Chapter 1972

At that end, Ying Ming was particularly excited: “Your news is accurate?”

Qiu Cun smiled confidently and said, “I was right in front of me, if it wasn't for the timely arrival of their other two brothers, Kraig might have shot Arron to death.

Oh, it's a pity that it was the funeral of the Fu family, and everyone who should be there was there. This was unavoidable, and Arron escaped.

Otherwise, Lord Ying, you can easily get Nancheng now. “

Let me tell you, now that the battle between Kraig and Arron is imminent, they don't care about you at all. I guess Arron has even forgotten the fact that his wife is still in someone else's hands, haha! “

Ying Ming: “...”

After a pause, he said excitedly: “I will prepare immediately, you must communicate with me at any time!”

Elma: “Don't forget what you promised me!”

“Don't worry, don't forget!” Ying Ming hung up the phone impatiently.

He didn't fully trust Elma, he hung up his colleague and then dialed another set of numbers.

That end connected quickly.

"How was your investigation?" Yingming asked in a calm voice.

The other end immediately replied: "Both of them are bleeding, Kraig almost beat Arron to death, and they are already fighting with each other."

The person who replied to Ying Ming was a spy bought by Ying Ming in Nancheng.

The spies' news has always been reliable.

Ying Ming said indifferently, "Got it." Then, he hung up the phone.

"Brother, what's the matter with you?" Yingzi, who was walking behind him, saw Ying Ming standing there for a long time, rubbing his left hand with his right for a long time, but the expression on his face was very happy.

As soon as Ying Ming turned around, he immediately hugged Yingzi's arm: "Yingzi! Brother tell you, we can go home! We can go home soon! Back

Kyoto! Go back to where we grew up and see!

Maybe in the future, my brother will be able to buy a house and do business in Kyoto.

We'll never have to be robbers again.

The remains of our parents were moved back from the old forest, and we found a good cemetery for her. "

Yingzi's eyes suddenly lit up: "Brother, is what you said true? Is it true!"

Ying Ming sneered: "Of course!"

Yingzi: "You...we are weak, can we fight against Arron and Kraig? Are you sure that Arron will care about his wife's life or death? He is such a rich man, his wife died, You can still continue the strings, I don't think so..."

"Don't use his wife as a bargaining chip." Ying Ming smiled.

After laughing, he said to Yingzi again: "From now on, Suzi can no longer be Arron's wife, she will be my wife in the future! Mine! Because Arron has fallen out with Kraig, The two are going to have a big fight.

In the end, either Arron died or Kraig died.

However, there is also another result, that is, both loses.

No matter what the outcome is, it will be very beneficial to me, Ying Ming.

Even if Kraig is dead! But at that time, Arron must have suffered heavy losses. I, Ying Ming, had to deal with a Arron who suffered heavy losses, it was a piece of cake! "

As soon as Ying Ming's flower shadow fell, he heard a 'puff' behind him.

Ying Ming and Ying Zi suddenly turned their heads at the same time, and saw Suzi behind him was holding a teapot for drinking boiling water and fell to the ground.

Suzi's tears streamed down: "Yingming and heroic, what did you two just say? What did you say! Why did Shaoqin and Kraig fight, how could they fight? How could it be possible!"

After speaking, Suzi suddenly felt staggered and unsteady.

"Suzi!" Yingzi ran forward more nervously than Ying Ming and supported Suzi.

She had not been in contact with Suzi for a long time, two or three days in total, but Yingzi felt that Suzi was her friend.

Chapter 1973

The only friend in this life.

It was Suzi who treated Yingzi's foot injury. Although it has not been cured yet, Yingzi obviously feels better.

It was Suzi who listened to Yingzi's extremely painful past and comforted her.

Also, Suzi, like her, had such a miserable childhood.

Yingzi felt that she and Suzi were like old friends for many years.

"Suzi, are you alright, Suzi!" Yingzi supported Suzi and shouted with concern.

"Quick, help me do it, I'm dizzy and my legs are weak." Suzi said weakly.

Yingzi helped Suzi into the room and let him sit on the sofa. Ying Ming also followed. She sat in front of Suzi and said gently, "Suzi, don't be afraid, even if Arron is dead, you still have me. ."

"You evil ghost!" Suzi looked at Ying Ming with wide eyes angrily, and gritted his teeth and said, "What about my child! My child is still in Nancheng! What if my husband dies and my child is killed! If I Your child has a slight mishap, I will definitely kill you in this life!

