

When His Eyes Opened by Simple Silence

Chapter 1343

Nick: "What do you mean?"

"My son said soon."

Elliot didn't know Hayden's plan, but he felt that Hayden should have full confidence, "No later than the day after tomorrow. When Cristian is dead, the Jobin family will be in chaos, I want to take advantage of that time Avery and my son sent them off."

Nick sighed repeatedly: "Your son is not yet ten years old, right? Do you believe what he said?"

"Why don't you believe it?" "Let's wait until Cristian is dead." Nick sneered, "If it wasn't for Kyrie protecting him, he would have died a long time ago. By the way, do you want to go back to Aryadelle with Avery?"

"I can't go." Elliot said calmly, "Now the relationship with the Jobin family is too deep, even if I go back to Aryadelle, Kyrie will go to Aryadelle to trouble me."

Nick laughed: "Very good, early. Time to reshuffle."

...

At 7 a.m.

When Avery woke up, she was thinking of Hayden. So after hesitating for a while, she made a videocall to Hayden.

"Hayden, are you still used to living there? Did Rebecca embarrass you? Your father..." Seeing her son's face, she immediately threw a series of questions.

"Mom, Dad doesn't remember you." Hayden took the phone and sat up. He was woken up by the ringing of his cell phone, so his hair was messy. But fortunately his mind was clear.

He remembered everything his Dad said to him last night.

"Did he tell you?" Avery frowned.

"Well."

Avery was not surprised by the result. If Elliot remembered her, he couldn't hide his inner feelings.

"Mom, when Cristian is dead, you can go back to Aryadelle with me." Hayden remembered what Elliot taught him last night and asked him to act like a spoiled child with Avery.

He knew how to act like a spoiled child, after all, Layla likes to act like a spoiled child. But he couldn't get it out.

"What did he say to you last night?" Avery was particularly curious about the conversation between the father and son, "You didn't talk to him before, why did you talk to him last night?" Hayden's

His cheeks were slightly red: "It's all about Amnesia. I didn't take him as the old Elliot."

Avery: "He just forgot me, he didn't forget you and your younger siblings."

"Well...I scolded him. I thought he would be very angry, but he was not angry." Hayden said.

"You scold him, what is his reaction?" Avery asked curiously.

"He didn't respond. When he asked me to go back to Aryadelle, he would take you home with him." He said this, speaking more slowly, "Mom, you will go back

with me when the time comes, and he said that he will wait until the matter on his side is finished. I will go back to find you.”

Avery hesitated for a while, then nodded: “Okay, mom will go back with you.”

During this time, she tried every means, but couldn’t make Elliot remember her. She continued to stay here, with no use other than torturing each other.

Time flies, it’s night.

Cristian has not gone out for two days. The countdown to death was still on the screen of his new phone.

There were eight hours left until his death. Inside and outside the villa, everything was normal.

Cristian wanted to see who would come to take his life tonight.

“Dad! Drink water!” A cute little girl, holding a glass of water, swayed to Cristian.

Cristian looked at his daughter’s cute little face and immediately took the water glass.
