

When His Eyes Opened by Simple Silence Chapter 1871

Chapter 1871

Avery saw Elliot's eyes staring at the silver-pink car, and for a moment, he felt lightning strikes the ground.

When the bodyguard saw Elliot, he immediately asked Avery: "Boss, are you going to open the door for him?"

Avery made a hoarse voice from her throat: "...Well. Go and open the door for him, I'll go back to the house for a drink. "

Avery finished, turned around and strode back to the house.

When Elliot saw Avery going back to the house, he always felt that she was guilty and escaped!

The bodyguard walked to the gate of the courtyard and opened the door for Elliot.

Elliot asked: "Who gave this pink car to your boss?"

The bodyguard pretended to be stupid: "I don't know! Is it possible that my boss bought this car herself? What does she want, but it's not? You have to wait for someone else to deliver."

The bodyguard's words made Elliot hesitate.

Avery still couldn't calm down after taking a sip of water from the water glass.

Elliot walked to the door of the villa to change his slippers, staring at Avery's back.

"You ordered that pink new car?" Elliot asked in confusion.

Avery put down the water glass and had to turn around to face him.

"Elliot, did you buy that red car for me?" Avery asked, "Why did you give it to me?"

"How do you know I bought it for you?" Elliot raised his eyebrows slightly and walked over to In front of her, "Why didn't you answer my question?"

"If you didn't buy it for me, why did you come to me?" Avery answered his question, "As for who bought that pink car for me, It has nothing to do with you."

"Your bodyguard said you bought it yourself, I want to know how you bought it." Elliot was not in a hurry or annoyed, and raised his doubts, "I have been to the Dream

Maker's headquarters and inquired about booking a car. Their staff told me that they can't be customized. They only accept pre-orders for existing styles and colors. So how did you get your pink new car?"

The bodyguard listened to his words and immediately corrected: "It's silver-pink, It's not pink."

Avery glanced at his talkative bodyguard, "You go out and stay first."

The bodyguard took the order and immediately backed out.

"Did you see my pink new car and like it very much, do you also want to order one?" Avery asked Elliot, seeing that he was digging deep.

Seeing her appearance, Elliot didn't seem to answer her question directly. He could only follow her words: "Yes, I also want to customize a special car like yours."

"Oh...it's very simple . Ah, you call and tell them that you want to customize a car, and the price doesn't matter. They promise to meet your requirements. " Avery found a way for him.

Elliot felt that Avery was very perfunctory: "I asked the staff at the time, and they said that they would not accept special customization. How did you operate it? Or is this car given to you by someone else?"

Avery was dizzy when Elliot asked: "First tell me why you want to send me a car. What do you want to do?"

Elliot: "The driverless car your father wanted to build when he was alive was like the Dreamer's car. I'm afraid you don't know about it, so give it to you. You ordered a car so you can feel it."

Avery was a little embarrassed when she got the reason.

Unexpectedly, Elliot was for this reason.

Of course she never forgot her father's wish.

It's just that Elliot also remembered, which made her feel somewhat emotional.

"How is your biological mother now?" Avery asked.

When His Eyes Opened by Simple Silence Chapter 1872

Elliot: "Built her a house in her hometown and pay her alimony every month."

"Well." Avery couldn't help but glance at him, "Elliot, I lived in Bridgedale before, how could it be possible? I don't know the company and products of the dream maker. I want it, I will buy it myself. But thank you for sending me the car."

"Can you tell me now, how did your pink car come to be?" Elliot had already asked her. From what she said just now, he guessed that most of the car was not purchased by her.

"Don't you already have the answer in your heart?" Avery said, "Someone gave it to me. Do you want to ask who gave it?"

Elliot's eyes suddenly became cold. He didn't ask who sent it, because even if he asked, Avery wouldn't say it.

"It's me being amorous." Elliot felt extremely ironic, "Don't you have no place to park at your house?"

"Do you want to take back the car you sent me?" Avery looked at him with a frustrated look, and her heart was like a mess numb.

She did not expect that the two cars would be delivered to her house at the same time.

It's like stepping on two boats to be discovered, but it's obviously not like that.

"What I send, I never take back." Elliot clenched his fists with anger on his face.