Kill you! "

Ying Ming: "..."

He originally wanted to say to Suzi, "You have to be open. Although you don't have a child, you still have a child in your womb. If you are with me in the future, you will have another child."

However, when he saw Suzi's heartbroken look, he didn't speak.

He only patted Suzi on the shoulder, as a comfort to him.

Then stood up and walked out, shouting Yingzi: "Yingzi, come out."

Yingzi came out: "Brother?"

“Assemble all our horses on the island and set sail in the direction of Nancheng immediately. We must make a quick decision. After arriving in Nancheng, we will first slaughter the Fu family, and then take over the Fu family.

Later, it was renamed Yingshi Group.

In the future, my brother will be the president, and you will be the vice president. We will never suffer from poverty in the future. “

Yingzi hesitated: “Then, Suzi’s child...”

“No way! That child is six or seven years old. If I keep that child by my side, she will definitely avenge her father when she grows up in the future. She is different from the child in Suzi’s womb, this child has not yet been born. , if I treat him well, he will treat me as his biological father in the future, but how could a five- or six-year-old child recognize a thief as his father?”

Yingzi: “...”

At this moment, she herself wanted to say to her brother: “Brother, you also know that you are a thief?”

But Yingzi didn’t say anything.

The reason why my brother has come this far is entirely because of her heroic appearance.

No one in this world can say that his brother is heinous, not even Yingzi.

Yingzi only nodded firmly and said, “I know brother, I’ll mobilize the troops now.”

“We must have all the staff! Not a single one can stay on the island, because our staff is already small. If Arron and Kraig don’t take care of us in the battle, we can’t take it lightly.” Ying Ming again focused on the arrangement. .

Yingzi nodded: “I see, brother.”

After a pause, she asked cautiously: “Brother, that... person, what should we do?”

Ying Ming didn't think for a while who Yingzi was talking about: “That person? No one can stay on the island, everyone has to be mobilized!”

“Pan, Pan...What about Pan Haoyang?” Yingzi asked hesitantly.

Ying Ming was startled.

For the past two days, Pan Haoyang didn't think about howling and scolding like the first two days, so much so that Yingming almost forgot Pan Haoyang.

At this time, his sister had reminded him, and he remembered it.

Ying Ming said without hesitation: “Kill it!”

killed.

Yingzi's heart skipped a beat.

Originally, Yingzi hated Pan Haoyang very much, thinking that Pan Haoyang is a son and brother, a man who has no ability at all for nothing.

And because her brother wanted to occupy the island, Yingzi always wanted to kill Pan Haoyang to avoid future troubles.

However, in three days, Yingzi's view of Pan Haoyang has changed.

Pan Haoyang was locked in the inner room, but she heard her sorrowful recounting of her past in front of Suzi.

When Yingzi went to deliver breakfast to Pan Haoyang the next morning, Pan Haoyang suddenly asked her, "Am I sure to die?"

Yingzi nodded coldly: "You won't be alive! But you're not dead now. You seem to have some effect on your brother, so he will use you as a bargaining chip to threaten your brother. However, in the end, you will definitely die, my brother won't. keep you alive."

Pan Haoyang chuckled lightly, "Got it."

Yingzi: "..."

Seeing Pan Haoyang's calm expression, Yingzi didn't know what to say.

"You are a poor girl." Pan Haoyang said quietly.

Yingzi asked defensively, "What do you mean?"

"Since I'm going to die horizontally and vertically, then I'll tell you that I still have 10 million deposits in a bank in country Y, which I kept for my niece Pan Mingsai for college.

.

If I die, my niece won't get a share of that money.

You went and took it out. If you want to give half of it to my niece, you can give it. If you don't want to give it to you, I can't help it.

I just want to tell you that you are only 30 years old, and your life after that is very exciting.

Wash your hands.

With my money, go to a university abroad, find a secure job, get married, and have children.

You still have time. “

Yingzi did not expect a prisoner to speak to him like this.

She asked Pan Haoyang with a cold face: “You please me? Bought me? Want me to spare your life?”

Pan Haoyang’s face turned cold: “Do you want love!”

“What?” Yingzi didn’t understand.

“Go away!” Pan Haoyang ignored Yingzi.

Yingzi didn’t move.

After a while, she said, “I’m sorry.”

