

## Chapter 5083

Charlie frowned, feeling that there must be some mystery hidden in this thing,

But he might not have time to study it now, so he put the ring in his pocket.

And that girl, at the moment when she heard the buzzing sound,

Those eyes that were still a little distressed were instantly replaced,

By a kind of excitement that was difficult to suppress...

Charlie didn't notice the change in the girl's eyes.

After he took the ring, he looked at the seven cavalry guards again and asked,

“Does your lord just want you to snatch this ring?”

The man who kept answering Charlie's questions said respectfully:

“To tell you the truth, we don't know this either.”

“The order we received was to take them both to Sweden,”

“And we didn’t reveal any details of the rest to us. .”

Charlie nodded, looked at the girl again, and when his eyes met,

He put a trace of spiritual energy into her mind, gave her a psychological suggestion to answer his question truthfully,

And then asked her: “Little girl, how much do you know about their organization?”

Charlie didn’t fully believe in this girl,

So in order to make sure he didn’t miss any clues,

He planned to use psychological hints to cover everything the girl knew to come out.

Although it’s a little immoral to use psychological hints directly,

But the stakes are very important, and Charlie can’t care so much at this time.

Moreover, Charlie had given the girl a vaccination just now,

And planned to erase the memory of tonight from the girl’s mind after all this was over.

Therefore, she will definitely not remember what happened by his own psychological suggestion.

After the girl was psychologically hinted by him,

She shook her head slightly, and said seriously:

“I don’t know much about this organization, these are the disasters my father caused at the beginning,”

“Neither my grandfather nor I are very clear,”

“I only know that they have been trying to find out where my grandfather and I are, and grab this ring from our hands...”

Charlie couldn’t help but feel disappointed when he heard this.

These cavalry guards didn’t know any valuable deep clues, and this girl didn’t know either.

It seems that if he wants to get more clues about this organization,

He will have to slowly peel off the cocoon in the future.

Thinking of this, he looked at the girl and asked, “What does your father do?”

The girl replied, "My father used to be a martial artist,"

"But he got this ring from nowhere, so he started to be hunted down by that organization,"

"And in the end, he was not spared and died under the hands of that organization."

Charlie pointed and nodded, then looked at the seven cavalry guards, and said,

"If I can give you a chance to survive,"

"And at the same time give you a chance to take revenge, would you all be loyal to me?!"

The leader of the seven men from the sect said with a wry smile:

"Sir...you are a person with great supernatural powers."

"If we can really survive, we are naturally willing to be loyal to you,"

"And we are willing to shed blood for you."

"However, all seven of us have bodies that are highly poisonous."

“If we don’t go back to take the antidote,”

“We will all die from the poison within a week.”

“Even if we want to be loyal to you, there is no chance at all...”

Charlie said lightly: “As long as you are willing to be loyal to me,”

“I will naturally have a way to solve the poison in your body,”

“So that you will no longer be threatened and troubled by toxins from now on.”

The leading man said without hesitation:

“Sir! If you can really solve the poison in our body,”

“We are willing to be loyal to you for the rest of our lives,”

“If there is any disobedience, we will surely die without a place to be buried!”

The other six also expressed their opinions with great excitement at this time.
