

# Chapter 5115

Hearing that Charlie wanted to act on his own, Joseph quickly said:

"Mr. Wade It's risky, why don't you let your subordinates choose a few elite soldiers and go with you!"

Charlie waved his hand and said seriously:

"The success rate of this kind of thing is the greatest only when one person acts,"

"And even if it fails, one person can do it alone."

"If I can escape completely, once there are more people, the chance of being exposed will be greatly increased."

"Not only must I ensure that this matter is as successful as possible,"

"But I must also ensure that if this matter fails, no clues will be left as much as possible. ..."

Duncan also agreed at this time and said: "I support Young Master Wade's point of view."

"Based on my experience as a police officer for so many years,"

"Most of the major cases that have not been solved in the true sense are cases involving a single suspect."

"As long as the person's professionalism is high enough and his strength is strong enough,"

"He will be able to accomplish his goal in a leisurely manner without leaving any valuable clues for the police."

"The chances of usable clues will increase exponentially."

Speaking of this, Duncan said again: "To use an appropriate analogy,"

"The murderers behind the double-digit serial murders of the victims are almost without exception a one person."

Hearing this, Joseph could only nod his head and said,

"If that's the case, then the subordinates should make preparations in Beirut."

"Whenever Mr. Wade needs the Cataclysmic Front and the subordinates must furbish it as soon as possible!"

Charlie nodded, and said with a smile: "I really have something that you need to prepare in Beirut in advance."

Then, Charlie said seriously: "Joseph, on the day of the operation,"

"You should bring May 47 and these seven Cavalry Guards and wait for me on the high seas."

"Once I succeed, you take them all to the copper mine."

"If you want to make those Cavalry Guards and dead soldiers surrender completely,"

"You need a few of them to show up and speak."

Joseph said without hesitation: "Alright Mr. Wade, I will arrange a cruise ship in advance,"

"And will be waiting for your news on the high seas."

Charlie nodded, looked at May 47 and the other seven Cavalry Guards, and said,

"When the time comes, I will have to work hard for you all."

"If this matter can be successful, I need you to manage this for me together."

All eight agreed without thinking.

Charlie's bold and radical plan made them all very excited.

If the disappearance of the poison in their bodies broke the shackles that the organization had shrouded them for many years,

Then following Charlie to take down the entire resident is the first step to launch a counterattack against the organization.

Afterward, he asked the people:

"Everyone, can you describe to me what the antidote this organization usually takes for you?"

May 47 took the lead and said, "We take round pills with a diameter of About one centimeter,"

"The color is dark brown, and the surface has a certain luster."

Several other Cavalry Guards also nodded, and the leader said: "We take the same."

Charlie frowned, took out a blood-scattering heart-saving pill came,

And asked, "Does it look similar to this?"

May 47 nodded: "Basically, it is very similar, but the color of your pill seems to be better."

Charlie said thoughtfully:

"It seems that the antidote they give you is also made using traditional medical techniques."