Pan Haoyang still ignored Yingzi.

“I...I want to know, my brother is going to kill you, why are you doing this to me?” Yingzi asked while biting her lip.

After asking, she blushed.

She had a momentary thought,

I thought Pan Haoyang liked her.

But then she denied it.

Because Pan Haoyang loves Suzi deeply.

But, for some reason, Yingzi blushed.

Seeing that Pan Haoyang didn’t answer, she asked again: “Can you tell me, why did you do this to me? I’m an ordinary person, I’m going to kill you, and you still do this to me, I have to doubt your motives, Hope you can understand.”

Pan Haoyang sighed softly, and without looking at Yingzi, he only said quietly, "Because I heard your tragic childhood and youth experience."

Yingzi: "..."

"No one is born a bad person. You obviously have an extremely rich father, but you haven't been happy for a day, and you have to be sent by your own father to the 70-year-old man's side. Since then, there has been no more Have you read a book?

Wander around the world with your brother?

I can hear your sadness and yearning when you tell Suzi about your life experience.

Anyway, I'm a dying person, it's okay to fulfill you.

The money is also put in the bank, you can take it.

If you can live a normal life from now on, stop wandering around, get married and have children, and love your children with your children for the rest of your life, even if the money doesn't turn into a blank sheet of paper, even if you get angry. "

After Pan Haoyang said these words, he didn't look at Yingzi.

He just closed his eyes and fell asleep very peacefully.

Chapter 1975

At that moment, Yingzi's heart was full of mixed feelings.

She suddenly realized that Pan Haoyang was not trying to please her, nor was he looking for a chance to escape. She even felt that Pan Haoyang had never thought about life at all.

It was as if living was a disdain for Pan Haoyang.

"If you can't get Suzi in this life, you don't want to live, right?" Yingzi asked Pan Haoyang.

Pan Haoyang answered very simply: "Yes!"

Yingzi: "Is she that good?"

There was a warm light on Pan Haoyang's face, and his tone became gentle: "I, Pan Haoyang, have never met a woman I like in my life, and when I never met Suzi before, I was wholeheartedly devoted to my brother's island. You can also fight, and then my eldest brother's island is gone.

I no longer have to pay for the Pan family.

The rest, I am a parent who doesn't want me, abandons my children, and just wants to form a small family with the woman I like all my life.

That kind of warm, small family with vegetable gardens, flowers and plants, and children laughing and screaming.

No need to be rich.

We can grow our own vegetables.

When the family needs expenses, I can even go to work, give people resistance, and work as a mason.

Either way. "

When he said this, his entire expression was extremely longing.

It was as if he carried bags for others to be a mason, which was a great enjoyment.

Then Yingzi suddenly wanted to understand.

Pan Haoyang's expression is really enjoying and yearning.

He yearned for that kind of life.

Yingzi also yearns.

She suddenly fell in love with Pan Haoyang even more.

Although Pan Haoyang has a gloomy and rebellious temperament, he has taste, culture, knowledge, and most importantly, he has the ability, but he disdains that kind of life of fighting and killing.

He was like a son of a nobleman radiating from his very tasteful bones.

In fact, he is really a son of a nobleman.

In three days, Yingzi fell in love with Pan Haoyang.

But Yingzi didn't dare to tell her brother.

If she said it, her brother would definitely beat her up, but it didn't matter if she was beaten up, but the main brother would be incredible and sad.

Yingzi, how could you possibly like an enemy?

And an enemy who has only known each other for three days?

She can't.

She could only hold down the little liking for Pan Haoyang that was just born out of her heart.

But Yingzi didn't expect that her brother didn't use Pan Haoyang as a bargaining chip to blackmail Arron, but to kill Pan Haoyang.

"Yingzi, what's wrong with you?" Ying Ming stared at his sister for a long time, as if thinking about something, he asked.

Yingzi's expression was extremely lonely and shook her head: "No... not much."

"Brother thinks, you seem a little unhappy?" Ying Ming asked with concern.

Yingzi: "..."

She didn't speak anymore, she was really sad and depressed, the kind that wanted to cry.

"We haven't been to Kyoto for more than ten years, and now there is hope to return to Kyoto, why are you unhappy? When we return to Kyoto, we will cooperate with Jun Chengyin, the second master of the Jun family, and Jun Chengyin will give it to my brother. a title.

