

The Man's Decree Chapter 730 (The Man like none Other chapter 730)

Rayleigh grew silent. He might not interact with Kai often, but he knew Kai's temperament. If there was a real danger, Kai would not let his girlfriend sacrifice her life to save him.

"One step at a time. Mr. Kai started too late, and so he'll only have the ability to fight against the Deragons if he obtained the draconic essence of Ice Dragon and Flame Dragon..." he said in a heavy tone.

Draco slowly shifted his gaze to the girls poking fun at each other and sighed resignedly.

It was a celebratory day in Mapleton. Carlos of the Emyrean Sect was going to marry Lyanna. Many of the Emyrean Sect members had arrived at the location early.

Concurrently, Lyanna was putting up her makeup in her room while staring at Kai somewhat irritatingly.

"What is the meaning of this, Kai? Are you really planning to marry me to Carlos?" Even though it was her wedding day, she didn't look happy at all.

Lyanna had told Kai the truth after interacting with him for a couple of days. She knew Kai had a girlfriend, but she didn't care.

"I told you already that it's just a formality. I'm not really going to let Carlos do anything to you after you enter Emyrean Sect..." Kai explained.

"You must remember that I'm helping you right now. If you fail to prevent Carlos from getting his hand on me, I'll kill myself turn into a ghost; then, haunt you forever," she said with an unwilling expression.

"Relax. If my guess is correct, Carlos probably couldn't get it up to spend a night with you. There's another reason why he's marrying you..."

When Kai first saw Carlos, he noticed there was something wrong with his aura. Despite the fact that Carlos was a Senior Grandmaster, his aura was filled with more negative energy than positive energy that men usually had. He suspected Carlos had lost his manhood due to practicing dark magic.

The reason Carlos wanted to marry Lyanna was that he wanted to use dark magic to suck her aptitude to bewitch to help enhance his cultivation.

He had definitely done that many times before, which was why he was so powerful but his aura was so negative.

Lyanna was still a little worried and wanted to say something when Weston entered the room.

"Ms. Lyanna, Carlos from the Emyrean Sect has arrived," Weston informed.

"I'll head out right now." Lyanna nodded and glanced at Kai again.

Then, she was escorted out of the room by Weston.

There were also ten members of Mapleton following behind them.

Kai disguised himself as one of the members.

When they arrived at the entrance, Carlos was seen waiting on a horse in a red shirt.

The edge of his lips curved upward when he saw Lyanna in red clothing.

However, when he looked around and realized Poison King wasn't around, his eyebrows furrowed. "Where's Poison King?"

"Poison King is staying inside, Mr. Xuereb. You know how hard it was for him to raise Ms. Lyanna for twenty years. Now that she's getting married, he isn't willing to let go and is crying in his room," Weston explained.

"Who will think Poison King is such an emotional man." Carlos smiled.

"Since our homes are quite close to each other, I'll bring Lyanna back often to visit him."

When he finished, he waved his hand. A group of Emyrean Sect members placed a carriage in front of Lyanna for her to get in.

Soon, the entourage set off in the direction of the Emyrean Sect. Weston and ten Mapleton members followed behind.