He thought about it for a while, and the person who can send Avery a special custom car is definitely not an ordinary person.

After all, when he went to the Dream Maker Headquarters as him, the staff clearly told him that special customization would not be accepted.

So the person who sent her the car was either a senior inside the Dream Maker Company, or someone more powerful than him.

Others only know that Avery has been a doctor for more than two years, but now it seems that they underestimate her.

Avery watched him turn around and strode away, and her eyebrows were twisted tightly.

Just because someone gave her a special custom car, so Elliot was angry... why was he angry? The two of them are not in a relationship. Even if there are other men pursuing her, she accepts the pursuit of others, that is her freedom. Why is he angry?

Avery remembered the gloomy face before Elliot left, and felt inexplicably irritable.

After Elliot left, the bodyguard came in.

“Boss, where are the two new cars parked in the yard?” The bodyguard looked eager to try, “Why don’t you drive the car out of the garage first, and put the new car in the garage first?”

Avery hasn’t figured out what to do.

“Boss, you can also buy two parking spaces in the underground parking lot of the community.” The bodyguard saw her entangled, so he gave her advice, “It’s very convenient anyway.”

Avery replied, “We’ll talk about it later.”

Elliot came out of Avery’s house and drove back to the company.

The meeting was over, Chad was puzzled when he saw the boss’s face ashen.

“Boss, Avery refused the car you sent?” Chad guessed carefully.

“No.” Elliot’s heart was full of anger, burning brightly, “There were other men who gave her a car. It was also a new car for the Dream Maker. And it was a special customized model, silver and pink. The Dream Maker car on the market. There are only four colors of black, white, gray and red.”

“Silver pink...Is it possible that I took it to the 4S shop and remodeled it?”

“No. If it is remodeled, it can’t be so fast. I looked carefully, and the interior is also specially customized.” Elliot sat down in the boss chair, rubbed his eyebrows with his slender fingers, “Avery has already admitted that it was given to her by someone else.”

“Oh...you mean, someone is chasing Avery. And Avery intends to accept that person’s pursuit. Otherwise, why would she accept the car sent by someone else?” The man who pursues Avery is very good, otherwise how could Avery agree.”

When His Eyes Opened by Simple Silence Chapter 1873

Chapter 1873

Chad guessed that Elliot’s face became even gloomier!

“Boss, I’ll call and ask Mike later. Let’s see who is the man who pursues Avery. Don’t be angry, if Avery is determined to start a new relationship, you might as well accept it lightly. After all, even if you are so angry that Avery will not change her mind.”

“Avery told me before that she would not look for it again.” Elliot’s Adam’s apple rolled, and he was unwilling.

“You thought she wouldn’t find her again, so you never thought about remarrying, did you?” Chad seemed to have suddenly discovered a secret.

Elliot: “Have you watched too many romance movies? In addition to falling in love, there are more important things to do in life.”

If Elliot hadn’t fallen in love with Avery, Elliot would not have gotten married, would not have so many children, and would not have become kind father.

Chad was trained and immediately lowered his head: “Boss, I’m going out first.”

Chad came out of Elliot’s office, returned to his office, and immediately found Mike’s number and dialed it.

Mike answered the phone quickly.

“Mike, tell me the truth, does Avery have a new love?” Chad lowered his voice, his heartbeat couldn’t stop accelerating, “My boss went to Avery just now, and saw that someone sent Avery a dream car. My boss felt jealous!”

Mike couldn’t help but laugh when he heard Chad’s last words.

Elliot felt jealous hahaha! very good. Just make him jealous!

Mike: “Uh... You also know that Avery is not only young and beautiful, but also has outstanding ability, is erudite, and has many men who like her. In Bridgedale, she has too many suitors. People who like her range from ordinary college students to the rich and powerful. As for who sent her the car, I really don’t know.”

Chad was very disappointed when he got this answer.

Chad teased, “I thought you and Avery had such a close relationship, how much would you know some insider information! Since Avery has accepted a luxury car from someone else, does that mean she has already agreed to date others? Don’t you care about the important things?”

“I’m not with her now. I don’t know what’s going on with her. Since you told me, I’ll call her and ask.” Mike said with a chuckle, “Your boss is very interesting! Isn’t it normal for Avery to have a new boyfriend? A woman in her thirties is like a wolf like a tiger. If she does have a boyfriend, we should celebrate for her!”