At that time, my brother can justifiably live in Kyoto.

We can buy a garden house in Kyoto, and we will no longer have to wander. “

After a pause, Ying Ming said: “Brother knows, you are not too young, you are in your thirties, but you don’t even have a family. The reason why brother is so anxious to return to Kyoto and settle down is to give you Find a better family, get married and have children, and live a normal life.

My brother will definitely help you find a good wife. “

Hearing Ying Ming say this, Yingzi suddenly cried: “Brother, brother, you are so kind...”

“Well, what brother does in this life is for you.” Ying Ming said with a sigh.

“Thank you, brother.” Yingzi burst into tears.

Ying Ming said indifferently: “Go, let’s get Pan Haoyang’s name out now, let’s look at him again.”

Yingzi: “You... what did you say?”

Chapter 1976

At that end, Ying Ming was particularly excited: “Your news is accurate?”

It’s like killing a chick

Ying Ming: “Go, Pan Haoyang, take care of it.”

He said that when dealing with a set of lives, it was like killing a chick.

Yingzi’s heart couldn’t help shivering.

Are you going to kill Pan Haoyang?

There was obvious reluctance in her heart, although Yingzi knew that Pan Haoyang liked Suzi, but Yingzi was still reluctant to kill Pan Haoyang.

Pan Haoyang is very gloomy.

However, Pan Haoyang became the white moonlight in Yingzi’s heart.

She bit her lip and said to her brother, “Got it, brother.”

Then, silently, he limped to the place where Pan Haoyang was being held.

The door opened, Pan Haoyang glanced at Yingzi, and muttered indifferently, “Here you come?”

Yingzi: “Yeah.”

“When are you going to kill me?” Pan Haoyang had no sense of survival at all.

He just wants to die.

“Your brother and Kraig got into a fight.” Yingzi said.

“Who?”

“Arron and Kraig got into a fight. My brother is now mobilizing the troops to go to Nancheng. My brother asked me to take you...” Yingzi said halfway through, and suddenly her throat choked up.

After a pause, she said: "I'm sorry, I hit you with the shot in your leg, you don't hate me, you are willing to keep me away from the fight, and you are willing to give me a sum of money to study, I really I didn't expect to scold me now that I really regret hitting you in the leg."

Pan Haoyang: "Are you here to kill me now? Because Arron and Kraig fought,

So your brother no longer needs to use me as a bargaining chip to threaten Arron, so I have no value, so I have to be executed on the spot? "

he is very smart.

Anything can be thought through.

Such Pan Haoyang makes Yingzi like him more and more.

In front of the man, Yingzi is even extremely inferior.

She only did not graduate from primary school.

She has never eaten Western food since she was a child, she has never worn beautiful clothes, and although she has celebrated her birthday, she has never eaten cake.

Later, when I grew up, I wandered around with my brother, and never had a happy birthday.

But Pan Haoyang is different.

Pan Haoyang has lived in a noble family since he was a child, and his food and clothing expenses are first-class. He graduated from university, studied abroad, and has seen the scenery of the world.

Yingzi felt that she and Pan Haoyang were truly one earth and one heaven.

She admired and envied Pan Haoyang.

The love in the bottom of my heart, I dare not take it out at all.

She bit her lip and said: "I... you put a knife on my neck, drag me out, and go all the way to the sea, you jump into the sea, I will give you a chance to fend for yourself, If you can live, don't come back and live a good life abroad.

But please remember to me, don't try to play tricks, don't look at my bad feet these two days, it's easy for me to kill you with a leg injury. "

Hearing Yingzi finish speaking, Pan Haoyang was stunned for a moment.

Then he smiled: "No need, you can kill me."

Yingzi: "No..."

Pan Haoyang: "Why, can't bear it?"

Yingzi blushed suddenly.

Pan Haoyang: "..."

He was originally asking a joke, he didn't expect Yingzi to blush.

He didn't even expect that a girl, an enemy, would fall in love with him in two or three days, and even disobey his brother's order and let him go.

For a time, Pan Haoyang's heart was full of mixed feelings.

In his thirties, Pan Haoyang has seen many women in his life.

Smart, treacherous, enchanting, coquettish, he has seen all kinds of things.

Chapter 1977

He never took it seriously.

In this life, he has only Suzi in his heart.

But the girl in front of me was different.

