

Chapter 31 A Lesson to Ryan Young

"What favor!?"

"You sit right next to Alyssa Graham, can you help me send a letter to her? I rarely see Alyssa lately."

The woman took a look at Ryan Young and said unpleasantly, "I thought you were trying to ask me out. I didn't expect that it was because of Alyssa. You are devoted, but I heard that Alyssa is married. You really don't have a problem hitting on married women."

Ella Lloyd also wanted to persuade Alyssa that Ryan Young did not mean what he said.

She raised her head and Alyssa looked normal and did not seem to be affected by Ryan's sweet words.

However, this made her even more worried.

Just as she was about to speak, Alyssa Graham held her hand.

Alyssa Graham smiled and shook her head.

Soon, the voice next to her started again.

"Longlasting love or whatever, I'm out of money now you know? Had I got money, I would not have gone to her. I don't know what's going on with that Miss. She seems to be a different person. She has ignored me several times. She has shown no interest in me several times, acting like a Miss."

"Hey! You don't know that Alyssa's family is very rich. Last time, I heard that Graham Group is worth 10 billion RMB, so she can exchange money for fame! You don't really believe that she's better at her studies, do you?"

"You do have a point. How could such a girl endure the pain of study? Give this letter to her. Wait till I get money from her, then you will have money. "

"Give me a kiss and I'll help you!"

Ryan Young smiled and immediately leaned over to kiss her.

Ella Lloyd could no longer endure the conversation. She wanted to ask Ryan what he meant. She was about to move, but Alyssa Graham stopped her.

She thought that Alyssa still had feelings for Ryan, and her dissatisfaction turned into disappointment. To her surprise, Alyssa waved to the waiter and whispered a few words.

The waiter nodded and turned away.

"Alyssa, he is trying to get your money. Don't trust him."

"I know." Alyssa Graham nodded, looking at Ella Lloyd's nervous appearance, "You don't think I will trust him, do you?"

Ella Lloyd hesitated and nodded.

Alyssa Graham patted her on the shoulder, "Let's see."

As soon as she stopped,

A woman with heavy makeup ran in.

The woman ran directly to Ryan Young, noticing the girl next to him. "Sitting with my son, are you trying to seduce him? Take a look at yourself. What makes you think that you deserve to sit with my son? Look how you dress. You don't look like a student, more like a hooker. Son, why are you hanging out with this sort of person? "

"What are you talking about, Madam?" The girl glared at her and her face was obviously distorted because of the current situation. "Ryan Young, is this your mother? I have nothing to do with you! You heard what she just said. Was it not harsh? "

The girl picked up the envelope on the table and threw it at Ryan Young's face.

Deflected by the envelope, Ryan Young was about to explain, but the girl went away.

Ryan Young quickly picked up the envelope on the ground and was about to chase her out, but the woman grabbed her collar tightly. "Son, if you go out with that woman, don't blame me for kicking you out."

"Who are you? I don't know you. Get out of my way. " Ryan Young pushed the woman away, as if she were a plague.

The woman quickly grabbed Ryan Young and said, "When you have a pretty girl, you don't recognize your mother, do you? I'm your mother, your biological mother. Call me mother now and go home with me, now! "

"I don't know you at all. Where did you come from?"

"Everybody, take a look! This is my son. He is in love with a girl, a goblin. The goblin has mesmerized my son so much that he doesn't recognize me any more. I gave birth to him and he doesn't remember. Oh...why are you running away... "

Ryan Young couldn't bear this woman and ran away quickly.

People around talked about it, all scolding Ryan Young.

Alyssa Graham held her head and burst into laughter when she saw Ryan Young running away.

Ella Lloyd also laughed, "What did you do? You hired her to do this? "

"Yeah, I did. This man deserved it. He wanted to get my money. But did he actually have such ability?"

"No, I mean you were with Ryan Young before. How could you..."

"Leave him alone, he deserves it."

"What did you say?"

"He deserves it!"

Alyssa Graham finished her steak. Seeing that Ella Lloyd was also about to finish, she said softly, "It's late. Let me take you home."

"No, I'll grab a cab. Thank you, Alyssa. You invited me to dinner today. Actually, last time I thought you didn't want to be my friend anymore."

"No! You are my best friend."

"Then I'll go first!"

As Ella Lloyd left, Alyssa Graham smiled and went out.

Ten minutes later,

Alyssa Graham found Ryan Young at his place.

Ryan Young looked gloomy when he thought of his earlier experience.

He was surprised to see Alyssa Graham.

He immediately changed his face. "Alyssa, Alyssa, why are you here?"

"I'm here to see you."

"Alyssa, I know you still like me. It was all misunderstanding before. Don't be mad. I was just trying to get you back that day. I didn't want you to marry the man of Hunter's. I know you don't like Leon Hunter."

"Come here." Alyssa Graham raised her finger at Ryan Young.

Ryan Young saw her and rushed over.

Alyssa Graham saw somebody coming, raised her fist and punched Ryan hard.

Ryan Young was punched back and fell to the ground. He looked up at Alyssa Graham and said, "Alyssa, you hit me?"

Alyssa Graham rubbed her hands and felt that Taekwondo she had learned recently was quite useful.

She was showing off what she had just learned. She used the Taekwondo moves she had learned recently to greet Ryan Young.

Ryan Young was beaten to the ground and couldn't get up. He grabbed Alyssa's thighs and said, "Alyssa, don't beat me. If you continue to beat me, my face will be destroyed."

Alyssa Graham raised the corner of her mouth and hit him hard. Ryan held his head and started crying.

Looking at Ryan Young and thinking of the past life, she looked at him coldly.

"Alyssa, I'm sorry. I'm so sorry. It was all my fault last time. Don't be mad. You should be beating me. I admit my fault." He knelt down in front of Alyssa Graham, "You really need to stop beating me. If you continue, I will be broken. Think about how much I loved you before, I really love you. Alyssa, I love you."

She raised the corner of her mouth, lowered her head, took out a knife from her bag, and walked toward Ryan Young with the knife.

Seeing Alyssa Graham walking over with a knife, Ryan Young immediately said, "Alyssa, Alyssa, don't do this. Talk to me, Alyssa. The knife is dangerous. Put it down now."

(To be continued)