“Why are you laughing at my boss? He didn’t want to get divorced at the beginning. He hasn’t found another woman for more than two years. Who knows that Avery will let it

go when he says let it go!" Chad said here, "You Hurry up and call Avery! Let me know when you get the result."

"Got it." Mike hung up the phone.

Mike didn't call Avery. Nothing to beat.

Because of Avery's private life, he knew it very well.

He took a glass of water, and drank it, then figured it out in his heart.

Now Avery just received a car, and overturned Elliot's vinegar jar.

Hehe, if Elliot knew that Avery had a boyfriend, he would be angry.

After a while, Mike called Chad back: "I've already asked, but don't tell your boss. Avery has always been a low-key person. Unless she is sure to get married, she doesn't want people to know that she has a new love. This thing."

"D*mn it! Avery really has a new love?! Who is her new love?" Chad pushed his glasses and looked surprised.

This incident was beyond his expectations.

"Why can't she have a new love?" Mike asked back, "She's so young and her child is grown up. Although Robert is young, she is not allowed to take him with her. She doesn't fall in love, how boring!"

Chad: "But my boss said that Avery had said before that she would not remarry."

Mike: "Avery has no plans to get married. It's just a relationship."

When His Eyes Opened by Simple Silence Chapter 1874

Chapter 1874

"Oh...that's it! I'm still shocked because Avery doesn't seem like the kind of person who can play with feelings."

Mike: "Chad, if you say that, it's just prejudice! Don't just because you think she has to be what kind of person she is."

"Okay, I'm biased. Tell me, what is Avery's new love?" Chad was very curious, "My boss said that a dreamer car does not support special customization at all. Why can Avery's new love? Is her new love a high-level dream maker?"

“Yes! Her new love is the boss of the dream maker. I will follow you on this matter. If someone said it, don’t say it.” Mike knew that Chad couldn’t keep this secret.

He deliberately told Chad to listen, and asked Chad to talk to Elliot. Furious Elliot!

“I see.” Chad was in a very depressed mood, “I’ll hang up if I don’t have anything else to do. It’s quite late on your side, you should go to bed earlier!”

“When did you come to Bridgedale to find me? I will buy a new car from the Dream Maker for you.” Mike teased, “Is it customized for you?”

“Didn’t you say you can’t customize it?” Chad wondered.

“Bridgedale is my home court. What Elliot can’t solve, I can solve it, is it strange?” Mike said proudly.

Chad: “Okay! I’ll find you on vacation next time.”

After talking on the phone, Chad sighed—

—How should I tell my boss about this? If I tell the boss, the boss will definitely lose sleep.

.....

Bridgedale.

After Norah Jones sent a long email to Billy, the owner of the dream maker, it took more than a day for her to receive a reply from the other party!

After seeing the reply prompt from the other party, Norah Jones walked around the office excitedly.

The Dream Makers Group is now a hot topic in the business world.

Because it broke the traditional automobile industry and opened up a new industrial model.

Although the Dream Maker Group was established not long ago, it will definitely become a business giant in the future.

Before Norah Jones clicked to reply, she read the email she sent to Billy again.

When she was writing the email, she was very emotional. After writing the email, she sent it without thinking much.

She attached one of her most beautiful professional photos to the email, and at the same time wrote down her work and investment experience over the years, and finally briefly mentioned her views on the Dream Maker Group and the aspects that can be improved through cooperation. a bit.

The email was long and sincere, which moved Billy.

Norah Jones opened Billy's reply after drinking a glass of ice water.

His reply was brief, with just an address.

Norah Jones was stunned and excited!

Did Billy mean to ask her to meet? Otherwise, why did he send the address here?

In order to show off, Norah Jones took a screenshot of Billy's reply and sent it to her brother, asking: Brother, is Billy asking me to meet at this place? Do you know where this address is?

When the senior brother saw the message she sent, he immediately called her.

"Norah Jones, didn't you say you wouldn't send random emails to my boss? What did you send him? He actually replied this to you!" The senior brother was very curious and shocked.