This girl's life experience is too pitiful. Apart from the fact that this girl has now become murderous and ruthless, she is still a pure and uncivilized innocent girl in other aspects.

When Yingzi told Suzi what happened to her that night, Pan Haoyang heard it very clearly.

Therefore, he felt that this girl was a weakling in his heart.

No matter how bad Pan Haoyang was, he never bullied the weak.

And now, this

The weak fell in love with him.

In Pan Haoyang's heart, I don't know if it was warm, or what kind of feeling?

He sighed and smiled, and suddenly shouted: "Yingming! Are you sure you want to kill me! Just think about it, there is no regret medicine in this world! You have indeed seized the best opportunity, and now it is Arron. at its weakest.

But why do you want to capture Nancheng?

You are here to master Nancheng.

If you want to master Nancheng, you first need someone to straighten you, such as Qin Wenyu, the mistress of the Fu family.

Ying Ming, have you ever thought about it?

You robber, thief, vagabond, you know that.

Forget it, I won't talk to you old hat! "

Yingzi was stunned: "..."

After a long while, she reacted: "Pan Haoyang, you don't want to live anymore!"

Pan Haoyang: "I didn't want to live! I just didn't want your hand to kill me and make you bear the guilt again! You are a hard-working girl,

and it's not easy to fall in love when you grow up so much. Don't give it to your heart. Shadows are left.

I asked Ying Ming to change someone to kill me. “

Yingzi: “...you, how do you know, I...I like you?”

Pan Haoyang smiled gently: “Silly girl.”

Three words ‘silly girl’, Yingzi burst into tears instantly: “Pan Haoyang, I...I really...like you, I have never liked a man other than my brother, I think I don't deserve to like anyone, I'm illiterate, I...”

Pan Haoyang smiled and said, “You're fine, don't cry, your brother will be here later, it's not good for you to be like this.”

Pan Haoyang had just finished speaking when he heard footsteps outside.

Yingzi immediately wiped the tears from her face.

She just wiped it off when Ying Ming came in.

Seeing Yingzi and Pan Haoyang looking at each other, Ying Ming asked, “What's wrong with Yingzi, this thing refuses to die?”

Yingzi nodded: “Yes, brother, he said, he can help you, I don't believe it.”

Ying Ming immediately smiled and said, “I heard what he said just now. This kid is right! In terms of management, he is indeed better than us.”

After a pause, Ying Ming looked at Pan Haoyang again: “What am I going to do to your Writers Association so that you are willing to bow down to me?”

Pan Haoyang: “Yingming, let me tell you the truth, as long as you get me ashore, I will have the capital to fight against you. Although you can kill Arron, you might be a mantis catching cicadas. Oriole is behind, maybe I will kill you in one fell swoop in the end.

So, think about it carefully! “

Ying Ming: "..."

After a pause, he smiled and said, "You are quite magnanimous!"

"Of course!" Pan Haoyang: "So, I thought about it, you should kill me. Also, if you sent your sister to kill me, I suspect that you are showing mercy to me. Do you think that if you are alone? Dou, is your sister my opponent?"

Ying Ming, if you want to kill me, do it yourself!

Otherwise, my sister and I, who will die! "

Ying Ming smiled: "I suddenly don't want to kill you anymore, I thought about it, you will really be useful to me when you get to the shore, then I will use you up, I am killing you, and then I will let my sister kill you.

I want to see if you are my sister's opponent! "

Pan Haoyang: "..."

He was actually relieved.

Of course it would be better if he didn't die. This shows that he still has a chance. As long as there is a chance, he wants to save Suzi.

Suzi is so pitiful, with nearly nine months of pregnancy, if something goes wrong, it will be one corpse and two lives.

"Boy! Don't underestimate women, let alone my sister!" Ying Ming added.

Chapter 1978

Yingzi glanced at her brother gratefully.

My brother loves her very much. If I let my brother know that she likes a big enemy, what will my brother think.

When her brother went out, Yingzi didn't look at Pan Haoyang any more, followed her brother out and locked the door.

That night, the two siblings, Ying Ming and Ying Zi, stayed up all night.

In a few hours, some of the three religions and nine streams they raised on the entire island gathered together. The boat they used was the boat that Arron sent supplies to Pan Haoyang.

There is another ship with weapons.

Those weapons were accumulated by Ying Ming little by little over the years.

When everything was ready, it was already past four in the morning.

