The Divorced Billionaire Heiress Boss Chapter 2054 Dear Nephew

Nathaniel was so angry that he could not say a word. He just got dissed by Clayton.

Clayton smiled calmly.

Seeing that the tension between them was increasing, Nicole quickly cleared her throat.

“Alright, alright. Nathaniel, you should show Yasmin around.”

Nicole pulled Clayton out.

Clayton calmly waved at Nathaniel and smiled.

Enter title...

“See you later.”

Nathaniel rolled his eyes and said angrily, “No, I don’t want to see you again!”

Nathaniel almost exploded from Clayton’s words.

Nicole pulled Clayton away, and Yasmin walked over cautiously.

“Nathaniel, do you know that man just now? What is his relationship with Ms. Stanton?”

“It doesn’t matter. He’s just a fool who wants something unattainable. Nathaniel snorted coldly and immediately calmed down. He looked at Yasmin with a smile.

“Don’t be afraid. I’ll protect you!”

Yasmin looked at him shyly.

“But I don’t have a job. I’d better go...”

“Don’t go! I’ll take you to my second uncle...” Nathaniel said and took his phone that was on the table.

His eyes flickered. He looked at Nicole’s bag on the seat and paused.

“It’s all Clayton’s fault! Nikki left her bag...” Nathaniel took it over.

“I’ll give it back to her.” Yasmin paused.

“Why don’t I go instead? You might quarrel with that man next to her again.”

She spoke with concern.

As soon as Nathaniel heard this, he found it reasonable and gave Yasmin Nicole’s bag.

“Alright, I don’t want to see him anyway.” Yasmin smiled, took Nicole’s bag, and went out.

Nicole and Clayton walked hand in hand, looking like a sweet couple.

Especially since the two of them were so good-looking, they attracted the attention of others.

Nicole was telling Clayton what happened earlier when she suddenly felt a cool breeze behind her. She felt a chill.

In the next second, Nicole suddenly heard a female screaming in pain.

Then, she looked back and saw Yasmin had fallen to the ground.

Nicole was startled, so Clayton quickly held her in his arms.

Shane stood beside Clayton and glared at Yasmin, who was on the ground.

“What’s the matter?” Clayton asked coldly.

Yasmin’s face was pale from the pain, she sobbed aggrievedly.

"I... I just came to deliver Ms.Stanton's bag to her.Ms.Stanton, you left your bag behind."

The bag in her hand was thrown aside.

Nicole glanced at it.

Sure enough, it was her bag.

Nicole really left it behind.She quickly went over and helped Yasmin up from the ground.

"I'm sorry, Yasmin.My apologies."

Clayton paused, picked up Nicole's bag from the ground, and patted it lightly.

Yasmin's arms were a little bruised.It seemed that Shane had used a lot of force.

Nicole felt guilty and very embarrassed.It was clear that Shane had misunderstood the situation.

"Yasmin, are you okay? Shall I take you to the hospital?" Yasmin paused.

She had tears in her eyes, but she still shook her head.

"I'm alright.It doesn't hurt anymore."

Yasmin lowered her eyes.Her forbearance was particularly distressing.

At this moment, Nathaniel came over to look for Yasmin.

Nathaniel saw this scene and suddenly turned pale.

"Yasmin, what's wrong?" Clayton raised his eyebrows and said nothing.

Nicole explained apologetically, "I'm sorry.My bodyguard misunderstood the situation.It was too sudden, so he couldn't control his force.Why don't you take her to the hospital on my behalf? I'll pay for any medical expenses and dietary supplements."

Nathaniel stared at Nicole.He held Yasmin and took a deep breath.

"Forget it.I wouldn't let you go so easily if it wasn't for our solid friendship.Yasmin, are you alright?"

Yasmin shook her head.

"I'm fine.I just fell because I was running too fast.It has nothing to do with Ms.Stanton."

Shane's face was expressionless, and his eyes deepened a little.

Nathaniel sighed.

"Anyway, I'll take you to the hospital to have a look, then we'll go to my second uncle's place later." Nicole nodded.

"Go ahead! Take good care of Yasmin!"

Nathaniel glanced at Nicole and left with Yasmin.

Nicole sighed and looked at Shane.Shane pursed his lips, looked at their departing backs, and said without changing his expression.

"That woman was about to touch Madam earlier.I was afraid that she would push Madam, so I stopped her."

Nicole raised her eyebrows.

"Okay, watch out next time!"

Shane nodded slightly.

Clayton smiled and hugged Nicole's shoulders.

"Let's go."

Clayton turned around, and his smile faded.

“Stay away from them in the future.”

Nicole raised her eyebrows.

“You’re even jealous of Nathaniel?”

Clayton glanced at her with a specious smile and said faintly, “I didn’t even hear anything when that woman came over. Her footsteps were very light, so something’s fishy about her.”

Nicole’s expression changed, and her eyes widened in surprise.

“Why didn’t you tell me just now? What if something happens to Nathaniel?”

Nicole thought that Yasmin did not seem to be a scheming person.

Yasmin was simple, innocent, and did not look shrewd at all.

Clayton laughed softly.

“what does it have to do with me if he gets in trouble?” Nicole paused.

Clayton said he was not jealous, huh? Nicole frowned, looked at the man’s handsome profile, and pursed her lips.

“But it shouldn’t be. Yasmin looks weak...”

Clayton pondered for a while.

“Don’t judge a book by its cover. At least we have a suspect now. We can focus on her. You don’t need to care about the rest. I’ll get someone to look into it.”

Nicole nodded and took a deep breath.

Looking back on their conversation just now, Nicole really could not find the slightest flaw.

Was it really Yasmin? Nicole thought about it, turned her head, and gave Shane a thumbs up.

“Good job!”

Shane nodded expressionlessly.

Clayton was speechless.

Nathaniel took Yasmin out of the hospital and went straight to Ferguson Corporation.

Yasmin was a little apprehensive in the car.

“Nathaniel, will your second uncle hate me? What if he doesn’t agree with me working in his company? Maybe I shouldn’t be a secretary. What about a janitor?”

Nathaniel glanced at Yasmin sideways and sternly refused.

“No way! You’re a girl, so how could you do such a tough job? What’s more, no one in the office will bully you only if you’re by my second uncle’s side. The whole company will respect his secretary. Just look at Mitchell! He was my uncle’s assistant and was promoted to vice president. What a great jump!”

Yasmin’s eyes lit up.

“Great! I’m just happy to have a job. Thank you, Nathaniel.”

Nathaniel smiled brightly.

“You’re welcome. I’m willing to help you.”

After a while, they arrived at Ferguson Corporation.

Everyone at the front desk knew who Nathaniel was, so they did not dare to stop him.

When they reached the top floor, they were stopped by the secretary.

“Young Master Nathaniel, Mr.Ferguson is still in a meeting and has no time to see you.”

Nathaniel paused.

“I’m his nephew.Why would I need an appointment to meet with my family? Go and inform him that his dear nephew is here to see him!”