When His Eyes Opened by Simple Silence Chapter 1875

Chapter 1875

"Senior brother, I didn't send random emails, I sent him a cooperation intention email." Norah Jones said confidently, "He replied to me with an address, should he ask me to meet and talk about it?"

"Yes. This address is not far from our company. If you don't know the exact location, I can take you there." Senior brother was a little excited, "I can accompany you to see my boss."

"Senior brother, isn't your boss unwilling to show his true face? I'm afraid I'll bring someone over, and he won't even see me." Norah Jones couldn't let anyone spoil this great event.

During this time, there must be countless people who want to work with Billy, but Billy only wants to see Norah, it must be because he is fascinated by her photos.

“Okay! No one in our company has seen our boss! Norah Jones, you are amazing! I really want to see what emails you sent to our boss.” The senior asked politely, “I don’t know if you are inconvenient. Show me the email.”

Of course Norah Jones wouldn’t show her email to her brother.

“Senior brother, after I meet your boss, I can tell you what happened after the meeting. I won’t tell anyone about this, I’ll tell you.” Norah Jones promised.

The senior brother was satisfied with her promise: “Okay, then I’ll wait for your good news.”

After speaking on the phone, Norah Jones immediately emailed Billy back to schedule a meeting time.

About an hour later, Billy replied to her with a detailed time.

Billy about to meet tomorrow morning.

Norah Jones looked at Billy’s two reply emails and felt like she was dreaming.

In the past two years, she had wasted so much energy on Elliot, and it was all in vain. As a result, it is now completely effortless.

What does this mean?

It shows that Elliot is the wrong person, and Billy is her real person.

Norah Jones closed the notebook, grabbed the bag and prepared to go out.

She had to go out and buy a formal dress, get a look by the way, and meet Billy in the most beautiful way.

Try to make Billy fall in love with him at first sight!

When she went out, she called the assistant and asked the assistant to wait for her in the mall.

By the time she got to the mall, the assistant had already arrived.

“Ms. Jones, what’s the happy event? You look so good today!” The assistant heard Norah Jones’s tone on the phone just now, so he guessed something good happened.

“Billy asked me to meet.” Norah Jones pulled the long hair behind her ear.

“Billy?”

“The dream maker’s boss!” Norah Jones lowered her voice, “I sent him an email the day before yesterday, and he replied to me today. Ask me to meet!”

“Wow! Ms. Jones! You really are amazing! Didn’t all the executives of the Dream Makers Company have seen the real boss? There are still many people who speculate that their boss is actually an alien! It’s so funny! Those people are simply ignorant. Or Ms. Jones, you are amazing. You let the boss show his real body as soon as you go out!”

The assistant flattered wildly.

Norah Jones entered the mall with his assistant: “Thank you for reminding me, otherwise I would never have thought of sending an email to Billy. The more I think about it now, the more I feel that Elliot and I are indeed inappropriate. Why would you take me for such an excellent woman? Putting his hot face on his cold a\$\$? Not only is he divorced, but he also has so many children. Even if I am really with him, how much can he give me?”

Norah Jones said, with a shy smile on her face.

“Billy is different. Even if Billy is divorced and has children, the concept of foreigners is different from that of people in Aryadelle. As long as I can marry Billy, half of Billy’s property will belong to me.”

The assistant couldn’t bear it. He was happy for her: “Ms. Jones, you must dress up nicely tomorrow, and try to win Billy. If the two of you are together, you won’t have to look down on Elliot in the future!”

MS. Jones raised her chin arrogantly: “Yeah. I think so too. In the past two years, I have worked so hard for the Tate Industries, and Elliot can’t see it at all. And I don’t want to continue to bear the Tate Industries’s company name. And how many people think that the Tate Industries belongs to the Tate family?!”

When His Eyes Opened by Simple Silence Chapter 1876

Chapter 1876

“That’s right! If you are with Billy, you can jump directly to the top of the Dreamer.”

“Let’s see how we meet tomorrow!” Norah Jones narrowed her eyes, “I must win Billy!”

Aryadelle.

Starry River Villa.

Tammy came to find Avery.

“Avery, I heard that someone sent you two new Dream Makers’ new cars! Where’s the car?” Tammy came here specially to see her new car.

Avery: “Who told you?”