The island was brightly lit, and Yingming was waiting for the report of the spies who came from Nancheng.

After a while, the spy came back, all covered in wind and frost, the spy came to Ying Ming before taking a shower, and said with great excitement, "Master Ying! Arron has already headed north, and he will temporarily stop all the affairs of the Fu Group. He handed it over to his elder brother Sanford.

I heard that Sanford is a fictitious boy. It is Arron's credit for Xu's group's improvement this year.

After Arron left, Nancheng was almost empty. "

Ying Ming held both sides of the chair with both hands, and the veins in his excited hands holding the sofa were exposed, but he was still calm: "Wait, wait."

About an hour later, Ying Ming's cell phone rang.

He picked it up and looked at it, and immediately connected: "Hello! Elma?"

"Ha! Lord Ying, let me tell you exciting news! Arron and Kraig are in an uninhabited mountainous area north of Nancheng, and they have started a big battle! I also tell you good news, now Kraig The second uncle, Jun Chengyin, is rushing over from Nancheng. You can arrive in Nancheng today, and then you can cooperate inside and outside.

Lord Ying, from now on, Nancheng and Kyoto will be ours.

our!

Ha ha! "

Ying Ming only said one word: "Okay!"

He said that, he immediately hung up the phone, then got up and walked outside, giving the order: "Attack!"

With an attack, everyone set off.

At this time, Ying Ming came to the place where Suzi lived.

He has taken good care of Suzi these past few days, no matter if he eats or rests, he does not let Suzi be restrained in the slightest.

At this time, he came to Suzi, and said to Suzi solemnly: "I will let you go back to Nancheng with me in the cabin. There are always several doctors by your side, and the medical equipment in the cabin is also full. is complete, you don't have to worry.

I'll be able to take South City down soon.

At that time, you will still be the first lady of Nancheng. "

Suzi sneered: "You have a big tone! Are you also confident?"

“I’ve always been confident, and I’ve never felt inferior.” Ying Ming said seriously.

With a sigh, he said, “I just don’t have as much luck as your original husband. Since my luck is not good, I have to work harder. One day, I will be more honorable than your ex-husband!

So Suzi, follow me, I won’t let you go anywhere.

I will only make you more beautiful than before. “

Suzi sneered and looked at Ying Ming and didn’t speak any more.

She just said in her heart, dream!

In this world, other people don’t understand the relationship between Shaoqin and Jing Yu, but Suzi understands the most.

Shaoqin and Jingyu were born comrades-in-arms.

Just like two lonely small groups of people in the deep mountains and old forests, encountering

When there were wolves, Shaoqin and Jingyu were each other’s backs, and they were indispensable.

Without one, the other cannot live alone in this world.

Because their world is extremely cruel.

The two had reached such a consensus since Arron was in exile abroad and Kraig had not made great contributions to the country at that time.

How can two people like this just turn their faces when they say they have turned their faces?

If Arron and Kraig turned their faces, who would benefit from the fisherman?

Suzi’s heart suddenly became hot.

Shaoqin and Jingyu must have put a lot of effort into making this game seamless and without loopholes.

Chapter 1979

It's really hard for my husband.

Suzi suddenly cried.

Excited to cry.

Emotional cry.

However, what appeared in front of Ying Ming was a sad cry.

In this way, Yingming felt that Suzi was crying because his life and death were unclear, and he became more and more convinced that the fight between Arron and Kraig was absolutely true.

“Don't cry, don't cry anymore, you're a pregnant mother now, think more about the child in your belly.” Ying Ming comforted Suzi in turn.

At this time, Yingzi also came.

“Brother, let me help Suzi to the boat.” Yingzi said.

“Okay, take care of it and help it lightly.” Ying Ming was afraid that Suzi would make a mistake.

Yingzi nodded.

While helping Suzi to walk to the boat step by step, Yingzi said to Suzi, “Suzi, don't you love my brother?”

“nonsense!”

Yingzi: “My brother... he's really good.”

Suzi: “...”

She especially wanted to scold, what a fucking big head!

A murderer!

How many women have been harmed!

What a shit!

But on second thought, Yingzi is Ying Ming's younger sister, she can't be quick in front of Yingzi.

Suzi sighed and said, "I know your brother is a good man, but I am a man with a husband and children. I am very traditional. I can't do that my husband is not dead yet, and I am still pregnant with my husband's. As for the child, I will marry my husband's enemy, I can't do it, Yingzi, why don't you kill me."

