

Chapter 5099

The man in the Volvo driver's seat, after wearing the real-time transmission camera,

Pushed the door and got out of the car.

After confirming that there were no people or vehicles passing by,

He used the lock-picking tool to skillfully pry open the door.

In fact, the house Maria lives in has, in addition to the ordinary door lock,

A hidden deadbolt was hidden on the top and bottom of the door frame,

And a whole set of Internet of Things control systems has been upgraded for the door lock.

Under normal circumstances, whether she was sleeping or going out,

She would use her mobile phone to lock the hidden deadbolt.

This kind of door lock can only be unlocked through the Internet,

Even the best locksmith can't break it.

However, when she and her personal servants evacuated this time,

They intentionally did not open the hidden bolt,

Which made it easy for this person to slip into the room.

At the same time, in many corners of the world,

The lord of the mysterious organization, and the four earls who are second only to the hero in power,

All are watching the real-time transmission in front of the screen.

When the man entered the room, the corpses of Maria's bodyguards suddenly appeared on the ground.

The man didn't seem surprised to see so many corpses.

Instead, he approached and reported: "It seems that there was a gun battle here.

But these corpses are not Cavalry guards, they should be the other party's bodyguards."

As he spoke, he followed the traces all the way to the study,

And found another corpse on the floor of the study.

He immediately stepped forward, and when he saw the face of the corpse,

He was startled for a moment, and blurted out: "It's the commander of the Cavalry guards!"

The voice of the viscount immediately came from the earphone:

"Check whether he is dead or not!" How did he die!"

The man immediately bent down, checked the commander's eyelids

And the corpse spots on his neck and hands, and said, "He should have died of poisoning..."

As he spoke, he opened the commander's teeth and found the crushed fangs in his mouth,

And immediately added: "It seems that the commander committed suicide by crushing his fangs."

The viscount immediately Asked: "Where are the other Cavalry guards?!"

Eight Cavalry guards were dispatched this time. Why did he die alone?! Where are the others?”

The man at the scene looked around, then went out and searched the entire villa,

But unfortunately, no clues of Cavalry guards members were found at the scene.

So, the man asked, “Master Viscount, is there anything else you need me to do?”

Before the Viscount could speak, a voice that had been processed by a voice changer,

And had a horribly low voice coming from the earphone:

“Return to Study room! Take a look on the desk!”

The man was startled by the voice.

It was the first time he heard such a cold voice, which made people feel a little creepy.

However, the next moment he realized that this voice was probably the mysterious lord!

He suddenly became tense, and stammered, “Okay... okay... I... I’ll go right away...”

After finishing speaking, he hurriedly stumbled back to the study.

When he came to the quaint desk, he suddenly found that there was a pair of calligraphy written with a brush on the desk.

He looked down and found that there were only eight characters in this calligraphy work:

“The ring has been abandoned, and it is useless to chase after it.”