“My husband told me.” Tammy looked at her with gossip, “they have a small group of men, as long as one of them knows any news, they will know all the rumors. Come and show me your new car! When I went home with Jun last night, Jun also said that he wanted to buy a new car from the Dream Maker to try! It’s a pity that I can’t buy it now. I can only buy second-hand cars.”

Tammy added, “Do you know how expensive Dream Makers are now? The price has tripled!”

Avery immediately took Tammy to the garage.

Following the advice of the bodyguard, she bought two parking spaces in the underground parking lot of the community.

The previous two old cars were put in the underground parking lot.

“Avery, you can’t drive your two new cars? Would you like to sell me one?” Tammy discussed with Avery before seeing the new car, “I heard that Elliot gave you one. The one that Elliot gave you to sell to me?”

Avery heard the overtone from her words.

“What else have you heard?”

Tammy laughed: “They said you were looking for a boyfriend. Your boyfriend gave you another new car.”

Avery: “...”

The garage door opened, Tammy saw the two new cars in the garage, and without thinking, ran directly to the silver-pink new car.

“Avery! This car is too beautiful, isn’t it?! The color is so poking at me! Is this what your boyfriend gave you? Oh my God! Your boyfriend is too good!” Tammy stretched out her hand in the new car and touched the body, “Hey, I really want a specially customized car like this! Can you ask your boyfriend to customize one for me? How much I will pay myself!”

Avery raised her hand and rubbed her head.

Elliot, this b*stard. How could he spread her gossip like this behind his back.

Avery didn't say that this pink new car was given by her boyfriend.

"Tammy, I..." Avery wanted to explain that she didn't have a boyfriend.

"I know all about it! Your boyfriend is the boss of the dream maker. They all know it. They told me not to tell you. If I told you, you would be angry. But I think this is a happy event. Tammy looked at her with envy, "Avery, seriously, I agree with this marriage! The boss of Dream Maker, how promising! I think Dream Maker will definitely surpass Sterling Group in the future!"

Avery: "..."

What does it mean to agree to this marriage?

Is the dream maker's boss her boyfriend?

How could Elliot gossip behind his back!

Angered, Avery rushed out of the garage, planning to go to the living room to get a mobile phone and call Elliot to scold him!

When His Eyes Opened by Simple Silence Chapter 1877

Chapter 1877

"Avery! Are you angry?! Don't be angry!" Tammy saw Avery leave the garage and immediately chased after her, "I thought we were not outsiders, so I'll tell you be honest!"

"Tammy, I'm not mad at you, I'll make a phone call first." Avery was really not mad at Tammy.

After all, Tammy just wished her from the bottom of her heart.

"Who are you calling?" Tammy felt that Avery was going to get angry.

Avery found the phone, opened it, and saw the message from Mike.

She opened the message immediately.

—[Avery, Chad called me today and said that Elliot saw that someone sent you a car and was so jealous. I thought it was funny, so I told Chad that you have a boyfriend, and the boyfriend is the boss of the dream maker. Don't expose me]

After reading the news, Avery was in a mess.

It's not that Elliot is talking about her behind her back, but that b*stard Mike is making up her rumors behind her back!

Mike said so, Chad and the others must be convinced.

No wonder Tammy would say things like 'agree with this marriage'!

That's how outrageous rumors sometimes arise.

Maybe Mike just told Chad that she had found a boyfriend, and then when he arrived at Chad's place, Chad would tell others that she and her boyfriend were like glue, and the wedding was imminent.

"Avery, who are you calling?" Tammy walked over to her and stared at the screen of her mobile phone.

Her phone had returned to the main interface, and Tammy didn't see anything.

Avery went to the sofa and sat down: "Stop fighting. Tammy, how did I tell you about my boyfriend and I?"

"Let's just say you're with the boss of the Dream Makers Group. I and Jun both praise you for being amazing!" Tammy saw that Avery didn't seem so angry, so she walked over to her and sat down, "I came here. After thinking about it on the road, I actually kind of understand why you are with the dreamer's boss."

Avery was curious about the reason, so she asked, "Why?"

"Because your father wanted to develop a driverless car before, and he wanted to do but today's Dream Makers Group has done it... If your father is still alive, and seeing the success of the Dream Makers, and seeing you together with the Dream Maker's boss, your father will definitely be very happy!" Tammy looked at her without blinking, trying to judge whether her guess was right or not by her expression.