"No Suzi, no! I can't kill you." Yingzi said immediately: "You are my friend, you have to live strong, my brother will treat you very well."

Suzi: "..."

She didn't want to say anything to this stupid, violent and pitiful girl, Suzi just smiled bleakly: "help me on the boat first."

"Yeah." Yingzi was very obedient.

Not long after Suzi got on the boat, the boat set off.

It's not far from the small island of Pan Haoyang to Nancheng.

We set off at five or six in the morning, and when it got dark at night, we were already close to Nancheng.

During this period, Ying Ming frequently received news from Nancheng.

Every time it was news that was very beneficial to his Yingming.

Ying Ming's confidence grew stronger.

When they got to the shore, they stopped, and in the dark night, the sea area of Nancheng appeared shadowy.

Ying Ming was about to order the ship not to turn on the lights, to disembark quietly and in an orderly manner, and then drive a long drive straight into the Fu family's old house. Take the best chance first.

However, before Ying Ming could do all this, the large area of the sea where he was located was suddenly brightly lit.

“What’s the matter! Who told you to turn on the lights!” Ying Ming suddenly shouted angrily.

No one answered Ying Ming.

“Yingzi!” Ying Ming shouted.

“Brother... I didn't let anyone turn on the lights?” Yingzi quickly came to Ying Ming, she also felt strange.

“Zhang Hu! Li Bao! Richard! Clean! What’s the matter with you guys! Whoever asked the lights to turn on, turn them off!” Ying Ming called out to her bodyguards.

Several guards quickly came to Ying Ming.

They were all confused.

No one will turn on the lights.

After all, even if they knew that Arron was at his weakest, they wouldn't dare to act rashly, but who was the cool light?

At this moment, a very loud and calm voice suddenly came: “Ying Ming! I am Arron!”

Chapter 1980

Ying Ming's boat was brightly lit.

Around the ship, the water has been surrounded by water.

"Ying Ming! A robber is a robber. Without special training, your combat effectiveness is not worth mentioning with me." Arron was standing not far from Ying Ming, his tone was steady and his expression even more steady.

Ying Ming was stunned.

For a long time, he didn't speak.

As time passed by like a world, Ying Mingcai asked quietly:
"You...Arron, you...Aren't you fighting Kraig? Why are you here? "

Arron sneered lightly: "Yingming! You have been living abroad all the year round, information is not developed, technology is not developed, you are very backward in all aspects, and to put it bluntly, you are a poor bandit! Now that the country is so peaceful, who and who will really have a large-scale outbreak. struggle?"

"You... are you acting?" Ying Ming was incredulous.

"Nonsense!" Arron laughed even colder.

Don't look at him talking to Ying Ming very calmly here, in fact, he has secretly sent people to search for Suzi and Pan Haoyang.

The reason why Arron is looking at Yingming is to prevent Yingming from jumping off the wall.

"How is this possible?" Ying Ming held the gun

, the muzzle has been pointed at Arron little by little.

The expression on his face was a bit nervous, he tilted his head, and he couldn't believe it was true: "How is this possible? Are you not going to do your grandfather's funeral? Did you fight Kraig in front of grandpa's mourning hall? You're dead and alive, this is all fake?"

You didn't fight?

Is that woman cheating on me? "

"Qiu Cun didn't deceive you." Arron said calmly.

Ying Ming's heart became more and more desperate: "You...you know that Elma has been reporting to me?"

Arron scolded coldly: "Otherwise, what do you think? Do you think I don't know that Elma has already joined with you? Is it so easy for you to be the Fu Group that I, Arron, snatched from the wolves? You think I, Arron Sitting on the southern city, is it a straw bag?"

Ying Ming: "..."

"Ying Ming, in fact, over the years, Jing Yu has stopped chasing you, because it is not easy to think about you and your sister. If you don't come to China in this life, Jing Yu also plans to let you go.

As a result, you let the thief not die! "

"I'm already surrounded by water?" Ying Ming asked desperately.

Arron's tone was extremely calm: "Where's my wife, I know she's still alive."

"Your wife doesn't love you anymore, she loves me!" Ying Ming said defiantly.

Arron was very calm: "if she wants to tell me personally that she loves you, not me, I will let her go with you."

Ying Ming: "..."

He originally wanted to anger Arron, and then launched a desperate fight.

