

# Chapter 5079

Charlie continued to ask, "What is the goal of your mission this time?"

The man turned around and pointed not far away.

The nervous look of one old and one young person hurriedly said:

"Our mission goal is to take the two of them alive to Sweden, where there will be a plane waiting for us."

Charlie asked: "After arriving in Sweden? Where is a destination?"

"The next destination?"

The man was slightly startled, and quickly waved his hand and said:

"We don't know this at all, even before our departure,"

"We didn't know where we were flying. Where is the destination,"

"They didn't tell us the specific requirements of our mission until after we got on the plane and the plane took off."

Then, he added: "As for the arrangements after arriving in Sweden,"

“We will not even know what to do. I don’t even know if we can get on that plane after we arrive in Sweden.”

“After all, these two are meant to meet the lord and he is unpredictable.”

“It is impossible for us to know his location.”

“It is very likely that the plane takes the two of them away,”

“And we will find a way to return to Cyprus by ourselves.”

Charlie frowned slightly when he heard this, and asked,

“Isn’t the plane that sent you usually not under your control?”

“My intelligence shows that This plane is stationed in Cyprus most of the time.”

The man nodded and said truthfully: “That plane is indeed stationed in Cyprus,”

“But that plane is not managed by our cavalry guards,”

“And all planes are owned by the ‘postman’ Jurisdiction.”

“Postman?” Charlie asked curiously: “Is it another type of work like the ‘guide’?”

“Yes!” The man hurriedly said:

“We and the dead men we manage, all personnel transfers are determined by the above.”

“After the above decision, the task details will be handed over to the postman.”

“The postman will then notify us. For example, the dead man goes out to perform the mission.”

“After the mission is over, the postman will send the survivors back to us.”

Charlie probably understood the operation mode of the other party, and he said with a solemn expression:

“You said that you cavalry guards, most of your responsibilities are equivalent to prison guards.”

“Yes.” The man said in agreement: “Most of our jobs are similar to prison guards,”

“And we are also prison guards in reform-through-labor prisons,”

“And usually supervise the dead men’s mining operations in there.”

Charlie asked in surprise: “Is the copper mine still producing?”

“Yes.” The man explained:

“The copper mine was purchased from the Cypriot government through legal procedures and with legal funds;”

“Because this is a copper mine that has been in production for many years,”

“The organization cannot allow it to go out of business,”

“Because it would definitely arouse suspicion from the outside world,”

“So after the organization bought the copper mine,”

“It announced that it had invested 500 million US dollars to upgrade and expand the copper mine;”
