

When His Eyes Opened by Simple Silence

Chapter 1095

"Don't care what others say." Elliot took her small hand, put her in his arms, rubbed his chin on her head and asked, "Have you eaten?"

"I didn't eat much in the morning, and I was very hungry at noon. So I ate it." Avery said.

When Elliot saw Nathan at that time, it was as if he had gone crazy.

Avery was afraid that Elliot would strike someone lightly or seriously and cause problems.

Elliot said hoarsely, "I don't know. Nathan should still be alive. If it wasn't for him, there wouldn't be so much trouble at all. Even if he stayed well in Bridgedale and asked me for money, I wouldn't be so angry."

"He is indeed not a good father. Elliot, don't be angry. What happens to him in the future has nothing to do with us."

"Well."

....

In the hospital.

Although Nathan was covered with injuries, fortunately, he was not seriously injured. After the doctor treated his wound, he was advised to be hospitalized. But Nathan found himself able to walk and move, so he refused to be hospitalized.

After coming out of the hospital, Nathan called Zion.

"Hurry up and pick me up at the hospital!"

Zion said, "I'm going to the airport with Gwen now!"

"F*ck! You don't listen to what I said? Hurry up and pick me up at the hospital! Otherwise, you won't be able to see me in the future!" Nathan said angrily.

It's not entirely because he was beaten by Elliot.

Because when Elliot beat him, he also punched Elliot twice. After punching Elliot twice, his heart was even more uncomfortable.

Thinking that Elliot is now being attacked by Henry and being scolded by the whole network, he may not be able to hold his head up in Aryadelle in the future, and it may not be so easy for him to ask Elliot for money in the future.

It can't go on like this.

Elliot is no longer a member of the Foster family, but a descendant of the White family. Now this whole thing is a game between the White family and the Foster family! How could Nathan let the White family lose?

At 4 p.m.

Nathan dialed the next number.

Now Elliot hates him to the bone so he can't communicate with Elliot. But he can only communicate with the people around Elliot.

Nathan inquired that the person with the best relationship with Elliot was Ben Schaffer.

Ben Schaffer is in charge of the financial power of Sterling Group, and he must have the right to speak beside Elliot.

After he called Ben Schaffer, he reported his identity, and then told Ben Schaffer his plans and requirements.

After listening to him, Ben Schaffer agreed to his request without hesitation.

"My phone has recorded it. If you don't care when you talk, I will let my son make this recording public." Nathan threatened.

Ben Schaffer said, "I promised on behalf of Elliot. The money will definitely be given by Elliot. Your purpose is to ensure that your son and daughter will be safe for the rest of their lives. Of course Elliot can do it. But you will definitely not ask for it. Elliot's money is not from the wind, and at the same time, he is not a stingy person. If you can do what you say, Elliot will definitely not treat them badly."

"Hey, this kid looks down on me. They don't even want to talk to me, and they beat me up when they see me." Nathan let out a depressing sigh.

"Uncle White, if you were Elliot, you might be more impulsive." Ben Schaffer said, "If you didn't come to Aryadelle, Elliot's life would not be destroyed."

"Okay! Don't blame me. I won't admit my mistake!" Nathan said angrily and hung up the phone.

At night.

Ben Schaffer came to the villa and looked for Elliot.

"Mr Foster, should you rest in the afternoon?" Ben Schaffer looked at the wound on his face and said cautiously, "Everyone cares about you, why don't you go and meet everyone?"

Elliot glanced at Avery, said in a low voice, "My wife won't let me."kk