However, he found that Arron was extremely calm, not even angry.

“Shaoqin, you’re here.” At this time, a voice suddenly came from behind Ying Ming, the voice was choked, but Ying Ming could hear it, it was a suppressed excitement and excitement.

“Suzi...” Arron only said one sentence, and he couldn’t go on.

If he spoke, he would be choked up.

He is a man.

Except for the death of his mother, he cried, and before that, he never cried.

“Shaoqin, I’m still alive, I’m waiting for you, I know you will find a way to save me, Shaoqin, I protect your child very well, Shaoqin...” Suzi cried of weeping.

Just five days.

But it seems like an eternity.

Seeing his man again, Suzi felt that he had walked through the gates of hell, earned a whole world, and then reunited with his husband again, which was very, very, very rare.

“Shaoqin... stretch out your hand, then come on to me, I’m tired, I drag my stomach every day, I’m very tired.” Suzi cried and walked in the direction of Arron.

Just now when Ying Ming said that the lights on the ship were bright, Suzi already knew that Shaoqin was here.

Chapter 1981

Ying Ming was confronting Shaoqin, and Suzi persuaded Yingzi.

“You let me go up, and I’ll persuade my husband. I promise to let my husband open up to you and your brother. I won’t kill you. I, Suzi, will do what I say.”

Suzi really thought so.

She wanted Shaoqin to release Ying Ming and Yingzi.

After all, in the past few days on the island, Ying Ming has always been very polite to her.

There was no abuse against Pan Haoyang either.

What's more, Yingzi still had such a miserable childhood.

However, just as Suzi took two steps, her neck was stuck by Ying Ming.

"Don't come here! Don't come here!" Ying Ming suddenly grabbed Suzi's neck and shouted loudly.

Suzi: "Young... Qin..."

Arron was in a hurry: "Yingming, don't mess around! Don't mess around!"

"Arron! Who do you think you are? You have a family, a family, children, and the Fu family! Have you ever thought about me? I'm a desperado! If you dare to take one more step, I will kill your wife immediately!" Ying Ming's hands suddenly tightened.

"Less..." Suzi's face flushed from being held back.

"Brother!" Yingzi cried out to her brother from behind.

At this moment, even Yingzi couldn't see through her brother.

My brother keeps saying that he loves Suzi, but why can he kill Suzi at this moment?

"Brother... Suzi is pregnant with a child!" Yingzi cried and cried.

Ying Ming sneered fiercely: "She and the child in her womb are lives, so our lives are not lives! If Arron lets us go, Suzi will not die! If Arron doesn't let us go, will Suzi give it to me? Burial!"

Up to now, Ying Ming is only dealing with his sister.

It is impossible for him to let Suzi live again.

At this moment, Ying Ming's eyes were filled with blood.

Soup.

Everything is in jeopardy.

He had planned it for so long, and it took every step of the way. Over the years, he accumulated weapons and opportunities little by little.

As a result, it fell short when it came to a critical moment.

Ying Ming's frustration has reached its peak.

"Arron! You put so much thought into doing such a deception, and your purpose is to save your wife. It shows how important your wife is to you. I can see it. You love Suzi very much.

Love your wife very much, right! Ying Ming looked at Arron viciously and asked in a hysterical tone.

Arron's nerves were tense: "You let go, you let Suzi go, and I'll give you what you want."

"Nancheng! Do you give it?" Ying Ming asked.

"Here! I will definitely give it to you! I, Arron, say what I say!" At this moment, Arron really thought so.

As long as Ying Ming lets Suzi go, even if Ying Ming wants Arron's life, he will give it to him.

"You love Suzi so much?" Ying Ming's jealousy was very strong.

Arron: "If you let Suzi go, you can take my life away!"

"I don't! I don't! I don't! You bastard, Arron, you have ruined everything for me. I have nowhere to go. What am I afraid of! I'm not afraid of death at all! I've already made up my mind that I'm going to die. !" Ying Ming smiled wickedly.

He looked at Arron with a very provocative expression: "I don't care if I die, but I want my beloved woman to be buried with me. Suzi will be

mine from now on, and will die with me, Arron, don't even think about being with me in this life. Suzi is together, you live! We are dead..."

In a word, Ying Ming was about to kill him and Suzi with one shot.

"No..." A figure suddenly came from

Pounced from behind and knocked Ying Ming down.
