. She wondered what the hell Norman was planning on.'

"Our general has told us. Mrs. Norman could get in and out whenever you want."

'Hearing these words Brittany immediately stepped into the residence without any hesitation.'

'The place was large. It was surrounded by antique buildings. In the middle

was a pool with lots of fish swimming through. Brittany could hear the sound

of the water going through the river.'

'Besides the pool was a bamboo forest. Apparently life here must be enjoyable.'

'Brittany stepped up to the second floor and was led to a room. Then the

maid told her
"Mr. Norman is in this room
Mrs. Norman

please."
"Change what you call me now. I am not Mrs. Norman." Brittany said in
an
indifferent voice. At the moment
she sounded so powerful and cold.'
'Hearing these words
the maid was so scared that she immediately lowered her head and kept
silent.'
797 YOU ARE MINE (ENGLISH) - YOU CAN'T CONQUER ME
"Indeed
sir. You've changed a lot. You become more lovely and amiable now."
"Do you like me now? What do you think of me now?'
"Quite good."

"I also think so. You can go to prepare the food now. It is the first time
for
me to have dinner with him. I want to give her a good impression."
"But you..." the housekeeper still wanted to persuade him'
"Don't worry. I am fine
"Norman said in a peaceful voice.'
'Hearing these words
the housekeeper had no choice but followed his order. He got up and
changed
the clothes. Then he walked to the balcony to look down
staring at the small girl in the garden.'
'Brittany was walking among the flowers. It was in the Spring. Lots of
different flowers were coming into bloom.'
'Apparently
she was not a warm girl filled with romantic thoughts. She just threw an
eye
on these flowers

without caring too much about them.'

798 YOU ARE MINE (ENGLISH) - SHE SLAPPED HIM

'Hearing his question

Brittany sneered at the corner of her mouth. "Based on what you've done

before

it is really hard for me to trust you."

"If I swear to god

there was nothing interesting this time would you agree?"

'He was a soldier. In most cases

he would not lie.'

"No."

'Brittany said in a determined voice.'

'She squinted and looked toward Norman's cute voice. At the moment his thin lips looked indifferent and cold.'

"I would not get married to a man I don't love. Save your time."

"Do say this now. You don't know this yet. What if you fall in love with me?"

"Impossible. I've fallen in love with someone else. But my parents might not

accept him. So I haven't announced yet."

'She loosened his collar and flattened his clothes with her small hands.'

'Hearing these words

Norman squinted. His eyes turned cold immediately.'

'He grabbed her wrist and said in a cold voice

"Is it

Adam?"

'Adam?'

'Hearing this word

Brittany froze slightly. But she reflected immediately.'

799 YOU ARE MINE (ENGLISH) - HE BEAR THE PAIN

'Soon

Norman was taken back to his room. The doctor arrived soon.'

'There are two gun wounds on his back

and both were so close to his heart. He avoided two-shots accurately.'

'He didn't expect those men came to A to kill him.'

'The wound needed to be closed again. Lines on the wound should be close first. Try to imagine that. It must be so painful.'

'Besides

Norman was allergic to the anesthesia. Therefore the doctor could not apply any anesthesia to him while doing the stitching

process. Norman had no other choice but to bear the pain.'

'After the doctor cleaned the wound and found the line on the wound he said

"Sir

I would start now.'"

'Norman on the bed with his upper body naked exposing his dark skin.'

'He grabbed the edge of the bed tightly and chewed a towel in his mouth to

avoid biting his tongue when he felt so painful.'

'He nodded to tell the doctor he's been ready.'
