

Chapter 5031

Elaine's words made James stunned on the spot.

He subconsciously asked: "Ms. Ma, what do you mean by a few days' delay?"

Elaine said angrily: "A few days later is the literal meaning,"

"Just let them be a few days later, don't be so anxious!"

James' whole person was instantly embarrassed.

He really couldn't understand why Elaine made such a strange request.

Confused, he couldn't help but ask: "Ms. Ma, I'm a little confused,"

"Don't you want me to get you out of here as soon as possible? Why don't you want to go out now?"

Elaine said seriously: "To tell you the truth, I have fallen in love with this place,"

"The people here are very friendly, and I have made a lot of friends here."

"I'm not an American, and I'll be returning to China in a while."

In fact, Elaine has no real friends here at all,

And some are just flatterers from all over the world.

These people are respectful and flattering to her every day, and even make her feel like a queen.

It is not easy for ordinary people to experience this kind of feeling.

After all, the free world has always been a place where there are people outside the world,

And it is difficult to find the feeling of being self-reliant.

But in a small environment like a prison, it is relatively easy to implement.

So Elaine also knew very well that if she left Bedford Hills Correctional Institution,

She would never be able to find this kind of self-serving experience.

James was also a little confused at this time.

He really couldn't figure out why Elaine fell in love with this ghost place.

So, he said embarrassedly: "Ms. Ma, this matter is not up to you and me now."

"In this matter, it all depends on the efficiency of the police."

If they are efficient enough, you will be released soon."

"Of course, if their efficiency is slow enough, maybe you can stay here for a few more days."

Elaine suddenly thought of something, and quickly said to him:

"By the way, aren't you invited by my son-in-law's client?"

“Then can you ask my son-in-law’s client to help me clear the way with the police,”

“So that they don’t let me out for the time being,”

“Wait another 10 days or so, and let me out in another ten days!”

Because the case is almost closed, Elaine’s situation is equivalent to taking a reassurance pill.

Although she had been very comfortable here before,

She was somewhat worried, what if she couldn’t get out by herself?

Prison life is fun, and it’s fun to be a ghost in Bedford Hills, but it’s all based on experiencing life.

If she really can’t get out, so that this kind of life becomes normal, then she can’t stand it.

But now she can be completely relieved, Phaedra has surrendered,

And her grievances have been washed away, so she can leave whenever she wants.

That being the case, she would prefer to stay at ease for a few more days.

James was a little embarrassed at this time, but he had a goal of not disappointing customers,

So he immediately agreed and said, “Ms. Ma, don’t worry, I will help you with this matter!”

Elaine breathed a sigh of relief and said, “Then don’t forget, I’m waiting for your good news.”

...

The first thing James left Bedford Hill Correctional Institution,

He immediately took out his mobile phone and called Douglas, the old man of the Fei family.

On the phone, he reported Elaine's strange performance to Douglas one by one,

And Douglas hurriedly conveyed Elaine's demands to Charlie word for word.

When Charlie was on the phone and heard Mr. Fei say,

That Elaine didn't want to leave the prison for the time being, he himself felt dumbfounded.

He really didn't expect that his mother-in-law would be addicted to squatting in prison.

It seemed that she had a really good life at the Institution.

At this time, Douglas on the other end of the phone said respectfully,

"Mr. Wade, it's not too difficult to keep your mother-in-law in Correctional Institution,"

"I can call friends from the judicial department to say hello."
