

When His Eyes Opened by Simple Silence

Chapter 1187

"It's not a big deal. I want to talk with you casually." Mike whispered.

"Then go outside and talk." Avery took him to the yard, "Speak! What's the matter?"

"What else can you do... Don't you know?" Mike put his hands on his hips and said, "I know you have special feelings for Adrian, but you can't put Adrian in front of Elliot."

"I didn't put Adrian in front of Elliot." Avery said.

Mike sighed heavily, "But everyone thinks so now. Avery, if Elliot doesn't want to take money to save Adrian, you can't force it."

Avery frowned, "I haven't talked to him about this yet. If I talk to him about this, and he clearly refuses to help, can I force him?"

"Oh? You haven't talked to him yet?" Mike was a little surprised.

"No. I feel that someone has revealed the wind to him." Avery stared at his face, "Mike..."

Mike quickly changed the subject, "The crux of the question now is, how are you going to solve this problem? I'm here to persuade you. You quickly explain to Elliot, and you say you don't care about Adrian."

Avery: "Do you think if I tell him this, he will be able to calm down and go home?"

"That's right. He's running away from home now, and there's no news. Isn't he just pranking with you?" Mike said in a tone that he thought he knew a man well, "Apologize to him, admit your mistake, and promise that he will get back to him right away."

Avery began to think about the feasibility of Mike's method.

After hesitating for a while, she said: "I can't say that I don't care about Adrian. But I can ask him for a cent without taking Adrian's affairs."

"Why are you so stubborn?" Mike was helpless.

"That's who I am. I don't ask him for money, I go to someone else to borrow money. Anyway, Henry and his son want money. They think I don't have enough money, so I can borrow it..." Avery sighed with relief for the method he came up with, "What do you think of my method?"

"Not so good." Mike's brows became more and more frowning, "Avery, don't you plan to use it for Adrian's sake? Do you put all your own net worth?"

"You think I have a lot of net worth, but they don't think it's enough." Avery smiled wryly.

"I think you're crazy. You want to give all of your net worth to the Henry and Cole, but you didn't tell me in advance."

"They wouldn't want it. So I didn't tell you." Avery saw Mike's disappointment, she explained with sadness and heartache, "Mike, what I want to save is not just Adrian."

"Oh? Make it clear, you'd better make it clear to me. Otherwise, I have to learn from Elliot and run away from home." Mike With red eyes, he said aggrieved, "I worked hard overtime to upgrade products, and make money for you, not to make you cheap."

Hot tears fell from the corners of Avery's eyes: "Mike, I'm sorry. I didn't play cheap. You, how good you are to me and how much you have paid to the company, I know. I am not only for Adrian... but also for Shea..."

Mike heard 'Shea' Two words, suddenly took a breath.

Avery lowered her head and said, "She's not dead. I met Wesley on my honeymoon last time. Shea's situation is very bad now. This time Adrian's kidney needed to her because She had a kidney transplant, otherwise she would die."

"I see!" Mike sighed lightly, "Then why don't you tell Elliot? If you tell him, he will definitely not be angry with you!"

"If I tell him, he will definitely lose his mind. At the last wedding, he and Henry and his son had a quarrel like that. I don't want to have such an out of control situation again. Moreover, Shea's situation is very critical now. The kidney transplant is only the first step. Recovery is still unknown. Last time he learned of Shea's death, his depression relapsed, and he wanted to die with Shea at one point. How can I bear to let him suffer like this again?"