Avery's mood was like a roller coaster, going up and down.

If Tammy is not at her house now, she will call Mike immediately and give Mike a lesson.

Mike made such an outrageous joke, he was happy, but how was Avery going to face everyone's eyes and comments?

Avery doesn't care what others say about her, but Tammy is her best friend. If she is really in love, why would she hide Tammy?

Besides, Elliot was annoyed, and Avery would probably have some trouble seeing Robert in the future.

Who knows if Elliot will make a small stumbling block openly or secretly.

“Avery, it is almost certain now that Elliot still has you in his heart.” Tammy said with an attitude of watching the fun and not taking it too seriously, “Chad told everyone about this, but Elliot didn’t. Chad said that if Elliot knew about this, he would definitely explode.”

Avery was a little shocked, and at the same time thought of what Mike said in the text message.

The reason why Mike said she had a boyfriend was to stimulate Elliot.

Now that the lie has been told, then... let it be!

When His Eyes Opened by Simple Silence Chapter 1878

Chapter 1878

Avery also wanted to see Elliot’s reaction.

“Avery, who is the boss of the Dream Maker? How old is he? How does he look? He must be handsome, right? If he is not handsome, can you like him?” Tammy approached Avery and threw a series of questions.

Avery’s face was slightly red, and the corner of her mouth was smiling, as if she was in love.

“Uh...he’s quite handsome.” Tammy couldn’t help screaming with her answer!

“Avery! You’re very promising. You even secretly fell in love and didn’t tell me. How did you stop telling me? What did you think?” Tammy stretched out an arm and placed Avery shoulders.

Avery took a deep breath, picked up the water glass from the coffee table, took a sip of water, and calmed herself down.

“It’s... quite sudden.” Avery replied.

“Oh, I understand.” Tammy slapped her thigh, “You two just settled down, right?”

Avery: “...”

“Avery, you have a long face. I knew you and Elliot’s departure is definitely not your loss. You are so good, no matter where you go, you can have a better life. And Elliot’s life has already reached its peak, and he will only go downhill in the future, hum!” Tammy felt very special, “Let me drive the car he gave you!”

Avery was a little embarrassed: “Layla said that he would bring Robert to me for a few days. If I lend you the car he gave me to drive, I think with his temper, he will definitely be very angry. Why don’t you drive the pink one?”

Tammy: “???”

“What’s the matter? Do you have to drive the red one?” Avery Looking at Tammy, she was puzzled.

Tammy shook her head sharply: “No, no! I prefer the pink one. But that car was given to you by your boyfriend, how dare I talk to you!”

“That’s it! Go and drive the pink one. The red one, I’ll pay for it.” Avery went to get the car keys.

“Didn’t you say you don’t need car keys?” Tammy followed behind her.

Avery said, “It can be equipped with car keys. I’m still more used to using car keys. If you like, you can drive home. I can drive my old car.”

Avery said generously.

“Avery! Really?! Can I really drive home?” Tammy was so excited that she was about to cry, “But it was given to you by your boyfriend, how could I be so embarrassed to drive home... I...”

Avery said, “If you want to drive home, just drive home. What’s the relationship between us! You don’t have to be polite to me. You said you wanted to order one too, you turn around Tell me what color and style you want, and I’ll go with...”

Tammy opened her eyes wide and looked at her.

“I’m going to tell my boyfriend!” Avery almost missed her mouth, but she corrected it in time.

“Avery, thank you so much! God knows how much I want a new car from the Dream Maker. Even if it’s not specially customized, I’ll be very happy.” Tammy put her arms around Avery’s neck and asked, “ Can I take pictures while I’m driving later? Can I post on the Moments?”

Avery couldn't help laughing: "Of course! You can take pictures and post them as you like."

"Those men are still talking about you behind your back, saying that you are so low-key because you think your new love is not as good as Elliot, so you hid this matter! I'll go back later, and I'll name your boyfriend!"

Avery: "..."

"By the way, what's your boyfriend's name?" Tammy took the car keys and couldn't wait to drive the new car back to share such a hot gossip with Jun!
